

The Charismatic Charlie Wade Chapter 4132

"OK." charlie nodded and said with emotion: "Although it is temporarily safe during the day, it seems that there is not much time..."

After that, charlie asked again, "This gang, besides doing these wicked things, what business does it do?"

Claudia said: "In addition to these, they also run several bars, hotels, and many places with edge-wiping services. In addition, they also have several underground casinos."

charlie nodded and asked her, "If I want to play two games at their casino, who should I go to?"

Claudia asked embarrassedly, "Mr. Wade...Aren't you kidding me..."

charlie smiled and said, "Of course not."

Claudia thought that charlie was playing against the opponent's casino, and said seriously: "Casino is one of their main sources of income, there are many people guarding it, and they are all armed with guns to prevent the black from eating the black. Don't take any chances there..."

charlie waved his hand: "I don't mean anything else, I just want to play two games and give them some money by the way."

With that said, charlie couldn't help sighing: "Canada is too far away, and it takes time for me to deploy troops. If I can drag them out for a day, I can have more time to prepare."

Claudia thought for a while and said, "If you really want to play two games, I can find Guo Lei. He can't wait to find more people to play two games at their casino."

charlie snapped his fingers and said with a smile, "Pretty! Wait for me, I'll make a call."

After all, charlie turned around and walked out of the convenience store.

Lisa was holding a pancake and fruit at this time, standing at the door waiting anxiously.

Seeing charlie coming out, she hurriedly stepped forward and asked with concern, "Brother charlie, how is your chat with Claudia?"

charlie smiled and said, "Almost there, what about the pancake fruit I want?"

Lisa raised her hand and handed the food bag to charlie: "Well, it's done, brother charlie, can you help Claudia?"

charlie nodded and said lightly: "Of course, is this trivial matter still a problem for your brother charlie?"

Hearing this, Lisa became excited immediately, hugged charlie and said excitedly, "That's really great, brother charlie!"

charlie patted her on the back and said with a smile, "You go inside first, I'll make a call."

"Okay!" Lisa nodded and hurriedly returned to the convenience store happily.

charlie took out the pancake fruit from the bag and took a bite, then took out his mobile phone and called Abbas.

As soon as the call was made, Abbas over there immediately said: "Mr. Wade, the 20 female soldiers sent to the United States by my subordinates had already set off three hours ago. The operation team has left for Canada and is expected to arrive in ten hours in case you need someone useful in Canada."

charlie couldn't help but praised: "Abbas, I didn't expect you to be so meticulous."

Abbas hurriedly said: "Mr. Wade, this is what your subordinates should do."

charlie smiled slightly and said, "Wanlong Temple is now building a base, so there should be a shortage of manpower, right?"

Abbas said: "To tell you the truth, Mr. Wade, to build a permanent base from the ground up, the overall workload is very large, and the soldiers need to be trained in addition to their daily tasks and vacations, so I can't mobilize too many soldiers. There is a real shortage of manpower to participate in construction projects."

charlie then said: "Just right, I just found seven or eight hundred high-quality laborers here in Canada. I plan to find an opportunity to cook them a pot and send them to you!"
