He was seriously injured and disabled, but Tang Yun was in full bloom.

In this case, no one thought that Mark would be Tang Yun's opponent!

However, knowing that it was death, why did Mark walk alone?

Perhaps, it is because of responsibility!

Just like when facing the siege of the world on the shore of the East Vietnam Sea back then, Mark also stood up bravely like today.

Use your own life in exchange for the safety of everyone in the Dragon God Temple!

Will the tragedy repeat itself this time?

Could it be that this man wants to use the lives of their father and son in exchange for Chumen, Noirfork, Yanxia, and Dragon Temple?

Mark has already arrived in front of Tang Yun.

The two of them were less than a few meters apart.

Mark could clearly see Tang Yun's beautiful and charming eyes, and Tang Yun could also clearly feel Mark's weak breath.

Looking at it from a distance, it looks like lovers who are far away from each other meet here on the magpie bridge.

The little guy, Chu Lin, also raised his head, and for the first time looked at the woman who was going to kill his father up close.

Is this a bad woman?

Sure enough, what my mother said was right, all beautiful women are villains.

Except mom!

But why is it so familiar?

Why is there an inexplicable sense of intimacy?

Chu Lin blinked, curiosity was written all over his small head.

While Chu Lin was watching Tang Yun, Tang Yun was also looking at them closely.

I thought that facing the enemy, I should be extraordinarily calm.

However, Tang Yun didn't know what was wrong. The moment she looked at the man in front of her, her heart suddenly ached.

It seemed that deep inside, something had cracked, and bitter water flowed out.

Why do you feel this way?

You obviously haven't seen him?

You obviously don't know him?

But why, there is this kind of sadness of meeting old people.

"Tang Yun, what are you still doing?"

"Don't do it yet!"

"Kill them!"

Chu Yuan's angry voice came at the right time.

Tang Yun's originally absent-minded eyes became cold again.

"You have courage."

"Unfortunately, you are Truman's enemy."

"You are doomed to die by my sword."

A cold voice sounded quietly in Tang Yun's mouth.

Mark also smiled desolately when he listened.

"Yes, you are Tang Yun, and you are also the master of Truman."

"I am Mark, and I am also the Lord of the Dragon God Palace."

"Between you and me, from the very beginning, swords and swords are doomed."

"That's all, let's end it."

Chapter 4263

Facing Tang Yun again, Mark felt complicated.

In this world, the battle he is least willing to face, perhaps, is with this woman.

In the last Truman battle, Mark smashed Tang Yun's pride in public.

To crush the majesty of her Truman master.

Mark didn't know what kind of emotions Tang Yun felt when he was defeated by him at that time.

Sure, it's sad.

She is a proud woman, and she is a person who values fame more than life.

However, he still ruthlessly crushed her pride.

But Mark had no choice.

By the way, she is the master of Truman.

As long as she stays in this position for one day.

Then, she and herself are always in opposition.

Just like this time, it's like history repeating itself again.

Mark and Tang Yun faced each other with swords once again.

“Yun’er, I’m sorry.”

“This time, I won’t let you in the slightest.”

“Get rid of Chu Yuan, trample on the Trumen, and say that I, Chu Tianfan, have a mission and dedication in this province.”

“Not even you can shake my faith.”

“This next battle, I must win.”

“Not only for my dream, but also for Gaia, for Owen, for Dragon Temple, and for all those who support me behind me.”

“So, Yun’er, I’m sorry.”

“This time, I can only destroy your sect and your career with my own hands.”

“Other than that, I have nothing else to do,”

Mark stood there with neither joy nor sorrow on his delicate face.

Indifferent words sounded quietly in this world.

he knows.

This time, he was afraid that he would lose Tang Yun again.

But, he has no choice, he has no choice!

He can only choose whether he wants the country or the beauty, and he is worthy of the people of the country.

“Yun’er, don’t blame me.”

Mark lowered his eyelids and said in a deep voice.

The words were full of heaviness and guilt.

So many years, along the way.

Mark has never wanted to be ashamed of anyone, let alone disappoint anyone.

However, things are unpredictable.

After all, he still has to blame some people.

Once, for his own pursuit, he failed Helen Qiu.

This time, he is also destined to let Tang Yun down!

To live up to the woman in front of me who once gave up the sect and the glory and wealth for him.

However, facing Mark's words.

Tang Yun in front of her didn't show the slightest anger.

