Anyone who sees Zhao Zhenlu should say hello respectfully.

“By the way, Mr. Zhao, you can continue.”

“Then Brian Chu, what happened?”

Following the appearance of Zhao Zhenlu, all the martial artists around surrounded him.

Today is the day for the second batch of finalists for the Dragon Gate Project.

Therefore, there are extraordinarily many warriors gathered in Yanshan.

Zhao Zhenlu put his hands behind his back, snorted and laughed, “I mean, that Brian Chu has already been scared out of his wits by our Dianzhu Chen.”

“He was afraid that Dianzhu Chen would make trouble for him, so he took the initiative to disband the Dragon Temple, and then found a place to hide himself, not daring to show his face.”

“Incompetent and cowardly rats like Brian Chu, before Dianzhu Chen appeared, they were domineering and showing off their might.”

“Now that Dianzhu Chen is in power, isn’t he so frightened that he becomes a coward?”

Zhao Zhenlu said sarcastically, his words were full of belittling and disdain for Mark.

“this”

Everyone was silent for a while, looking at each other, but not all dared to speak.

Among them, there are many people who are on the list of masters.

They have all dealt with Mark.

Although there were different opinions in their hearts, due to Zhao Zhenlu's identity, no one dared to say anything.

On the other hand, Lu Yanxi couldn't listen any longer, and retorted, "I think Brian Chu is the number one person on the list after all. I admit that I'm afraid of Dianshu Chen. However, it's not enough to say that he is a coward." ?"

"That's right. In the war with Truman back then, Wushuang titled heroically killed the enemy, and he made great efforts. It can be regarded as a hero's catastrophe." Kong Ming also said one more thing.

The two of them, after all, lived and died together with Mark.

Undoubtedly, he knew more about Mark than anyone else.

But Zhao Zhenlu immediately laughed when he heard that.

"Judging from your tone, it seems that you still admire Brian Chu?"

"I warn you, there is a problem with your ideological position."

"Just like you, you still want to be selected for the Dragon Gate Project, what's the point?"

"Also, I'm not belittling that Brian Chu."

"If he wasn't a pustule, he wasn't a coward. Why didn't he dare to come to Yanshan?"

"I, Dianshu Chen, destroyed his stone statues and invaded Noifork. What kind of respect is he, Brian Chu, in Noifork? Now, why doesn't he dare to fart?"

Zhao Zhenlu sneered.

There was already a bit of anger in the words.

Seemingly dissatisfied, Kong Ming and Lu Yanxi spoke for Mark.

Seeing this, everyone around quickly echoed.

“Boss Zhao is right!”

“There are no heroes at the time, but he became famous with his son.”

“Before I had no one in Yanxia, it was just now that Brian Chu got the limelight.”

“Now that Dianzhu Chen appears out of nowhere, his power shakes all directions. Naturally, there is no such thing as Brian Chu!”

“that is!”

“Dianzhu Chen sits in Yanshan, and Empress Feng is here.”

“Even with Brian Chu’s courage, he would never dare to come here to make a mistake?”

“From now on, I guess I can only hide in desperation and be a shrinking turtle.”

“In the future, our hot summer will belong to Dianzhu Chen’s era!”

Chapter 4443

“Hahaha”

Everyone smiled and complimented each other.

But while everyone was chatting and laughing, no one noticed that a handsome figure came from the bottom of the mountain and had already arrived behind everyone.

“Everyone laughs so happily, what is there to be happy about?”

“Tell me about it too, and make me happy too.”

On Yanshan Mountain, he stood there with his hands behind his back.

Faint laughter, just like that, abruptly, spread throughout the world.

“It’s nothing, just that Brian Chu is a coward.” Among the crowd, someone turned his head and was about to explain.

However, after seeing the other person's face clearly, the person was stunned on the spot, and finally squatted on the ground directly.

"Old Wang, what's wrong with you?"

"Why is it still squatting on the ground?"

The people around laughed.

But laughing and laughing, slowly, all the laughter disappeared.

