“I chose to hang on the coal mountain instead!”

“That’s because, the prince of the subjugated country, is no longer qualified to live.”

“More shameless, go see his people.”

“Lao Ye, complete us.”

“You and them, let’s go together.”

“The future of Yanxia Martial Arts depends on you.”

The Juggernaut and the King of Fighters have made up their minds.

After all, they chose to return to Noirfork with Ye Qingtian.

Instead, choose to live and die together with the Yanshan Martial God Temple!

“Are you still going?”

“I said your mother-in-law, believe it or not, my old cow kicked you to death?”

When the scalpers saw that they were still talking nonsense, they were very angry, and immediately cursed angrily.

“Walk?”

“Can you leave?”

Just as Huang Niu’s words fell, an extremely gloomy voice rolled from below Yanshan Mountain.

Immediately afterwards, Chu Yuan, who had been kicked into the bottom of the mountain by a yellow ox, rose into the sky like an arrow from a string.

The surging might, like a deep sea, swept the world again in an instant.

“It’s the old sect master!”

“The old sect master is out!”

“Hahaha..”

“Old Sect Master is fine!”

The Chumen powerhouse who had been dumb just now, after seeing Chu Yuan reappearing in the world, undoubtedly had a boost in morale.

It is the poor Yanxia martial artist here, all of them are full of panic.

Even Ye Qingtian looked worried.

Although now, there are scalpers to join.

However, Ye Qingtian and the others were still worried about whether this ox could beat Chu Yuan head-on.

“Oh shit!”

“You bastards.”

“If you can’t walk, now I have to let my old cow get tired again.”

Seeing Chu Yuan running out again, the scalper complained and cursed for a while.

Then he rushed up again and fought with Chu Yuan.

“who are you?”

“Could it be that you are the protector of the country, a sacred beast kept in the Yanxia Martial God Temple?”

The appearance of the scalper made Chu Yuan very surprised.

Moreover, the strength of this ox is unfathomable, and now he has to suspect that this ox is the protector of the kingdom of Yanxia martial arts.

Just like the flame beasts of their Trumen.

This kind of divine beast has often lived for many years, and its strength is extremely terrifying.

“I am your father!”

The scalper was too lazy to talk nonsense with Chu Yuan, and after scolding, he kicked it directly with a hoof.

But this time, it was naturally impossible for Chu Yuan to stand there and be kicked by the ox.

He punched Chu’s divine fist directly at the scalper.

Bang!

fist bump.

Terrible shock waves swept away in all directions at the center of the collision.

“what?”

Chu Yuan and Huang Niu were stunned almost at the same time.

Obviously, none of them thought that the strength of the other party was so strong.

Especially cattle.

Just now, it felt that it kicked Chu Yuan to the ground without any effort.

But now, Chu Yuan was able to hold his own foot in front of him.

“I go!”

“You old boy, you have a lot of strength?”

“Come again!”

The ox let out a low growl, and then the second hoof kicked out.

Bang!

Chu Yuan raised his other palm and caught the scalper's attack again.

"I don't believe it anymore!"

"Come again!"

The ox does not believe in evil.

The remaining two hooves jumped up and kicked Chu Yuan again.

Chu Yuan followed suit, jumping up, his legs aligned with the ox's hooves.

"Seou!"

"Can you still take it?"

The bull's eyes immediately widened.

He thought that he could not deal with the two hands in front of him with his four hooves.

Unexpectedly, if Chu Yuan added his legs, he would also have four hooves.

"But, isn't it over yet?"

The scalper sneered, followed by a tail flick.

His tail, which is more than one meter, swept the world like a long whip.

Snapped!

A crisp sound slapped Chu Yuan's face directly.

no way!

The scalper's move was really unexpected, and Chu Yuan had no tail, so naturally he couldn't handle it. .

At that time, blood was drawn from Chu Yuan's old face!

"Ha ha ha ha..."

"Can't you handle this trick?" The scalper was overjoyed.

“You bastard!”

“Today, I, Chu Yuan, if I don’t blow your bones to ashes, I will never be a human being!”

Chu Yuan was extremely angry, and anger burned in his chest.

Chapter 4093

How has Chu Yuan ever suffered such humiliation in his life?

He was slapped in the face by a beast with his tail.

And it was in front of his disciples, which undoubtedly made Chu Yuan feel that he had lost all face.

Chu Yuan, who was furious, ran away instantly.

Even disregarding the bloody mark on his face, after being swept away by the scalper, he seemed to be madly rushing towards the dead cow.

One hundred punches in one second, one punch hits all directions.

That surging offensive, just like a sea of yuan, smashed towards the ox madly.

Facing Chu Yuan’s storm-like offensive, the scalpers went crazy!

“Seou!”

“are you crazy?”

“Isn’t my old bull going to slap you?”

“As for playing with my old cow?”

Fortunately, the ox had four hooves, so it was still able to cope with Chu Yuan’s attack that was like a torrential rain.