On the contrary, there was a bit of inexplicability and doubt in those beautiful pupils.

The rest of the Trumans looked at Mark as if they were idiots.

"First of all, you and I don't know each other. I'm not your Yun'er. You and I have different positions, so you don't have to blame me."

"Secondly, I don't know where you got the confidence to say what you just said."

"Do you think that the current you has the slightest chance of defeating me?"

"You are standing now, it should be very reluctant, how can you talk about defeating me?"

"I don't even need to do anything, the two elders, Xuan Ming, are enough to kill you for me."

Tang Yun's cold words sounded.

That faint tone, but people can not hear the slightest emotional implication.

There was also indifference in the eyes looking at Mark.

Obviously, she really forgot about Mark, and she couldn't remember him at all.

"Disciple!"

“What are you still doing?”

“Quickly end the battle!”

Chu Yuan’s words came again.

He couldn’t wait any longer, he was eager to see the scene where Mark was killed.

“That’s all.”

“This kid has nothing to fear.”

“You don’t need to do it yourself.”

“Elder Xuan Ming listened to the order, with the power of your thunder, kill that Brian Chuon the spot!”

Chu Yuan gave an order.

The two elders, Xuanming and Gaia, who were fighting with Gaia and others, immediately left the battle.

Then, with a figure like a sword, he quickly approached Mark.

“Mysterious Divine Palm!”

...

“Mysterious Divine Palm!”

.....

No nonsense.

After receiving the order, these two old guardians of the Chu family exploded with power.

The majestic giant palm smashed towards Mark with the majesty of extinction.

The terrifying vigor swept across all directions.

The sound of the sonic boom was like a thunderclap.

The overwhelming power of that row made Xu Lei and the others despair.

“Brother Mark, stay away!”

....

“Mark, it’s dangerous!”

....

“Mr. Chu!”

.....

Feeling the terrifying power of the two elders Xuanming, everyone in Noifork behind Mark was shocked.

No one doubted that under such circumstances, if Mark had two palms on his body, he would surely die.

However, while everyone was worried, Mark stood still.

The whole person is as still as water.

There was no trace of fear and panic on her delicate face.

That calm and indifferent look is like a mountain falling in front of him, without changing his face and calmness.

“Dad, I’m afraid...”

But Xiao Chulin was already frightened.

He covered his eyes and got into Mark’s arms directly.

Mark smiled, and gently stroked Xiao Chulin’s head.

“Son, don’t be afraid.”

“You and I are both descendants of the ancestor of Yunyang.”

“If you are still afraid of this little wind and waves, then you will lose my ancestors of Yunyang.”

Mark comforted softly.

“Xiao!”

“When death is imminent, how can you still smile?”

“I’d like to see if you’re still smiling when you’re beaten to a pulp by the elder Xuanming!”

Seeing that Mark was still laughing, Chu Qitian gritted his teeth angrily and said in a hideous voice.

That’s it, everyone is waiting.

Waiting for Mark’s fall.

The Juggernaut, King of Fighters and others were even more anxious, watching the terrifying majesty of the Xuanming elders getting closer and closer.

But just when everyone thought that Mark would be doomed this time.

Who would have thought that in the storm, Mark slowly took out an ancient jade from his bosom.

And at the moment when this ancient jade appeared in the world.

All they could see was a ray of green light suddenly lit up from Mark’s hand.

Like a rainbow piercing the sun, piercing the nine heavens!

At what time, the situation changed dramatically, and thunderclouds rolled in.

The elder Xuanming only felt that a majesty and aura of destroying the world came out from the ancient jade in Mark’s hand.

“This... this is...”

The expressions of the two elders Xuanming changed drastically.

Chu Yuan and his party also widened their eyes.

Everyone was wondering when Mark took out this thing.

The next moment, Mark’s majestic and ethereal voice exploded in an instant!

“This is the token of the ancestors of Yunyang, the Leiling Ancient Jade!”

“Ancestors have taught, seeing this thunder spirit ancient jade, as if Emperor Yunyang came personally!”

“The one who holds this jade will be the head of the Chu family, representing the orthodoxy of the Chu family!”

“Today, I, Chu Tianfan, in the name of the Patriarch of your Chu family, command all directions!”

“People of the Chu clan, hurry up and pay respects!”

.....

“Come quickly!”

....

The majestic voice, like a rolling torrent, swept across the world.

At that moment, Chu Yuan felt a blow to his head.

