Those present were more afraid of Mark than respectful.

Now, Mark suddenly attacked Longmen and wanted to steal Yanxia's martial arts treasure. It can be said that he touched everyone's bottom line and wanted to destroy everyone's dreams.

How could everyone not hate Mark?

Even Kong Ming and Lu Yanxi were very disappointed with Mark.

"Why"

"Mr. Chu, how did it become like this?"

"I remember that Mr. Chu back then was as bold and domineering as a hero."

"Why now, you want to grab the opportunity of us little people?"

Lu Yanxi was deeply moved.

The image of Mark in his heart is undoubtedly greatly reduced.

Anyway, she couldn't figure out why Mark would act like this.

Accompanied by the overwhelming sound of crusade, hundreds of warriors on Yanshan Mountain, armed with swords and weapons, all chased towards the place where Mark fell.

Mark was completely surrounded by the dark crowd.

The dazzling swords all pointed at the bloody man on the ruins.

Of course, besides these people, Ye Qingtian and others also looked over, proudly and condescendingly.

Facing everyone's cold eyes, Mark's blood-stained body stood up from the ground.

He didn't speak, but stared at Ye Qingtian and the others with serious eyes, and laughed.

"Hahaha"

"Hahahahaha"

The ironic laughter, like thunder rolling, shook the whole world.

No one knew how much sadness was in Mark's laughter.

"Mark, it's not our fault."

"You did too much!"

"For the great cause of our family and the country, we have no choice but to attack you."

Ye Qingtian knew the meaning of Mark's laughter.

Although, Ye Qingtian felt a little sorry for Mark's injury.

However, he has no choice!

Even if he did it all over again, Ye Qingtian would still choose to attack Mark.

The Longmen project is related to the country's martial arts future, so he can't just sit back and watch Longmen be destroyed by Mark.

"Hahaha"

Chapter 4463

"Ye Qingtian, you know, I really regret it now."

"Back then, I shouldn't have saved you during the Truman Tribulation."

"Perhaps, your death at the hands of Chu Yuan is the greatest contribution to this Yanxia martial arts!"

The wind and cloud swept wildly behind him, and gravel lay across his feet.

Mark's sneer rolled over the top of Yanshan Mountain.

He never dreamed that Ye Qingtian and the others would attack him.

And in such a shameful way, sneak attack from behind.

Fortunately, he once regarded Ye Qingtian as a friend.

Fortunately, he also felt that the group of people in the Martial God Temple acted aboveboard.

Now it seems that it's just Mark's wishful thinking.

"Brian Chu, you scum, stop talking nonsense here."

"The battle of Truman was the credit of all warriors in the world, but you picked the peaches!"

"Our Yan Xia Martial Dao has suffered heavy losses, but your fame and fortune have all been gained by you alone."

"What face do you have, dare to mention the Truman battle?"

Faced with Mark's sarcasm, God of War and others did not speak.

Perhaps, they also have guilt in their hearts.

However, Zhao Zhenlu, who was severely injured by Mark before, blatantly accused Mark with a rhythm.

Others were already angry with Mark, but now that the situation was fueled, everyone's hatred and antipathy towards Mark undoubtedly reached the extreme.

"Boss Zhao is right!"

"Brian Chu, in the battle of Jiangbei, you slaughtered your compatriots. In the land of Wrifill, you disrespected the palace master, and now you want to destroy the dragon gate!"

“Your crimes are endless in the waves of the East China Sea, and endless in the bamboo books of the Southern Mountains!”

“What face do you have to come to Yanshan?”

“What face do you have to say that to God of War?”

“You deserve death!”

“Yes, you should die!”

“Die!”

For a time, the crowd was furious.

Above Yanshan Mountain, a group of warriors surrounded Mark and attacked Mark verbally and in writing.

Many people have already raised their swords, ready to surround and kill Mark with Chen Jiuzhou.

“Brian Chu, did you see it?”

“This is the end of your enemy against me!”

“Everyone betrays their relatives and is accused by thousands of people.”

“Brian Chu, your reputation has been ruined.”

“If I were you, I would have no face to live in this world.”

“So, accept your fate.”

“Today, Yanshan is the place where you fell.”