But it was just a matter of coping. After Chu Yuan went mad, the scalper was obviously at a disadvantage, and the whole person was beaten and retreated.

“Dude, how about we discuss it?”

“If you don’t hit me, I won’t hit you.”

“Don’t make it difficult for me, and I won’t make it difficult for you.”

“I’ll take a few people away, and you can cut the rest at will.”

“how?”

“How about we live together in peace?”

“Why should the old man make trouble for the old cow?”

bang bang bang bang

While the scalper continued Chu Yuan’s attack, his mouth was not idle, and he negotiated with Chu Yuan while fighting.

But how could Chu Yuan listen to the scalper, the offensive in his hand did not decrease at all, and another heavy punch hit the scalper’s hoof, and the hurting scalper grinned!

“fu**!”

“Why do you keep talking more and more?”

“What’s wrong with you?”

“It’s okay, I have medicine. Ancestral cow urine can cure all diseases!”

“Open your mouth and continue, I will give you a bubble, it will definitely cure the disease!”

“Don’t worry, I don’t ask you for money because I see that you are destined!”

The ox said very generously, and he almost gave Chu Yuan some cow dung for him to eat.

“You bastard, stop talking nonsense, I’ll kill you!”

Chu Yuan was almost collapsed by the tossing of this dead cow.

He had never seen such a bullshit in his life.

Chu Yuan felt that what the scalper said at the moment was more than what he had said in his entire life.

Annoying Chu Yuan, can't wait to tear this scalper's mouth apart!

"My grass!"

"You can't get along?"

"I gave you cow urine to drink, and you still scold me?"

"The dog bites Lu Dongbin, you don't know the heart of the bull."

.....

"Okay, I won't force you if you don't want to drink."

"Let's continue with what we just talked about."

"How about it, why don't you think about it?"

"Let's make a truce and make peace. I won't deal with your people, so don't stop me from fetching them back."

"It really doesn't work, I'll ask Mark to find you a girl in the future."

"That guy Mark is surrounded by a bunch of beauties, really, I won't lie to you."

"You look to make sure you are confused."

The scalper is still chatting with Chu Yuan.

"Shut up for me!"

"Fight well if you fight, or get out of here if you don't!"

Chu Yuan's whole body was about to explode with anger.

He had never seen such a fight.

Those rotten words, the annoying Chu Yuan's mentality is about to collapse.

Angrily, he yelled at the scalper.

“It’s now!”

What kind of bovine essence is that ox.

When Chu Yuan was in a hurry, Lao Niu took the opportunity to seize the moment of Chu Yuan’s emotional fluctuations, turned over and slapped Chu Yuan’s face with his tail, kicked him wildly with all four feet at the same time, hit Chu Yuan’s chest again, and kicked Chu Yuan down again. above the earth.

“fu** away!”

Lao Niu seized a mistake and kicked Chu Lin, and quickly shouted at Ye Qingtian and the others.

Let them evacuate Chumen Mountain immediately!

After hearing Lao Niu’s drink, the Chumen warriors immediately began to flee, fleeing towards the foot of Chumen Mountain.

However, it is not long before they run.

boom!

A deafening sound exploded quietly.

Chu Yuan rushed out again!

“Grass!”

“Why so fast?”

The scalper’s entire face was instantly pulled, which was very unexpected.

He thought that, just by taking a trick, even if he couldn't cause heavy damage to Chu Yuan, he should be able to stop him for a while.

But the scalper never thought that Chu Yuan would kill him so quickly.

"You bastard!"

"Extremely shameless!"

"Now I, Chu Yuan, will devour your flesh and drink your blood!"

Chu Yuan's eyes were red when he came back.

He didn't even think that the dead cow would be so shameless.

Just now, he deliberately disturbed his mood with a bunch of nonsense, and then took the opportunity to sneak attack.

Chu Yuan is really a dog!

It never occurred to him that he had lived for hundreds of years, but was tricked by a dead cow.

Playing with my heart, I have never played a beast.

"Dude, don't be angry."

"It hurts so much."

"I was careless just now, we have something to say..." Huang Niu grinned and smiled at Chu Yuan.

"I said you were paralyzed!"

Now Chu Yuan doesn't want to say a word to the scalper.

This cow is dead and dead, and if you spend it with it, I'm afraid it will be calculated by it again.

Therefore, this time, Chu Yuan did not hold back any more.

As soon as it comes up, it opens directly.

boom!

Suddenly, the golden light lit up, and a dragon roar quietly exploded on Chu Yuan's body.

Under the inspiration of the dragon god body, Chu Yuan stepped on the sky and waved his air like a sword.

"Yun Dao Tian Jue's first style, Yun Yang kick!"

Bang!

The stone-shattering kick almost shattered the void.

The scalper's eyes widened and he felt a huge threat.

"Seou!"

"Are you serious?"

Seeing Chu Yuan's life-threatening posture, the scalper was a little cowardly.

Turn around and run.

However, the scalper's response was a tad slower after all.

