This Chen Jiuzhou, so strong?

The power of that punch just now is not much inferior to Chu Yuan!

If this guy goes all out, even if he is not in the divine realm, wouldn't he be comparable to the power of the divine realm?

how so!

Where did this guy come from?

Why, never heard of it before.

Mark couldn't help feeling suspicious,

It's too abrupt!

Chen Jiuzhou appeared too abruptly.

Before, when he heard Ericson Li and the others talk about Chen Jiuzhou and the list of gods, Mark didn't pay much attention to it.

I think it's just a grass chicken list made by the world in order to gain fame.

But now it seems that this is not the case.

The strength of these people has completely exceeded Mark's expectations.

However, Mark couldn't help but wonder.

Why, these people were unheard of before.

However, once the Chu Clan was destroyed and Chu Yuan died, they suddenly appeared like bamboo shoots after a spring rain.

This matter, if you think about it carefully, is undoubtedly too strange.

But now, for Mark, it is obviously not the time to be curious about this.

No matter where Chen Jiuzhou came from, Mark will never forgive him if he offends Noirfork!

“Healing An Qi before consumed too much energy of mine.”

“If I continue to fight with him like this, I’m afraid I can’t help him.”

“It seems that we can only use it.”

On the top of the city of Wrillfill, Mark, who had stabilized his figure, had gloomy eyes.

A pair of cold eyes can be described as cloudy or cloudy, staring coldly at Chen Jiuzhou in front of him.

Seeing Mark’s face as if he was facing an enemy, the arrogance on Chen Jiuzhou’s face undoubtedly became stronger.

“Brian Chu, it seems that you already know that you are not my opponent.”

“To tell you the truth, I only used 60% to 70% of the punch just now.”

“So, you who are sensible, immediately kneel down and die for me, draw your sword and kill yourself!”

“It also prevents me from doing it.”

“Otherwise, you are afraid that you will die in an ugly way.”

Chen Jiuzhou smiled wantonly, his eyes full of pride and complacency.

“Kyushu, it’s fine.”

“They’re all compatriots, that’s all.”

“Both of you, stop fighting.”

“If it spreads out, it will only make the martial arts of the nations laugh at us!”

Ye Qingtian wiped off the blood from the corner of his mouth, and continued to persuade.

Chen Jiuzhou didn't care about Ye Qingtian's words at all.

"God of War, you are getting old, since you have stepped back, just stand behind and watch honestly."

"Don't talk too much."

"Besides, since the lord of the palace is here, it's not your turn to intervene in the matter of Yan Xia's martial arts."

Chapter 4423

"You..." Chen Jiuzhou's unceremonious words made Ye Qingtian's face pale with anger.

Until now, he seemed to realize that it was not a wise choice for him to hand over the position of Yanxia Martial Arts to Chen Jiuzhou.

How long has it been since you have been so rude to him?

While Ye Qingtian tried to persuade him, Mark's eyebrows gradually raised.

Sen Ran's eyes fell on Chen Jiuzhou.

In the deep pupils, there seemed to be a green light flashing again.

Then, Mark's majestic and ethereal voice resounded throughout the entire world in an instant.

"Let me kill myself?"

"Chen Jiuzhou, don't you think it's too early to say this now?"

"You really think that I, Brian Chu, have all these abilities."

"Look carefully."

"Next, I'll show you my true strength, Brian Chu!"

After the words fell, Mark slammed his foot on the ground.

boom!

There was a low rumble, like a thunderbolt exploding.

The earth cracked and the mountains and rivers trembled.

The entire Wrillfill City trembled under Mark's feet like an earthquake.

Just when everyone was trembling, Mark immediately faced the direction of Yunding Mountain and shouted loudly!

"Sword coming!!"

Following Mark's words, it fell.

On Yunding Mountain, a kilometer away, the rocks exploded.

A thick and simple long sword shot out from the mountainside, soaring into the sky.

