

Super Rich Dad Chapter 429-430

Chapter 429 - His ?

Jiang Hao couldn't help but laugh out loud at his words.

'Blowing up the place ? That's a great idea you have, may I ask what you think ?' Jiang Hao asked with a teasing smile.

Of course Wang Jiani knew that Jiang Hao was teasing her, and her mouth pouted as she questioned, 'I mean what the hell is wrong with you, how come I can run into you everywhere ? Can you stop pestering me all day long ? You're like a ghost all day long, it's really annoying!'

Jiang Hao laughed and shook his head, mockingly saying, 'A ghost ? Then you're really flattering me, and let me make it clear to you, I'm not pestering you, why would I pester you ? Are you pretty ? Oh, then you're really confident!'

'You,' Wang Jiani's face turned blue with anger when she heard Jiang Hao's words, and she gnashed her teeth with hatred.

Damn it, how hateful, how dare you mock me like that ! What kind of a thing are you !

'Humph!' Wang Jiani gritted her teeth and said, 'I don't care about rubbish like you, being general with you will only bring down my own taste, I'm warning you, get the hell out of my way now, what kind of place is this, a place you can come too ? Don't be disgusting here, do you know who will be here later ? I'm letting you go for your own good, if you really mess with someone later, you'll have no luck!'

'I know Zhu Yiran, the general manager of Haisheng Yipin, I'll call him and have his people blow this kid out!' Wang Donglin said with an impatient look on his face, 'This Zhu Yiran is really something, what's wrong with the security of Hai Sheng Yi Pin ? How can anyone be let in ?'

As he spoke, Wang Donglin was about to take out his mobile phone to make a call.

But at that moment, a shiny black Phaeton sedan quickly drove over from the side.

As soon as he saw the SUV, Wang Donglin instantly hit the ground running, a little excited and a little nervous, and hurriedly said, 'Coming, coming, I recognise it, it's Mr Qiao's car, Mr Qiao is here.'

As he said this, Wang Donglin glared impatiently at Jiang Hao and hurriedly went over to him, ready to push him aside: 'Get out of my way, can't you see that Mr. Qiao has come over ? If you don't want to die, hide away from me, if you dare to bump into Mr. Qiao later, you won't even know how you'll die!'

Seeing this, Wang Jiani also rushed over to help, shouting, 'That's right, what are you still doing here ? Hurry up and get out of my way, do you really want to disgust people here ?'

While the two were pushing Jiang Hao, the Phaeton car had already stopped not far away, then the car door came, and Qiao San scurried out of the car in a big stride, pointing at this side and shouting, 'Stop it, what are you doing?'

After Qiao San's shout, Wang Donglin and Wang Jiani immediately stopped their hands.

Wang Donglin shouted in his heart, wiped a handful of cold sweat from his forehead, turned back to Qiao San and said with a smile on his face, 'Mr. Qiao, I'm really sorry, don't worry, it's not a big deal here, I'll finish it right away!'

After Wang Donglin finished speaking, he turned his head and yelled at Jiang Hao, 'You see, this is Master Qiao San of Chu Jiang, if you don't want to die, get out of my way or I won't spare you!'

As Wang Donglin spoke, he pushed Jiang Hao towards the roadside.

But Jiang Hao pushed Wang Donglin away from him and sneered, 'Why are you so afraid of him? Sorry, I'm not afraid! And I would like to ask, if I leave today. And who are you going to go to for acceptance?'

Wang Donglin smiled, frowned slightly and said with an impatient face, 'Just blow me off, I'm warning you for the last time, you get out of here right now immediately, or I'll really be unkind to you!'

Jiang Hao laughed helplessly ': Well then, since you've said that, then I guess I'd better go!'

After he finished speaking, Jiang Hao then rushed towards Qiao San who was running towards him and said loudly, 'Mr. Qiao, you can see it too, people want me to leave, so turn around and leave this place to you!'

Having said that, Jiang Hao turned around to leave.

But just then, Qiao San quickened his steps and scurried directly to Jiang Hao's heels, saying with a face full of tension, 'What's going on here?'

Jiang Hao's eyes glanced at the Wang family's father and daughter and sneered, 'Look for yourself, they want to kick me out!'

'You're kicking him out?' Qiao San smiled, his face suddenly turning iron.

Seeing this, Wang Donglin couldn't help but be a little nervous and hurriedly said, 'Ah yes no, Mr. Qiao I'm telling you ah, this man is a scoundrel, he wants to'

Before Wang Donglin could finish his sentence, Qiao San raised his hand and slapped him across the face, shouting angrily, 'I think you're the scoundrel, what kind of dog are you? How dare you say all sorts of nonsense?'

Wang Donglin's eyes glazed over from the slap, and it took him a long time to get over it, but he was still surprised.

'I, Mr. Qiao, what's wrong with me?'