Because, more and more people noticed this man who arrived at some unknown time.

He is dressed in black cedar, with fluttering hair on his forehead.

Standing between the Yanshan Mountains with his hands behind his back, there was always a faint smile on his delicate face,

However, it was this harmless smile to humans and animals that frightened all the warriors present to their wits.

Kong Ming and Lu Yanxi were also in a daze.

Kong Ming's old eyes widened.

Lu Yanxi's pretty face was even paler, and her whole delicate body was trembling.

two years.

She hadn't seen this man since the first battle in the rainforest.

However, in recent years, his legend has always existed!

Yes.

Brian Chu!

This man who has been living in the hot summer martial arts like a myth.

he came.

He single-handedly stood on the top of Yanshan Mountain!

However, just when everyone was silent because of panic, Zhao Zhenlu frowned, facing the man in front of him who was standing in a very pretentious posture, and angrily scolded, "Where is the boy, in front of the Martial God Palace, at the foot of the Son of Heaven, Do you dare to pretend to be aggressive in front of the manager?"

"Want to die!!"

"Why don't you get out of here quickly?"

He has never met Mark.

Before Zhao Zhenlu made his fortune, he was just a very small figure in the martial arts world. Naturally, he is not qualified to contact Mark.

Therefore, his impression of Mark was only the statue that was pushed down by Chen Jiuzhou.

But real people, after all, are too different from statues.

Dead silence!

Deathly silence!

The moment Zhao Zhenlu said these words, the entire top of Yanshan Mountain was completely silent.

Everyone pissed.

A pair of eyes looked at Zhao Zhenlu with fear and pity.

It is estimated that everyone thinks that Zhao Zhenlu is like an idiot at this time.

Sure enough, with Zhao Zhenlu's angry shout, those icy eyes had already come down.

The man just blinked his eyes.

Everyone saw that the air in front of the man's eyes shook.

Immediately afterwards, that fierce energy shot out like a sword!

With a bang, it hit Zhao Zhenlu directly in the chest.

Zhao Zhenlu screamed, his ribs were broken, and the dark red blood spit out from his mouth.

"as****?"

"Do you dare to beat the manager?"

"You are so brave!"

Zhao Zhenlu's mouth was full of blood, and he endured the severe pain and stood up from the ground.

The opponent's strength, although extremely terrifying.

But Zhao Zhenlu was not afraid.

What is he afraid of?

Standing behind him is the Martial God Hall, Chen Jiuzhou, and the entire Yanxia Martial Arts.

Apart from Chen Jiuzhou, is he not afraid of anyone?

"Kong Ming, what are you still doing there?"

"This lunatic trespassed into Yanshan Mountain and injured the senior leaders of the Martial God Palace. As subordinates of the Martial God Palace, why don't you act quickly!"

"I order you to work together to kill this madman!"

Zhao Zhenlu was extremely furious, he couldn't beat the opponent, it didn't matter, there were all strong fighters in Yanxia Martial Dao in front of him, even some masters.

Zhao Zhenlu only needs to give an order, and all the warriors in front of him will join forces to kill each other.

However, the result was beyond Zhao Zhenlu's expectation.

Because, he found that these martial artists who complimented and flattered him on weekdays were now as if they were deaf.

Facing his instructions, there was no response!

"What's the matter with you?"

"Why don't you do it?"

"Why, don't you want to get a place in the Dragon Gate Project?"

Zhao Zhenlu angrily accused everyone.

However, no matter how much Ren Zhao Zhenlu yelled and cursed, there were so many people present, none of them paid any attention to him.

People like Kong Ming and the others even took a few steps back in fear, keeping Zhao Zhenlu far away.

Chapter 4445

It seems that I am afraid that I will be implicated.

The scene in front of him undoubtedly made Zhao Zhenlu feel that something was wrong.

Just when Zhao Zhenlu was still doubting the identity of the person in front of him, Mark's faint laughter had already spread.

"Stop shouting."