The majestic power, like a dragon in the sea, like a dragon in the sky!

After the ancient sword appeared in the world, it seemed to be summoned.

Cut through the sky and fly away!

The speed was so fast that it created waves of air waves in the air.

Looking at it from a distance, it looks like a blue light flashing, so fast!

In just a few blinks, Ericson Li and the others saw a ray of blue light coming from the sky, and suddenly, it was already hanging high in front of Mark!

"This is"

Seeing this, Ericson Li and the others widened their eyes in shock.

"Yunyang ancient sword!"

"The Chu family's ancient sword!"

"Mr. Chu actually summoned the Yunyang Sword!"

Ericson Li's words almost roared out.

He will never forget the battle at Yunding Mountain.

When Mark faced Tang Yun, the master of Chumen, when he was at the end of the road, he relied on the ancient Yunyang sword to make a strong comeback.

Now, the ancient Yunyang sword appeared again!

From the looks of it, Mr. Chu really wants to have a fight with Chen Jiuzhou, the master of the Martial God Hall!

Huh~

The wind is fierce, and the green light is vertical and horizontal.

For nine days, Mark held the Yunyang Excalibur in his hand.

The powerful power of heaven and earth contained in the long sword poured into Mark's body like a flood.

Everyone saw that Mark's originally sluggish momentum was climbing crazily at a terrifying speed.

In the end, it was as bright as the sun and mighty as a dragon!

"What?"

"This kid, there is such a backhand?"

"Damn it!"

"What kind of sword is that?"

Perhaps feeling Mark's rising power, Chen Jiuzhou, who was almost sure of winning, suddenly changed his face.

An unprecedented solemnity appeared on his face.

The previous contempt undoubtedly disappeared at this moment.

Obviously, the energy fluctuations from Mark's body already made him feel palpitations.

"I thought it would be easy to get rid of this Brian Chu."

"But now, it seems that I underestimated him."

Chen Jiuzhou's face was solemn.

He realized that there was going to be a fierce battle next.

Moreover, there is a great possibility that he will have to use the Longmen secret technique.

Otherwise, even Chen Jiuzhou might not have the confidence to get rid of Brian Chu!

However, the matter has come to this point, and Chen Jiuzhou cannot be allowed to retreat.

"Looking for something to die for!"

"Since you are obsessed with your obsession, then fight!"

"I, Chen Jiuzhou, will smash your corpse into thousands of pieces today."

"Let you, let Noirfork, and let the world know what will happen if you disobey me, Chen Jiuzhou!"

Chen Jiuzhou's heart was also filled with anger.

He bit the tip of his tongue violently, and a fierceness welled up in his heart.

However, just when Chen Jiuzhou was about to go all out and risk his life to fight each other.

Suddenly, a female figure came out from the crowd.

She looked so ordinary.

Wearing a plain white dress, her black hair was loosely scattered behind her back, like a Taoist nun who practiced in seclusion.

But it was this woman who thought she looked ordinary, but she was not afraid of the majesty of her title, and stepped into the battle situation like no one else.

“Looking for death!”

“Hurry up and hide away”

Not far away, Jinbao and Yinbao saw this woman breaking into the title battle without knowing life or death, and immediately yelled loudly.

But the woman ignored it and still walked forward slowly.

Finally, he reached out and patted Chen Jiuzhou’s shoulder.

“It’s over!”

Jinbao, Yinbao and the others thought that this woman was dead.

This Chen Jiuzhou is not a kind person, patting him on the shoulder at this time, isn’t this touching a tiger’s butt?

There is no doubt that he must die!

But when Jin Bao and the others were thinking like this, Chen Jiuzhou turned his head, and when he saw the person coming, his majestic face instantly became humble and respectful!

“Old teacher, why are you here?”

“This kind of small fish and shrimp, I can deal with it myself, and you don’t need to take action.” Seeing the person, Chen Jiuzhou’s heart trembled, and he said respectfully.

