

A Dish Best Served Cold

Novel

Chapter 4058

"Mr. Chu is really a man of love."

"Like how I treated you back then, now you not only ignore the past, but also give me healing herbs."

"I, Mike Jones, have nothing in return, I only wish to lead the Jones family and follow Mr. Chu's side in the future."

Mike Jones thanks again and again.

Mark doesn't like listening to such nonsense.

He ignored him, and after throwing down the medicinal liquid, he urged Gaia and the others to heal quickly.

Yan Xia didn't know how the battle was going.

That old ox was a dog, and Mark didn't expect the dead ox to play a big role.

As for King Foluo and the others, Mark was later sent to Yanxia to help.

However, it is obviously unreliable to expect these few grasshoppers to fight with Chumen in order to protect Noirfork's children.

Therefore, the key is to rely on the group of people under his hands.

Now Mark only hopes that the scalpers can last a few more days.

As Gaia and the others entered a state of healing, Truman's side was temporarily calm.

Although he knew that Mark was in the Jones family, it was obviously foolish to retaliate against Mark with the remaining power on Mount Truman.

Therefore, Mike Jones and the others are not afraid at all.

On the contrary, the people of Truman are very frightened these days.

For fear that one day, Mark will come to Chumen Mountain again, and he will have a lot of fun.

In fact, Mark did go too.

This time, he went straight to the forbidden area of the Chu family.

However, it is a pity that Mark did not find any valuable discoveries in the forbidden area of the Chu family.

In the forbidden area, there are basically the tombs of the ancestors of the Chu family.

From the first generation patriarch to the recently passed away Chu family patriarch.

However, when Mark was about to leave, he was surprised to find that the name engraved on the last tombstone in the Chu family cemetery was: Chu Yuan!

"This... what's going on?" Mark couldn't help but be deeply surprised.

Isn't Chu Yuan dead?

Isn't it still killing the Quartet all over the world?

But here, why is there Chu Yuan's tomb!

"What the hell is this old thing doing?"

"Are you building a tomb for yourself while you're alive?"

Mark felt strange.

However, he couldn't figure it out, and Mark didn't think much about it.

He tried to go deeper into the forbidden area.

When they reached the end, they saw another stone gate.

It is almost identical to the stone gate of Lord Zangbao.

Dark boulders, lifelike black dragon sculptures, and extremely strange stone patterns on the stone gates.

This time, Mark, being cautious, did not approach, but just glanced at it from a distance.

He even tried to attack.

However, Mark's attack fell on the stone gate, like a stone sinking into the sea, without causing any waves at all.

"What the hell is this?"

This trip to Truman made Mark even more strange.

I just feel that this Truman is unfathomable.

In the end, Mark withdrew from the Chumen forbidden area.

Returned to the Jones family and continued to protect Gaia and the others.

At the same time, the scorching summer land, thousands of miles away, is full of war.

The Trumen army had already marched straight in.

In just a few days, all the halls of the Martial God Temple in Jiangbei, Jiangnan, Xijiang, Tiannan, Northeast and other major provinces were destroyed.

Warriors from all over the country will either die in battle or flee.

Later, the Juggernauts of the Yanshan Martial God Temple realized that instead of their warriors being scattered all over the place, it is better to gather together and fight the Chumen in the land of Yanshan.

Therefore, three days ago, Juggernaut, King of Fighters and others issued martial arts mobilization orders through various channels.

Mobilize all the martial arts forces in the country, give up guarding their respective provinces, all go to Yanshan, enter the palace of Qin Wang, and fight Chumen to the death!

For a time, the surviving warriors in the major provinces of the hot summer responded one after another.

In order to defend the Yanxia martial arts, many people regarded death as home and determined to fight with Truman.

"King of Fighters, how is the situation now?"

"Have the martial arts coalition forces of the provinces gathered at the foot of Yanshan?"

Inside the Martial God Hall, the lights are bright.

The swordsman had white temples and asked the King of Fighters anxiously.

The King of Fighters nodded: "En, most of the martial arts coalition forces have arrived. There are still a few provinces that are still on the way due to the long distance, but they can basically arrive tomorrow."

"but..."

"But what?" Juggernaut's heart tightened, and he was now afraid to hear this kind of turning point.

Because every turning point, there is no good news.

"However, after my Martial God Temple released the national martial arts general mobilization, there was no response from one province, and no martial artist was dispatched."

What?

"Anything else?"

"This is the martial arts of that province?"

"At the juncture of life and death, if they don't obey orders, what do they want to do?"

"Is it possible to rebel?" the swordsman asked angrily.