"Even if you shout out your head, they won't listen to you."

“When I, Brian Chu, was rampant in the scorching summer and my power was shaking the world, you still don’t know where to carry shoes for others?”

Markdan shook his head and smiled, his words were full of contempt.

For such a small person, Mark didn’t bother to pay any more attention to him.

He raised his footsteps and walked straight in the direction of the Martial God Hall.

All the martial artists in front of them were very conscious and moved to the two sides, making way for Mark.

Nuoda’s Yanshan Mountain, the sacred place of martial arts in the hot summer, is like a land without people under Mark’s feet.

With so many people present, they didn’t even dare to say a word.

Not to mention, stand up and block it.

It’s also like Zhao Zhenlu and other small people who suddenly made a fortune, who don’t know real people, so they will recklessly block Mark’s way.

“He is Brian Chu?”

It wasn’t until Mark walked away that Zhao Zhenlu asked in a trembling voice.

He didn’t expect to kill him, but he said Cao Cao, and Cao Cao arrived.

This Brian Chu actually came to Yanshan?

“Mark, why are you here?”

Not long after, Ye Qingtian, who got the news, rushed over in a hurry and found Mark who had already boarded Yanshan.

“Isn’t everything about Noirfork settled?”

“Are you still not giving up?”

“Mark, I beg you, don’t make trouble anymore.”

“We finally calmed down in Yanxia. It’s the stage of recuperation. Do you insist on fighting again?”

Ye Qingtian looked anxious and bitter.

Hearing that Mark came to Yanshan, Ye Qing was conscious of the world, thinking that Mark came to seek revenge on Chen Jiuzhou for Noifork’s affairs.

“Relax.”

“I, Mark, have always kept my promises. Since I promised you a truce in Noifork, I will naturally not break my promise.”

“I won’t act like a villain like your Martial God Palace.” Mark replied coldly.

Ye Qingtian heard the resentment in Mark’s words.

Obviously, they still have a lot of opinions on their Valkyrie Temple.

“Mark, I admit that the way we deal with things in Wushen Temple is really a little anxious about Noifork this time.”

“However, you should also know that I have lived in Yanxia for five thousand years, and the feeling of unification is engraved in my genes.”

“You are now occupying Noifork and forming a faction of your own. It is against the laws of the ancestors, and it will also destroy the unity of the family and the country. It is not conducive to unity.”

“The issue of the ownership and jurisdiction of Noifork Budo will have to be resolved sooner or later.”

“For this, I hope you can be mentally prepared.”

Ye Qingtian treated Mark honestly and showed him the true attitude of the Valkyrie Temple.

Mark heard the words, but chuckled, “Do you think the Martial God Palace is still qualified to be in charge of Yanxia Martial Arts?”

“The Truman battle, I was in a hot summer, and almost died at the hands of your Martial God Palace.”

“If it weren’t for the fact that I still have a backup in Noirfork, the current Yanxia Martial Arts would have already been surnamed Chu.”

“Ye Qingtian, let me tell you too. I, Mark, also hope to unify the country. However, it should not be your Valkyrie Palace that unifies the country.”

Having been involved in martial arts for so many years, Mark has a very thorough understanding of the Temple of Valkyrie.

This is a rotten institution.

Handing over Noirfork to them is burying Noirfork.

Handing Yan Xia over to them will also ruin Yan Xia!

“Mark, how can you say that?”

“I admit that the previous Martial Arts Hall was really stretched and lacking in strength when facing Truman.”

“But now, the Martial God Hall is not what it used to be.”

“Not only the return after the wind, but also the birth of a genius like Chen Jiuzhou, who is now able to stand alone.”

“Moreover, after the opening of the Dragon Gate Project, several martial arts masters and a titled master have been born in our Yanxia successively.”

“Continuing on like this, within a year or two, the strength of our Martial God Hall will skyrocket several times.”

“At that time, our Yanxia Martial Arts will achieve a complete revival!”