Chapter 4425

The woman said indifferently, “The big formation is about to be completed. This is the critical period of the plan, and there is no room for any mistakes. During this special period, don’t make trouble, come back with me.”

“Yes...” Chen Jiuzhou seemed unwilling.

But seeing his teacher’s cold and sullen eyes, Chen Jiuzhou finally swallowed all his words.

He had no choice but to withdraw his power, bowed his head to the woman, and obediently followed her back.

However, at the moment Chen Jiuzhou turned around.

The Yuniyang ancient sword suddenly cut down with vertical and horizontal sword energy!

Chen Jiuzhou suddenly felt a sense of crisis, his hairs stood on end in shock, and he subconsciously took a step back.

But even so, the sword energy still hit Chen Jiuzhou’s arm.

The long sleeve was torn, and there was blood dripping down the arm!

“Are you looking for death?!!!”

Chen Jiuzhou suddenly flew into a rage.

The power that had been dissipated came back like a deep sea.

He grabbed his fist and was about to fight Mark with his life.

However, the moment after Chen Jiuzhou broke out, Feng Hou stopped him again.

“Why, as a teacher, it doesn’t work anymore?”

“If you miss the overall situation, you should know the consequences!”

Fenghou’s cold words made Chen Jiuzhou shiver.

He clenched his palms tightly, and had no choice but to suppress the anger in his heart again.

But in those eyes, the killing intent towards Mark was as strong as iron!

After subduing Chen Jiuzhou, Feng Hou's cold eyes fell on Mark again, "Little guy, you need to be self-aware, and you can accept it when you see it."

"Otherwise, it is self-destruction."

Feng Hou's words were plain, but a few words were full of threats.

That way, it seemed to be warning Mark that this time they were kind enough to let him live.

Let him accept as soon as he is good, don't look for trouble for anything, and ask for trouble.

But Mark didn't care about Fenghou's words at all.

The Ancient Yunyang Sword is still in his hand!

The strong murderous intent on his body has not been reduced by half.

"Just accept the good one?"

"Why, I really think that I am the land of Noirfork, and you can come and leave whenever you want?"

"You have harmed Noirfork and my relatives and friends."

"Today, if you don't kill Chen Jiuzhou, how can you calm down the anger of my Noirfork disciples?"

Mark did not back down.

Even though Chen Jiuzhou and the others were ready to retire, Mark still did not intend to let Chen Jiuzhou go.

Ye Qingtian and the others are in a hurry.

“Mark, stop here.”

“Don’t be impulsive!”

“If you really do it, you may be the one who suffers!”

Ye Qingtian didn’t want today’s battle to happen, but now that Chen Jiuzhou took the initiative to retreat, Ye Qingtian was naturally happy.

Unexpectedly, Mark would not give up.

Determined to fight!

Juggernaut and the others only thought that Mark was really crazy.

You know, Chen Jiuzhou’s strength is already comparable to Mark.

Now, Chen Jiuzhou’s teacher is here again.

Fenghou is a strong man on the list of gods.

Under the joint efforts of master and apprentice, Juggernaut and the others never thought that Mark would have any chance of winning!

Although what Feng Hou said just now was ugly.

But it is also true!

If Mark insists on making a fuss, it will be his own destruction!

“Yes, Mr. Chu.”

“Stop it.”

Ericson Li was also anxious.

He was also worried that once Chen Jiuzhou and the others were pushed into a hurry, Mark might be in danger.

However, no matter how much they persuaded.

But it can’t stop Mark’s determination today!

“Chen Jiuzhou, you must die!”

“If he doesn’t die, I, Noirfork, will never have peace!”

In today’s battle, Mark is definitely not venting his emotions.

It is to solve the crisis Noirfork is facing once and for all.

Otherwise, once he let Chen Jiuzhou go.

In the future, when Chen Jiuzhou makes a comeback, Noirfork will be a disaster!

