# Chapter 4472

It is undoubtedly the best choice to let the teacher take action!

"Brian Chu, it's time for your death."

"I only hate me, I failed to kill you with my own hands."

Chen Jiuzhou felt regretful, looking at Mark like a dead body.

Not only Chen Jiuzhou thinks this way, but Fenghou himself also thinks this way.

Brian Chu, a mere junior, can't match her Wuzhishan.

"Kyushu, take a good look at it. For the teacher, this plan is a thousand threads, and it will only be demonstrated once."

"Look at me, exhale into silk, and kill people at a thousand meters."

Mu Zihua spoke slowly, his words were low and calm.

That faint tone was as simple as killing Mark, like slaughtering chickens and dogs.

The next moment, Chen Jiuzhou saw Fenghou's jade hand and quietly raised it.

Then, the invisible force quickly gathered under the wind.

Finally, Fenghou waved his jade hand.

I saw her subordinates chasing after Mark like thousands of silk threads.

Looking at it from a distance, it looks like a thousand arrows attacking.

Moreover, the speed was extremely fast, and he quickly caught up with Mark.

"Qi is like a sword thread, killing people from the air."

"As expected of a teacher, this level of cultivation has made this disciple amazed!"

Chen Jiuzhou's eyes were full of shock, and he said with deep emotion.

"Okay, learn more skills, it's more useful than saying anything."

"Go and collect the corpse."

Feng Hou waved his hands confidently, then turned around and went back.

He didn't look at it again, and there was no need to look at it again.

The moment she made a move, the result was already doomed.

She had seen Mark's ability, and she definitely couldn't stop her entanglement.

However, just as Feng Hou turned around, Chen Jiuzhou called to stop her.

"Teacher, look quickly."

"There's no need to read it, you just go to collect the corpse. Yanshan is the sacred place of martial arts in Yanxia, don't let the corpse dirty this holy place." Feng Hou still pretended to be forced.

But Chen Jiuzhou's face turned completely dark, "Teacher, take a look, it will be too late if you don't."

Chen Jiuzhou was in a hurry.

After the wind, I looked back.

I saw that in the depths of the sky, Mark was riding something, and his speed was several times higher than before.

As fast as a stream of light, he rushed a hundred miles away in a flash.

As a result, the silk threads she cast just now couldn't catch up at all, but were pulled further and further away.

In the end, he lost his target directly, and his thousands of energy also dissipated into nothingness.

"this"

Mu Zihua, who had always been extremely cold and cold, finally lost his composure at this moment.

The beautiful face was full of astonishment.

She actually missed?

Just now Feng Hou talked so full of words, but now Mark still let Mark run away.

## Chapter 4473

This undoubtedly made Feng Hou feel a little ashamed.

His face was terrible.

"Lucky for him."

Feng Hou forcibly held back his respect, and then left with an ugly face.

Mark had already run away, and even she couldn't help it.

Chen Jiuzhou was very angry!

If I had known, he would have gone after him just now.

"No, you can't let this brat go."

Chen Jiuzhou touched the scarlet blood on his face, his face was gloomy, and he didn't know what conspiracy he was planning.

After Mark left, Yanshan finally returned to calm.

The staff of Valkyrie Temple began to enter, some cleaned up the ruins, and some treated the wounded.

As for Chen Jiuzhou, he brought Longmen back to its original place.

"This damned Brian Chu!"

"Is he really crazy?"

"Why did you suddenly attack our Yanxia warriors?"

"Even hit you!"

After everything returned to calm, the King of Fighters and others let out a long sigh of relief.

However, recalling the previous scene, the King of Fighters was still angry and puzzled.

Originally, if Mark hadn't made trouble, they should have entered Longmen to practice by now.

But now, it was all messed up by Mark.

"He must be crazy!"

"No matter how domineering that Brian Chu was in the past, there was a reason for everything."

"But this time, it's completely unreasonable." The King of Fighters cursed angrily, always feeling that Mark's behavior today was a bit out of his mind.

Only the King of Fighters was silent for a long time.

He looked at the wounded on Yanshan, shook his head and said, "He's not crazy."

"If he is really crazy, the hundreds of warriors on Yanshan Mountain are probably all dead bodies."