Looking at the angry look of the group of Yan Xia warriors under his feet, Chen Jiuzhou was full of complacency and arrogance.

Like a victor, he looked down at his defeated opponents.

“Kyushu, Mark was just impulsive.”

“There’s no need to kill them all.”

"I think, as long as he promises that he will never enter Yanshan again and never attack Longmen again."

"We are compatriots after all"

Ye Qingtian persuaded from the side.

Dissatisfaction is dissatisfaction, but Ye Qingtian doesn't seem to want to see Mark fall like this.

"God of War, why bother with the benevolence of women?"

"This scum will not die today, and my hot summer will never have a peaceful day."

Chen Jiuzhou said coldly.

"right!"

"kill him!"

"We must never let the tiger go back to the mountain again!"

The crowd behind him was furious, and many people clamored to kill Mark on the spot.

Facing the accusations of thousands of people, Mark at this time seemed so lonely.

For a moment, Mark suddenly didn't know why he did all this?

Just to save these ignorant and pedantic idiots?

Just to protect these villains who don't distinguish between right and wrong, right and wrong, and seek revenge?

If I gave everything just to keep these people alive, then why bother?

Thinking of this, Mark shook his head and laughed at himself.

"I came to Yanshan, although I have the heart to help the world and save the people. But now it seems that I am sentimental and wishful thinking after all."

“Since that’s the case, why should I save this world?”

“You ignorant and pedantic idiots, one day, you will finally realize what kind of disaster that Dragon Gate that you flock to will bring you in the future!”

Mark’s deep laughter echoed across the sky.

Afterwards, he no longer paid attention to the Dragon Gate, let alone the Yanxia Martial Arts.

He was tired, and he didn’t want to take care of this worldly thing anymore.

He has decided that after leaving today, he will retire to the mountains.

He will no longer care about the life and death in this world, the troubles of the world.

Let these self-righteous idiots fend for themselves.

“Want to go?”

“It’s not that easy!”

“Die to me!”

Seeing that Mark was about to run away, Chen Jiuzhou yelled angrily, and rushed forward immediately with a mad knife in his hand.

“Everyone join hands to help Dianzhu Chen and kill this Brian Chu!”

“Let him die!”

Between Yanshan and Chen Jiuzhou took the lead.

Zhao Zhenlu behind him, even though he was injured, still kept pace crazily.

Under the fury of the crowd, the hundreds of warriors on the field undoubtedly launched a siege to Mark.

Of course, it was still Chen Jiuzhou who rushed to the front.

Looking at the accusations of thousands of people, listening to the overwhelming abuse.

Mark just thinks how ironic this world is?

He came here to Yanshan, obviously to save the world.

But the people of this world regard him as a scourge, and everyone can punish him.

Such an encounter would make it hard for anyone to hide their anger.

Just like Mark at this time, he was undoubtedly completely irritated.

The surging killing intent surged in his heart.

“Let me die?”

“You, too!”

boom!

Under the anger, a majestic power immediately exploded quietly on Mark.

He no longer chooses to retreat.

Instead, he turned around and faced Yan Xia Wudao.

“It’s you who are determined to seek death, don’t blame me for being cruel and ruthless?”

The wind is fierce, and the sound of the forest is like the echo of death.

The previous calmness and calm completely dissipated.

At this time, the person across Yanshan Mountain was Brian Chu, who conquered the world and killed the world, who was frightened by the news!

The red eyes were burning like flames.

That terrifying killing intent, as if condensed into substance, set off thousands of violent winds on the bank of Yanshan Mountain!

Seeing this scene, Ye Qingtian's face was gloomy.

The faces of Juggernaut and King of Fighters also changed drastically!

"This is broken."

"Mark was completely enraged."

"I've already said, don't force him."

"Now that the trouble has come to such an extent, I'm afraid this Yanshan Mountain is about to bleed like a river."

Ye Qingtian was anxious all of a sudden, thinking something was wrong in his heart.

Today, according to the attitude of God of War, it is enough to force Mark to retreat, and there is no need to make trouble to the point of endless death.

After all, Mark is no ordinary person.

Every achievement on his body is enough to suppress an era.

Letting Mark take the initiative to retreat is undoubtedly the best way to end.