“I promise you.”

“After today, the Martial God Hall will not enter Noirfork half a step.”

“Chen Jiuzhou will not attack Jiang Dong again.”

“You can rest easy in the future.”

After the wind, Mu Zihua seemed to see through Mark’s thoughts and concerns.

The faint words sounded immediately.

Although Ye Qingtian and Juggernaut were curious, when did Fenghou become so easy to talk, and they backed away from Mark again and again.

However, in any case, it is good to be able to stop fighting.

Chapter 4427

“Mark, after Feng Hou said so, why don’t you move out of the way?”

“You insist on making troubles in Yunzhou City, and it will be out of control?”

God of War was a little angry, and persuaded Mark again.

Ericson Li also tried hard to dissuade him.

Let Mark take a step back.

But Chen Jiuzhou was very dissatisfied, “Teacher, what is there to be afraid of that bastard? Why should we agree to his request?”

“I promise a quick fix, kill him, okay?”

Chen Jiuzhou continued to fight.

However, Feng Hou’s staring eyes pushed all Chen Jiuzhou’s thoughts back to his heart.

No matter how arrogant Chen Jiuzhou was, no matter how arrogant he was.

However, in front of Fenghou, he was in fear and awe, like a child!

However, no matter how much everyone persuaded, Mark still didn’t seem to change his mind.

After experiencing so much, Mark no longer believed them.

Mark has seen too many things of breaking promises and repaying favors with revenge.

The Chu family back then, later the Martial League, and now the Martial God Temple.

These people have no credibility at all with Mark.

In this world, the only thing Mark can believe in is dead people!

That’s how the world is.

Be fearful but not virtuous!

Only blood and slaughter will make them really dare not touch Noirfork.

“There is no need to say any more.”

“Do it!”

“Master and apprentice, let’s fight together.”

“Today, I, Brian Chu, will get rid of you all together.”

Mark's calm words sounded quietly.

As soon as he said this, it can be said that a huge wave was shocked.

Ye Qingtian and the others were stunned.

Mo Wuya looked at Mark like an idiot.

I thought this guy was kicked by a donkey?

One hit two?

Brother Kyushu, you didn't fight just now!

"This guy, after all these years, is still just as arrogant!"

"It's a miracle to be alive."

Mo Wuya felt emotional in his heart.

"Teacher, did you hear that?"

"It's not that the apprentice doesn't listen to you, it's that this bastard is determined to seek death."

"He pretended to be on your head."

"Today I must kill him!"

"The teacher is so majestic, how can you allow this little profanity?"

Chen Jiuzhou was furious, and he couldn't hide his killing intent.

After the wind, his face was equally gloomy.

It seemed that her patience had reached its limit.

“It’s over”

“It’s all over.”

Ye Qingtian realized that the war might be unavoidable.

Mark’s words seemed to have completely angered Queen Feng.

call!

The cold wind from Siberia was blowing crazily in this city of Yunzhou.

Mark has already raised his sword, and the Yunyan Sword Art has already been brewing.

After the wind was as cold as ice, the torrential power also began to gather on her body.

However, just when the war was about to break out.

Suddenly, a gentle voice came from a distance.

“Mark”

boom!

The moment he heard these words, Mark’s body trembled suddenly.

This is?

Mark turned his head abruptly, looking into the distance.

I saw, somewhere in the sky, there was a young girl with an intoxicating character, driving a dog in the air, and soon came to Mark.

“An Anqi, are you awake?”

Mark’s voice trembled.

Yes, the girl who suddenly appeared before her was none other than An Qi who had been in a coma for over a year.

With joy and a smile, she slipped into Mark’s arms.

Her gentleness is intoxicating, her beauty is picturesque.

White and jade skin, icy muscles and bones.

This moving girl seems to have stepped out of the painting, her beauty is breathtaking.

The only fly in the ointment is the eyes that are covered with light veils.