"Obviously, he's been keeping his hand."

"Only hurt but not kill."

In the previous battle, although there were many wounded, there were very few dead.

This is enough to show that Mark has been showing mercy.

"But why did he do this?" The Juggernaut couldn't figure it out.

The King of Fighters was lost in thought.

He looked at the weird black dragon gate, and then at the direction Chen Jiuzhou and Fenghou left, but the solemnity in his heart became more and more intense.

Mark, why did he take such painstaking efforts to destroy Longmen and hinder the plan of Longmen?

Could it be that there is really a problem with this Longmen?

Just like what Mark said, he just attacked rashly for the sake of the common people in this world?

God of War's mind became more and more disturbed.

He has already begun to waver.

He didn't know whether he should trust Mark or not.

the other side.

After Mark left Yanshan, he rode Xiao Hei all the way westward and headed straight to Noirfork.

Not long after, they returned to the old house of the Chu family.

"Mark, are you back?"

At the entrance of the old house, An Qi sat quietly on the steps in a green dress.

The fiery red sunset sprinkled the girl's body with brilliance, as beautiful as a person in a painting.

After hearing the movement, she immediately got up, shouted happily, and ran forward, ignoring the steps under her feet.

So much so that when one foot stepped on the air, the whole person fell out directly.

"careful!"

Seeing this, Mark was shocked.

He jumped off the black dog's back, and then hugged the nephrite jade into his arms.

"You girl, why are you running around?"

"What if it breaks?" Mark scolded anxiously.

But An Qi smiled happily, "I'm not afraid. Because I know, you will definitely catch me."

An Qi said softly, smiling like a flower.

An Qi smiled softly, her gentle smile refreshing.

Mark was stunned, only felt that a place was cracked in his heart, and a warm current flowed out.

It turned out that I had such a heavy place in this silly girl's heart.

It turns out that in this world, there are still people who believe in themselves unconditionally.

She believed that she could leave her life and death to herself.

Mark didn't speak, but held An Qi tightly in his arms.

Like a wounded tiger, I am getting warmth and comfort from this.

"Mark, what's wrong with you?"

“Is it because going to Yanshan this time is not going well?”

Although An Qi is blind, her perception is still very keen.

She clearly felt the loneliness and desolation in the heart of the man in front of her.

It's like being abandoned by the whole world.

“It's nothing, Angie.”

“Maybe, I'm just tired.”

“However, no matter how hard and tired you are, it's over.”

“Tomorrow, I will take you away.”

“Leave Noifork, leave Yanxia, and leave this chaotic world.”

“Just like you have been expecting, I will take you to a pure place.”

“There, there are no villains, no killings, and no conflicts of interest.”

Mark forced a smile on his face, and while talking, lightly scratched An Qi's Qiong's nose.

When An Qi heard the words, she was overjoyed immediately, and then said hello.

He looked happy, like a child who stole candy.

“Come on, Angie, come in with me.”

“We spend the last night with grandma.”

Mark took An Qi's hand and walked into the Chu family's old house.

“Mark, on you”

As soon as she entered the house, Grandma discovered Mark's injuries.

Mark did a silent motion.

He didn't want An Qi to know that he was fighting again.

"An Qi, you look at the little black spot first, don't let it bite things."

Chapter 4475

"I'll go out with grandma to get something."

Mark found an excuse and went out with Grandma.

In the courtyard, the cool moonlight is like water.

Mark stood there, and said with some shame, "Grandma, I failed."

"I didn't destroy Longmen, nor did I bring him out of Yanshan."

"It's okay, Mark. There will be chances in the future. Yanshan is the sacred place of martial arts in the hot summer, and there are many strong people. I have already guessed that it will not be so easy to succeed." Grandma Tai comforted, and did not blame Mark.

But Mark shook his head, "Grandma, I'm sorry, I don't want to take care of this matter anymore."

What?

When Grandma heard this, her face changed slightly.

"Mark, you should know, what will happen to this world once their plot is allowed to succeed?"

"Right now, only you have the ability to possibly prevent all these disasters from happening."

"Are you really going to sit back and watch this world be destroyed?"

