“Say it.”

“Tell me everything you have kept from me.”

Mark lowered his head and looked at Ericson Li who was kneeling on the ground.

“It’s nothing.”

“As far as today’s matter is concerned, Mr. Chu, you have already resolved everything.” Ericson Li replied.

“enough!”

Mark gave a deep drink.

“Ericson Li, until now, are you still hiding from me?”

“Let me ask you, who destroyed the Yunding Mountain formation?”

“Who destroyed the hilltop villa?”

“Don’t tell me that these are the work of the foreign businessmen who died under my hands just now, and those two foreign masters!”

Mark questioned angrily, his brows and eyes were as gloomy as ice.

Just half an hour ago, after Mark broke up with Ericson Li, he went to Yunding Mountain Villa alone.

After all, there are too many memories of Mark on Yunding Mountain.

Almost all of the warmest moments between him and Helen Qiu were spent in that villa.

However, after Mark went up the mountain, he just found out.

The Yunding Mountain formation that he had worked so hard to create was actually destroyed by someone. The hilltop villa was also razed to the ground.

Mark never dreamed that his former residence would not be destroyed by Truman.

After the Truman family was destroyed, they were razed to the ground.

What a mind Mark is!

At that time, he realized that something must have happened to Noirfork during his absence.

"I, I..." Ericson Li was at a loss for words, not knowing how to answer.

He lowered his head and said with red eyes, "Mr. Chu, don't ask me any more."

"Ericson Lizi will handle these matters properly."

"You still, retreat as soon as possible."

Ericson Li gritted his teeth, still unwilling to tell Mark about it.

Mark was undoubtedly even more angry.

"Ericson Li, it seems that your wings are really stiff."

"You don't even listen to me?"

"Do you really think that I, Brian Chu, would not dare to kill you after you have been with me for so many years?"

Mark's face was icy cold, and he swept out with monstrous power.

A bone-piercing chill filled the entire hall in an instant.

Seeing Mark's murderous intent, Jin Bao and Yin Bao crawled over crying and knelt down at Mark's feet.

"Mr. Chu, don't kill the second master"

"Second Master is also doing it for your own good."

“Jin Bao!” Ericson Li scolded, interrupting Jin Bao’s words.

But Campbell had already ignored it.

“Second Lord, even if you beat me to death today, I will say it!”

“Mr. Chu, you don’t know that many things happened during your absence.”

“The god list is newly opened, and many old monsters who have disappeared for many years have turned out”

Chapter 4393

“The world of martial arts in various countries has changed.”

“Even our Yan Xia, the God of War and the Juggernaut have withdrawn from their leadership positions in the Temple of Valkyrie.”

“The current Yanxia Martial Arts is completely controlled by Mu Zihua and Chen Jiuzhou’s master and apprentice.”

Jin Bao, who has endured for a long time, finally speaks out the words that have been hidden in his heart for a long time today.

It turned out that the Yuantu Group marched into Noirfork shortly after Chen Jiuzhou took control of the Wushen Temple.

Win over the rich and powerful in Noirfork, and launch a hunt for the Mu Fan Group.

Occupying the Mufan Group’s property, occupying the group’s projects, and even using illegal means to force others to submit by force.

“Under the siege of the Yuantu Group, the Mufan Group is besieged on all sides. Many projects have been destroyed. The backbone of the group has been killed or injured, and their whereabouts are even unknown. A few days ago, the second master was in a car accident when he was out, and the other party probably did it!”

“Also, Mr. Chen Aochen is still in the hospital, unconscious.”

“Third Lei fled abroad and hasn’t returned yet!”

“As for the Yunding Mountain Villa.”

“Previously, the Martial God Hall used the excuse of searching for the remnants of the Chu Clan, but the current hall master Chen Jiuzhou directly broke the Wrifill formation by force. The Yunding Mountain Villa was also destroyed under his majesty.”

“Mr. Chu, Noirfork cannot live without you.”

“If you retreat, who else will protect Noirfork in the future?”

Jinbao and Yinbao burst into tears and wailed.

“Where is God of War?”

“You didn’t go to God of War?” Mark suppressed the anger in his heart.

Yin Bao shook his head and said, “It’s useless.”

“On the second day after the Yundingshan villa was destroyed, the second master went to the Martial God Hall to appeal in person.”

“In the end, even Yanshan was kicked out without even going up, let alone seeing the God of War!”

“Besides, the Yuantu Group is so reckless to harm Noirfork, it is estimated that Chen Jiuzhou is the backer of the Martial God Palace!”