But now, this group of people seemed to have been beaten to death, and they insisted on forcing Mark to death.

Chapter 4465

A titled master with the number one title in the heaven list, and an extremely strong man who can kill the gods alone.

No one knows how terrifying such a strong man will be once he plays with his life?

as expected.

The moment Mark's words fell, on the bank of Yanshan Mountain, there was only a loud and clear dragon chant, piercing the sky.

Immediately afterwards, as if the eyes of the sky were opened, several golden patterns appeared on Mark's forehead at the center of Mark's eyebrows, like a dragon swimming.

And it's just these little golden lines, as if connecting heaven and earth.

In the 90,000-mile Tianhe River, the clouds rose and the fog rose for a while.

Rolling black clouds swept over.

Thunderbolts fell from the sky!

Mark stood proudly in the sky, as if a god had been added to his body, and as if the god of thunder was still alive.

That terrifying power, like the Milky Way rolling backwards, swept across the mountains and rivers!

Just like that, instilled in.

Mark's entire body, also under the infusion of this violent force, his body bulged like a hill.

The power of an explosion, even if separated by a hundred meters, is terrifying and penetrating.

If the scalper is here, he will definitely see it at a glance.

At this time, Mark is using the Thunder God Body that Wan'er taught Mark in the secret realm!

This scene is a long story.

But in fact, from Mark's explosion to Thor's manifestation, from the beginning to the end, it was nothing more than a flash.

While Chen Jiuzhou was still shocked at what the golden light on Mark's body was, thunderous thunder had already fallen.

And Mark bathed in the thunder dragon, and punched it down in an instant.

The terrifying punch almost smashed through the void!

“What?”

Seeing this scene, Chen Jiuzhou was undoubtedly shocked instantly.

Obviously, he didn't expect that Mark's strength would increase so much in an instant.

“As expected of the person who once dominated Yanxia, he really has some skills.”

“However, with this power, do you want to deal with me, or is it wishful thinking?”

Chen Jiuzhou's expression was gloomy, his brows and eyes turned cold.

Then, the Kyushu Swordsman took advantage of the trend and continued to chop.

The red sword light spewed out like a tongue of fire, and slashed at Mark again.

However, what Chen Jiuzhou didn't expect was that these few attacks of his couldn't stop Mark's punch.

Just hearing a bang, the thousands of offensives were instantly broken.

The ferocious strength spread along the blade to Chen Jiuzhou's body.

As a result, Chen Jiuzhou was directly sent flying by Mark's punch.

“Damn it!”

“How could it be so strong!”

Chen Jiuzhou scolded while retreating.

He found that he still underestimated Mark after all.

The explosive power of Thunder God's body has greatly exceeded Chen Jiuzhou's imagination.

As a result, Chen Jiuzhou suffered a great loss from the confrontation just now. Bright red blood flowed down the tiger's mouth where he held the knife.

Careless!

However, Chen Jiuzhou's carelessness was at most a minor injury to himself.

However, for the rest of the people, that would be a disaster.

Just after Mark repelled Chen Jiuzhou, the remaining Yan Xia warriors were undoubtedly exposed to Mark without any cover.

Especially Zhao Zhenlu who yelled the most fiercely just now.

Zhao Zhenlu was dumbfounded when he saw Chen Jiuzhou retreated and Mark attack and kill him.

Almost peed out on the spot!

We are not fools.

Although Mark's behavior provoked public outrage, most of them still knew that they could not be Mark's opponents at all.

The reason why he dared to besiege Mark at this time was entirely because Chen Jiuzhou was in front of him.

They are helping out in the back, one is to gain some goodwill, and the other is to vent the resentment towards Mark in their hearts. ,

After all, if Mark wanted to destroy Longmen, that would offend the entire Yanxia warriors.

But who would have thought that Chen Jiuzhou would be sent flying by Mark's punch.

For a while, they were on the cusp of the storm and confronted Mark head-on.

Especially Zhao Zhenlu, seeing Mark close in front of him, his soul was almost frightened away.

Turn around and run!

However, among Brian Chu's subordinates, how could there be any ants that escaped?

Ye Qingtian and the others only saw Mark bathed in thunder.