Chu Qitian’s eyes were wide open, and he was about to burst into tears!

The expressions of the two elders, Xuanming and Ming, changed drastically, and their eyes were full of panic.

“Lei... Lei Lingyu!”

“He... he actually got Lei Lingyu?”

“Hurry up, Elder Xuan, stop quickly, don’t hurt your ancestors and descendants...”

The two elders Xuanming were completely shocked.

The legend about the Lei Ling ancient jade is known to everyone in the Chu family.

This thing was handed down by Yunyang’s ancestors.

It is the treasure worn by the ancestors of Yunyang back then!

This thing is equivalent to Chuan Guo Yuxi.

The person who holds this jade is the undisputed head of the Chu family.

All members of the Chu family must bow down for no reason!

Xuan Ming and his elders have been loyal to the Chu family for generations.

In the past, Chu Yuan represented the orthodoxy of the Chu family, and they only obeyed Chu Yuan’s orders.

But now, Mark took out Lei Lingyu.

This is equivalent to fundamentally shaking Chu Yuan’s leadership position in the Chu family!

Under such circumstances, how dare the two elders, Xuanming and Mark, dare to attack Mark.

Regardless of the risk of injury, the killing blow that was originally slapped was actually taken back by Xuan Ming and the elder.

After withdrawing the attack, Xuan Ming and the elder immediately knelt down.

This is respect for the ancestor of the Chu family, Emperor Yunyang, and even more respect for the orthodoxy of the Chu family!

Not only the two elders Xuanming, but all those who had the blood of the Chu family in the room, without exception, knelt down together.

After thousands of years, Lei Lingyu reappeared in the world!

That kind of trembling from the depths of blood, that kind of inheritance written into the genes, made all the descendants of the Chu family worship and kneel down!

Chapter 4265

“You... what are you doing?”

“Get up, get up for me!”

“I am the head of the Chu family, and I, Chu Yuan, represent the orthodoxy of the Chu family.”

“Then Brian Chuis just an outcast of the Chu family, he is not worthy of making you bow down!”

“Get up, get up for me!”

Chu Yuan roared angrily as if he had gone crazy.

His old eyes were red, and his whole body was almost tearful, yelling at all the Chu family members.

“Old Patriarch, he...he has Lei Lingyu in his hand.”

“Our family’s ancestral training, if you have Lei Lingyu, ask the head of the Chu family.”

“Perhaps, this Brian Chuis really the descendant recognized by Yunyang’s ancestors.”

Among the Chumen, those descendants of the Chu family were undoubtedly shaken when they saw Lei Lingyu.

Everyone in the Chu family knew about the legend of Lei Lingyu.

This is holy!

It is a sacred object inherited by the Chu family’s blood.

It was worn by the ancestors of Yunyang himself.

As the saying goes, Lei Ling has a spirit!

Only the descendants of the Chu family recognized by the ancestors of Yunyang can be recognized by Lei Lingyu and bloom with divine light.

But now, in Mark's hands, Lei Lingyu's blue light is flourishing.

From this, it is enough to prove that this Brian Chui is the one chosen by the ancestors of the Chu family! He is the orthodox representative of the Chu family!

The people chosen by the ancestors of Yunyang, the members of the Chu family, naturally dare not disobey.

"Yes, old Patriarch."

"Brian Chui is a descendant of our Chu family. He has a bloodline from the same origin as ours."

"If the fight continues, it will be nothing more than fighting against each other, and family members will kill each other."

"We are all family."

"Then Brian Chui is the descendant of Yunyang's ancestor, just like us."

For a while, the strong members of the Chu family persuaded him one after another.

The appearance of Lei Lingyu, it can be said, instantly disintegrated the fighting will of these Chu clan members.

They are not afraid of death, nor are they afraid of powerful enemies.

However, they cannot disobey the ancestors of Yunyang, let alone kill the person chosen by the ancestors.

"shut up!"

"Shut up!"

"Whoever says that Brian Chui is from the Chu family, I will let him be kicked out of the house."

“Now, in the name of the head of the Chu family, I order you all to stand up for me and kill that Chu Tianfan!”

Chu Yuan was still shouting hoarsely.

Up to now, he is still unwilling to admit that Mark represents the orthodox reality of the Chu family.

However, few people responded to Chu Yuan’s order.

It can even be said that there is only Chu Qitian alone!

“Get up!”

“You bastards, don’t you even listen to what Grandpa says?”