“It’s Chen Jiuzhou, the lord of the trust palace, who wants to use your prestige, Mr. Chu, to establish a reputation in the martial arts world!”

boom!

The moment Yin Bao said those words.

Mark’s body suddenly exploded with an aura.

The majestic anger in his chest swept out like an abyss at this moment.

He originally thought that once the Tru Clan was destroyed, he would lead the Dragon God Palace to hide in Yin Kingdom, and all grievances and grievances would be ended like this.

However, Mark never thought that the fall of Truman did not bring Noirfork a long period of peace.

Even, it led to a more serious disaster!

Especially what the Martial God Palace did made Mark extremely chilled and angry.

“Tell me, where is the Noirfork headquarters of Yuantu Group?”

“Also, tell me all the list of family forces who have taken refuge in the Yuantu Group.”

Mark’s face was icy cold, and his words were filled with endless chill.

No one knows how much murderous intent lies behind Mark’s indifferent face.

“Mr. Chu, those who betrayed you in Noirfork are all here.”

“We’ve been waiting for you to come back and clean up the portal!”

While speaking, Jin Bao handed a booklet to Mark.

After Mark received it, he turned and walked away.

“Mr. Chu!”

However, at this moment, Ericson Li suddenly stopped Mark.

Mark stopped in his tracks, but he didn’t turn his head, his back was facing Ericson Li and the others.

“Mr. Chu, those who betrayed you should be killed.”

“However, I, Ericson Li, only have one request, not to go to the Martial God Temple, okay?”

“Chen Jiuzhou is powerful. It is said that even God of War is not his opponent.”

“Moreover, he also has a master, Feng Hou Mu Zihua, who is on the list of gods.”

“In addition, during this period of time, Wu’an will always list you, the Dragon Temple, as a serious concern.”

“If you make things worse now, you will be giving others a handle. It is very likely that it will lead to catastrophe.”

“Mr. Chu, this old slave doesn’t want you to be hurt again before you return to hermitage.”

Ericson Li’s eyes were burning, and he begged bitterly.

The reason why he concealed this matter was because he was worried that Mark would get out of hand.

In many martial arts dramas, those gangsters will die at the moment before washing their hands in the golden basin and retiring to the world.

Of course, Ericson Li didn’t want Mark to experience such a tragedy in life.

Therefore, he would rather suffer in silence than disturb Mark’s plan.

However, facing Ericson Li’s request, Mark just replied in a cold voice, “It is precisely because I want to leave that I want to clear away all the thorns and obstacles for you before retiring!”

“If the Yuantu Group provokes you, I will destroy the Yuantu Group.”

“I don’t mind if the Valkyrie Palace provokes you, let the Valkyrie Palace cease to exist.”

“My Noirfork land cannot be bullied by any force!”

The deep voice, like a gold stone falling to the ground, trembled the whole world.

Then, amidst the sound of low footsteps, that thin figure quickly disappeared into the vast world.

At that time, Ericson Li was kneeling on the ground, closing his eyes and sighing.

Was the thing he was most worried about finally going to happen?

From now on, this world will be filled with blood and rain again because of Mr. Chu!

At this time, Edensberg is a hundred miles away.

As the capital city of the province, Edensberg is undoubtedly the most fertile place in the entire Noirfork.

It was almost evening, and the most luxurious Phoenix Hotel in Edensberg was booked out.

The person who booked the venue was Wu Shanju, the head of the Edensberg Wu family.

“Congratulations to Mr. Wu, he was elected as the president of the Edensberg Chamber of Commerce at such a young age.”

“It is estimated that in a few years, Mr. Wu’s power will surpass that of Wrilfill’s Second Master Li.”

As soon as Wu Shanju entered the door, guests from all walks of life came forward to greet and congratulate, and the voices of flattery were endless.

Today is Wu Shanju’s celebration banquet, and he is the protagonist tonight.

Facing the congratulations from everyone, Wu Shanju stood proudly with his hands behind his back, and snorted, “Ericson Li? It’s just Brian Chu’s dog.”

“I don’t even pay attention to Brian Chu, let alone Ericson Li?”

Wu Shanju’s proud words made the whole hall slightly silent.

Chapter 4395

Quiet, long silence.

Wu Shanju’s words were like a bone-piercing cold wind.

The hotel lobby, which was originally bustling and noisy, was undoubtedly silent in an instant!

The smiles on everyone's faces froze suddenly.

Some people's expressions quickly turned ugly, and they also put down the hands holding the wine glasses.