I saw Chu Yuan kicked the scalper's face fiercely, and blood spurted from his nostrils.

"Worthy!"

"Are you going to kill yourself?"

"Row!"

"Since it's a life-threatening situation, my old cow is also killing your life with you!"

"Grandma's legs, dare to kick me in the face, Mark has never hit me like this!"
The scalper bared his teeth in pain, looking at the nosebleed with pain.

Then he also put on a life-threatening posture, ready to fight Chu Yuan to the death.

At this time, the Yanxia warriors on Yanshan began to retreat down the mountain, and Ye Qingtian hadn't left.

He is worried about the situation of scalpers.

The scalper who came to save them can't leave him alone, let him run away.

What's more, he is seriously injured and can't run very far.

So I decided to stay in Yanshan and wait for the outcome of the battle between the scalper and Chu Yuan.

"Yun Dao Tian Jue, the second style"

"The mountain collapses!"

.....

"The third style, the seal of the sky!"

....

"Fourth Form, Scarlet Flame Finger!"

....

Chu Yuan was obviously really annoyed by the scalper.

Three strokes at once.

The offensive of destroying the sky and destroying the earth made the scalpers dumbfounded at that time.

"Seou!"

"Stop playing!"

"Thirty-six strategies, running is the best strategy!"

The scalper, who was in a desperate stance just now, was cowardly in an instant.

Four feet kicked the ground, turned his head and ran.

It's just here to do a favor, it's not worth losing his life to help Mark with that dog coin.

As the saying goes, a dead Taoist friend is not a poor Taoist.

The scalper didn't care about the life and death of the Yanxia martial artist, and he seemed to be scurrying around, and soon disappeared from the line of sight.

This time, the scalper was obviously desperate to run, and Chu Yuan's attack couldn't catch up.

There is no way, the four-legged old cow really runs, and no one in this world can catch up.

"damn it!"

"Chop him sooner or later!"

In the end, the scalper was allowed to run away, and Chu Yuan gritted his teeth angrily.

However, fortunately, the God of War is still there.

"God of war in the summer, this time, I think who else can save you?"

The ox was running too fast, and before the God of War and the others had calmed down, the ox had already run away without a trace.

Without the cattle, the God of War naturally became the fish on the chopping board, and they were left to be slaughtered.

But just when Chu Yuan was about to kill Ye Qingtian first.

Only to hear a cracking sound, it exploded quietly.

Afterwards, the old cow, who had run away without a shadow, turned around and came back, biting Ye Qingtian's sleeve with a speed that was too fast to cover his ears, and threw him hard on his back.

"Catch it!"

"Don't blame me for falling!"

Chapter 4095

The ox roared, and after picking up Ye Qingtian, he seemed to be mad and fled away from Yanshan.

“Senior Niu, you can’t go!”

“The Sword Master and the King of Fighters are still here.”

“Even if you have to leave, take them with you.”

Ye Qingtian’s eyes were full of anxiety.

Although he has many disagreements with Juggernaut and King of Fighters.

However, with decades of friendship and comrades who fought side by side, Ye Qingtian couldn’t bear to watch his brother die like this!

But where do the scalpers care about this.

“Stop talking nonsense!”

“You just stand and talk without back pain.”

“You said it lightly, what if my old cow died here?”

“Besides, those two guys are not from Noirfork, I care if they live or die?”

“If it wasn’t for the fear that I wouldn’t be able to explain to Mark, I wouldn’t be able to save you!”

The scalper said angrily while running.

“Senior Niu, I know what you are capable of.”

“You didn’t use all your strength at all.”

“If you take out your cards, you may not be able to match that Chu Yuan!”

Ye Qingtian watched the battle just now.

The scalper and Chu Yuan were fighting back and forth.

Even before Chu Yuan used his trump card, the scalper still had the upper hand.

It was only after Chu Yuan cast Yun Dao Tian Jue that the ox was at a disadvantage.

However, one could see clearly that the scalper didn't use all his strength to fight Chu Yuan at all.

From beginning to end, he was thinking about how to run.

If the scalper also took a desperate stance, he might not be able to beat Chu Yuan.

"fu** me off, you?"

"It's not a relative, not a reason, not a wife, why should I die for you?"

"It's good to get you out, what's the matter, do you still want my old cow to go all out for you?"

"It's fine if you win, but what if you die?"

"Isn't my old cow at a loss?"

"You gave me nonsense!"

"Stop talking nonsense and kick you down!"

Others respect the God of War, but the scalper is obviously not polite.

Ye Qingtian's suggestion was all scolded back.

Do you want it to kill the Yanxia people?

Don't even think about it!

A loss-making business, a scalper is determined not to do it.

"brute!"

"Don't let me see you again!"

“Otherwise, I will kill your eighteen ancestors!”

At this time, Chu Yuan’s extremely angry voice came from behind.

After the ox took the God of War away, Chu Yuan frantically chased for hundreds of miles.

However, the scalper is too fast.

Instead, Chu Yuan chased further and further, but in desperation, he had to give up first.