The whole person is like a god of death, rushing like a crowd.

Or punch or palm, or chop or chop.

Taotao is majestic, like a flood pouring down.

Under Lei Shen's body, any organ on Mark's body is the sharpest weapon of the magic weapon.

In just a few breaths, blood flowed from the stool above Yanshan Mountain.

The sound of misery and despair resounded throughout the Valkyrie Hall!

"stop!"

"Mark, stop it!"

Seeing this scene, Ye Qingtian's heart was undoubtedly bleeding.

He rushed over like crazy with Juggernaut and others, and tried their best to attack Mark.

With the joining of Ye Qingtian and the others, most of Mark's power was blocked, which saved some Yan Xia warriors.

However, with Mark under the blessing of Thunder God, how could God of War and the others be opponents?

Chapter 4467

After only two face-to-face encounters, the powerhouses of the three pillar kingdoms were blown away by Mark one after another.

The body of hundreds of catties smashed countless hilltops.

“Brian Chu, you kill like this, are you worthy of Yanxia? Are you worthy of your motherland?”

“In your heart, is there no guilt?”

Ye Qingtian got up from the ground and yelled at Mark angrily.

“Guilty?”

“It’s you who should feel guilty!”

“Ye Qingtian, let me tell you.”

“I, Brian Chu, will live up to the world!”

Sen Ran’s angry sound echoed rollingly.

Mark’s power remained undiminished, he was bathed in thunder and blood all over his body.

The murdered Zhao Zhenlu and others knelt down and begged for mercy, terrified and remorseful.

However, Mark’s killing didn’t last long.

Soon, Chen Jiuzhou rushed up again. He held the Bloody Crazy Knife, fought back and forth with Mark, and quickly blocked Mark’s attack.

“Damn Brian Chu!”

“Should I destroy my Longmen project?”

“Today, if I don’t beat you to ashes, it will be hard to get rid of the hatred in my heart!”

Chen Jiuzhou was also completely enraged.

This Mark first wanted to destroy Longmen, and then he attacked his talented warrior who had been selected by thousands of people.

Such an act of hindering the advancement of the Longmen plan is undoubtedly unforgivable!

However, Mark was not someone who would wait for nothing, so even if Chen Jiuzhou broke out with all his strength, at best he would be able to suppress Mark.

In a short period of time, it is undoubtedly difficult to kill Mark.

However, Chen Jiuzhou's fighting spirit was high, and his murderous intent was violent.

So, desperately launched an attack on Mark.

After learning the previous lessons, Chen Jiuzhou naturally did not dare to underestimate him.

The moves are all Xeon killer moves.

It can be said that every move wants to kill Mark!

Facing Chen Jiuzhou's crazy attack, for a while, Mark seemed to be unable to parry, fighting and retreating.

However, just after Mark retreated a thousand meters.

Suddenly, Mark frowned, "It's now!"

Mark let out a low shout.

Immediately afterwards, a black figure rose into the sky from a mountaintop.

It kicks on the ground with its hind feet and steps on the sky with its forelimbs.

A dog's mouth opened wide against the wind, and the wind blows the saliva everywhere.

"What the hell is this?"

Seeing this sudden thing, God of War and others on Yanshan Mountain in the distance were stunned.

They didn't notice until they got close.

What a dog!

Yes, it was the big black dog who came to Yanshan with Mark who rushed out suddenly.

This Chen Jiuzhou's strength is strong, and it is difficult to achieve results in a short period of time if he fights like this.

Mark can only use some means!

After the black dog rushed out, it flew across the sky like a stream of light.

With lightning speed, he rushed directly to Chen Jiuzhou.

A tiger digs out its heart!

The sharp front claws grabbed Chen Jiuzhou's chest fiercely.

Chen Jiuzhou didn't dare to take it too seriously. He dodged sideways and narrowly escaped the black dog's attack.

But who would have thought that after being avoided, the black dog's front paws suddenly changed direction and swept across.

Just heard a stab!

Claws across the world!

Several bloodstains instantly appeared on Chen Jiuzhou's forehead.

"brute!"

"How dare you ruin my face?"

“Damn it!”

“You deserve death!”

Chen Jiuzhou covered his face, furious.

He hates others hurting his face the most.