Grandma said anxiously.

Mark smiled miserably.

"what's the function?"

"It's just that I tried my best to save the world, but what happened?"

“They regard me as the scum of the country and call me a beast.”

“Even the big brother I trusted the most used to sneak attack and hurt me with the unique skills I taught me.”

“This secular world is filthy, and people in this world are cold.”

“Grandma, tell me, why do I ask for this world?”

“Life and death are their own choice!”

“I tried, I tried, I tried.”

Mark’s eyes were full of self-deprecation, and his cold laughter was full of sadness.

“Mark, grandma knows your grievances, but” grandma wanted to persuade her again.

But Mark didn’t want to listen anymore.

“Grandma, I’ve made up my mind, you don’t need to persuade me anymore.”

“Grandson is tired, really tired.”

“I’ve been fighting this world for so long, and I don’t want to fight anymore.”

“Tomorrow morning, I will take An Qi away.”

“In the future, this world is really coming to an end. My grandson will come to pick up Grandma and go to another pure land.”

After Mark finished speaking, he turned and went back to his room.

Looking at Mark’s back, Grandma opened her mouth, wanting to say something else.

But in the end, it just turned into a long sigh.

She knew that Mark was really desperate for the world.

“Why”

“Perhaps, all of this is fate.”

Grandma Tai didn’t force anything, and accepted the fact that Mark was leaving.

And when Mark had already decided to officially retire tomorrow, in Yanshan, Mu Zihua was in a secret room, conducting a video conference.

On the huge screen in front of you, all the powerhouses on the list of gods are on it.

In addition to the four strong men on the list of gods, there is another person, wearing a blood-colored robe, sitting on a high seat.

Except for him, the other four people all stood respectfully and participated in the meeting.

“Feng Hou, what did you say?”

“The Longmen of Yanshan was attacked by Brian Chu?”

“Have you found out, why did Brian Chu raid the Dragon Gate?”

The man in the red robe asked coldly.

Mu Zihua lowered his head, and respectfully replied, “Master, Brian Chu has been seriously injured by me, so he should return to Noifork at this time.”

“The dragon gate is not damaged, it is intact as before.”

“As for the purpose of Brian Chu’s move, it is still under investigation.”

“Trash!” the red-robed man cursed angrily.

Facing his angry words, there was a kind of god-ranked powerhouse present, although he was at the top, he kept silent and dared not say a word.

Especially Mu Zihua, who knelt down and pleaded guilty.

The man in red robe didn't pay attention to Mu Zihua's apology, but frowned and thought deeply.

He has dealt with Mark not once or twice.

Knowing how strange and difficult this child is.

"At this time, it suddenly appeared in Yanshan, and its target was directly at Longmen."

"Could it be that he already knows something?"

Thinking of this, the red-robed man frowned suddenly.

"No, I can't ignore Xiao Xiao anymore!"

"The reason why my Longmen project fell short last time was because I was defeated by Brian Chu."

"This time, we must not repeat the same mistakes."

## Chapter 4477

"In this way, I order you guys to convene the martial arts alliance meeting in the name of the international martial arts leader."

"Determine Brian Chu as an anti-human warrior, and position him as the number one on the world's most wanted martial arts list."

"Issue a red notice, Brian Chu is wanted all over the world!"

"When necessary, the four of you will personally capture and kill them."

The man in the red robe ordered in a deep voice, but his deep words could not conceal his endless murderous intentions towards Mark.

"Yes, master!"

The four major international martial arts leaders all agreed.

After the video conference ended, Fenghou and the others immediately arranged for their own staff stationed in the Wumeng League to hold the Global Wumengmeng Conference overnight.

And follow the procedures to vote on the issue of arresting Brian Chu.

The result of the vote was 136 votes in favour, one abstention and one against.

The almost one-sided advantage made Mark a global public enemy.

Early the next morning, the news was announced to the world in the form of news.

God of War, who saw the news, jumped up in shock on the spot.

He immediately called the Yanxia representative of the Wumeng League, "What the hell is going on?"

"Who made you pass this proposal?"

"Who asked you to put Brian Chu on the red wanted list?"

The God of War was almost insane, and asked.