“I hope that at that time, you can give up your prejudices and return Noirfork Budao to the jurisdiction of the Martial God Palace in a peaceful manner.”

“Realize the unification of Yanxia martial arts!”

Ye Qingtian spoke to Mark very solemnly.

This is the future development plan of their Valkyrie Temple.

They must take back the control of Noirfork Budao.

“Heh, the plan is pretty good.”

“I’m afraid that you have been sold out, and you don’t even know.”

Mark sneered.

Ye Qingtian frowned, “Mark, what do you mean by that?”

“It’s nothing interesting. Forget it, we’ll talk about Noirfork’s affairs later. I’m here in Yanshan, and I may need your assistance on one matter. I heard that you are promoting a plan called the Longmen Experience Plan?” Mark was no longer in Noirfork. It was a waste of time to talk about the matter, and turned to talk about the Dragon Gate Project.

Ye Qingtian nodded, “Well, that’s true. Now many countries around the world are practicing martial arts, and we Yanxia naturally can’t fall behind. Whether my Yanxia martial arts can achieve the great rejuvenation of the Yanxia nation again depends entirely on this Longmen plan! ”

Ye Qingtian said with a smile, full of anticipation and joy.

It seems that he is full of confidence in this Longmen plan.

“Can you talk about it carefully?”

“What’s going on with this Longmen experience?” Mark asked.

Chapter 4447

“how?”

“Could it be that you are also interested in this Dragon Gate Project?”

Seeing that Mark was also interested in the Longmen Project, Ye Qingtian's voice became high.

Somewhat ostentatiously said, "Speaking of the Longmen project, it was Chen Jiuzhou and Fenghou who proposed it."

"In the beginning, Juggernaut and I were skeptical."

"After all, you and I both know that martial arts training is not a matter of day and night. Only by keeping your feet on the ground can you go further. There is absolutely no shortcut."

"But now it seems that I am shallow."

"This world is so big, there are no surprises."

"The blessed place that can help people cultivate seems to really exist."

"And this Dragon Gate is the entrance to the Paradise of Heaven."

"Through this dragon gate and enter it to practice, you can get twice the result with half the effort."

"The Juggernaut and I are also going to try our luck."

"Maybe, our years of sluggish cultivation can take this opportunity to make a breakthrough."

"What, Mark, why don't you go in and try?"

"I'll try my best to help you get a spot."

"With your qualifications, supplemented by the Longmen experience. I guess, you will be able to hit the gods."

Ye Qingtian laughed and told Mark about the magic of Longmen.

"Oh, is that so?" Mark chuckled lightly, noncommittal, "Can I go and see the Dragon Gate you mentioned?"

"This..." Ye Qingtian was a little embarrassed.

"Why, can't you?" Mark asked again.

Ye Qingtian shook his head, “The main reason is that I am no longer the head of the Martial God Palace. If I am the head of the house, you don’t even have to go and see it. Even if you go in and experience it now, I will give you the green light.”

“But now, I have retreated to the second line.”

“The power of the Martial God Palace is controlled by Chen Jiuzhou.”

“As for the Dragon Gate, Queen Feng personally guards and takes care of it.”

“Even me, I didn’t just approach the Dragon Gate casually.”

Ye Qingtian wondered.

Mark frowned suddenly.

He did not expect that the so-called Longmen, the Martial God Hall would pay so much attention to it.

Even characters like the god of war Ye Qingtian are not allowed to touch casually.

And this undoubtedly made Mark more curious about this Longmen.

“So, you can’t even see it?”

Ye Qingtian thought for a while, “If we just meet each other, there is still a chance.”

“As far as I know, there will be two more people who will come out of the Dragon Gate after their training in the Dragon Gate today.”

“At that time, the dragon gate will open again, and you should be able to see it.”

Mark heard the words and nodded, "Okay, then I'll stay here and wait for the dragon gate to open."

Just like that, Mark stayed in Wushen Temple for several hours.

Until the evening, Yanshan began to tremble.