For a while, the hotel that was still boiling over Yingtian just now suddenly fell silent.

No one dared to take Wu Shanju's words.

Only a few cronies of Wu Shanju persuaded in a low voice, "Mr. Wu, be careful with your words."

The trusted old man on the side trembled.

That's Brian Chu!

Ever since the Taishan martial arts battle, Mark became famous in the first battle.

The name Brian Chu is like Mount Tai, pressing down on the heads of the entire Noirfork people!

Over the years, all those who had been enemies of Mark died.

Go down to Zhao Wuji, the richest man in Noirfork, with a different head, and go up to Gritsberg's wealthy family to bow their heads and proclaim themselves ministers.

Even the Lu family in Jiangbei later, and then the Trumen, the most powerful force in the world.

All these things, one by one, finally made Brian Chu an existence that all the rich and powerful in Noirfork feared!

It can be said that in Noirfork, Mark is everyone's heaven!

But now, Wu Shanju insulted Mark in public. One can imagine how panicked everyone present would be.

“Hahaha”

Faced with persuasion, Wu Shanju laughed wantonly.

“Look at your prospects?”

“I just said a few bad things about Brian Chu, and I scared you like this.”

“Then if I say that in the future, I, Wu Shanju, will destroy the Mufan Group with my own hands, wipe out Brian Chu’s foundation, and kill Brian Chu in the end, will you be scared out of your wits?”

Wu Shanju smiled, and his wanton eyes scanned the crowd.

Sure enough, as soon as Wu Shanju said this, everyone in the hall couldn’t sit still.

“Mr. Wu, you really know how to joke, hahaha.” Someone smiled to smooth things over for Wu Shanju.

Of course, some people advised Wu Shanju, “Mr. Wu, be careful that misfortune comes out of your mouth.”

“That’s right, Mr. Wu, can you stop scaring us?”

“Do we still want to hang out in Noirfork?”

“You’re killing us”

Many people have become scared, and some even regretted attending this banquet. Isn’t this boarding a thief ship?

But Wu Shanju is not afraid, but full of pride.

“I know, many of you must think, I’m crazy.”

“But I tell you the truth, I’m not crazy.”

“If I had no confidence, how could I say this?”

“I’ve already received news that the higher ups are planning to move Brian Chu.”

“In these years, Brian Chu relied on his own strength and refused to listen to orders. The ordered Noirfork land became his private land!”

“My Yanxia Shenzhou, since ancient times, the most taboo is this kind, support the soldiers and self-respect, and form a country of its own!”

“The higher ups have already moved his mind.”

“It’s just that I have been suffering from the fact that the time has not come.”

“And now, the time is ripe.”

“The superiors have decided to take this opportunity to wipe out all Tianfan’s influence in Noirfork, and completely eradicate Brian Chu’s influence in Noirfork.”

“Completely take control of the land of Noirfork back to the country!”

As the saying goes, the words are not amazing and endless.

The news of Wu Shanju made everyone present tremble.

Indeed, over the years, the land of Noirfork has already become Mark’s back garden.

It can be said that the people in Noirfork only know Brian Chu, but not the Martial God Palace!

Some time ago, Ericson Li even took the lead in open conflicts with Chen Jiuzhou.

During Chen Jiuzhou’s enthronement ceremony, Ericson Li almost died.

The conflict between Noirfork and Yanshan intensified.

In fact, people with discerning eyes have long expected that there will be a battle between Noirfork and Yanshan.

It is a battle for power, but also a battle for orthodoxy!

Yanshan will definitely not allow it. Some provinces are independent from the national system and do not respect its orders.

However, they did not expect that this battle would come so early.

You know, Mark just saved Yanxia Martial Arts, just saved the Martial God Palace.

This relationship has only been eased for a month or two, is it about to officially break up and start a war?

“And my Wu family has been authorized by the above.”

“Responsible for working with the Yuantu Group to take over all the properties of the Mufan Group in Noirfork.”

“You and I have been friends for decades.”

“Back then we were forced by the situation to surrender to Brian Chu, the villain.”

“Now, Master Wang is about to come to Noirfork, and he wants to scrape the bones and cure the poison for my Noirfork land, clean up the source, and return us to a clean and upright Noirfork.”

“I wish you all could work with me to completely destroy Brian Chu’s property in Noirfork, so as to welcome the king’s master to descend to the north!”

Wu Shanju cut to the chase, extended an olive branch to everyone in public, and invited everyone to join the camp against Mark.