“Then Brian Chuis a scumbag, what qualifications does he have, and what qualifications does he have to be the Patriarch of my Chu family, representing the orthodoxy of the Chu family?”

“You rats, get up!”

“I forbid you to kneel him!”

“I am the one chosen by the ancestors of Yunyang.”

“I am the only descendant of the Chu family!”

Chu Qitian shouted angrily with a majestic face.

My heart is burning with jealousy!

“enough!”

“Chu Qitian, you are so rebellious that you didn’t kneel down when you saw Lei Lingyu!”

“In your eyes, do you still have my Yunyang ancestor?”

Some members of the Chu clan saw that Chu Qitian did not kneel, and accused him angrily.

At the same time, these people looked at Chu Yuan with regret.

“Master, I’m sorry.”

“It’s not that we don’t listen to your orders, it’s that our Chu family was carried forward and prospered by the ancestors of Yunyang.”

“My descendants of the Chu family all received the grace of our ancestors in Yunyang, so we have this glory and scenery for thousands of years.”

“The ancestral precepts cannot be violated, the Chu family is orthodox, and cannot be violated!”

“Therefore, let us kill Patriarch Chu Tianfan, it will be difficult!”

Among the Chu family members, there was an old man who spoke first.

Then, with eyes full of reverence and respect, he knelt down again to Mark who was holding the Lei Lingyu.

“The ancestor’s instruction is difficult, the new head of the Chu family is here, please accept the worship of the people!”

The old man knelt down and worshiped.

His voice, like a boulder falling into the sea, set off a thousand layers of huge waves.

At what time, all members of the Chu clan worshiped together.

“Chu Clan, kneel down to welcome the Patriarch of the Chu Clan, Chu Tianfan!”

.....

“Kneel to welcome, Patriarch Chu Tianfan!”

...

All of a sudden, all the members of the Chu family knelt down.

Chu Qitian was completely stunned, and Chu Yuan was even more panic-stricken.

After fighting Mark for so long, this was the first time he was as flustered as today.

He fought with Mark before, and if he lost, he lost. He can still order the Chu family, order the Chu family, and let the two elders of Xuanming use it for him.

But now, Mark directly draws his salary from the bottom of the pot, which directly shakes the legitimacy of his Chu family as the head of the family.

So much so that even his clansmen abandoned him and turned their allegiance to Mark.

This time, Chu Yuan actually had the despair of betraying his relatives.

“Old Xuan, Old Ming.”

“You two are not from the Chu family, so you don’t need to respect Lei Lingyu.”

“Now, immediately, immediately, kill Chu Tianfan, kill Brian Chu for me!”

Chu Yuan suddenly remembered something, and looked at the two elders Xuanming as if grasping at the last straw.

“Old master, I’m sorry.”

“Although the two of us are not members of the Chu family, our ancestors have been loyal to the Chu family and the ancestors of Yunyang for generations.”

“Eating the king’s salary is a matter of loyalty to the king.”

“Brian Chu gets Lei Lingyu to recognize the master, which means the Chu family is orthodox.”

“Forgive us for making it difficult to obey your old master in the future.”

The two elders Xuanming said in a deep voice.

Those words full of apology, to Chu Yuan, were like the last straw that broke the camel's back.

Chu Yuan's body trembled, and several mouthfuls of blood were spat out one after another.

"Chu Tianfan, you are so cruel..."

"You are too cruel..."

"You are so cruel..."

Chu Yuan roared almost in despair.

He never dreamed that Mark would take out Lei Lingyu to deal with him.

Although this small ancient jade no longer has the effect of summoning thunder, it is a symbol of the Chu family's orthodoxy.

Holding this jade, Mark directly deprived Chu Yuan of his position as the head of the family.

The tens of thousands of members of the Chu family will respect Mark from now on!

What is betrayal?

This is called betrayal!

What is a loner?

This is called being alone!

Even the elder Xuanming no longer obeyed Chu Yuan's orders.

It can be said that it is not an exaggeration to say that the current Chu Yuan is lonely.

"Heaven's evil is still forgiven."

"If you do your own crimes, you can't live!"

"Chu Yuan, you have done a lot of evil and ruined my Chu family's style."

“You are no longer worthy of being the head of the Chu family, let alone a member of the Chu clan.”

“Today, I, Chu Tianfan, take charge of the matter and issue the first order.”