Chapter 4429

How long.

From the time when Mark was alone, he killed Truman.

And now, Truman is destroyed.

Mark couldn't remember exactly how long An Qi had been asleep.

What happened to this silly girl has always been the deepest pain in Mark's heart.

For a long time, Mark always felt that it was because of himself that An Qi suffered such bad luck.

After all, he was the one who involved An Qi in this war between him and the Chu family.

If she didn't have herself, An Qi would have married Chu Qitian.

If she didn't have herself, how could An Qi run out of the family alone and travel across the ocean to see him.

It was also because of him that Angie's family was slaughtered, and Bill Jones died tragically in the wilderness.

This poor silly girl couldn't even see her father for the last time.

Mark had known An Qi since he was very young.

Perhaps, if he knew earlier, he would have brought so many disasters to An Qi.

Mark would rather not get acquainted with her.

After all, he owed An Qi too much.

This is also why, even if he gave up the power he had obtained, even if the Dragon Temple was disbanded, Mark still chose to retreat and attack the divine realm.

Not for anything else, just to keep An Qi alive.

It's the only thing Mark can make up for this silly girl.

Perhaps, it was precisely because of this guilt deep in my heart that all the ferocity and viciousness in this man disappeared the moment he saw An Qi.

On her delicate face, there was only endless tenderness left.

Hundreds of steel smelting, finally turned into infinite soft intestines.

When Mark and An Qi hugged each other, on the ruins in front of them, God of War and the others looked suspiciously.

"Who is this girl?"

Ye Qingtian's eyelids twitched.

Although he has also heard rumors from outsiders that Mark is promiscuous everywhere, and has many confidante friends.

But at that time Ye Qingtian just laughed it off and didn't believe it.

After all, Ye Qingtian had met Qiu Mucheng before.

I also know that Mark treats Qiu Mucheng with sincerity and sincerity!

When the Lu family in Jiangbei attacked Qiu Mucheng, Mark was so angry that he directly wiped out the Lu family.

The entire Jiangbei martial art was almost wiped out by Mark.

But looking at it today, it seems that this rumor from the outside world is not groundless!

“But this bastard is old and eats tender grass.”

“This little loli is so immature, I’m afraid she’s less than twenty years old.”

“I’m not afraid of ruining others.”

Ye Qingtian, an old and unscrupulous old man, has already started to think wildly.

The arrival of An Qi eased the tense atmosphere here a lot.

Ye Qingtian also let out a long sigh of relief, panting for a moment proudly.

“This bastard!”

“In front of my teacher, how dare you show your affection here?”

“Teacher, he is so arrogant, I must kill him!”

“If you don’t destroy this person, it will be difficult to eliminate the hatred in my heart!”

Chen Jiuzhou was extremely angry.

During the war, you were playing with women here.

This is undoubtedly a great blasphemy and disregard for the opponent.

Chen Jiuzhou had always been arrogant, but felt that his dignity had been trampled on.

Continue clamoring to kill Mark.

Mark also seemed to sense the murderous intent coming from ahead at this time.

He frowned, and Mark clenched the ancient Yunyang sword in his hand.

“An Qi, wait for me, I’ll come as soon as I go.”

Mark slowly pushed An Qi away from his arms.

Then let the black dog take her farther away.

He was going to catch up with An Qi after finishing off Chen Jiuzhou and the others.

However, to Mark’s surprise, after being pushed away, An Qi got into her arms again regardless of Mark’s words.

“Mark, stop fighting, okay?”

“Just be safe and sound, okay?”

Angie’s voice was choked with sobs.

The delicate body is also trembling.

While saying this, Mark clearly felt that his chest was soaked by streams of heat.

He knew that An Qi was crying.

Perhaps, it was the accident that year that left too deep a shadow on An Qi.

As a result, the current An Qi doesn’t want to experience any more disputes, nor do she want to experience any more fighting and killing.

