

The Charismatic Charlie Wade Chapter 3991

It is not easy for Zhang Ermao to discuss life in Aurous Hill these years.

After all, he did some shameful deeds, and he was often chased away like a dog, and even suffered a fat beating every three to five, and his life was not stable.

The main reason is that there is no patron that can cover him.

It's not that Zhang Ermao has never thought about making a good relationship with the people on the road, especially the Evan who is in charge of Antique Street.

However, in Evan's eyes, he was an incompetent liar.

Don't say that Evan doesn't take him seriously, even Evan's younger brother doesn't take him seriously.

Therefore, if Charlie didn't give him a hand, even for a role like Evan, he would be far from high.

But now it's alright, now Charlie asks him to follow Don Albert as a master in the future, which is tantamount to pulling him up several times!

Aside from other things, starting today, he is also regarded as a direct subordinate of Don Albert, and he is regarded as the same school as Caesar, and is directly one level higher than Evan, who he could not afford to climb before.

It was precisely because of this profound realization that Zhang Ermao was extremely grateful to Charlie in his heart.

charlie looked at him with a grateful look, and exhorted: "Zhang Ermao, after following Don Albert, don't go to Antique Street to engage in these scams. Although Don Albert is still on the road, he is still on the road. The business has been transformed into a clean state, so don't use your brains again after you go."

Zhang Ermao quickly stated: "Mr. wade, don't worry, I will follow your teachings and never touch these unclean things again!"

charlie nodded, always feeling that Zhang Ermao's words sounded okay, and it was a bit uncomfortable after careful consideration.

Then I thought about it, I had just pitted 2 billion from Bernard Arnault. Compared with myself, Zhang Ermao was nothing but a witch, it was the little chicken who met the Tyrannosaurus rex.

However, fortunately, charlie didn't intend to take his money from Elnor as his own, but instead planned to donate all the money to charity. As a result, he would feel more comfortable.

Immediately, charlie called Don Albert and asked him: "Don Albert, where are you?"

Don Albert said hurriedly, "Master Wade, I'm in Heaven Springs, what do you want?"

charlie said: "I have found a master for you. Since you are in Heaven Springs, then I will let him go to Heaven Springs to find you in a while."

Don Albert asked in surprise: "You have found a master for me?! Master Wade, who is this master?!"

charlie smiled and asked, "Do you know Zhang Ermao in Antique Street?"