The red wanted list in the martial arts world is the most wanted list with the highest specification.

In history, only thirteen people have been on this list.

Without exception, these thirteen people were all killed.

Moreover, it was brutally exterminated!

Yes, once on this list, it will represent the martial arts of each country, and they all have the responsibility and obligation to provide any convenience for the murderer.

In other words, it is to use the power of the whole world to hunt and kill you. Moreover, the three clans must be implicated.

Wives and children, parents, must die!

Thirty years ago, a master of Tianbang was listed on the most wanted list, and hid in the mountains with his wife and children.

As a result, the Wumeng used strategic bombers to drop nuclear bombs and razed the mountain range to the ground.

All creatures were turned into fly ash.

There was not even scum left in that family.

“God of War, there is nothing we can do.”

“This proposal was jointly initiated by the four giants of the God List.”

“No one dares to object.”

“And, Brian Chu has indeed done it before.”

“He actually wanted to destroy Longmen. This is a crime that offends the entire martial arts world.”

On the phone, Yan Xia's helpless voice came.

Brian Chu has always been Yan Xia's business card.

Because of this name, all the strong outsiders are in awe of Yanxia Warrior.

It can be said that the three words Brian Chu have greatly enhanced the national pride and dignity of Yan Xia warriors for a period of time.

But now, this name has become a shame and a disaster overnight.

If possible, Yanxia's representatives in the Wumeng League do not want to pass this resolution.

Not to mention the damage to the majesty of the country, for Yan Xia, it is also a damage to a top powerhouse.

However, he couldn't help it.

With Fenghou's instruction, he has no choice!

And, what if he vetoed it?

The will of the majority of people, even a country in Yanxia, cannot be disobeyed.

What's more, Fenghou and Chen Jiuzhou both supported the capture and killing of Mark.

This is dead end!

A game of death.

Even Ye Qingtian, the god of war, cannot change it.

Hearing this, Ye Qingtian felt as if all his strength was taken away in an instant.

He was a little lost, and his voice was much lower.

He didn't expect it to develop into such an ending in the end.

A few months ago, Mark, who was still the hero of the country and the savior of the world, suddenly became the great devil who is the enemy of the whole world.

"I just want to ask, which country are those who voted against and those who abstained?" Ye Qingtian asked the last question.

On the phone, the other party replied guiltily, "God of War, Japan opposes, India abstains."

"At the meeting, the representative of Japan said that they will live and die with Mark in the highest degree."

silence.

There was a long silence.

I don't know how long it took before Ye Qingtian's self-deprecating laughter came from here.

"Hahaha"

"I didn't expect that my strong man in Yanxia would one day need the protection of another country's martial arts."

Ye Qingtian's laughter was full of shame.

God of War and Mark have known each other for many years.

Although Mark did many things, God of War disagreed.

Chapter 4479

Even, when Mark destroyed the dragon gate before, God of War also injured Mark.

But right and wrong, life and death are life and death.

For God of War, he didn't want Mark to die.

In his life, God of War didn't make many friends.

Mark is definitely one.

His talent, his talent, even his arrogance, his perseverance

All the qualities displayed by Mark are appreciated and yearned for by God of War.

God of War has had too many worries, too many constraints, and too many shackles in his life.

Therefore, when you meet someone as free and easy as Mark, you will instinctively develop some liking for him.

Because, this man lived the way he yearned for.

But now, God of War naturally felt sad seeing Mark end up in such an irreversible end.

“That’s right, God of War.”

“I know you have a deep friendship with Brian Chu.”

“But this time, I hope you will put the responsibility of your family and country first.”

“Don’t give Brian Chu any assistance or protection.”

“Otherwise, it may implicate my Yan Xia martial arts and damage the image of the Martial God Hall.”

“Now Brian Chu is recognized as a sinner by the whole world, it’s better to keep him at a respectful distance.”

On the phone, there was a sound of advice from the other party.

Ye Qingtian didn’t speak, but just hung up the phone.

Then, left Yanshan.

Ye Qingtian was by no means the only one who also saw this news.

In the land of Yanjing, today’s morning meeting has just been held.

At this moment, the phone rang suddenly.

A piece of news is pushed over.