However, still no one responded.

“Um?”

“Why, don’t you believe in the country?”

“Or, you still want to be slaves to that Brian Chu?”

Wu Shanju frowned and asked everyone.

He originally thought that his words would arouse positive responses from everyone and make everyone feel happy.

However, he was still disappointed after all.

He was surprised to find that everyone's interest didn't seem to be very high.

"Mr. Wu, this is not a matter of belief or not."

"I think it's fine as it is now."

Chapter 4397

"Listening to someone is not listening."

"Besides, Mr. Chu has been a bit domineering over the years, but as long as we don't disagree, he's good to us."

"Anyway, in the past few years when Mr. Chu has been in power, we have made a lot more money than before."

"Besides, when we went to other provinces to do business, when they heard that we belonged to Noirfork, they immediately became honest and did not dare to bully us."

"This is Mr. Chu's great reputation for us in Noirfork!"

"that is."

"It is said that we are dogs for Mr. Chu, but we have driven Mr. Chu away. Will the next Mr. Chen and Mr. Wu be in charge of Noirfork?"

"It's not like being a dog to someone!"

Everyone said what they said, and talked one after another.

Wu Shanju was stunned when he heard it, "You guys"

His arms trembled, never expecting this result.

"Moreover."

“Mr. Wu, who is Mr. Chu?”

“Set foot on Japan, sweep the world, hit Truman and disband immediately!”

“If you want to deal with Mr. Chu, I’m afraid it will be difficult, right?”

Someone persuaded Wu Shanju.

Wu Shanju sneered, “You don’t have to worry about this.”

“Chen Jiuzhou, Master Chen Dian, studied under the strong man on the list of gods, Mu Zihua after the wind.”

“No one can match his cultivation!”

“Even the God of War, Ye Qingtian, has already been defeated by Dianzhu Chen.”

“Now Yanxia Martial Arts has been honored by Dianzhu Chen.”

“A few days ago, Dianzhu Chen went to Noifork in person, and the three palms destroyed Brian Chu’s Wrifill formation, and his Yundingshan villa was razed to the ground by Dianzhu Chen.”

“However, Brian Chu still can’t hide, he doesn’t know where he lives, and he has become a coward.”

“It can be seen from this that Brian Chu has been scared out of his wits.”

“Tell me, what else is there to be afraid of Brian Chu?”

“And, Dianzhu Chen has already said it.”

“The day Brian Chu shows up, that’s when he dies!”

“Hallmaster Chen Jiuzhou will step on Brian Chu’s corpse and achieve the supreme reputation of Hallmaster Chen!”

Wu Shanju stood with his hands behind his back, smiling proudly.

The heroic voice resounded throughout the hall.

However, at the moment when Wu Shanju’s words fell.

All of a sudden, a voice came quietly, “Oh, is that so?”

Everyone trembled when they heard the words.

Immediately afterwards, there was a loud bang!

The glass doors and windows behind him shattered in an instant.

The endless darkness outside swept in like flowing water.

And between the glass, a black shadow, like a ghost, quietly appeared!

The darkness behind him was as thick as iron, and the light in front of him was brilliant.

He stands between light and shadow, light and darkness, just like Yama straddling the underworld!

At this moment, he is the Shura of the abyss and the Hades of hell.

“Where is the bastard?”

“Do you dare to break into my celebration banquet in Wushanju?”

“You can’t find death!”

A muffled sound of explosion came from the car behind.

Even Wu Shanju himself was taken aback.

But immediately after, incomparable anger swept out from Wu Shanju’s heart.

Think of him, Wu Shanju, who is now the president of the Edensberg Chamber of Commerce.

In time, he would replace Ericson Li from Wrillfill.

Now is the critical period for him to build his prestige.

But there was someone who was blind and disrupted his celebration party at this moment.

This is undoubtedly a huge trample on his prestige!

Wu Shanju has already decided that today, he will make an example of others, and personally kill this person who offended his authority in front of Jiang Hai's dignitaries.

However, just when Wu Shanju had just made up his mind and turned around to show off his power, the delicate face engraved in the deepest hearts of all Noifork people was once again reflected in the pupils of everyone.

For a moment, Wu Shanju only felt that a thunderbolt struck.

There was a buzzing in his mind, and Wu Shanju was immediately stunned.

All the arrogance and arrogance just now dissipated in an instant, and now on Wu Shanju's face, there was only endless panic and fear left.

"Mr. Chu Chu Chu?"

Wu Shanju has gone crazy.

