“In this way, Fang Fang is a qualified leader.”

“As the saying goes, one who accepts the country’s stains can be the master of the country.”

“You have such a heart, I can rest assured that I will entrust Yanxia Martial Arts to your management.”

Juggernaut and God of War are both very pleased.

Chen Jiuzhou didn’t say anything, but smiled at Ye Qingtian and the others with a deep meaning.

Afterwards, he went to busy himself with his own affairs, and did not drive Mark away from the Martial God Palace.

“Mark, when it comes to personal grievances, you still have to learn more from Kyushu.”

“Let’s not say whether you are stronger or weaker, but at least this kind of mind is worth learning from.”

“Do you know how precious the quota for Longmen training is?”

“There was a wealthy businessman who used 10 billion to buy a place for his son to practice in the Longmen, but he was rejected by Kyushu.”

“Now, before I mention it, Kyushu is going to give you the green light.”

“It can be seen that in his heart, he really pretends to be Yan Xia’s future.”

After Chen Jiuzhou left, Ye Qingtian spoke appreciatively.

Mark snorted, “Do you really think that Chen Jiuzhou is so kind? It’s just that the weasel gave the chicken New Year’s greetings.”

“Mark, if you say that, it means that you are narrow-minded. Kyushu kindly gave you a quota, and it’s fine if you don’t thank me. How can you use such thoughtfulness to save a gentleman?” Ye Qingtian frowned, a little said displeased.

Mark didn’t rush to answer.

Instead, he looked around and said in a low voice, “Do you have time tonight, God of War, there are some things I want to talk to you alone.”

“I still have a meeting tonight, I’m afraid I won’t be able to get away.” Ye Qingtian seemed very dissatisfied with Mark’s words and deeds just now, and rejected Mark’s invitation.

“What I want to talk to you tonight is a matter of the life and death of the country, and even the life and death of the world.”

“Come or not, it’s up to you.”

Mark spoke calmly, and without waiting for Ye Qingtian to answer, he turned around and walked outside the Martial God Hall.

Mark’s words undoubtedly made Ye Qingtian startled.

Judging from his tone, it didn’t seem like he was joking.

However, now that the Chu Clan is extinct and Chu Yuan is dead, the world of martial arts is in a rare period of peace.

At this time, what crisis can there be that threatens the life and death of the country and the survival of the hot summer?

“Lao Ye, why don’t you go there.”

“Brian Chu doesn’t seem like a person who likes to joke.” The Sword Master said from the side.

Ye Qingtian nodded, “Okay.”

In the end, Ye Qingtian still followed.

The two found a tavern and sat down by the window.

Ye Qingtian ordered some food and wine.

“Tell me, what is your purpose for coming to Yanshan this time?”

Ye Qingtian filled the tea and asked Mark with great interest.

“God of War, what follows next, you may find it unbelievable.”

Chapter 4453

“But for the sake of Yanxia and the world, I still hope you can accept it.”

As soon as Mark opened his mouth, God of War became nervous.

“I suspect that the so-called Dragon Gate is a conspiracy, the source of disaster, and will destroy the world.”

“All those who enter the Dragon Gate to practice are imprinted with spiritual imprints, reduced to puppets, and controlled by others”

Mark looked dignified, very serious, and told Ye Qingtian all his guesses and doubts.

After Ye Qingtian heard it, he was shocked and stood up directly.

“The conspiracy of strange demons?”

“A puppet controlled by someone?”

“absurd!”

“Impossible!”

“Mark, do you know what you are talking about?”

Ye Qingtian’s face was ashen, but he couldn’t accept what Mark said just now.

“Let’s not talk about it, is the so-called Dragon Gate the taboo gate you mentioned, or the source of disaster?”

“However, you actually said that the martial arts seniors on the god list are all puppet slaves who have been enslaved by strange demons?”

“This is absolutely impossible!”

“Feng Hou, Asura and the others, what kind of cultivation are they?”

“It is estimated that it has the power of the gods!”

“How can there be life in this world that can enslave the strong in the divine realm?”

Ye Qingtian roared in disbelief.

In fact, Ye Qingtian couldn't be blamed for not being able to accept it.

Mainly, what Mark said just now, the amount of information is too much, and it is too shocking.

You know, the current martial arts world basically regards those who are on the top of the list of gods as their faith and leaders.

If these people are puppets enslaved by strange demons.

Doesn't that mean that the world of martial arts has been manipulated by strange demons?

Their Valkyrie Temple has even become the minions of strange demons.

“God of War, my words are not nonsense.”

“But there are ancient books of my Chu family as evidence.”