Outside the main hall, there was an uproar all over the place.

Like a pot of boiling water.

The entire Valkyrie Hall began to become lively.

"Lao Ye, let's go."

"The Dragon Gate is about to open!"

"I don't know, can I get out of a title today?"

Outside the main hall, the voice of the Juggernaut eagerly rejoiced.

Just like the lottery draw, the excitement was hard to hide in the words.

However, as soon as he entered, the smile on Juggernaut's face suddenly froze.

"Chu Brian Chu?"

"Why are you here?"

Seeing Mark, the Juggernaut suddenly became nervous.

He didn't have much contact with Mark, but most of the time he and the King of Fighters were beaten every time he met Mark.

Therefore, almost subconsciously, the Juggernaut became a little more vigilant.

"Lao Ye, what's going on?"

"Noirfork is a matter, isn't it all resolved?" The sword master looked at Ye Qingtian.

“Ha ha”

“Sword Master, don’t be nervous.”

“Mark is here to investigate the Longmen Project.”

“Come on, let’s go and have a look together.”

Ye Qingtian carelessly walked out of the Martial God Hall, holding one in each hand.

Outside, the sun was setting.

The afterglow of the setting sun dyes the earth red.

Kong Ming and others gathered in the square, their eyes full of piety.

Like a believer, the divine splendor of anticipation falls.

At this time, on the top of Yanshan Mountain, a burly man stood in the air.

He bathed in the sky, and he looked around the world.

“The sky and the earth are as flat as water, and the Dragon Gate opens at sunset!”

“Now! Now! Now!”

Chen Jiuzhou’s majestic voice resounded throughout the world.

Chapter 4449

Then, everyone saw that Chen Jiuzhou raised his foot and stepped on it suddenly.

The whole world is buzzing.

Immediately afterwards, the ground below quietly cracked open.

An ancient stone gate, just like that, rose from the depths of the ground.

It’s like a dragon coming out of the four seas, flying into the nine heavens.

That mountain-like stone gate, just like that, stretches across the world!

“Is this the Dragon Gate?”

“Is it just a fetish that can help us break through the shackles?”

“Is this the magical door that contains majestic power?”

At the foot of Yanshan Mountain, everyone was boiling.

Kong Ming and the others looked at the ancient dragon gate ahead with fiery eyes.

I can't wait to jump in right away, the carp turns into a dragon!

Ye Qingtian, Juggernaut and the others felt amazed when they saw this door again.

Only Mark, the moment he saw this door, his face was extremely gloomy!

The whole body is pitch black, carved and cast by a black dragon, and there are strange runes.

That's it!

It is exactly the same as the stone gate that Mark saw on Chumen Mountain.

That's right!

This so-called Longmen is the taboo gate that Grandma said.

Behind this door, what is sealed is the power of the devil!

You've got it.

Grandma guessed it all.

This is a heinous conspiracy!

Yes.

The moment he saw this door, Mark understood everything.

This so-called Longmen experience is just the continuation of Chu Yuan's previous plan.

Yes, the Tru Clan is gone, Chu Yuan is dead, but the conspiracy is still advancing.

Moreover, this time, warriors from all over the world are cooperating willingly and willingly.

There is no resistance, no killing, no war, everyone is rushing.

Thinking of this, Mark couldn't help being shocked.

Who is it?

Who is driving all this behind the scenes!

He even deceived the whole world into it.

When Mark was trembling, the black stone door suddenly opened.

Wanzhang Shenhui shot out from the hole inside.

And two figures, bathed in divine radiance, jumped down from the stone gate.

Then there were two bang bangs, and he knelt down in front of Chen Jiuzhou.

"Dianzhu Chen, I will come back to my life after the experience is completed!"

Chen Jiuzhou nodded, "Tell me, you two, where are you now?"

"I report to Palace Master Chen, I am a master at the peak!" One of them replied.

"I'm in the half-title realm!" Another person followed closely.

What?

“A peak master?”

“A half-step seal?”

“Is this true?”