After an angry roar, he turned his head and returned to Yanshan.

“How about it, Yanxia martial artist, is it all settled?”

Ye Qingtian and Huang Niu both ran away, and now Yanshan has no fighting power.

Anderman and the Truman also cleaned up the battlefield.

At this time, Chu Yuan asked with a gloomy old face and a deep voice.

Anderman’s face paled: “Sect Master, I was disturbed by that beast just now. A large number of Yanxia warriors have fled, and I have sent people to hunt them everywhere.”

“Waste!” Chu Yuan was furious when he heard that the Yanxia martial artist had escaped, and slapped Anderman out of here.

Anderman vomited blood and flew tens of meters upside down. In the end, he still obediently got up and knelt at Chu Yuan’s feet to apologize.

“What about Yan Xia’s two titles, can you escape?” Chu Yuan continued to ask.

Anderman quickly replied: “No!”

“The subordinates have sealed the two people’s cultivation base to prevent them from self-inflicted violence. They are now imprisoned in the Martial God Temple, waiting for the old sect master to deal with them.”

When Chu Yuan heard this, the expression on his face just stretched a few points.

The siege of Yanshan this time, I thought it would sweep the Temple of Martialism with the trend of destroying the dead.

Unexpectedly, the result made Chu Yuan extremely embarrassed.

Jean's god of war and Yan Xia's remnants escaped, and he was also beaten by the dead cow.

Up to now, the two whip marks on Chu Yuan's face are still burning hot.

“That damn beast!”

“What's the history?”

“In Yanxia, there is still such a monster hidden?”

Recalling the scalper just now, Chu Yuan was angry, but also full of doubts.

Curious about the origin of the cow, and even more curious about the relationship between the dead cow and Noirfork.

Could it be related to that old woman in Fenghai?

Chu Yuan couldn't figure it out, so he didn't think about it anymore.

He asked Anderman to take him to meet the Juggernaut and the King of Fighters.

“Chu Yuan, you evil thief!”

“You do a lot of evil, you will be punished!”

In the Temple of Martial Arts, the Juggernaut and the King of Fighters were tied to stone pillars.

The two were seriously injured and were already dying.

If it wasn't for the fact that their dantian was sealed by the Chumen with a special method, it is estimated that the two of them would choose to be like Tang Hao and directly attack themselves.

"Ha ha..."

"retribution?"

"Who can give me retribution?"

"God?"

"It won't be long before this world can't trap me, how can this mere God judge me, Chu Yuan?"

Chu Yuan smiled wantonly and stood there, looking down at the two people under his feet.

"Kill us."

"We will not return to Truman."

Juggernaut is calm.

The Martial God Temple was destroyed, and he and the King of Fighters were reduced to prisoners.

Sword Saint Heart is already dead, and now he only wants to die, so as not to be humiliated by living in this world.

"Sooner or later, you will be sent away."

"But not yet."

"Now the two of you are still useful to me." Chu Yuan did not intend to execute them immediately.

"Don't be delusional."

“The two of us won’t tell you anything.”

“It’s useless to keep us.”

The Sword Saint said coldly.

Chu Yuan sneered: “You old man, you are quite dignified.”

“But don’t worry, I don’t need you to tell me anything.”

“As long as you live, that’s enough.”

“If I expected it well, Ye Qingtian and the others should have fled to Noirfork.”

“You said, if I take you two to attack Noirfork.”

“Those warriors in the hot summer, dare to fight back?”

“As the saying goes, rely on the Son of Heaven to command the princes.”

“You two palace masters are in my hands, why don’t you just obediently capture the rest of the hot summer remnants?”

Chu Yuan smiled coldly.

When the Juggernaut and the King of Fighters heard it, they became anxious at the time.

“You are despicable!”

“I would rather die than hold you two hostages!”

The Juggernaut and the King of Fighters have lived together for a lifetime, and they have always been regarded as venerated masters by Yanxia martial artists.

At the thought, Chu Yuan would take the two of them as hostages and bring them to Noirfork like dogs.

Such a humiliation is undoubtedly worse than killing them.

Before the God of War persuaded the two of them to go to Noirfork, why didn’t they go.

The big reason is that I have no face to go to Noirfork!

After all, it was the two of them who called the shots and did not save Mark.

It can be said that Mark was also forced to death by the two of them.

They are sorry for Jiang Dong's parents.

Naturally, he had no face, and went to seek the protection of Noirfork's children.

Of course, they didn't want to let Mark's descendants see the two of them in such a state of embarrassment.

Therefore, they would rather die than go with the God of War.

But now, Chu Yuan wants to take the two of them there.

It is conceivable that the Juggernaut and the King of Fighters both collapsed in their hearts.

But how could Chu Yuan pay attention to their anger.

"Yanshan has fallen, and the hot summer has perished."

"Clean up the battlefield and make repairs for the time being."

"Three days later, follow me to Noirfork!"

"In addition, investigate Chu Tianfan's influence in Gritsberg during his lifetime, and anyone who has any relationship with Brian Chu will be killed and the roots will be cut down!"