The title Qinglong Major General Brian Chu committed a crime against humanity and was sentenced to death by the World Martial Arts League, implicating the three clans.

Xu Lei was stunned at that moment.

The brain is buzzing!

She didn’t know if this was true, so she called immediately and started asking until it was finally confirmed.

After learning about this, Xu Lei rushed to Noifork like crazy.

But he was stopped by his subordinates.

“President Xu, don’t go.”

“Now the powerful people from all over the world are rushing to Noifork”

“It is said that the four powerhouses on the God List will also take action in person.”

“For Yanxia, a nuclear bomb has even been prepared.”

“You pass now, it will be of no use, you will just sacrifice a life for nothing”

The people around tried to persuade each other.

But Xu Lei didn’t care at all.

She was going to find Mark, she was going to see her brother Mark.

She had already lost Mark once, and she didn’t want to lose her a second time.

So what if you die?

It is also happiness to die with the person you like.

Everyone couldn’t stop Xu Lei, who had made up her mind.

However, he just ran to the door.

Outside, a white-haired old man rushed over.

“Mr. Han, where’s my brother Mark?”

“I want to see Brother Mark?”

Seeing someone coming, Xu Lei asked in a panic.

Seeing Xu Lei like this, Mr. Han sighed.

“Don’t go.”

“You went, but you couldn’t find the Dragon Lord.”

“The Dragon Lord has left and left Noirfork.”

“Before leaving, Dragon Lord has something for you.”

Elder Han was also depressed and handed a letter to Xu Lei.

Xu Lei immediately tore off the envelope.

“Lei’er, I’m sorry, I can only say goodbye to you in this way.”

“I wanted to take you away with me, but after thinking about it, it’s better not to implicate you.”

“I, Mark, am already a scum of human beings. I am the enemy of the whole world. All three of my clans have been implicated, so why should I implicate you again?”

“I’m leaving, don’t worry about me, in this world, the person who can kill your Brother Mark hasn’t been born yet?”

“On the contrary, you have always made me worry.”

“Lei’er, if possible, Brother Mark still hopes that you can find a better home, someone who can make you happy.”

Chapter 4481

“Not like me, what can bring you, except disaster, is pain.”

“I used to think that my existence would bring you happiness. But now I realize that what I, Mark, brings to others is only endless pain.”

“I have treated the world with sincerity”

“But I’m full of enthusiasm, and what I get in return is always a cold heart.”

“I am the enemy of the world”

“This world can no longer accommodate me, maybe leaving is my final destination.”

“No matter what the world thinks of me, I, Brian Chu, feel that I am worthy of this world. What I am really ashamed of is you, Xiaolei, Helen Qiu, Yueer, Yaoer, and everyone who loves me and me. somebody to Love”

“If you have a chance, help me and give it to them, and say sorry.” Put pen to paper, Mark!

Looking at Mark’s last last stroke in her hand, Xu Lei’s emotions were already out of control.

She wailed loudly, her tears pouring down like a flood in June.

“Why?”

“Why is this happening?”

“Why did it end like this?”

“Obviously it’s all over, obviously everything has changed for the better”

“Chu Yuan is dead, Truman is gone”

“But why, this world still doesn’t allow me, Brother Mark?”

Xu Lei almost broke down and howled.

A few days ago, she was still planning to go to Wrillfill to find Mark, and wanted to celebrate Mark’s birthday.

She just learned how to make Coca-Cola Chicken Wings, and she still wants to make them for Mark.

The clothes she just bought had not had time to show Mark.

There are so many things she hasn’t done yet, but why, everything changed overnight.

The great hero who saved the people has now turned into a great villain against humanity.

“Mr. Xu, I don’t know why.”

“However, the Dragon Lord has ordered that the Dragon Temple be disbanded, and everyone should not interfere with this matter.”

Old Han’s eyes were red, and he never thought that the Dragon Lord who once shocked the world had come to a desperate situation.

“I don’t listen, I don’t listen”

“I’m going to find Brother Mark”

“Why is he so selfish?”

“Why did he abandon me?”

Xu Lei pushed everyone away and still rushed towards Noifork, her tears were shattered by the biting cold wind.
