

# Catch Me If You Love Me

## Chapter 4

After Lydia Lin finished speaking, her face changed slightly, and she grinded her teeth viciously.

“Earlier you gave up Liam Lu and forced him to leave his hometown, now he has just returned to the country, he has moved his hand against Gu. It is clear that he is holding a grudge and waiting for revenge.”

Lydia Lin squinted and squinted at Zoey Gu, her tone was even more shameless.

“To put it bluntly, all of this is thanks to you. So now, of course you have to save it yourself. I will send you to Liam Lu, and you have to make him give up the idea of suppressing the Gu family.”

She squatted down in front of Zoey Gu, pinched her chin and looked left and right, curling her lips coldly.

“Men have a special complex for their first love, as long as you behave well, I believe you can, things will work out...”

A coldness rushed up from the soles of the feet in an instant.

Zoey Gu suddenly raised her head, facing Lydia Lin’s face full of calculations, twisted the opening forcefully, and refused her without hesitation.

“I, no, see you!”

No matter what the reason, it was Liam Lu who gave up on her own initiative. And now she was not qualified, and she was not even worthy to stand in front of Liam Lu.

She is so dirty, and she dare not...

Snapped!

A slap shook her, Zoey Gu turned her face severely, and fell heavily on the floor.

“What qualifications do you have to refuse?”

Lydia Lin grabbed her hair and forced her to raise her face, squinted her eyes and warned viciously.

“Zoey Gu, let me tell you that back then I could force you to give up Liam Lu, and today I can use the same method to force you to return to him.”

“Oh, by the way, I forgot to tell you. Your father was rescued from a cerebral hemorrhage a few days ago, and now he hangs himself with piles of drugs. You said, if you let him know your days, will he ...”

“And your brother...”

Zoey Gu’s heart was choked fiercely as if being pinched by someone abruptly.

“Stop talking! I will go! No matter what you ask me to do, I will go!”

Zoey Gu screamed and interrupted her, shaking uncontrollably, and she couldn’t help trembling for thousands of times, she couldn’t wait to rush directly to bite the woman’s neck.

“Lydia Lin, why on earth are you? Dad loves you so much. I regard you as your biological mother. Why are you so vicious? You will go to hell, you will die!”

Lydia Lin smiled with satisfaction.

“It’s not important. What’s important is that Gu’s family now belongs to me, and you are my most important chess piece.”

She pushed Zoey Gu to the floor, patted her hands easily and walked towards the door, and after a few steps, she paused again.

“You shouldn’t say what to do, don’t I need to teach you? Remember, where your father and brother are, no one knows except me. Even if you tell Liam Lu the truth, he won’t be able to help you.”

“Furthermore, who would put a flowery beauty and accept a dirty you? Hahaha...”

Bang!

The door closed.

Even after a long time, Lydia Lin’s triumphant laughter still echoed in her ears.

Zoey Gu slumped on the floor with red eyes, tears instantly falling.

Liam Lu...

How she is going to appear in front of him?

In front of the financial building lined with tall buildings.

A low-key black car came quickly, and as soon as it stopped, Zoey Gu was pushed down mercilessly by the people behind her.

She staggered a few steps forward, subconsciously raising her hand to block the light above her head.

It's been too long, and when I first saw the sun after many years, there was a burning tingling in my eyes.

In order to conceal the traces on her body, Lydia took a lot of time to dress her up. It was obviously a hot summer, but they put her in a long-sleeved and slightly thick skirt.

She looked at everything strange in front of her with fear.

Just turning around, an extended Lincoln car drove all the way and stopped firmly in front of her.

The door opened, and the long legs wrapped in straight suit pants stepped out first.

Seeing that face, Zoey Gu instantly settled on the spot, and the blood all over her body seemed to flow backward, rushing straight into her mind.

“Come! Liam Lu is here!”

A large number of officials suddenly appeared behind her, carrying long cannons forward.

She was squeezed in the middle and was forced to stumble forward.

She was hit by someone behind her, and she rushed out in an instant.