Chu Yuan gave the final instructions.

This time, the reason why Chu Yuan went to the hot summer in person.

The biggest reason is Noirfork!

At the same time, his biggest fear is also in Noirfork.

"Old guy, I hope this time, you won't make trouble again."

Chu Yuan looked up at you, thousands of miles away, and looked in the direction of Noirfork.

There, there is an old woman, sitting quietly in the ancient house.

As if waiting for something.

Chapter 4097

When Chu Yuan was leading the Chumen army for temporary repairs, near Chumen Mountain, thousands of miles away, several powerful auras, like a rainbow of abyss, rose into the sky and went straight into the sky!

The terrifying momentum, even if it is separated by a kilometer, still feels extremely clear.

“Fighting bull with rage, straight into the sky!”

“This...this is...”

On the Chumen Mountain, the Tang and Chu clansmen were all shocked, and they rushed to the heights, looking in horror at the powerful place.

“It’s the titled master!”

“Four titled masters...”

Someone shouted in shock.

For a time, the people of Trumen were all worried and desperate.

Tang Xian, the first Chumen elder who was seriously injured, sighed even more.

“The four dragon gods, return to their peak.”

“Dragon Temple, after all, it has reappeared in the world...”

Elder Truman was full of remorse.

He regretted that he did not immediately kill Gaia and the others, but instead raised tigers.

Now, their Trumen, after all, is still suffering the consequences.

A few years ago, Mark led the Dragon Temple and almost wiped out the Trumen.

Now, when Trumen was about to reach the world, Mark actually reappeared.

And, help Gaia and the others to restore their combat power.

In just a few days, a powerful Dragon Temple was resurrected with blood.

Tang Xian knew very well that the Dragon Temple led by Mark would be the biggest threat to their Chumen.

“Elder, there is nothing to worry about.”

“My Chumen is like a cloud, and the strength of Tangmen and Chutian Qi has grown by leaps and bounds in the past few years.”

“No matter how strong Brian Chuis, he is not our Chumen’s opponent at all.”

“When the old sect master knows that Brian Chuis still alive, he will definitely lead my Chumen army back to Chumen Mountain, and then it will be the death of this Chutian Mansion!”

Behind Tang Xian, there are people from Chumen who are very dissatisfied.

These days, the Chumen have been trying to find a way to send messages to Chu Yuan and others thousands of miles away.

But unfortunately, they were all intercepted by Mark and the Jones family.

As a result, several days have passed, and the fact that the Chumen’s old nest was taken over by Mark has not been spread.

The current Trumen are still shivering under Mark’s death threat.

At this time, the four dragon gods under Trumen returned to their peaks, which naturally made the hearts of Trumen sink even more.

Jones family residence.

Terrifying power, like a deep sea, swept this world.

Mike Jones led the clan and stood outside with excited eyes, looking up at the several soaring auras.

“Patriarch Mike, is this the power of the titled master?”

“Really amazing!”

The whole Jones family was very excited.

The Jones family’s martial arts strength has always been weak, and the Nuoda family had only one title before, Bill Jones.

Moreover, the power of Bill Jones’ title is also piled up by drugs.

Therefore, for the entire Jones family, there are really not many opportunities to witness the power of the titled grandmaster.

While the Jones family was excited, a thin figure also walked out of the door.

Seeing this person, Mike Jones led the clan, and consciously stood on both sides to make way for this person.

Just like that, in the courtyard of Nuoda, the man stood with his hands behind his back.

He looked ahead and said in a deep voice, “Come out.”

“It’s been so long, it’s time to get down to business.”

The man’s light words, with endless majesty.

Whoosh whoosh!

As the person’s words fell, several voices breaking through the air quietly sounded.

Four figures, like arrows from the strings, rose into the sky from their respective closed rooms.

Finally, Qi Qi fell in front of the man and knelt down and worshiped!

“God of the earth and mountains, Gaia!”

“God of bronze and fire, Owen~”

“God of glaciers and water, Su Muqiu!”

“God of the sky and wind, Cecil~”

“Meet the Dragon Lord!”

....

“Meet the Dragon Lord~”

rumbling~

The four worshipped in unison.

The voice of reverence and the words of respect are only like nine days of thunder, rolling past.

Mike Jones and the others just felt deafening!

Many people were shocked with pale faces.

Mark nodded: “Mmmm.”

“Get up.”

“How do you feel?”

“Can the strength be restored to its original state?”

Mark asked them.

Gaia was the first to answer.

“Hahaha...”

“Thanks to the Dragon Lord, not only did the strength fully recover.”

“Moreover, I also feel that it is more powerful than when it was at its peak.”
Gaia laughed.

Owen and the others also nodded.

“Yes, Dragon Lord.”

“I don’t know why, although the Trumen thieves have scattered all the cultivation bases in these years, they haven’t repaired the chain very much.”

“However, after this healing was completed, I felt that the infuriating energy in my body was a bit thicker than before.”