“Then Li Xian, as I remember, three months ago, he was just an innate warrior.”

“In this short period of three months, you have leapt directly to the pinnacle of the Grandmaster through successively crossing the two realms of Innate and Transformation?”

“My God!”

“Eighteen-year-old peak master!”

“too strong?”

“What kind of great opportunity is behind this dragon gate?”

The whole person Yanshan has completely exploded.

Everyone went crazy with excitement.

Eyes full of fire.

That is the expectation for great opportunities and the desire for power.

What fascinates people of martial arts the most?

Not money, not women.

Rather, power!

The power to destroy the world, the power to kill!

And behind the dragon gate, there is this kind of power hidden.

Everyone is naturally looking forward to it!

Chen Jiuzhou shook his head when he heard the words, “Is it still a bit close?”

"I thought that with the talents of the two of you, you could enter the realm of titles."

"That's all."

"Go back to consolidate the realm first, and wait for the imperial edict."

Chen Jiuzhou waved his hand and dismissed the two of them.

Then, look around at the people below.

"Everyone, the first batch of Longmen trainees have basically returned."

"Tomorrow, the screening of the second batch of personnel will be carried out."

"Everyone, let's do what we can."

"In addition, I would like to inform everyone in advance that God of War, Juggernaut, and King of Fighters will also participate in the second batch of Dragon Gate Project."

Chapter 4451

"What?"

"God of War, Juggernaut, and the others also want to participate in the Dragon Gate Project?"

"Doesn't that mean that there are three fewer places we can fight for?"

Hearing that God of War and the others would also participate in the Longmen Project, there was no doubt that there was another commotion from the crowd below.

However, everyone did not complain about anything.

God of War and the others have paid so much for this country, even if they don't participate in the selection, it is only natural that they directly occupy the quota for the Longmen training.

From this aspect, it is enough to prove that Longmen experience has a great effect on improving strength.

Otherwise, even God of War and the others would not be able to withstand the temptation.

After Chen Jiuzhou's words were read out, the black dragon gate closed again and sank below the ground.

Everyone also dispersed one after another, preparing for tomorrow's affairs.

As the crowd dispersed, the place suddenly became much more empty.

Chen Jiuzhou quickly noticed Mark standing beside Ye Qingtian.

"Brian Chu, you haven't left yet?"

"You have the guts to hurt my confidant, but you still dare to stay in Yanshan?"

"Do you really think that I, Chen Jiuzhou, dare not kill you?"

Chen Jiuzhou's expression immediately turned cold.

In the low voice, there is full of murderous intent.

"Then you can give it a try." Mark didn't give in at all, and the two confronted Maimang again.

The atmosphere here was tense for a moment, like a powder keg filled with explosives, ready to ignite at the touch of a button.

Seeing this, Ye Qingtian hurried out to explain, "Jiuzhou, did you forget Fenghou's entrustment?"

"The Longmen plan is at a critical time for its implementation, and there is no room for accidents."

"Besides, Mark came to Yanshan this time without malice."

"I'm just curious about the Longmen project, so I came to watch and investigate."

After Ye Qingtian explained, it really worked.

Chen Jiuzhou didn't make things difficult for Mark anymore, but suddenly laughed.

"Why, he also wants to enter Longmen to practice?"

"It's not impossible."

"My original intention of carrying out the Dragon Gate Project was to strengthen my Yan Xia's martial arts power."

"Although Brian Chu is rebellious and does not listen to the order of the Martial God Palace, he is also my descendant of Yan Xia."

"If he also wants to enter Longmen to practice, we can give him a place in the Wushen Temple."

Both Ye Qingtian and Juggernaut were a little surprised by Chen Jiuzhou's sudden overture.

They did not expect that Chen Jiuzhou, who had always been pretentious, would be so magnanimous in the matter of Longmen training.

"Hahaha"

"Kyushu, if you can think that way, that would be the best."

"Those who achieve great things have to let go of personal grievances and focus on the overall situation."