She just wants to be well, let Mark be well, let her brother be well, let her father be well, and let all the people he cares about stay away from disputes, so that they shouldn’t be hurt.

“Anqi”

Seeing the girl in his arms, curled up in his arms like a frightened kitten.

No matter how cold Mark’s heart was, it was undoubtedly shaken at this moment.

When it came to his mouth, he finally swallowed it.

He wiped away the tears from An Qi's cheeks, and nodded to her, "Okay, I'll listen to you."

After appeasing An Qi, Mark immediately turned his head and glanced coldly at the group of titles in the Temple of Valkyrie.

"Today, for An Qi's sake, I will let you leave."

"However, I hope you can remember the promise you just made."

"People of the Martial God Palace are not allowed to enter Noirfork for half a step."

"Otherwise, don't blame the seven-foot green blade in my hand for being cruel and ruthless!"

Mark's majestic voice was like thunder rolling by.

The trembling entire Yunzhou city was trembling.

For a while, almost all the citizens of Yunzhou City heard Mark's sudden angry words.

"sure."

"We will never take half a step into your Noirfork again."

Seeing Mark let go, Ye Qingtian was undoubtedly very happy.

Sure enough, if you order tofu in brine, you can drop one thing for one thing.

To deal with Mark, you still have to use a girl.

Chapter 4431

Ma De, they have tried to persuade them for a long time here, but it is not as good as the girl crying a few times in Mark's arms.

Ericson Li was also relieved.

In any case, it's better not to do it.

As for Mu Zihua after the wind, she didn't want to do anything.

Now that Mark was willing to get out of the way, Feng Hou didn't say anything more.

Only Chen Jiuzhou was like a dog whose tail was stepped on.

The red eyes looked directly at Mark!

Anger rose in his heart, and his palms cracked.

Chen Jiuzhou has a temperament that does not have the upper hand.

Now, seeing Mark being so arrogant, but he was helpless, Chen Jiuzhou was naturally very angry.

He really wanted to go up and fight Mark, to decide the outcome, to decide whether to live or die.

In the hot summer in the future, there will be no more debates about whether Chu Yunyang or Chen Jiuzhou is stronger.

But there is no way, the teacher has already sent a message.

Moreover, now is indeed a critical period for the Dragon Gate Project.

Chen Jiuzhou had no choice but to swallow his breath today.

However, when he left, Chen Jiuzhou glared at Mark for several seconds.

Although he didn't say a word, his behavior was better than a thousand words.

Any fool can see it.

Today, Liang Zi, Mark and Chen Jiuzhou are considered to be married.

After Chen Jiuzhou and the others left, Ericson Li entered the arena urgently, and hurriedly sent someone to deal with the aftermath.

"I have basically killed the people in the Yuantu Group."

"I will also wipe out all the traitors in Noirfork."

"Noirfork's rebellion has been wiped out, and you can deal with the rest."

After everything was stable, Mark called Ericson Li to give him his final entrustment.

“Don’t worry, Mr. Chu, you can go at ease.”

“In the future Noirfork, I, Ericson Li, will watch over you.”

“As long as I, Ericson Li, don’t die, I will never let anyone take away Mr. Chu’s foundation you left in Noirfork!” Ericson Li replied respectfully.

Mark shook his head when he heard the words, “Remember, in Brian Chu’s eyes, the most important thing is always people.”

“The inheritance is gone, I’ll get it when I come back.”

“And you all have to live well.”

“Also, before I leave, I will use the ancient Yunyang sword as the foundation to rebuild the Yunzhou formation.”

“At that time, even if the Martial God Hall really makes a comeback, the Yunzhou Great Formation will also be able to protect you well.”

The people from the Martial God Temple retreated, and the turmoil in Noirfork was considered to have come to an end.

It’s time for Mark to really leave.

Although he was worried about Noirfork, he couldn’t always guard here after all.

I had to keep the Yunyang sword to protect the safety of one side.