This is undoubtedly an unexpected joy, which makes Gaia and the others in a good mood.

Mark was not surprised.

“It’s normal.”

“As the saying goes, the sharp edge of the sword comes from the sharpening, and the fragrance of plum blossoms comes from the bitter cold.”

“In this world, no suffering is in vain.”

“The places where you were injured will bear the hardest scars in the future.”

Mark spoke slowly.

Gaia and the others nodded.

“Hahaha..”

“Lord Dragon, let’s stop talking nonsense.”

“Let’s go now.”

“I can’t wait to meet the old dogs of Truman.”

Gaia is impatient. As soon as his strength recovered, he immediately wanted to seek revenge from Chu Yuan and the others.

Mark waved his hand: "Don't worry."

"Before that, I still have a few things to give you."

Oh?

Gaia and the others were taken aback: "What?"

Mark didn't answer.

Just waved.

The next moment, only a humming sound was heard.

A red flame suddenly shot out from the depths of the Tianhe.

Then, with a bang, a fiery red long sword plunged straight into the ground, firmly inserted in front of Owen, the God of Bronze and Fire.

"Dragon Lord, who are you?" Owen was taken aback.

Immediately afterwards, Mark's stern voice quietly exploded.

"Owen, the God of Bronze and Fire, obeyed the order. You have followed this Dragon Master for many years and fought in the north and south. Although you have attracted countless girls, you have made outstanding achievements in battle. You are specially given the sword, Chi Yan!"

.....

Whoosh!

Another black awn appeared.

A black mad knife pierced through the sky and fell straight in front of Gaia!

"Gaia, the god of the earth and the mountain, obeyed the order. You have faced danger many times, the Savior.

.....

"Su Muqiu, the god of glaciers and water, obeyed the order...Give the sword, Blue River!"

.....

“Cecil, the god of sky and wind, obeys...Give the spear, Yuanhong!”

.....

boom!

Four swords, four artifacts, straight into the earth.

The terrible power from above almost shattered Tianhe.

All the people present were shocked, even Gaia and the others were full of surprise and awe.

Obviously, they didn’t expect that their dragon master would even give them a magic weapon.

After the four of them knelt down and thanked them, all of them couldn’t wait to pick up their weapons and waved them.

hum~

The mad sword whistled, and with a random wave, the vertical and horizontal sword light stretched for kilometers.

The entire Jones family manor was cut into a thousand-kilometre-long gully under Gaia’s sword.

“Hahaha...”

“Cool!”

“Broken Mountain is in hand, I, Gaia, are invincible all over the world!”

For a warrior, the greatest joy in life is nothing more than learning a powerful martial art and having a handy artifact.

And the broken mountain that Mark chose for him is undoubtedly a powerful force for Gaia.

Owen and others couldn’t put it down after trying the new weapons.

“Dragon Lord, where did you get these artifacts?”

“Such a treasure, we have never seen or heard of it.” Gaia and the others were curious.

Mark said solemnly, “I traded my life for it.”

Gaia and the others were even more moved, thinking that the Dragon Lord was so kind to them.

But they didn’t know that these things were stolen by Mark from the ancestors of India.

Chapter 4100

“You old dog, forcing my father to death, killing my clan, I can’t wait to peel your skin and cramp your muscles!”

“When death is imminent, you still dare to confuse right and wrong here?”

“I don’t want to kill you!”

Mike Jones gritted his teeth and cursed, beating Tang Xian violently.

Tang Xian was seriously injured, not to mention that Mark’s power was so overwhelming that he couldn’t move at all, so he had to be bullied by Mike Jones.

If it wasn’t for Mark’s order, he would not humiliate and kill the Tang family.

It is estimated that Mike Jones has already led the clan to slaughter the Tang family.

Just like that, after a short vent, the Jones family led the clan, followed Mark, and embarked on the return journey to the hot summer.

Going back to the path of the past, Mark undoubtedly had a complicated mind.

That year, he was defeated by Chumen, and he was as embarrassed as a dog.

This time, he also left Chumen Mountain, but Mark was no longer embarrassed.

Instead, he is like a king, commanding a million troops and marching eastward!

When Mark led Gaia and others to the Yanxia battle against Chu Yuan, on the Global Warrior Forum, an account that had been dormant for nearly three years was quietly launched.

Then, a post appeared quietly in the forum.

.....

“Everyone, long time no see, I am Chu Tianfan, the founding master of the Dragon Temple.”

“Yes, I’m not dead, I’m back.”

“Brothers of the Dragon Temple, I’m sorry for making you wait so long.”

“When the Chumen army was defeated, my Dragon God Temple people were scattered all over the place.”

“It’s me, Chu Tianfan, who is incompetent!”

“I have no face, I will face the brothers of the Dragon Temple again.”

“However, in ten years, the spark has not yet ignited a prairie fire, and the great revenge of the past has not yet been avenged.”

“I, Chu Tianfan, have an old face, and here I ask you all to help me again.”