He was trembling all over, and his face had become distorted from fright.

Although he had belittled Mark as worthless before, when he really faced this man, Mark's power in Noifork for so many years almost reflexively made him subconsciously fear new life.

Even Wu Shanju is like this, let alone the other people in the hall.

When seeing Mark, the whole hall was dead silent.

Everyone was terrified, as if seeing a devil, and stayed there silently.

Perhaps because of guilty conscience, everyone's body trembled a little, and they didn't dare to say a word at all.

Only Mark's low footsteps echoed in Nuo Da's hall.

The sound of thud, like a devil from hell, came to the world to harvest life.

“You said, the day I show up is the day I die.”

“Now, here I am.”

After a long silence, Mark’s voice sounded quietly.

Wu Shanju was already scared out of his wits.

With a plop, it fell directly to the ground.

“Mr. Chuchu, misunderstanding, this is all a misunderstanding.”

“I am loyal to you, even if you lend me a hundred courage, I will never dare to offend you.”

“It’s Zhao Hongyuan and Zhao Hongtu from Yuantu Group. It’s them who want to deal with you. I’m really being coerced.”

Wu Shanju knelt down and begged for mercy, trying to explain.

At this time, he looked miserable and embarrassed, and there was no trace of arrogance and arrogance before.

Chapter 4399

The rich and powerful behind him were also dumbfounded.

Just now, Wu Shanju, who was majestic and energetic, opened his mouth and shut his mouth about what Ericson Li was, and Brian Chu didn’t pay attention to Wu Shanju, but now when he saw Mark, he was afraid of becoming a dog.

Everyone was immediately rejoiced, but luckily they didn’t agree just now.

Otherwise, Wu Shanju would have really screwed him over.

Just when everyone was rejoicing, Mark stomped on the ground with his foot.

The hard marble floor cracked instantly.

One piece of broken porcelain was shot out.

With a wave of Mark's sleeve robe, the porcelain pieces flew away like a sword, and pierced through Wu Shanju's eyebrows in an instant with lightning speed.

There was only a bang.

Like a watermelon falling to the ground.

Wu Shanju's head was instantly shattered.

The bright red blood, accompanied by the whitened brains, spurted everywhere, splashing the faces of the people around.

Just like that, Wu Shanju didn't even have time to let out a pitiful scream, but Mark blew his head off and died on the spot.

After Wu Shanju's death, Mark continued to step forward, and stepped on his corpse again, looking around at the surrounding dignitaries with stern eyes.

When they felt Mark's gaze, the soles of all the people present went limp, and they all fell to the ground.

Seeing the blood on the ground, Wu Shanju, who was no longer a human being, was full of panic, and almost lost his mind.

Their faces were pale, and they knelt down and worshiped.

"Mr. Chuchu, all this has nothing to do with us"

"We are loyal to you and have no second thoughts."

"We don't know that Wu Shanju is against you."

"Otherwise, we wouldn't come to today's celebration even if we were killed."

"I beg Mr. Chu, please forgive me!"

Under the hall, everyone begged for mercy.

Some timid rich men were so frightened that they shitted.

I am afraid that my end will be the same as that of Wu Shanju.

After all, Mark can do it.

This is the ruthless man who once slaughtered the entire Jiangbei by himself, and this is Brian Chu who beat up the Trumen and directly disbanded him.

His ferocity, his domineering, who in the entire Noirfork don't know who doesn't know?

Everyone had no doubt that it was easier for Mark to crush them to death than to crush an ant.

Now these wealthy people, apart from fear, undoubtedly hate Wu Shanju in their hearts.

After all, it's all the fault of Wu Shanju.

Wouldn't it be good to live well?

They must collude with outsiders, fight against Mu Fan Group, and fight against Mr. Chu.

He deserved it!

After all, it was his own fault, and no one pity him.

However, that bastard has harmed all the people in the room.

Now, at the celebration banquet in Wushanju, they were blocked by Mr. Chu.

Then even if they have mouths, they may not be able to tell clearly.

Just like that, the people present cried like their mothers, and cried for half an hour.

After shouting, almost all their tears were shed, but they didn't wait for any movement.

Everyone was puzzled and raised their heads.

It wasn't until this moment that they realized that there was nothing in front of them, only Wu Shanju's headless corpse lying here.

As for Mark, he had long since disappeared.

No one knows when that man left.

"Are you saved?"

"Survived."

Everyone breathed a sigh of relief, and spread out on the ground, gasping for breath, like the survivors after a catastrophe.

Although just now, it was only a short half an hour.