The King of Fighters raised his head and replied faintly, "They are Noirfork Martial Arts."

Chapter 4059

"What happened to Noirfork Martial Arts, Noirfork Martial Arts can..."

The swordsman lost his temper subconsciously.

But soon, the swordsman was silent.

The original anger quickly dissipated.

Instead, there is helplessness.

"Is it Noirfork?"

"It's not surprising that his hometown would react like this."

Of course, the Juggernaut knows what the land of Noirfork is.

That was the place that once belonged to Mark.

And that year, when the king of Noirfork was in a desperate situation, their Martial God Temple chose to stay out of it.

That is, after this incident, the Martial God Temple completely lost its control over Noirfork Martial Arts.

In the following years, the Martial God Temple also sent people to try to reorganize Noirfork Martial Arts.

But yes, in Noirfork, the mark left by that person is too deep.

Even after several years have passed, Noirfork Martial Arts still only knows Chu Tianfan, not the Martial God Temple.

Today, the Martial God Temple is facing the disaster of extinction. Noirfork Martial Arts does not obey the orders and does not come to guard the Martial God Temple. Such a reaction is indeed not surprising.

"Forget it, don't come if you don't come."

"It's enough for the coalition forces from the other provinces to arrive."

"Especially in Jiangbei and Tiannan provinces with powerful martial arts, it's good to come to Yanshan to guard the Martial God Temple."

The Temple of the Martial God has lost its popularity in Noirfork, and the Sword Saint does not expect the warriors in Noirfork to swear to guard the Temple of Martial Arts.

Anyway, the hot summer is big, and it is not a big deal to be short of Noirfork Martial Arts.

However, as soon as the words of the swordsman fell, the door of the hall was pushed open.

I saw a man rushed into the Martial God Temple in a panic, and said anxiously: "Juggernaut, King of Fighters, it's not good."

"Just... just got the news that Jiangbei's Martial Dao Allied Forces, when they were 800 kilometers away from my Yanshan Martial God Temple, suddenly changed their route without reporting and went straight to Noirfork!"

What?

"Diverted to Noirfork?"

"Who is the leader of Jiangbei Martial Arts?"

"Call me immediately!"

The swordsman suddenly became irritable and said furiously.

"Already tried."

"But it doesn't work."

The subordinates were terrified.

"Fight again!"

"One time is not enough, then ten times, a hundred times!"

"Until it connects!"

"I have to ask this Jiangbei martial arts, what are they doing at the juncture of life and death?"

"What are you doing in Noirfork at this time?"

As the saying goes, the more critical the situation, the easier it is to cause trouble.

Originally, the pressure of the Chumen army had already made the Temple of the Martial God devastated.

Now, first Noirfork Martial Arts did not listen to the dispatch, and then Jiangbei Martial Arts changed course without authorization.

The Juggernaut only felt that this night, the martial arts of Yanxia seemed to be completely messed up.

"Jiangbei?"

"Juggernaut, I remember that the Lu family, who was exterminated by Mark before, belonged to Jiangbei Martial Arts?"

"You said, if they suddenly went to Noirfork at this time, would they want to take advantage of the chaos to take revenge and dig up Chu Tianfan's grave?" King of Fighters Mo Gucheng seemed to think of something and immediately speculated.

Juggernaut also remembered.

Back then, because of the Lu family's affairs, the entire Yanxia martial arts world was in uproar.

At that time, Mark not only killed the entire Lu family, but also killed many warriors in Jiangbei.

Later, Jiangbei Martial Arts always regarded Mark as an enemy.

Now that Jiangbei Martial Arts suddenly turned to Noirfork, it is very likely that he wanted to take the opportunity to avenge the revenge of the past.

"Now the leader of Jiangbei Martial Arts is Zhang Jiuling, right?"

"That old thing is really confused."

"At the juncture of life and death in Yanxia Martial Arts, he actually led Jiangbei Martial Arts to avenge his personal revenge?"

The swordsman trembled with anger.

"pass!"

"Juggernaut, King of Fighters, the phone is on."

After trying to make hundreds of phone calls, I finally got in touch with the current leader of Jiangbei Martial Arts, Zhang Jiuling.

"Zhang Jiuling, how dare you answer my call."

"Let me ask you, what do you want to do when you don't obey the orders and suddenly turn into Noirfork at the critical moment of Yanxia Martial Arts?"

"I now order you as the head of the Martial God Temple to quit Noirfork immediately!"

"I know that you Jiangbei Martial Arts and Noirfork Martial Arts have some grudges."