.....

“Anyone whose heart is tied to the Dragon Temple...”

“Whether the Dragon King, the Dharma Protector, or the Branch Hall Elder...”

“If you still have dreams, perseverance, and my Dragon Temple, you still remember the dragon master, Chu Tianfan...”

“Then please, after seeing this post, go as fast as you can... hot summer, Noifork!”

“This time, the final battle between my Dragon Temple and Truman has come.”

.....

“I promise, this battle will be the last battle between my Dragon Temple and Truman!”

....

“Chumen is rampant, and Chu Yuan has no way.”

“In this world, they have been suffering for a long time!”

....

“The old world will eventually be broken.”

“A new world is finally coming!”

....

“Brothers of the Dragon Temple, if the spark in your heart is still alive, follow me over there to break this old world and open up a new world that belongs to my Dragon Temple!”

.....

“But in war, there are always casualties.”

“This time, although I am more prepared, I still cannot guarantee victory.”

“So, this summoning order is only for calling, not forcing.”

“Whether it should be ordered or not, it is entirely up to voluntary!”

.....

“However, regardless of whether we win or lose, after this battle, I, Chu Tianfan, will step down as the Lord of the Dragon Temple.”

“This may be my last battle with my brothers.”

“Thank you brothers for being with us all these years.”

“I, Chu Tianfan, are here, and I would like to say to you in advance, cherish it!”

.....

“Looking back, I came this way.”

“My Dragon God Temple has experienced ups and downs, and has been weathered.”

“But it’s also what I have done in my heart, even though I’ve died nine times, I still haven’t regretted it!”

.....

“Finally, I, Chu Tianfan, will send you all in one sentence!”

“Sparkling prairie heaven and earth change...”

“Chu Xiaolong Yin, my heaven!”

.....

At first, when this post appeared, no one paid attention.

In the global warrior forum, thousands of posts appear every day.

However, until someone saw the three words Brian Chuand saw the Dragon Temple.

For a time, this post was like a shock, and it instantly detonated the entire forum.

At an unprecedented speed, it rushed to the top of the top ten hot list of the forum.

Thousands of speeches, under this post, quickly refreshed the screen.

“what?”

“Chu Tianfan?”

“Chu Tianfan, the Lord of the Dragon Temple?”

“Isn’t he dead?”

“Why are you back?”

“And that Dragon Temple, after the first battle, wasn’t it completely disbanded?”

“Could it be that you are going to return to the arena again?”

For a time, the crowd was surging.

“fake!”

“It must be fake!”

“I was there when Brian Chudied.”

“I saw with my own eyes that Chu Tianfan’s ten thousand swords pierced his heart to death.”

“How could he still be alive?”

.....

“What about the moderator?”

“Close this account now!”

“This account is talking nonsense and spreading rumors!”

.....

The entire warrior forum has almost completely exploded.

All kinds of remarks are rampant.

Of course, while everyone was shocked, most of them were still skeptical. They didn't believe that Chu Tianfan, the master of the Dragon Temple, who had been dead for nearly three years, was alive again.

Many people thought it was a fake news, just like the fake news that Brian Chu had come back countless times before.

However, in this world, there are such a group of people who are convinced after seeing this post!

.....

“Dragon Lord!”

“It's the Dragon Lord!”

....

“The Dragon Lord is back!”

“It must be the Dragon Lord back!”

.....

“This account is only shared by the Dragon Lord and Adam Han.”

“Only with the authorization of the dragon master, can Lao Han log in to this account to speak!”

“And now, the tone of this speech must be the order of the dragon master himself!”

....

“Walk!”

“Go to the hot summer!”

“Fight side by side with the Dragon Lord!”

“This time, never die!”

.....

The whole world, countless corners, after seeing this message, countless figures are boiling.

Hidden for three years, the blood is hard to cool.

At that time, Mark fell, so that the Dragon Temple was scattered all over the place.

The Yanxia Martial God Temple and even Chumen thought about accepting these Dragon God Temple powerhouses.

However, in this world, apart from Mark alone, no one else can command these people.

Therefore, the world thinks that after Mark's death, the Dragon Temple will inevitably collapse and disappear.

But who would have thought that with this paper edict from Mark, the people of the Dragon Temple, who had fallen apart in the past, would gather again!

The northern continent of the world, near the North Pole.

The cold wind blew up the snow and ice.

Above this endless arctic icefield, a figure in black was running wildly.

The gust of wind blew away the polar bears hunting in the snow.

If anyone who is familiar with the Dragon Temple is here, they will definitely recognize it at a glance.

The person in front of him is one of the eighteen guardians of the Dragon Temple, Long Zi!

"Excuse me, Lord Longzi, where are you?"

"The President of Norway has been waiting for you at your residence for an hour."

"I said I have something important to discuss with you."

In the wireless earphones, the sound of questioning came over and over again.

“Let him go!” Long Zi roared.

“Then... what about the woman and gold you sent?”

“Throw it out!” The man in black roared again, then took off his earphones and crushed them.