However, to everyone, it is as long as a century.

"Ma De, blame that damned Wu Shanju."

"Almost killed us."

"In Noirfork, you are so annoying to Mr. Chu, you are looking for death!"

Some people were angry, but got up and kicked and cursed at Wu Shanju's corpse, as if to vent their inner emotions.

However, scolding is scolding, this catastrophe, as far as everyone is concerned, is finally over.

However, just when everyone thought that this incident would end with Wu Shanju's death.

As everyone knows, a massacre sweeping across Noirfork has only just begun.

Meng's house in Nanquan.

Today is the 90th birthday of Meng Guoqing's father, the head of the Meng family.

The head of the family, Meng Guoqing, held a grand banquet and invited all the dignitaries in Nanquan.

Of course, Meng Guoqing's wife, daughter and nephew also gathered here.

However, it was at the birthday banquet.

Mr. Meng was wearing a birthday hat, sitting in a wheelchair, and was slowly pushed in front of everyone by his son Meng Guoqing.

In front of him was a custom-made birthday cake, and delicate candles swayed with red flames.

Amidst the cheers of the audience, the old man blew out the candles on the birthday cake with one gulp.

But at the same time as the candle was extinguished, a ray of green light shot from outside the door.

Passing through the crowd, he went straight into the throat of the head of the Meng family, Meng Guoqing.

The huge strength brought up Meng Guoqing's body.

Finally, with a loud bang, it was firmly nailed to the high wall behind him.

The bright red blood stained the white wall red.

The red "Shou" character, after being soaked in blood, looks even more bewitching.

This scene undoubtedly shocked everyone!

Huh~

Chapter 4401

At this time, there was a cold wind blowing outside the door.

Everyone followed the wind.

I saw a thin figure disappearing into the night.

All that was left for the crowd was only one austere word.

“Whoever offends me, Mark, die!”

bang.

Perhaps due to fright, an old man fell from the wheelchair and never woke up again.

That night, both father and son of the Meng family died at the birthday banquet.

Who would have thought that a birthday banquet would become the funeral of the Meng family father and son!

Similar scenes were staged one after another in various parts of Noirfork.

Dong Zhongsheng, the head of the Dong family in Denham, was beheaded while working.

The next day, when the family members found out, Dong Zhongsheng had already died on his daughter Dong Xiangpin's belly, and the thing hadn't been pulled out yet.

As for his daughter Dong Xiangpin, she was frightened to death.

In addition, there are Dong Zhongsheng's three mistresses, four sons, and six daughters, all of whom are decapitated.

Who would have thought that Dong Zhongsheng's family, a wealthy family in Denham, would be wiped out overnight!

On the other side, when Zhu Wentao, head of the Zhu family in Dong'e City, was attending his daughter's wedding, someone broke into him suddenly.

With a wave of his long sleeves, energy was concentrated in the void, and true energy gathered fire.

In front of all the guests, Zhu Wentao, the head of the Zhu family, suddenly ignited without fire.

Together with his wife and daughter, the whole family of three was burned to ashes.

All the guests witnessed such a tragic situation with their own eyes.

The strangeness of the scene and the tragic death, can be described as shocking!

Not only the Zhu family and the Dong family.

There are also the Wang family in Linqing City, the Jiang family in Guyang City, and the Jiang family in Xinfeng City.

That's it, just two days.

Mark entered Noirfork, went south to Nanquan, and went north to Wrillfill. It reached Edensberg in the west and Denham in the east, killing 38 people in Noirfork in a row, and all the heads of the eight major powers were beheaded.

For example, the Dong family and the Wu family who jumped the highest and committed the most serious crimes were directly wiped out by Mark!

Probably, no one would have thought that Mark, who had just left the world of martial arts for more than a few months, would kill so many people as soon as he came back, blood flowing like a river!

Of course, these killings by Mark have not yet fermented at this time.

Only spread in a small area locally.

For example, in the land of Wrillfill, the people at the Noirfork headquarters of the Yuantu Group still don't know anything about these things.

At this time, Yuantu Building.

A middle-aged man was standing at the entrance of the building, wearing a suit and leather shoes, holding flowers, as if he was preparing to welcome someone.

If Ericson Li was here, he would definitely recognize him at a glance.

The person in front of him is the head of Yuantu Group, Zhao Hongyuan.

This time the Yuantu Group entered Noirfork, and all the plans were handled by Zhao Hongyuan. Zhao Hongtu was only following his orders.

“Hongtu, what’s going on?”