“Today, Chen Jiuzhou let me enter Longmen to practice. The purpose should be to let me enter it too, to be imprinted by strange demons, and then my mind will be controlled by them, becoming their minions and puppets.” Mark solemnly said .

But Ye Qingtian still shook his head.

He gradually calmed down, “Mark, I know you're not telling me some nonsense. But guesses are guesses after all.”

“I don't think there are any creatures that are powerful enough to control the souls of those in the divine realm.”

“I don’t even think that Feng Hou and Kyushu are harming my summer.”

“Besides, even if, as you said, such a terrifying creature really exists, what is the purpose of him spending so much time cultivating the strong and enslaving others?”

“It doesn’t make sense.”

“A creature that can control a number of powerful people on the list of gods. With its power, it is easy to destroy the world. How can it be so troublesome?”

Ye Qingtian still didn’t believe Mark’s words, and always felt a little absurd and outrageous.

“God of War, I know it’s hard for you to accept this.”

“However, in this world, there are always many things beyond our understanding.”

“Anyway, I’ve said everything I need to say.”

“Listen or not, it’s up to you.”

“However, I still hope that you can terminate the Longmen project immediately.”

“Not only you don’t want to participate, but I, Yan Xia warrior, don’t want to join either.”

“It’s a fire pit. Once you jump into it, you can never turn back.”

Mark looked serious and spoke to Ye Qingtian very seriously.

Ye Qingtian nodded, “Okay, since you’ve said that, I’ll go back and discuss it with the Juggernaut. It’s a very important matter, and it’s definitely not something I can decide on my own.”

Mark didn't say anything more, got up and was about to leave.

When leaving, Mark said again, "Truth is often only in the hands of a few people."

After speaking, Mark left the tavern.

Only Ye Qingtian was left alone, meditating.

That night, after Ye Qingtian returned to Yanshan, he found the Juggernaut and the King of Fighters, and the three had a conversation overnight.

Ye Qingtian told the Juggernaut and the others exactly what Mark said.

Both Juggernaut and King of Fighters were also shocked.

"What did you say?"

"Kyushu and Fenghou are all puppets controlled by strange demons?"

"Is this true?" The King of Fighters' eyes widened.

The Juggernaut was also shocked.

God of War smiled wryly, "Mark said so. He should be guessing, and there is no substantive evidence."

Hearing this, the King of Fighters breathed a sigh of relief, and then said displeasedly, "This is nonsense!"

"How dare he talk nonsense about such a big matter?"

"It is estimated that there is resentment towards Kyushu, so he just framed it at will."

The King of Fighters also showed disbelief.

"Um?"

"King of Fighters, you can't say that about Mark."

"I don't think he looks like he was deliberately framed."

“Maybe he really knows something that we don’t know.” God of War explained for Mark.

The Juggernaut immediately raised his head, “So, God of War, you mean that you trust Mark and adopt his suggestion to thwart the Longmen plan, and then investigate Chen Jiuzhou and Fenghou?”

God of War shook his head, “That’s not the case. Without conclusive evidence, it’s impossible for me to affect the overall situation of the country just because of Mark’s guesswork.”

“I think the Longmen Project should proceed as usual.”

Chapter 4455

The Juggernaut also deeply agreed, “What Mark said is really shocking, and I don’t think it is true. I guess he is worrying unfoundedly.”

“That’s right, don’t worry about it. Tomorrow, the three of us will formally participate in the Longmen training according to the plan. I hope that this training, our three Zhu Kingdom titles, can take this opportunity to break through the shackles! Best, God of War, you can touch God The threshold of the realm.” The King of Fighters said with some expectation.

The God of War laughed, “The divine realm is so ethereal, no matter how miraculous this Longmen experience is, I’m afraid it won’t allow me to make such a big leap. I just hope that this experience can give me the strength to be in the top three of the heaven list!” ”

“Hahaha, you old Ye, your talent, the top three in the heaven list, is not something that can be easily grasped. However, I will not be left behind by you too far. This time I will work hard to let my swordsmanship go further.” The Juggernaut’s fiery eyes and the huge temptation of power made all three of them look forward to the Longmen training.

Just like that, one night passed quickly.

On the second day, Ye Qingtian and the others almost ignored Mark’s reminder.

All are preparing for today’s Longmen experience.

According to the plan, all those who signed up to participate in the Longmen experience today will undergo a final screening.

Then, the final list of ten players was drawn!

“Teacher Kong, tell me, will there be me?”

His Royal Highness, a large number of Yan Xia warriors gathered here.

Of course, not only Yan Xia’s warriors.

