

# The Charismatic Charlie Wade Chapter 4021

Lord Wade never dreamed that charlie would give himself enough space at this auction.

Letting myself participate in the auction as a VIP has already surprised and surprised myself. I never thought that charlie not only gave him the status of VIP, but even made himself the finale.

It's just a finale appearance. What I didn't expect is that Jasmine moore asked everyone to stand up and applaud to welcome her when she announced the screen. This is simply the highest treatment for her kind of occasion!

You must know that those who are participating in this auction at this moment are not top rich people without exception, and there are many people whose economic strength is much stronger than that of the wade family.

However, even these people stood up respectfully and applauded Lord Wade's admission.

At this moment, Lord Wade's vanity was greatly satisfied.

However, being treated with such a high standard made Mr. Wade even more nervous. He was so nervous that he didn't know whether to step on the left or the right first when he entered the auction hall.

He suppressed the excitement and nervousness in his heart, and then walked into the auction venue.

At this time, there were more than 400 people in the auction venue, standing upright on both sides, all of them turned their bodies to the side and rear, and their eyes were fixed on the entrance.

As soon as Lord Wade stepped forward, everyone applauded desperately at almost the same time.

The applause was so warm that even Lord Wade himself felt a little frightened.

And those applauding people didn't really respect Lord Wade, they just heard Jasmine moore say that they should give a standing ovation, and they had to give the warmest applause.

They are afraid of being penalized for their poor performance, so they can only sell more energy.

Lord Wade has become accustomed to the feeling of being in the spotlight less than halfway through the red carpet, and the whole person has gradually become more relaxed, with a smile on his face. Vice here his greatest style.

After enjoying everyone's attention and applause, Lord Wade reluctantly sat down in the middle of the VIP seats.

After he sat down, the electronic clock hanging above the venue had reached 19:50.

So Jasmine moore said with a smile, "I know that most of the people who came to participate in our auction this time came for the rejuvenation pill, so here I want to introduce to you, the auction tonight. specific rules."

After speaking, Jasmine moore added: "First of all, we have prepared two extremely precious rejuvenating pills for everyone tonight, except that one of the rejuvenating pills will be auctioned as a whole at the end of the auction, and the rest will be auctioned off at the end of the auction. The next rejuvenation pill will be divided into four equal parts, and each part will be auctioned separately as a lot;"

“Secondly, of all the collections tonight, only Huichundan cannot be repurchased. That is to say, if one of you gets the first Huichundan, you will automatically lose the opportunity to participate in other Huichundan auctions. Lot is not subject to this restriction;”

“So, if one of you is aiming to get a whole Huichundan, please don’t participate in the previous four auctions of Huichundan, otherwise once the auction is successful, you will lose the qualification to bid for a whole Huichundan in the end. .”

“Besides that, since everyone has paid a deposit of RMB 50 million, in tonight’s auction, except for Huichundan, the products you bid for will be directly kept and sealed for you. If the turnover is less than the deposit, we will automatically deduct the payment and return the remaining deposit; if the transaction amount is higher than the deposit, we need to make up the remaining payment as soon as possible after the auction ends;”