Wang Jiani, who was at the side, saw this and also hurriedly said, 'Yes, yes Mr Qiao, you don't even know, this man wanted to cause havoc here, and thanks to my dad finding out, this was the only way to get rid of him, and here you are, and why did you even hit my dad'

When Qiao San heard this, his nose almost turned up in anger and he said, 'What did you say? He's doing damage? Dare you say that again? Do you know who he is? You say he's sabotaging? I think you're as tired of living as your father is!'

Qiao San's loud voice scared both the Wang family's father and daughter.

They were already in a daze because of the actions Qiao San had just taken.

Now that Qiao San had even said such things, the Wang family father and daughter were simply even more bewildered.

Had they still made a mistake in trying to drive Jiang Hao away?

'He's just a stinking loser, a heel, a dead pervert who follows me wherever I go!' Wang Jiani shouted these words out almost without thinking, and without the slightest hesitation.

And in her heart, Jiang Hao was this kind of bad impression.

But Wang Jiani had never imagined what would happen to her and her family after she had said that!

'You are reckless!'

'Almost as soon as Wang Jiani said those words, Qiao San slapped her across the face again, not showing any mercy because Wang Jiani was a woman.

Qiao San then pointed at Wang Donglin and said, 'Wang Donglin, you are simply blind, today I think there is no need for acceptance, you immediately call your people and get out of the villa, this project, your family is no longer needed!'

When Qiao San said this, Wang Donglin was immediately dumbfounded.

'What do you mean by that, Mr. Qiao? We're doing a good job, why are you sacking us?'

'Oh, doing a good job? How dare you treat your own customers like that, I'm already being polite by just sacking you!' Qiao San shouted angrily.

'Clients?' Wang Donglin smiled and seemed to have finally thought of something, he hurriedly looked at Jiang Hao and seemed to have thought of something, a look of horror immediately appeared on his face, 'Mr Qiao you mean'

No wonder he was here, no wonder Qiao San had such an attitude, now Wang Donglin had finally figured it out, but the more he thought about it, the more Wang Donglin also felt the cold wind running straight down his back.

The more he thought about it, the more Wang Donglin felt the cold wind running down his back. So he had been working for someone else for half a day, but he didn't even know it and was still mocking him?

It was a big deal!

No wonder Qiao San was angry, if it were himself, he would probably have exploded!

Although Wang Donglin was curious as to where Jiang Hao had gotten the money to be able to afford this Haisheng Yijin No.1 courtyard, he knew better than to think about it at this moment.

Chapter 430 - The Strawman

Rather, it was whether he could still keep the project today!

Although just now Qiao San said that he wanted his company to get out of the villa and the project to be done by someone else, this was obviously a breach of contract by the other party.

But Wang Donglin's heart is like a clear mirror, not to mention the other party's breach of contract, even if people are doing a little more dirty, they can not do anything.

That is Qiao San, the big man of Chu River. In front of him, he is not even a fart.

Even if he was kicked out of the renovation project, he wouldn't dare to say a word, otherwise he would have a hundred ways to fix himself.

Maybe then, bankruptcy would be the least of their worries!

When Wang Donglin thought of this, he felt his sweat standing on end. He never thought that he would one day fall into such a big trouble.

Wang Donglin looked at Jiang Hao, his eyebrows locked, a bead of sweat brushed and rolled down his head in nervousness.

'I turned out ouch!' Wang Donglin was so nervous that he didn't know what to say, he almost looked at Jiang Hao in despair and faltered, 'Look at what I've done here. My head is full of rubbish!'

Wang Donglin slapped his forehead and was on the verge of tears.

At this moment, Wang Jiani also seemed to understand, and her expression became more and more indescribably shocked as she covered her red cheeks with one hand.

This villa belonged to Jiang Hao? Qiao San was just a middleman?

This kind of fact, for Wang Jiani, was like a heavy bomb exploding in her heart, instantly rolling up shocking waves.

'How is that possible?' Wang Jiani recalled all sorts of things about Jiang Hao in the past as she thought about it, and the more she thought about it, the harder it became to believe the facts before her.

One had to know that the selling price of this villa alone could have reached seventy million dollars, plus the decoration and other expenses, the final offer could be more than one hundred million dollars.

Wasn't Jiang Hao just a poor loser? How could he possibly have so much money? Could it be that he was dreaming again?

But even if it was a dream, it was undoubtedly a nightmare!

A person whom she had ridiculed and scorned for so long had one day transformed into an existence with a fortune of at least over a hundred million dollars, which Wang Jiani could not accept in any way.

She felt that her self-esteem had received an unprecedented blow!

Although she knew it was undoubtedly true, she was still unwilling to accept it.

And just as the Wang family's father and daughter were dazed by their surprise, Qiao San spoke again.

With an ugly face, Qiao San stood in front of Jiang Hao with his head lowered, only daring to slightly glance at Jiang Hao with his own afterglow.

