

Chapter 4331

The Iga ninja, who were sitting on the plane to the United States, were still in a somewhat sad mood.

Their clan has survived in Japan for hundreds of years,

But this is the first time the entire clan has fled from their homeland.

Many of them were still longing for the time when they would be able to return to their homeland.

However, they never dreamed that their centuries-old home had been blown to pieces at the behest of Charlie.

The fire was still burning wildly and at this time,

The group of experts of the Fei family had been killed and injured,

But all those who were injured in the explosion almost did not escape,

And those who managed to escape the explosion and fire were in shock,

Then suddenly found that several helicopters flying around, from each helicopter on both sides,

Are hanging the anti-terrorist elite force personnel.

These anti-terrorist elite force, relying on the fixed rope hanging on both sides of the helicopter hatch,

The hands of a very strong assault rifle and the gun have long been locked on these experts like a lost dog body.

The funny thing is when these lucky Fei family experts saw the anti-terrorist forces,

The first thought in their minds is not to worry and fear, but rather a complete sigh of relief!

Now they felt that they were completely victims.

They flew over to Japan for more than ten hours, and just arrived at the place without doing anything,

And then they encountered such a horrible explosion, which is clearly that they were attacked.

Moreover, they do not know, this gang of Iga ninjas in addition to the bomb in the house,

Maybe have made other forms of ambush, in case these guys have a backhand,

Then they are afraid that none of them can escape.

So, when they saw the anti-terrorist forces, their first thought was that they were finally saved!

So, among these Fei family experts, someone actually stood up and waved toward the helicopter,

Shouting, "We are here! Come and save us!"

Others followed suit and shouted to the anti-terrorist forces for help.

Immediately afterward, nearly a hundred members of the counter-terrorism unit,

Quickly descended from the helicopter to the ground by the ropes.

Before the experts of the Fei family could react,

The members of the anti-terrorist unit pointed their guns at them.

“No one move, get on the ground immediately and raise your hands to a position where we can see them!”

“No one should resist, or they will be killed!”

The head of the Fei family masters shouted, “This is all a misunderstanding, we are also victims,”

“It was the ninja of the Iga family who really planned the explosion!”

These anti-terrorist elites did not listen to their explanations and immediately rushed forward,

And handcuffed all of them backhanded, while using very strong nylon ties to tie their wrists,

Back and forth several times in order to prevent them from breaking free.

Afterward, several special forces cars stopped outside the Iga castle gates,

And the commander gave an order to bring all these people to the cars.

These experts of the Fei family, there were one hundred and thirty of them when they came,

But now less than thirty of them were taken to the car.

The remaining hundred or so people, most of them were already dead,

Only a very small number were seriously injured, and the scene was tragic.

Immediately afterward, a spokesman for Japan's Homeland Security Department issued an emergency announcement to the outside world,

Which stated that the Homeland Security Department had uncovered a terrorist attack,

By an offshore terrorist organization in Iga City tonight.

The brave special forces troops rushed to trap all the terrorists...

..in a residential house in Iga City before they could cause massive trouble. A great victory.
