“Before tomorrow night, the head of the Yan Xiazhu Kingdom will be presented!”

Chu Qitian stood proudly, with high fighting spirit in his eyes.

He has already decided to destroy Yanshan first, and then sweep Noirfork.

He wants to burn that man’s hometown of Sangzi to the flames.

“Chu Tianfan!”

“You don’t know that in the third year after your death, your homeland, hometown, and old people will all be trampled under my feet!”

The cold wind blew up Chu Qitian’s clothes, making a hunting sound.

When the fighting spirit was raging in the eyes of the grandfather and grandson, Tang Yun on the side was extraordinarily calm.

She turned her head and looked under the ship, the vast sea like an abyss.

For some unknown reason, a strange emotion emerged deep inside Tang Yun’s heart.

It was as if someone important had appeared here.

But who is that person?

She couldn’t remember anything.

She should remember.

Why can’t I remember someone so important to me?

Tang Yun’s expression gradually became somewhat different.

“Well, what’s wrong with you?” Chu Yuan asked with a frown as he looked at his proud disciple.

Tang Yun shook her head: “Teacher, I’m fine. It’s just that my head hurts.”

When Chu Yuan heard the words, his brows undoubtedly wrinkled even deeper.

“Teacher, just rest for a while, it won’t affect the next battle.” Tang Yun said again.

But Chu Yuan waved his hand: “Well, you don’t have to participate in the next battle of Yanshan.”

“You lead the second elder Xuanming to the Kunlun Mountains in the hot summer and help me find something.”

“It was recorded in the ancient Chumen books that there were ancient strong men in Yanxia, who were buried in Kunlun, buried with Yanhuang order.”

“Find it and bring it back.”

Tang Yun was stunned.

Chu Tianqi was also very puzzled: “Grandpa, I’m just looking for something, just let the two Xuanming go to old age, right?”

“If you don’t mind, let Master go by himself.”

Tang Yun’s strength was second only to Chu Yuan.

With such high-level combat power, he didn’t need to deal with Yanxia martial arts on the frontal battlefield, but instead sent him to find something. He really didn’t understand what his grandfather was thinking.

“What do you know?”

“The greatest value of Yan Xia is no longer the Martial God Temple, nor those few pillar kingdoms, but the secret realm buried in the land of Yan Xia.”

“The lives of Juggernauts and the other pillar nations are not worth a single Yanhuang Order.” Chu Yuan said solemnly.

Tang Yun nodded, indicating that she was going to look for it.

“En, be careful.”

“The place where the bones of the ancient powerhouses are buried is not necessarily dangerous.”

Before leaving, Chu Yuan instructed.

After Tang Yun left, Chu Qitian invited Yanshan to fight.

But Chu Yuan shook his head again: “Yanshan, nothing to be afraid of.”

“I’ll just take someone there myself.”

“You have other arrangements.”

Chu Yuan said.

Pass the night peacefully.

Yanshan Yanshan, a large number of martial arts experts are still gathering.

At the juncture of life and death, the entire Yanxia martial artist showed a determination to defend the Martial God Temple to the death.

On the coast of the East China Sea, a large number of Trumen powerhouses are sitting here.

There was no movement, just Chen Bing here.

It seems that they are waiting for all the warriors in Yanxia to gather in the Martial God Temple.

A world-shattering war awaits.

The entire frontier land is in a state of tension.

In the Hall of Martial God, in addition to summoning the King of Diligence, the Juggernauts also kept contacting other countries and asking for support.

“what?”

“King Fuluo and they are not there?”

“The goddamn Foro Palace!”

.....

“What about the Russian martial arts?”

....

“What about the Western European royal family?”

.....

However, a lap for help came down.

No one wants to get involved in this muddy water.

After all, in the eyes of everyone, the Temple of the Martial God will be exhausted.

Help him at this time, it is obvious that he is courting death!

And the land of Noirfork.

After Ericson Li and the others found out that Chu Lin and Chen Bingyan and Xiabin were overseas, they immediately ordered to take Mark's son and relatives and friends to retreat to the villa in Yundingshan.