'Young Jiang, I'm really sorry, I I'm late, I've made you suffer!' Qiao San said in a humble tone, 'Young Jiang, do you see that you are still satisfied with how I handled the situation just now? Perhaps I'll think of another way to punish them a little?'

Obviously, although Qiao San's so-called punishment was just two short words, its connotation was something that the Wang family father and daughter did not dare to think about.

Wang Jiani did not seem to feel the word 'punishment' that deeply, but Wang Donglin knew very well what it meant!

There are many legends about Qiao San in Chujiang, and the reason why this man has been standing in Chujiang for many years without falling down is that he is fierce enough to fix people!

Wang Donglin remembered that he had once heard that a very famous hotel in Chujiang had used some dirty tricks in the competition with Qiao San, and as a result, it had completely angered Qiao San, and in less than three months, the hotel had gone bankrupt.

Before the other party used those dirty tricks, they had been competing with Qiao San for three years without any problems.

Obviously, the other party went bankrupt because they had angered Qiao San!

And even if Wang Donglin was slow to react, he noticed that Qiao San seemed even angrier today!

Even if Wang Donglin was thinking on his heels, he could think of what consequences Qiao San's anger would bring to him!

So before Jiang Hao could even open his mouth to reply to Qiao San's words, Wang Donglin was already unable to stand up and grovelled with a pleading face, 'Mr Qiao, Mr Qiao, don't be angry, I really didn't mean to, I didn't know that the owner of this villa was'

Before Wang Donglin could finish his sentence, he was sternly interrupted by Qiao San: 'Shut up, do you have the right to speak here? How dare you do such a thing and think that you won't pay the price? Who do you think you are?'

Hearing Qiao San's words, Wang Donglin was completely desperate, he almost put his last hope on Jiang Hao and said with a pleading face, 'Jiang Hao, no, Jiang Shao, I am really ignorant of the mountains, it was all my fault in the past, you are generous, don't take it personally, don't worry, as long as you give me a chance this time, I guarantee that this villa will be beautifully decorated for you in the future, I'

Before Wang Donglin could finish his sentence, Jiang Hao, who was standing on the side and had never spoken, suddenly laughed.

Jiang Hao laughed purely because he thought it was too ridiculous.

Just now, this Wang Donglin was still acting like he was righteous to himself.

But after only a short while, he was like a dog again, almost kneeling in front of him and admitting his mistake.

Sure enough, in this world, as long as you are strong enough, you can make everyone change their attitude towards you!

The person who humiliated you one second might be able to kneel down in front of you the next and go and call him grandpa!

Jiang Hao's gaze teasingly glanced at Wang Donglin and sneered, 'Aigoo, Mr Wang isn't kicking me out?'

Wang Donglin knew that Jiang Hao was taking a jab at himself, which was humiliating, but there was nothing he could do about it.

'Look at what you said, how dare I, it was all my fault just now, it was all my blindness in the past, just please don't take it to heart, you are not bothered with us people, are you, haha'

Wang Donglin squeezed out a not-so-natural smile, the whole person had a look of enduring humiliation, it was simply not too ugly.

Jiang Hao looked again at Wang Jiani, who had her head lowered and her teeth clenched, and teased, 'Miss Wang, I remember I told you before, didn't I, that I said I bought this villa, but do you still remember how you responded to me? Oh.'

Wang Jiani didn't dare to look up at her words, biting her own lips fiercely, her face expression looked as if it was in pain.

'I didn't know you were before.'

'Didn't know what I was? Didn't know I was rich and just thought I was a smelly loser? Did you always think that you were just supposed to be high up all the time, yourself? Don't you think you're a bit ridiculous?'

Jiang Hao's words made Wang Jiani's face look more and more embarrassed.

How had she ever been humiliated like this in all her life?

Besides, she had always humiliated Jiang Hao in the past, but today the two had suddenly turned the other way, and Wang Jiani felt like she had suffered an unprecedented bludgeoning injury to her heart!

Jiang Hao smiled and continued, 'Miss Wang, do you remember how you humiliated me in the past? In fact, I had thought about returning it all to you one day, with interest, but I thought about it carefully and thought it was better to forget about it.'

'I know that your family has gone to a lot of trouble with this renovation project, and rushing out would have a huge impact on your family, so I'm going to give you another chance!' Jiang Hao said as he looked up.

As soon as he heard Jiang Hao's words, Wang Donglin's eyebrows lit up and he was simply ecstatic in his heart.

He certainly knew how big a problem his previous transgression was, and now that Jiang Hao said to forget about it, how could he not be secretly happy.

As for Wang Jiani, her face also became a lot lighter when she heard what she said.

Although she didn't say anything, she was still happy from the bottom of her heart.

And while happy, she even became a little disdainful of Jiang Hao, even.