According to the resolution announced by the Martial Security Council, talented warriors from several major countries in East Asia can sign up to participate in Yanxia’s Dragon Gate Project.

After all, the number of Longmen is really limited.

There are only a few in the world.

In order to attract more geniuses and elites, Wu’an will specially allow countries with dragon gates to abandon national boundaries and focus on talents.

At this moment, Lu Yanxi clenched her hands tightly, anxiously waiting for the final list.

She felt that she was never as nervous as she is now when she and Mark wandered through the lively rainforest.

Kong Lao smiled and comforted, “Haha Yanxi, don’t worry.”

“Just do your best and obey the destiny.”

“Don’t disturb your mood because of this.”

“What’s more, the Dragon Gate Project is said to last for a year.”

“There will be not only the second batch, but also the third batch and the fourth batch”

“With your talent, you will be selected sooner or later.”

“It’s nothing more than a few months earlier and a few months later.”

Hearing Kong Lao's comfort, Lu Yanxi's mood immediately calmed down a lot.

Finally, under everyone's expectant eyes, Chen Jiuzhou walked out of the hall.

"Everyone, after my teacher Fenghou's approval, the list of the second batch of Longmen training has been confirmed."

"Next, please come forward to the person whose name I read."

Holding the document in his hand, Chen Jiuzhou looked around, his deep and majestic voice resounded throughout the world!

"Longmen experience, first place, God of War, Ye Qingtian!"

"Second place, Sword Master, Xiao Chen!"

"The third place, King of Fighters, Mo Gucheng!"

The first three spots, without a doubt, were given to Yan Xia's three titled powerhouses.

Ye Qingtian, Juggernaut, and King of Fighters also stood beside Chen Jiuzhou very cooperatively.

After a while, ten talented warriors had all appeared on the stage.

Besides Ye Qingtian and the others, Kong Ming was also among them.

Unfortunately, Lu Yanxi lost the election.

"Don't be discouraged, girl."

"There will definitely be you next time."

After Kong Ming comforted him, he climbed onto the high platform and stood with God of War.

“Everyone, congratulations, you have got the opportunity to practice in Longmen.”

“You guys will stay in it for three months.”

“For you, this is a once-in-a-lifetime opportunity!”

“Of course, how high you can reach in the end depends on your respective creations.”

“Okay, that’s all for now.”

“Get ready.”

“Next, I will open the Dragon Gate again!”

Chen Jiuzhou gave a final explanation to the ten people in front of him.

Then, he stepped on the ground and soared into the sky.

Two-finger pinching formula, chanting words in the mouth.

Immediately afterwards, the ground trembled again.

That ancient stone gate once again appeared on the top of Yanshan Mountain.

All the people present looked at this black dragon gate representing power with longing.

The chosen ones can’t wait to rush into it.

But those who lost the election are determined to be shortlisted in the next list.

“Dragon Gate, open!”

rumbling

Amidst Chen Jiuzhou’s majestic voice, the ancient dragon gate once again opened its bloody mouth to the world.

“Everyone, obey orders!”

“Enter the Dragon Gate!”

Chen Jiuzhou gave an order.

Ye Qingtian and others, bathed in golden light, rushed towards the dragon gate quickly.

However, at the moment when these people are about to enter.

Beyond the Milky Way, a figure appeared out of nowhere.

“The Promise Collapse!!”

As soon as this person appeared, he punched fiercely and directly.

With terrifying force, Ye Qingtian and other ten selected people were knocked down from the front of Shimen.

Afterwards, this person remained unabated.

The powerful offensive directly hit the huge stone gate that stretched across the world!

Chapter 4457

This sudden change made everyone tremble.

It wasn't until they got close that everyone could see clearly.

The person who suddenly appeared at this time turned out to be Brian Chu!

“Mark, what are you doing?”

“Are you crazy?”

Ye Qingtian stabilized his figure and found that it was Mark who had gone and returned. He was shocked and roared sharply.

On Yanshan Mountain, the rest of the people were also extremely puzzled.

I don't know why Mark is going crazy.

Without saying a word, he launched an attack.

Moreover, after repelling Ye Qingtian and the others, everyone discovered that the place where Mark's sharp edge was directed turned out to be Longmen!

"not good!"

"He wants to destroy Longmen!"

"Quick, stop him!"

"Is he crazy?"

"You actually attacked the national treasure?"

"What does he want to do?"

Everyone was shocked when they discovered Mark's purpose.

They all shouted anxiously and sharply accused.

But Mark turned a deaf ear to it, and the power of the attack in his hand remained undiminished, and the powerful fist fell straight to the dragon's gate.

"as****!"

"How dare you attack Longmen?"

