

Chapter 4343

The butler shook his head and said, "Master, Robbin said it was a clue related to Young Master Randal!"

"Oh?!" When Dawson heard this, he raised his eyebrows and said offhandedly,

"Where is he? Get him over here!"

The butler busily said, "Right at the door, I'll bring him in!"

A few moments later, Robbin Song, who was in charge of the business, trotted into the study.

As soon as he saw Dawson and Adam, he hurriedly bowed and said,

"Master and Young Master, my name is Robbin Song, I am the business team"

Dawson directly interrupted him and questioned him in a cold voice:

"I heard that you have clues about Randal, hurry up and speak!"

Robbin hurriedly said, "Master, there is a young master's side maid, I think she seems a little suspicious!"

Dawson frowned and questioned, "What's going on?"

Robbin explained: "This is the case, last night you instructed us to find Concorde,"

"I rushed to communicate with a family in France,"

"Just met Edna, and then made an appointment with her about going to Las Vegas for the weekend,"

"At that time she specifically asked me what I was doing on the phone at this late hour,"

"I said I was helping you buy Concorde, and then she asked me what Concorde was....."

The first time he spoke, Robbin hurriedly slapped himself and said nervously,

"Master, it's all my fault for not having a gate on my mouth!"

"I was thinking, she is also the subordinate of the Fei family,"

"So the sense of secrecy immediately raised,"

"So I blurted out that you sent people to Japan, but the ordinary plane takes too long,"

"So you have to buy a Concorde this thing"

"But you can rest assured that I definitely did not say what you sent to Japan,"

"Let alone you sent people to Japan to do"

Dawson impatiently yelled, "Get to the point!"

Robbin shivered in fear and said in a hurry, "The point The point The point is that Edna,"

"She could not know what you were sending people to Japan for,"

"But she asked me at the time if you are sending people to Japan to find ninjas,"

"I felt a little wrong, but can not say what is wrong,"

"Until just now I heard that you sent people to Japan who had an accident,"

"And saw the video released by the Japanese Iga ninja, only suddenly remembered what is wrong!"

As he spoke, Robbin very certain continued: "Master, Edna is a servant,"

"And at that time she still came in from the outside,"

"So how could she know about the ninja? Therefore, I concluded that she must be deliberately testing me,"

"Trying to get information from me! There must be something wrong with this woman!"

"Maybe she has something to do with the kidnapping of Young Master Randal!"

Hearing this, Dawson's veins burst out and he yelled,

"It's hard to prevent a thief in the family whether it's a day or night!"

After saying that, he stared at the housekeeper and roared, "Go get that Edna and bring her to me!"

.....

At this moment, Edna was serving beside Randal's mother.

However, today, she had been a little distracted.

The reason for this distraction is because her sweetheart,

The famous young master Jesse Qiao of Seattle has evaporated since she sent him a message last night.

She went to the villa where Jesse lives, there was no trace,
She has been calling him since then, sending text messages,
But the phone has been prompted to the other party has been turned off,
And text messages are also like stones sinking into the sea.
The sudden disappearance of her beloved made Edna's heart suddenly lost.
She even once had the illusion that everything,
That happened between her and Jesse was just a beautiful dream.
The second hand of the watch kept on beating,
As if to remind her that everything before was not a dream.
But so, she had a new worry in her heart,
She was afraid that Jesse was abandoning her in disguise.