“From now on, Chu Yuan will be deprived of all rights in the Chu family and expelled from the Chu family. Until death, he will not be allowed to enter the Chu family’s ancestral grave!”

“At the same time, Chu Yuan’s party, Chu Qitian, deprived him of all rights in the clan. However, because he was young and ignorant, he retained his clan status and was escorted back to the clan to await trial!”

“The rest of the Chu clan, immediately stop the truce and treat the wounded!”

Mark’s faint voice echoed everywhere, as if the God of Judgment had come to the world.

“Follow the orders of the Patriarch!”

At Mark’s feet, members of the Chu clan bowed down one after another, expressing their respect for Mark’s order.

“Do not!”

“You abandoned child, you have no right to judge me!”

“I am the future head of the Chu family, I am the best descendant of the Chu family, not you!”

“You abandoned son, I’ll kill you, kill you!”

Chu Qitian couldn’t accept this result at all.

He had a majestic face and roared like crazy.

In the end, he raised his long sword and stabbed fiercely at Mark.

Seeing this, Mark remained expressionless.

He stood there, holding his son by the hand, and ordered in a deep voice:

“The two elders Xuanming listen to the order, capture Chu Qitian, the traitor of

the Chu family, on the spot, break his arms and legs, and escort the Chu family for trial!”

When Mark gave the order, the two elders Xuanming immediately took the order, turned around and slapped Chu Qitian until he vomited blood.

But Chu Qitian did not give up, he was still stubbornly resisting.

“Xiao Yan, kill them, kill them!”

Chu Qitian urged the blue-eyed Jinhuatong to control Xiaoyan.

Mark raised Lei Lingyu, faced Xiao Yan, and asked sharply, “Xiao Yan, do you still remember the glory of your ancestor?”

“Do you remember the oath made by your ancestors?”

“As the guardian beast of the Chu family, seeing the ancient Leiling jade, the descendant of Yuniang, why don’t you quickly bow down?!”

Chapter 4267

“Chu Clan, kneel down to welcome the Patriarch of the Chu Clan, Chu Tianfan!”

Markhong’s voice was rolling.

The Lei Lingyu in his hand was shining brightly, and Mark bathed in the green light, as if Emperor Yunyang had reappeared in the world.

Under Mark’s majesty, Xiao Yan was stunned.

Huge pupils stared blankly at Mark and at the ancient Lei Ling jade in his hand.

The bewildered and demented expressions of the crowd appeared on Xiaoyan’s face.

“There’s a show!”

On Yunding Mountain, Ericson Li and the others watched this scene anxiously.

The two elders, Xuanming and Ming, have turned their backs on the water, and they only need to take this clan guardian beast under their command again.

Then there will be almost no suspense in this war.

However, Xiao Yan stayed where he was, and was stunned for tens of seconds.

In the end, he shook his head at Mark.

That way, as if to say.

It doesn't remember any oath, let alone any glory.

It doesn't remember anything, all it knows is that the person who controls the blue-eyed golden flower pupil is its master.

"Hahaha.."

"Chu Tianfan, stop wishful thinking!"

"Xiaoyan only respects the blue-eyed Jinhua pupil, and only respects me as the master."

"If you want to control Xiaoyan, you are not worthy!"

"Xiao Yan, obey my order and kill that Chu Tianfan!"

Chu Qitian laughed out loud.

Seeing such a scene, the worries in my heart disappeared instantly.

He controlled Xiaoyan and launched the final offensive.

However, who would have thought that at this moment.

A black shadow rose into the sky!

I saw a big black dog, and I don't know when, it has already rushed in front of Xiao Yan.

Without the slightest hesitation, before Xiaoyan could react, the black dog was quick enough to hide his ears, stretched out two front paws, and slapped Xiaoyan on the forehead fiercely.

bang bang bang...

The black dog's paws slapped frantically, like beating a drum, and the low and muffled sound was just like a rapid drumbeat.

Moreover, every time it was patted, the black dog would bark a few times.

That way, it seems to be shouting.

You bastard, remember?

Unexpectedly, the emperor continued fanning!

Just like that, the black dog slapped Xiaoyan's forehead nearly a hundred times in a row.

At first, Xiaoyan was still extremely angry.

However, soon, following the pat of the black dog, Xiaoyan felt that in the depths of her mind, there was a memory that had been dormant for thousands of years, slowly awakening.

It vaguely saw a tall figure emerging from the depths of its memory.

At first, the figure was extremely vague.