Especially now that his face was scratched by a dog, it was undoubtedly a great shame to Chen Jiuzhou.

But just when Chen Jiuzhou turned all his anger on the black dog, a sudden threat of death grabbed Chen Jiuzhou’s throat in an instant.

He raised his head suddenly, and found that Mark had already killed him before he knew it.

Yes!

The purpose of the black dog’s attack just now was to attract Chen Jiuzhou’s attention and buy time for Mark’s energy accumulation.

By the time Chen Jiuzhou noticed it, it was undoubtedly too late.

I saw Mark at this time, under the blessing of the body of the dragon god, he was as powerful as a god alive.

He used his finger as a sword, and the Yunyan Sword Art slashed down one after another!

The vertical and horizontal sword energy seemed to pull out rivers of swords between the sea of clouds.

With an unstoppable momentum, he slashed at Chen Jiuzhou fiercely.

Yunyan Sword Art is one of Mark’s hole cards.

Moreover, there is an increase in the Thor body.

Its power is like an abyss, and its power is overwhelming!

Chen Jiuzhou turned pale with shock.

Chapter 4469

Deep in my heart, there is actually a kind of terror of death, spontaneously emerging.

too close!

There was no way for Chen Jiuzhou to dodge the attack at this distance.

Moreover, Chen Jiuzhou didn't have time to react now.

His only choice is to resist Mark's sword force.

But even Chen Jiuzhou knew about such a powerful offensive.

Even if he doesn't die, he must be seriously injured!

It can be said that if you are not careful, you will lose everything.

If it wasn't for the black dog's sudden attack, which interrupted Chen Jiuzhou's rhythm, he wouldn't have fallen into such a desperate situation.

Chen Jiuzhou never thought that he would fall into the hands of a dead dog.

"Chen Jiuzhou, it's over."

"Jiang Dong, you owe me a debt, and you will pay with your life today!"

Mark looked indifferent and expressionless.

Like a cold-blooded machine, wantonly harvesting life.

"Mark, no!"

"stop!"

"Kyushu is the master of the Martial God Palace, the leader of Yanxia."

"You can't kill him!"

Ye Qingtian and others in the distance saw the scene in front of them, and their anxious eyeballs were almost bleeding.

Lu Yanxi and Kong Ming, who had been watching the battle from a distance, also urged impatiently, "Mr. Chu, keep someone under the sword!"

"Don't kill Palace Master Chen!"

Everyone shouted anxiously, trying to persuade each other.

Chen Jiuzhou is the main promoter of Longmen's experience plan, and they will have to count on Chen Jiuzhou when they enter Longmen in the future.

So, of course they didn't want to see Chen Jiuzhou die under Mark's hands like this.

But Mark turned a deaf ear, and the offensive in his hand did not cut half a point.

Just at this critical moment.

In the depths of Yanshan Mountain, white marks suddenly lit up.

When it first appeared, the white mark was still a thousand meters away.

But in the blink of an eye, he was already in front of Mark!

The speed is so fast that it seems to be teleporting.

This sudden change undoubtedly made Mark frown.

He saw the white mark collide fiercely with his own Yunyan sword energy.

After a moment of stalemate, the Yunyan Sword Art that he used with all his strength was cut off by that white light.

Mark was also extremely frightened by the opponent's powerful offensive.

But before the shock on Mark's face dissipated, the second white mark had already lit up.

This time, it directly pierced Mark's Thor body.

Immediately afterwards, the third white mark pierced through the void and reappeared.

Mark couldn't dodge, couldn't dodge, and was hit hard by the white light.

Mark snorted, as if he had been seriously injured.

A mouthful of blood was spat out, and Mark was shot down to the ground again.

Chen Jiuzhou is also considered quick-witted.

After realizing that his crisis was resolved and Mark was injured, he immediately rushed towards Mark.

"Splitting Mountain Palm!"

"Fire Fist!"

"Red Flame Slash!"

In just a few breaths, Chen Jiuzhou blasted dozens of moves in a row.

As the saying goes, take advantage of his illness to kill him.

"Hahaha"

"Brian Chu, are you the only one who has rescuers?"

"I, Chen Jiuzhou, don't have one?"

