Chapter 4026

boom!

The three great masters punched together.

In the roar of the sky, the speeding car actually flew up and was beaten back by these black-clothed guardians.

The driver died on the spot!

Mike Jones, also covered in blood, climbed out of the car.

And under the protection of Mike Jones is his sister, An Qi.

"Mike!"

"Angie!"

"Bastard, I'll fight for you!"

Seeing such a scene, Bill Jones seemed crazy.

His eyes were red, and he swung his knife to death with Tang Xian.

But to no avail.

Tang Xian was the top ten in the Heavenly Ranking, and Bill Jones was extremely reluctant to be in the top fifty.

Due to the huge gap in strength between the two, Ling's Bill Jones couldn't hurt Tang Xian in the slightest. Instead, he was severely injured by Tang Xian!

At this time, the surrounding has already become a piece.

The people that Bill Jones brought just now had a bloody battle with Truman's black-clothed Dharma protector on the spot.

However, the background of the Jones family, how to compete with Truman.

From the very beginning, the battle was one-sided crushing.

Although Jones had a large number of people, under the sword of the black-clothed Dharma protector, he was just like straw and was reaped wildly.

One after another fell.

One after another, screams sounded one after another.

Seeing the former clansmen, subordinates, and relatives fall into a pool of blood one after another.

Bill Jones is bleeding!

"See, this is the end of betrayal?"

"The next one to die will be your children!"

Bill Jones was seriously injured on the ground, and Tang Xian stood beside him with a grin on his face.

He waved his hand, and several black-clothed guardians quickly flanked Mike Jones.

"Get out of here!"

Mike Jones shouted sharply, and punched a man in black in front of him with a heavy punch.

But then, there was a knife on his back from behind.

bang bang bang~

A few black-clothed guardians next to him kicked a few more feet.

Ribs were broken and blood was flying.

Mike Jones fell to the ground in an instant, and his blood stained the former noble son of the Jones family.

Two fists are invincible to four hands!

Mike Jones is only the power of a master, and it is extremely difficult to deal with one person.

What's more, there are black-clothed guardians in all directions.

"Mike!"

Bill Jones was in tears.

For an old man, the most painful thing is to see his children being humiliated and unable to do anything.

In anger, Bill Jones let out a low growl like a beast.

Immediately afterwards, an unprecedented power exploded from Bill Jones.

That momentum made Tang Xian feel ashamed.

"This...this is..."

"Blood-burning forbidden technique!"

Tang Xian was shocked.

If you compare the life of human blood and blood to the firewood that can burn for a hundred years.

Then the blood-staining forbidden technique is to turn around the firewood that can burn for a hundred years in an instant.

Although it is a death-seeking technique, it can briefly burst out with far beyond ordinary power.

"This old thing is crazy!"

"Go back, go back!" Tang Xian shouted. Several black-clothed guardians retreated one after another. But Bill Jones was a wild beast at this time. After he punched back Tang Xian, he rushed towards his children as if mad. Holding up a black-clothed guardian, pulling his head with one hand and pulling his feet with the other, a powerhouse at the pinnacle of Grandmaster was actually torn apart by Bill Jones. The blood mixed with flesh and blood exploded like fireworks! After killing one person, Bill Jones charged again. "This bastard!" Tang Xian gritted his teeth angrily. "You all give me back!" The guardians in black are the mainstay of Truman, and losing one is a huge loss. Tang Xian naturally couldn't allow Bill to kill so indiscriminately. Simply, he gritted his teeth and rushed up, using all his strength to deal with it. Try to hold him back! As long as Bill runs out of blood, you're done. "Three Wonders of Trumen" "The Heavenly Wolf!"

"The White Tiger is absolute!"

"Qinglong Jue!