At this time, his heart was full of excitement and ecstasy.

“Dragon Lord!”

“Are you really back?!”

“I knew that the catastrophe a few years ago would never take your life.”

“For more than two years, I, Long Zi, have always believed that one day, you will return as a king!”

“This time, no matter what the storm, the brothers will never let you carry it alone!”

“I’ll wait, I’ll help you and kill Truman!”

“kill!”

“kill!”

“kill!”

He shouted angrily, shattering thousands of ice and snow.

On the other side, on the vast sea, there was someone wearing a white robe, but they were walking on the sea as fast as they were walking on the ground.

Behind him, there are more than ten figures, just following.

Thousands of waves were crushed under their feet.

“quick!”

“Faster!”

“Hurry up!”

“Lord Dragon, wait for me in Yan Xia!”

His eyes were red and he roared furiously.

The speed was so fast that a white mark stretched to the sky under his feet.

Looking at it from a distance, it looks like a water dragon king, tumbling and swimming.

The sharp point is the end of the sea, the hot summer Shenzhou!

Chapter 4101

Similar scenes are staged all over the world.

Mark's declaration was like a nuclear explosion that exploded in the global martial arts world.

For a time, the wind and clouds rolled.

The powerhouses of the Dragon Temple, like arrows from the strings, gathered in the Yanxia territory.

Of course, very few people will see this scene.

The warriors of Yanxia didn't even know it at all.

Until now, most people still think that this is a sensational rumor.

There are still not many people who believe that Brian Chuis still alive.

At this time, the news of the destruction of the Yanxia Martial God Temple had already spread throughout the martial arts world through Chumen's help.

King Foluo and other powerful Indians undoubtedly also received this message.

Before Mark let a few of them go to the hot summer to protect Noirfork's children.

However, after these guys arrived in the hot summer, they just wandered around and did not go to Noirfork immediately.

At this time, they were in a restaurant at the foot of Mount Tai, drinking small wine.

“Senior brother, Yanxia Martial Arts is completely over.”

“The Temple of the Martial God was taken over!”

“The hot summer is over, I guess, even if Brian Chu comes back, he won’t be able to change it at all.”

“I think the few of us should stop swimming in this muddy water and slip back to India.”

Haibu, the powerful man with the title of India, said in fear.

The Temple of Martial Arts is the strongest martial arts force in Asia.

Unexpectedly, it was destroyed when it was said to be destroyed.

This message undoubtedly frightened the three of them, and felt that it was better not to be an enemy of Truman.

King Fu Luo was also hesitant in his heart.

If he ran back to India, Mark would not let them go.

But if they stay to help Mark deal with Truman, they are afraid of offending Truman.

“The lesser of two evils!”

“Brian Chui alone, what can he do against Chumen?”

“We are standing in line, and we have to stand with Truman!”

Haibu said from the side.

After hesitating for a long time, King Foluo finally nodded and decided to leave Noifork alone and go back to India.

However, at this moment, Bape suddenly exclaimed: “Senior brother, look at the forum!”

“The Lord of the Dragon Temple has posted.”

King Furo was startled.

All three titles picked up their mobile phones and started the forum.

Moreover, I saw Mark urgently summoned from all over the world, and ordered the powerhouses of the Dragon Temple to gather in Yanxia to fight against Chumen!

“Damn it!”

“How could I forget.”

“Then behind Chu Tianfan, is there the Dragon Temple?”

“Dragon Temple, we can’t afford to offend you!”

Wang Fu Luo’s old face was pale.

“Forget it, let’s fight.”

“Come on, let’s go to Noirfork!”

“Take one step at a time, if the Chumen’s powerhouse really hits Noirfork, let’s adapt accordingly!”

King Foluo was obviously frightened by Mark’s post.

Mark is a life-threatening posture!

This kind of lunatic, King Foluo thinks it’s better not to offend him.

For the time being, according to what Mark said, go to Noirfork to protect Mark’s relatives.

At the same time that King Foluo went to Noirfork, the Chumen army that had been repairing for several days, under the leadership of Chu Yuan, also marched into Noirfork mighty.

Of course, in addition to the army that went to Noirfork, Chu Yuan also left some strong Chumen in Gritsberg, specifically to wipe out Mark’s remaining forces in Gritsberg.

Before coming, Truman had already checked Mark's personal connections.

They knew that Xu Lei, the head of the Xu family in Gritsberg, was one of Mark's beauties and had been managing Gritsberg affairs on his behalf.

Trumen and Mark are a life-and-death feud!

At that time, Mark caused a disaster to Trumen.

Although Mark has fallen, the Trumen obviously do not intend to let Mark's remaining forces go.

As the saying goes, cut the weeds and get rid of the roots!

The people of the Dragon Temple walk all over the place, and it is more complicated to hunt down.

However, the remnants of Mark in Gritsberg, Noirfork and other places can be eliminated by the way.

So, that night, a large number of Chumen powerhouses rushed in towards the Xu Family Manor.