"In the land of Yanshan, with my teacher in charge, you dare to act presumptuously?"

"I can only say that you are looking for your own death and your own destruction!"

Chen Jiuzhou smiled and bombarded Mark indiscriminately.

That land was almost pierced by Chen Jiuzhou.

The rocks burst and the vegetation flew.

Mark was directly blasted hundreds of meters underground by Chen Jiuzhou.

Only then did Chen Jiuzhou stop.

“It’s finally over.”

“A little Brian Chu dares to act against us.”

“It’s really overwhelming.”

Chen Jiuzhou smiled sarcastically, then turned around to meet his teacher.

Yes, those white awns just now are the masterpiece of Chen Jiuzhou’s teacher Fenghou.

At this time, Mu Zihua, the queen of the wind, also walked from behind the scenes to the front of the stage, and appeared on the top of Yanshan Mountain.

She looked at the ruins all over the ground, and the dragon gate that fell on the ground, and couldn’t help but frowned, “What’s going on?”

Chen Jiuzhou immediately replied respectfully, “Teacher, it’s all Brian Chu!”

“Back then in Noirfork, he should have been killed.”

“Now he’s making an inch of his head, pushing his nose on his face. How dare he come to Yanshan to destroy Longmen!”

“But don’t worry, teacher, with your help just now, I have already killed Brian Chu.”

“Now it has been buried deep in the ground, and it will be buried here forever.”

Chen Jiuzhou grinned grimly.

However, as soon as Chen Jiuzhou finished speaking, there was the sound of rolling rocks behind him.

Chen Jiuzhou suddenly felt bad.

He turned his head suddenly, and sure enough, he saw a blood-stained figure standing up from the ruins.

Chen Jiuzhou immediately clenched his palms, "Stinky boy, are you still alive?"

"Life is quite big!"

"However, will you still have such good luck next time?"

Chen Jiuzhou said angrily, and then rushed forward again, ready to kill Mark completely.

Mark stood there, just smiling.

His cold gaze passed over Chen Jiuzhou, and landed on the beautiful figure behind him, "Queen of the Wind, Mu Zihua?"

"Very good, I, Brian Chu, will remember this account."

"See you next time, today's humiliation will be paid back a hundred times!"

Chapter 4471

Although Mark is aloof, he is by no means a brazen person.

In the present situation, if we continue to fight, it will be meaningless, and it will even make us fall into a desperate situation.

Therefore, after seeing the appearance of Fenghou, Mark already wanted to retire.

He came to Yanshan here out of a kind of family and country righteousness.

Now, he, Brian Chu, has become a sinner of the country, and Chen Jiuzhou and the others have become heroes of justice.

So, it's no longer necessary.

Why risk your own life for these ignorant and indifferent people.

So, after the words fell, Mark turned around and went straight to leave outside Yanshan.

“Want to escape?”

“It’s not that easy!”

Seeing that Mark was about to run, Chen Jiuzhou picked up the mad knife and wanted to catch up.

However, he was stopped by the queen of the wind.

“Teacher, this guy is calling.”

“Are you still letting me hold back?”

“If you let the tiger go back to the mountain, it will be a big disaster.”

“He destroyed the Dragon Gate today, and he will stop our Dragon Gate plan in the future!”

Chen Jiuzhou said very angrily.

After the wind, Mu Zihua remained calm.

“With your strength, even if you catch up, you may not be able to keep him.”

“give it to me.”

Mu Zihua raised his head and looked in the direction Mark left

To Mark, Mu Zihua has no grievances with him.

Originally, if Mark stayed in Noirfork safely, Mu Zihua would definitely not embarrass him.

But now, Mark’s delusional attempt to destroy Longmen has undoubtedly touched Fenghou’s bottom line!

And, it seemed, he wasn’t ready to let it go.

That being the case, this person really cannot stay.

“Teacher, do you want to do it yourself?”

“Death in your hands is cheap for that kid!”

His teacher had already spoken, so Chen Jiuzhou didn’t say anything more.

What Feng Hou said was right, his and Mark’s strength should not be much different, and it would be hard to tell the winner if they fought in a short period of time.

Now that the Longmen plan is imminent, it is natural that a quick decision is needed.