However, as the black dog kicked its forehead violently, the vague memory became clearer.

It saw clearly that it was a human figure.

He wears the Thunder Spirit Jade and holds the Yunyang Excalibur.

He has a handsome face, his eyes are full of sneers, and he stands proudly.

And under the human's feet, there was a huge creature that looked almost the same as it.

The man and the beast looked at each other and smiled, walking together.

They met on the earth, but fought in the world.

...

"After my death, my Yanmo family will serve as the master of the Chu family from generation to generation, protect the Chu family, and guard the descendants of Yunyang..."

...

It remembered, it remembered it all.

In memory, that giant beast is its ancestor.

And that human figure is the master of its ancestors, and even the ancestor of the man in front of him, Chu Yunyang.

Those ancient memories, like a torrential river, swept over.

In an instant, Xiao Yan's heart was filled.

“Jet!”

After these inherited memories were awakened, Xiao Yan suddenly raised his head to the sky and screamed loudly.

The excited and joyful voice was like a reunion after thousands of years.

It didn't obey Chu Qitian's order anymore, but rushed to Mark by itself, prostrating and worshiping Mark.

Like a pet that has been lost for thousands of years, after a thousand years, he meets his lord again.

“Xiaoyan, you...”

This scene can be said to have shocked countless people.

Especially Chu Qitian, whose eyes almost popped out.

He never dreamed that his blue eyes and golden pupils would lose their effect.

“How...how did this happen?”

“Xiao Yan, I am your master!”

“I'm the!”

“Why do you worship him?”

“Could it be because of that Lei Lingyu?”

“Is it because of the token left by the ancestors of Yunyang?”

Chapter 4269

Chu Qitian couldn't accept the reality in front of him, he couldn't help shaking his head.

He couldn't believe that a person who disappeared for a thousand years still had such a great influence on future generations.

Just a token with no practical effect made the entire Chu family kneel down, and even made Xiaoyan rebel against the master.

“why?”

“Why is this the result?”

“I don't agree!”

“Why, why is it Chu Tianfan!”

“Ancestor Yunyang, you are eccentric, you have blind eyes!”

“I am also a member of the Chu clan, and I have a more noble bloodline than that Chu Tianfan.”

“Why, you didn't choose me, but which sacrificial child!”

“I don't agree!”

With Xiaoyan's betrayal, Chu Qitian's last reliance was completely gone.

He had a majestic face, as if he was crazy, and roared at the sky.

He is full of unwillingness!

He hated, hated the injustice of Yunyang's ancestors.

I hate even more, the eccentricity of my ancestors.

“Chu Qitian, until now, you still don't know where you lost?”

Faced with Xiaoyan bowing his head in worship, Mark had no expression on his face, and his cold words sounded quietly.

“enough!”

“Chu Tianfan, don’t speak to me in such a tone!”

“What are you proud of?”

“If the ancestors were not partial to you, you would have died without a place to bury you.”

“I didn’t lose to you, I lost to Chu Yunyang! It was the eccentric ancestor of Yunyang!”

“Without Lei Lingyu, you would be dead now without a place to bury you.”

“It should be me who laughs last, it should be mine...”

Chu Qitian looked like he was insane, and his face was majestic and terrifying.

Facing Chu Qitian’s doubts, Mark did not refute.

“You’re right. Without the grace of our ancestors, I, Chu Tianfan, wouldn’t be able to make it this far.”

“But, have you ever thought about why ancestor Yunyang chose me instead of you?”

“And why am I of the Tianzi generation, but you are not.”

“You are indeed extremely talented, but descendants of Yunyang value not only martial arts talent, but also character and character.”

“You and your father used all means to achieve their goals. They beat Angie ruthlessly, peeling off her eyes and taking out her pupils.”

“It’s this one, you will never get the approval of Yunyang’s ancestors.”

“Forget it, I tell you this, you don’t understand, and you don’t want to understand.”

“But the winner is the loser.”

“Chu Qitian, let’s capture him without a fight.”

“Although you have done all the bad things, you deserve death.”

“But after all, you are the ancestors and descendants of the same family. Today, I will not kill you.”

“I will bring you back to the family and accept the family law trial.”

Mark looked at Chu Qitian, and his deep words were like the final judgment on Chu Qitian.

As Mark’s words fell, the two elders Xuanming immediately made a move and went towards Chu Qitian to capture him.