Chapter 4063

Noirfork, Wrilfill.

Since Jiangbei and his party, Ericson Li returned to Wrilfill with the son of Chu Yun and adopted him in his manor.

However, seeing the situation in Yanxia Martial Arts getting worse, Ericson Li undoubtedly realized that the Li Family Manor was completely unsafe.

“Second Master, according to the information, the Chumen army Chen Bing is on the coast of the East China Sea.”

“You can launch a general attack on Yanshan Martial God Temple at any time.”

“The situation of Yanxia Martial Arts is already in jeopardy!”

“Second Master, it’s time.”

“The Noirfork garrison plan is almost ready to be implemented.”

In the manor, there are children playing.

Ericson Li sat on the bench and watched the child chasing bees and butterflies.

Beside Ericson Li, Jinbao and Yinbao brothers hurried over to report the recent martial arts situation to Ericson Li.

Hearing this, Ericson Li could not help frowning: “Has the situation deteriorated so much?”

“The defense of Yanshan is about to start?”

I don’t know why, when I learned that Chumen was about to invade Yanshan, and the battle of life and death in Yanxia Martial Dao was about to start, Ericson Li felt an inexplicable sadness in his heart.

If Mr. Chu was here, how could Chumen be so rampant?

If Mr. Chu is still there, Yan Xia Martial Dao, walk back to the edge of destruction?

“But let Longcheng Fei be there, and don’t teach Huma to go to Yinshan.”

Ericson Li let out a long sigh.

Although, Noirfork does not respect the Temple of Martial Arts.

Although, Ericson Li has no good feelings for Juggernaut and others.

But in the end, the Martial God Temple has represented Yanxia Martial Arts for hundreds of years.

Now, seeing Yan Xia's once-highest Martial Arts Holy Land, it has come to a dead end.

As a descendant of the hot summer, how can there not be a kind of sadness in my heart.

A country without pillars of sadness!

A kind of sadness that is about to subjugate the country and wipe out the species!

"Second Master, don't delay any longer."

"This time, the Trumen is aggressive, and the top three figures have all appeared outside the hot summer coastline."

"I'm really worried. What if they split up and attack Yanshan all the way and Noirfork all the way. They would catch us by surprise."

"At that time, we will react again, but it will really be too late."

Jinbao Yinbao only felt that the situation was critical, and urged Ericson Li to quickly start the Noirfork garrison plan.

Ericson Li didn't answer in a hurry, but got up slowly and glanced in the direction of Yanshan.

Finally, he said solemnly, "That's fine."

"Let's go on the order. Immediately, the Noirfork defense plan will officially start."

"Okay!" Jinbao Yinbao responded immediately.

Following Ericson Li's order, for a while, Noirfork, which was still calm, began to operate like a machine.

Chen Ao, Lei Laosan, and the Wang family belonging to Wang Jiexi from Haozhou all received calls.

For a time, several big men in Noirfork immediately set off, leading their men to gather in Wrilfill.

At the same time, dozens of luxury cars also drove out, heading for Mark's relatives and friends in Noirfork.

Take all these people to Wrifill.

"Back then, Mr. Chu said that if things change in the world, he will retreat to the Genting Mountain Villa!"

"Today, the affairs of the world have unfortunately been spoken out by Mr. Chu."

"Now, Ericson Li, I have to give up my ancestral foundation and retreat to Genting Mountain with my clan elders and children."

"I hope Mr. Chu and my ancestors of the Li family are in the sky, and they can protect me in Noirfork and survive this disaster!"

On the last night of retreating to Yunding Mountain, Ericson Lixian went to the ancestral ancestral hall to pay homage to his ancestors.

Finally, he brought a group of confidants and Mark's sons, and worshipped Mark in front of Mark's anger.

After doing all this, Ericson Li officially went to the Genting Mountain Villa where Mark once lived!

However, when Yunding Mountain came down, Ericson Li and the others were stopped.

"stop!"

"Who are you?"

"What a big dog!"

"Master Tiger's residence, you dare to trespass?"

"Get out!"

Under Genting Mountain, the gate is closed.