"you wanna die!"

Mark's sudden attack undoubtedly hit Chen Jiuzhou too far.

Chen Jiuzhou, who was shocked, burst into a drink, and immediately shot.

With a powerful palm, he slapped Mark.

However, he was still one step too late after all.

Mark's Wuji Jiujin has landed firmly on the dragon gate.

boom!

It's like Pangu opened up the world.

The low roar sounded like a thunderstorm exploding.

The deafening sound almost shattered everyone's eardrums.

Everyone could only see that the ancient stone gate was trembling crazily under Mark's fist!

"as****!"

"The scum of your country."

"How dare you destroy my national treasure?"

"Brian Chu, you are dead!"

"You bastard!"

Seeing this scene, the eyes of all the warriors on Yanshan Mountain were red.

The anger in their hearts had long overshadowed their fear of Mark, and they all cursed at Mark.

Even the Juggernaut, the King of Fighters and others are also furious and extremely angry!

"This scum!"

"He's here to destroy my Yan Xia foundation!"

"It's not as good as a beast!"

The King of Fighters also cursed angrily, and his heart was bleeding even more.

After all, everyone present hoped to improve their strength with the help of Longmen.

And if Mark wants to destroy Longmen now, that will undoubtedly cut off their chance.

As the saying goes, cutting off a person's chance is like killing one's parents.

It is conceivable that the hatred for Mark in the hearts of everyone present.

However, just when everyone thought that Longmen would fall apart under Mark's hands.

Who would have thought that after resisting the blow of the strongest man on the top list, the stone gate was unscathed.

Still steady, standing on the top of Yanshan Mountain.

Mark was undoubtedly shocked when he saw this.

Obviously, Mark didn't expect that this stone gate is so strong?

It seems that in a short time, it cannot be destroyed.

In that case, it can only be taken away.

Therefore, after a missed blow, Mark changed his tactics, lowered his waist, and sank into his dantian.

Then, he embraced Shimen with both hands and pulled it suddenly.

As the saying goes, the strength to pull the mountain is overwhelming.

The black stone gate was actually lifted up by Mark.

After picking it up, Mark didn't hesitate, turned around and ran away!

Since this stone gate cannot be destroyed, it should be sealed.

You must not keep him, let it be a disaster to the world!

Seeing such a scene, everyone present was once again deeply shocked by Mark's behavior.

“This old sixth!”

“He wants to steal the Dragon Gate?”

“He wants to keep it for himself!”

“What a greedy bastard”

Everyone cursed angrily.

Chen Jiuzhou was even more furious.

He stepped on the ground, immediately chased after him, and slapped Mark's back fiercely.

Chapter 4459

Mark didn't hide either, he turned around and picked up the stone door to block in front of him.

Chen Jiuzhou's pupils shrank.

He was afraid that he would damage the dragon gate, so he withdrew a little bit of strength in an instant.

But the remaining palm strength still fell on the stone gate.

There was only a bang.

Mark and Shimen were sent flying a thousand meters away.

“Thank you, Dianshu Chen, for giving me a ride.”

Mark showed his face from behind the stone gate, and smiled slyly at Chen Jiuzhou.

Then embraced the dragon gate, stepped on the Tianhe River, and flew out of Yanshan Mountain like a cannonball!

“Damn thing!”

“Stop!”

Being swayed by Mark, Chen Jiuzhou was about to explode with anger.

Crazy like, chased out.

Chen Jiuzhou's speed was strange, bringing strong winds in the air.

The sound of breaking through the sky was like a sonic boom.

The distance between the two quickly narrowed.

Mark frowned immediately after realizing it.

This Chen Jiuzhou really has some strength.

The speed is so fast!

If there is no weight, Mark is not afraid of Chen Jiuzhou.

But now, he carries the dragon gate on his shoulders.

This huge weight undoubtedly seriously affected Mark's speed.

"It seems that it is impossible to escape directly."

"I can only fight."

Mark has never been an indecisive person. After finding that his speed could not get rid of Chen Jiuzhou, Mark made a quick decision.

The forward figure stopped suddenly.

Then he turned around, held the huge stone door in his hand, and slammed it directly at Chen Jiuzhou like swat a fly.

Mark's sudden turn also caught Chen Jiuzhou by surprise.

There was no time to dodge, Chen Jiuzhou bumped into it directly, and Mark was afraid to go into the mountain below.

After a successful blow, Mark did not let him go.

Immediately afterwards, more violent attacks were launched one after another.

The storm-like offensive poured crazily towards Chen Jiuzhou.

Trying to make a quick decision, with the momentum of thunder, Chen Jiuzhou was beaten incapacitated.