Chu Qitian still wanted to resist, but the two elders Xuanming directly broke his ribs with two palms one after another. He vomited blood and was seriously injured.

After capturing Chu Qitian, Mark’s eyes fell on Chu Yuan.

“Patriarch, old master, what do you plan to do with it?”

“Are you really going to be expelled from the family?”

After all, after following him for a lifetime, the two elders, Xuanming and Ming, undoubtedly had feelings for Chu Yuan.

They still hoped that Mark would be lenient.

But Mark sneered: “Old master?”

“Don’t be stupid, your old master is already dead.”

“The current one is just wearing a piece of human skin.”

What?

As the saying goes, the words are not amazing and endless.

Mark’s words changed the expressions of all the people present.

The elder Xuanming was even more shocked.

“You said he...he is not the old master?”

“But how is it possible?”

“In this world, besides the old master, who else is so powerful?”

“Patriarch, are you making a mistake?”

The two elders Xuanming couldn't accept this fact.

Mark didn't explain much: “Is it, it's not important anymore.”

“In short, today, he must die.”

“So many of my brothers, relatives, and friends died because of him.”

“Just for them, I will kill Chu Yuan today.”

What?

“You... you want to kill the old master?”

Xuan Ming's expression changed immediately.

He thought that if Mark could bypass Chu Qitian, he would also bypass Chu Yuan.

Moreover, Chu Yuan has now become a useless person and was expelled from the Chu family.

This punishment was already heavy enough for Chu Yuan.

However, the two elders Xuanming still underestimated Mark's ruthlessness.

From the beginning to the end, this man never thought about letting Chu Yuan leave.

“Why, do you two want to protect him?” Mark frowned and looked at the two old men in front of him.

Now in the entire Yunding Mountain, the peak combat power is Tang Yun and the two old men in front of him.

The two elders Xuanming immediately shook their heads: “The two of us have already respected you as the head of the Chu family, so naturally we will not disobey the head of the family.”

“However, the old master has taught us both again.”

“The two of us did not participate in the siege of the old master, please forgive me.”

Mark nodded when he heard the words: “You two are kind and righteous.”

“It’s a pity that I followed the wrong person and helped the evildoer.”

“Forget it, I, Chu Tianfan, don’t force others to make things difficult. Since you two don’t want to make a move, I won’t force you.”

“However, those relatives and friends behind me need the protection of the two of you.”

“This task shouldn’t be considered embarrassing for the elders, right?”

After the two elders Xuanming thanked Mark, they retreated to a distance.

After the two elders Xuanming left, Mark’s eyes fell on Chu Yuan completely.

“Chu Yuan, didn’t expect that?”

“The abandoned son you expelled from the Chu family back then has become the head of the Chu family today.”

“On the contrary, you were kicked out by me, and you will also die here.”

Mark’s face was full of chills.

It seems that all the grievances and hatreds of so many years are about to be released at this moment.

However, facing Mark's words, Chu Yuan, who was at the end of his life, suddenly burst out laughing.

"Hahaha..."

"Chu Tianfan, don't you think it's too early to say this now?"

"You may have snatched my position as the head of the Chu family. But don't forget, I, Chu Yuan, besides being the head of the Chu family, I am also the old head of the Chu family!"

"Tang Yun, you are still my disciple!"

"Thousands of Truman disciples, still obey my orders!"

"What's more, you are at the end of your strength now, what are you using to kill me?"

"You won't be able to break through my disciple's level."

Even now, Chu Yuan still did not give up.

He smiled wantonly, confidently.

In Chu Yuan's view, although the current situation is already very unfavorable to him.

However, as long as Tang Yun is still loyal to him, then he has not lost.

Tang Yun's terrifying combat power was still enough to despise everyone present.

"Hmph, you old dog, you dare to speak to my Dragon Lord in such a tone when you are about to die."

"Don't you rely on Tang Yun alone?"

"Our people from the Dragon God Temple work together, could it be that we can't beat a woman?"

“What’s more, even the guardian beasts of your Chu family have knelt down to obey my Dragon Lord.”

“The current balance of power has completely changed.”

“Chu Yuan, I advise you to accept death obediently.”

“Stop making unnecessary resistance!”

Mike Jones, the head of the Jones family, stood up covered in blood.

He pointed in Chu Yuan’s direction and yelled sharply.

Gaia and the others also dragged their injuries and stood behind Mark.

Waiting for Mark’s order, they will attack Tang Yun.

