

## Chapter 407

Barena Wei was frightened by Boyu trembling.

He was terrified, but still pretending to be aggrieved: "Boyu, in the information displayed in the lobby on the first floor, there is no such thing as a supreme VIP member. This must be made up by the guy himself. You can't be fooled by him!"

"That's it!" Wendy also said life and death, sarcastically: "This kind of person's shamelessness is really the only thing I have seen in my life. I don't care if he pretend to be a member. He also specially fabricated a level and even forged a membership card. It's too bad, you don't put the Song family in my eyes at all!"

Wendy wanted to kill and punish him, and closely linked Charlie's behavior with the rebellious Song family.

In this way, the Song family would naturally not let Charlie go.

However, she completely ignored the relationship between Charlie and the Song family.

Even if she didn't believe in Charlie rag from the beginning to the end, there could be any upper-class resources that could really be respected by the upper-class people, but that was the case.

At this time, Boyu was shivered by these two popular people, and gritted his teeth: "Do you two know that this supreme VIP member is specially set by our eldest lady for Mr. Wade? There is only one person in the world! You! blatantly offended Mr. Wade and offended the eldest lady here. Today I will never forgive you!"

"Ah?!" Barena Wei felt a little bit in her heart, this supreme VIP member turned out to be real? !

Moreover, this level is still set by Miss Song Family?

Didn't you scold Miss Song Family?

My God...Isn't this seeking a dead end? !

At this time, Boyu looked at Charlie respectfully and said: "Mr. Wade, these two rubbish offended you, what price do you want them to pay?"

Charlie said lightly: "These two people are extremely low-quality, their mouths are so bad that they are spraying feces. I think I should let them neutralize the breath in their mouths."

Boyu hurriedly said, "Mr. Wade, do you want to pour them a few kilograms of perfume?"

Charlie waved his hand: "Boyu, people must have common sense. Perfume is a high-concentration chemical product. It's okay to spray a little bit. Drinking a few kilograms will kill you. Although these two people's mouth is a little bit cheap and smelly, Sin does not die."

Both Barena Wei and Wendy looked at Charlie in disbelief. They didn't expect that he would let them go. This really surprised them...

Boyu hurriedly asked: "Then I don't know what Mr. Wade has to order?"

Charlie smiled slightly and said, "If you spray feces on their mouth, just bring some bashful things to neutralize it. Or else, take them to the men's bathroom and let them lick the men's bathroom urinals! If they don't Willing to lick, and then feed them to drink perfume."

Boyu nodded immediately: "Okay! Now that Mr. Wade has ordered, come here! First invite the guests from the men's bathroom, temporarily close them, and then take these two sl\*ts to the men's bathroom and let them take everything Licking the urinal clean!"

Barena Wei and Wendy looked at each other, panicking each other to death.

Licking the urinal? How embarrassing and disgusting!

Barena Wei is a man himself, he knows how dirty, bashful and disgusting the urinal is...

Countless people are urinating on it, and their fingers are disgusting to death. Now let himself lick? Isn't this an insult? !

So he hurriedly begged Boyu: "Boyu, for the sake of my dad's face, you can spare me this time... The urinal is a place where people can't lick, it's too disgusting. ...."

#### **Chapter 408**

Boyu said coldly: "Okay, you don't need to lick it. I will immediately ask the warehouse to bring ten kilograms of concentrated perfume. You have five kilograms each. You can't leave until you finish drinking it!"

The Glory Club has fifteen floors, with a huge area, and there are very high-class fragrances everywhere, all of which are imported perfumes.

Therefore, the stock of perfume in the brilliant club is extremely large.

When Barena Wei heard that he was going to drink five kilograms of perfume, his liver trembled.

There are at least two and a half kilograms of alcohol in five kilograms of perfume, as well as various chemical additives, musk additives, and antiseptic additives. If he really drinks five kilograms, he will not be able to save it!

In contrast, licking the urinal is a bit disgusting, but at least he can survive...

Seeing him hesitate, Boyu immediately became angry and lost his patience. He said to the security guard beside him: "d\*mn, he doesn't want to lick it. Give me a slap in the face first, and charge me some interest! "

"Yes!"

He gave a direct order, and the security guard of the Brilliant Senior Club rushed over and surrounded Barena Wei and Wendy.

The security guards didn't say anything, and didn't procrastinate, immediately raised their fists and punched them together.

Before Barena Wei and Wendy could react, they were beaten with fists and kicks. The beatings blossomed all over their faces, their noses and tears were beaten out, and they were miserable.

Barena Wei, who was in pain all over, struggled and pleaded: "Boyu, how can I say that I am also your senior member. I spent 5 million. Don't say that my dad and you are still friends. Even if they are just ordinary people, since I am Customer here, you shouldn't call me either!"

When Boyu heard this, his face turned green: "Do you think you are a member here, so you can provoke our supreme VIP member? I tell you that the entire Song family respects Mr. Wade, and you dare to disobey Mr. Wade. What are you? I tell you, tomorrow I will refund your membership fee to you. From now on, the Glory Club will permanently ban you from entering!"

Barena Wei is going crazy, his eyes are red. The senior members bought it for real money, so why do you cancel it?

But at this time, how can he dare to talk to Boyu?

A security guard ran over holding a few large bottles and said respectfully: "Boyu, here's the perfume."

Boyu nodded and said: "Okay! Since they don't want to lick the urinal, then pry open their mouths and pour them in with perfume! Each can fill five kilograms, and one drop must be no less!"

Several security guards immediately stepped forward, pinched Barena Wei and Wendy's mouths, and asked them to open their mouths.

Immediately afterwards, the two security guards each took a two-pound perfume bottle and directly unscrewed the lid. The strong aroma instantly overflowed, and the smell was so strong that it was even a little choking.

Boyu looked at Barena Wei and Wendy with pale faces, and said coldly: "Drink so many perfumes. It is estimated that you will be able to ensure that your bodies will not rot when you die. Then find a wasteland to dig a pit and bury. Maybe a few hundred years later there will be an unearthed cultural relic!"

When the two heard this, they were shocked.

No one wants to die!

They thought that drinking perfume was just a threat, but they didn't expect it to be true. In this way, licking the urinal has become the mildest punishment in the world!

So the two said in unison: "Forgive us Boyu! We choose to lick the urinal!"