But Chen Jiuzhou is definitely not someone who is waiting for nothing. After suffering a dark loss, he got up step by step.

“Kyushu Swordsmanship, Thunder Flame Slash!”

hum!

A bloody long knife suddenly appeared under Chen Jiuzhou’s hands.

With a stern roar, he slashed at Tianhe with his bloody long knife.

The vertical and horizontal sword light is like a tongue of fire gushing out.

The scorching power almost scorched half of the sky.

Facing Chen Jiuzhou’s offensive, Mark held the dragon gate in front of him, thinking about using the dragon gate to resist Chen Jiuzhou’s attack again.

But this time, the berserk power was like the deep sea.

After only a moment of stalemate, the black dragon gate in front of Mark was blown away.

The hundred-ton stone door crashed to the ground, as if a mountain had collapsed unexpectedly, the landslides and rocks cracked, and the dust it brought up filled the sky.

As for Mark himself, he was also knocked back a hundred meters by Chen Jiuzhou’s knife.

After Mark stabilized his figure, he looked at Chen Jiuzhou and sneered, "Chen Jiuzhou, you are very ruthless."

"You are not afraid, this dragon gate was smashed by your attack?"

"At that time, I'm afraid you won't be able to explain to your master."

Mark tentatively said.

Chen Jiuzhou's face was gloomy, and he didn't have the opportunity to talk nonsense with Mark at all.

"My dragon gate is indestructible, how can I worry about it?"

"It's you, who dared to block the Longmen plan even though you provoked me again and again?"

"Do you really think that you alone can change the course of history?"

"You're just looking for your own death!"

Chen Jiuzhou gave a low snort.

Then he swung his knife and rushed forward again, fighting fiercely with Mark.

Without the shackles of the dragon gate, Mark's body skills are undoubtedly much more flexible.

The dragon god's body exploded, and with the blessing of strength, Mark brought the supreme power and collided with Chen Jiuzhou.

For a moment, the fight between the two was a bit inseparable.

However, Mark didn't intend to waste time with him here.

It must be done quickly!

Therefore, after a short trial, Mark stepped on Tianhe, showing his power!

The first form of Yundao Tianjue, Yunyang Kick!

It was instantly used by Mark.

After the fall of this move, the second type of strong landslide followed closely.

Chen Jiuzhou realized that Mark had used his trump card, and he did not show any weakness.

The Kyushu swordsmanship was also unreservedly released at this moment.

However, when Mark was fighting Chen Jiuzhou with all his heart.

Suddenly, several figures flashed behind him.

“Heavenly Palm!”

“The Promise Sword!”

“Mo Family Fist!”

Three figures, three attacks, like a tiger descending a mountain, overwhelming the sky and rushing forward.

Chapter 4461

This sudden attack obviously surprised Mark.

In desperation, Mark had to come up with a move to deal with the sneak attack behind him.

Although, the joint attack of Juggernaut and others is not a fatal threat to Mark.

Mark blocked the powerful offensive of the three Juggernauts with a random palm.

But, don't forget, Mark's front face, and the menacing Chen Jiuzhou!

Chen Jiuzhou's strength is not inferior to Mark's.

As the saying goes, in a duel between masters, the outcome of life and death is all in the slightest.

It seems that this moment of distraction is only a few short breaths.

However, it is enough to change the situation of the battle!

Stab it!

The sky is full of sword light, like a river of stars sweeping across.

The vertical and horizontal power has fallen in front of you.

After Mark repelled Juggernaut and others, he hastily responded to Chen Jiuzhou's surging offensive.

The light of the knife collided with the strength of the fist, and the red flame and the strength were scorched.

After holding on for a few seconds, Mark finally lost.

Thousands of offensives are all forced.

Chen Jiuzhou's blazing sword light split the galaxy, and slashed at Mark fiercely.

Hearing Mark's muffled groan, his figure was sent flying for a thousand meters like a cannonball. After smashing through countless mountains, he finally fell on top of the rocky ruins.

Bright red blood spat out along the corner of Mark's mouth.

"You can't let him go!"

"How dare you destroy my Yanxia Supreme Treasure?"

"Never forgive him!"

"that is!"

"I thought that this Brian Chu was a bit lonely and arrogant, and we still have Yan Xia in his heart."

"But now it seems that we think highly of him."

"This Yanxia scum wants to destroy my Yanxia martial arts future!"

"I'm awesome, can't I see other people's awesomeness?"

"The heart is vicious!"

“Behavior like this, everyone will be punished!”

At the foot of Yanshan Mountain, a group of Yan Xia warriors were filled with righteous indignation.