Mark didn’t speak.

His eyes quietly fell on Tang Yun.

“Yun’er, are you really going to block me?”

“Chu Yuan has committed many crimes, and his crimes are serious, and now everyone has betrayed his relatives.”

“Are you still going to be my enemy because of him?”

Mark asked Tang Yun again.

However, Tang Yun only responded to him with the cold sword in his hand.

Chapter 4271

“Chu Tianfan, let your tongue be as eloquent as you like, and I won’t let you touch my teacher at all.”

“The teacher has the grace to teach me, and he is also the leader of my Truman.”

“How can you offend me?”

Tang Yun’s words were cold, and her eyes were cold.

As her words fell, the remaining Trumen people also gathered in Tang Yun's direction.

Obviously, the rest of the elders of the Chu Clan and all the members of the Chu Clan still remained loyal to Chu Yuan and obeyed Tang Yun.

Hearing this answer, although Mark had expected it, he was still heartbroken and disappointed.

"Dragon Lord, stop talking nonsense with them."

"For the Trumen people, only blood and killing can make them wake up!"

"Please order the Dragon Lord, let me wait for the dragon god powerhouse, and then cooperate with the beasts of the Chu family to besiege and kill Tang Yun!"

"It's just that Tang Yun has three heads and six arms. I believe that I will never be a match for so many of us!"

The people of Dragon God Temple were furious, and asked for orders to fight one after another.

too long.

They have been bullied by Truman for too long.

Since the defeat of Chumen, the four dragon gods were brutally imprisoned, and several dragon kings died in battle one after another.

It can be said that Truman's hands were covered with the blood of the people of Dragon God Temple.

And Chu Yuan was the chief culprit who slaughtered the Dragon God Palace people.

This time, even if Mark could forgive Chu Men, forgive Chu Yuan, and the people of Dragon God Palace, he would never let them go.

New and old grievances, deep-rooted and deep-rooted hatred, must be completely resolved at this moment.

This time, either they stepped on the Trumen, or their Dragon Temple perished here.

In anger, several dragon god powerhouses rushed forward.

As long as Mark gives an order, the final killing will begin.

However, to the surprise of Gaia and others, Mark actually blocked them.

“Dragon Lord, you...you can’t be kind to women!”

“Are you really going to disregard the brothers we sacrificed for this woman?”

Seeing that Mark actually blocked it, Gaia and the others were all red-eyed.

Truman killed too many of their comrades-in-arms, and their four dragon gods almost died in the hands of Truman.

The Chu family can forgive them.

But Truman’s deep hatred, they will never forgive.

“Yes, Dragon Lord!”

“What you said before, we will obey!”

“But this time, if you let Chu Yuan and Trumen go, we Dragon God Palace people will not accept anything!”

“Even if it’s death, we have to persuade the Dragon Lord to kill all the people of the Truman Clan in order to avenge many years of hatred!”

All the members of the Dragon God Hall roared angrily, and they all begged Mark to order to surround and kill Truman.

Facing the requests from the subordinates behind him, Mark remained expressionless, and replied calmly: “Don’t worry, I will remember all the grudges of Baichuan and the others?”

“So, in the next battle, none of you will make a move.”

“All grievances and grievances are caused by me, and naturally, I will settle them myself.”

Mark's words made everyone startled.

"Master, you... you want to face Tang Yun personally?"

"How is this possible?"

"How can you be Tang Yun's opponent with your seriously injured body?"

"This is absolutely impossible!"

Gaia and the others became anxious immediately, and tried to persuade them again and again.

"I've made up my mind, you don't need to persuade me anymore."

"Besides, the next battle is not only between Dragon Temple and Truman, but also between me and her."

Mark's expression turned cold.

On the pale face, there was a surge of chill.

Looking directly at Tang Yun with deep eyes.

"Tang Yun, since you chose Zongmen Dayi, then don't blame me, Chu Tianfan, for not thinking about old love."

"Before we start, let's make a bet."

"If you win, I, Chu Tianfan, will kill myself with my sword."

"If I win, you will order Truman to be disbanded."

"Tang Yun, how about it, do you dare to bet?"

Mark's deep voice echoed.

When Gaia and the others heard this, their faces changed in astonishment.

They only thought that Mark was crazy, and Dragon Lord was really crazy.

He was clearly at the end of his strength, and he was afraid that any titled grandmaster could seriously injure him.

How could he make such a bet with Tang Yun?
