“Miss Xu, why are you doing this?”

Old Han’s eyes were full of sadness.

Is this love?

Like a moth to a flame, even if it is covered with bruises, even if it is wiped out in ashes, there will be no complaints or regrets?

Mr. Han has been single all his life, never had a crush, never experienced love.

However, after following Mark for so many years, he was fortunate to witness the most sacred feeling in the world.

“It’s just, Miss Xu, I’m sorry.”

Old Han sighed.

As for his duty, he must fulfill the orders given by Mark.

So, after a brief touch, Han Lao gave an order.

“Stop her.”

Behind him, several warriors who belonged to the Dragon Temple rushed out and controlled Xu Lei.

“Let me go, let me go”

“I’m going to see Brother Mark, let me go”

Xu Lei struggled violently, but to no avail.

Behind them, the members of the Xu family and the Xue family were full of sorrow and unbearable, but they didn't say anything, they just watched the scene quietly.

Yeah, what else could they do?

Even the Dragon Lord had no choice but to accept the reality in front of him, so what can they do?

They also want to share life and death with Mark, and they also want to be enemies with their Dragon Lord and the whole world.

However, these thoughts are only their wishful thinking after all.

Because, even Mark himself has already retreated.

However, just as Xu Lei was crying, a figure in white appeared here.

Seeing this person, Xue Renyang, the head of the Xue family, suddenly shrank his pupils, "God of War, Ye Qingtian!"

Elder Han was also startled, and instantly alerted.

The warriors he brought took the shape of a half moon and surrounded Ye Qingtian, the god of war.

"God of War, right?"

"Miss Xu has no blood relationship with my Dragon Lord."

"The matter of the Dragon Lord has nothing to do with her."

"Could it be that your Martial God Palace is going to violate the rules established by yourself, expand the scope arbitrarily, and implicate them?"

Han Lao asked in a cold voice, his old eyes were as cold as ice.

Chapter 4483

Ye Qingtian glanced at him, "You misunderstood. I came here just to tell Miss Xu not to go to Noirfork, so as not to be implicated."

"Huh?" Elder Han was taken aback, "Didn't you take orders to kill us?"

Ye Qingtian shook his head, "Of course not. Wanting Mark is definitely not my original intention. But my ability is limited, and many things cannot be changed by me. I'm sorry, things have turned out like this."

Ye Qingtian said in a deep voice, there was shame and apology in his words.

"God of War, think of a way to save brother Mark?"

"You are Yan Xia's God of War and the leader of Yan Xia's Martial Arts. You can definitely change everything."

Xu Lei begged Ye Qingtian, her voice choked with tears.

Ye Qingtian sighed.

"Too late, too late."

"The powerhouses of all countries have rushed to the hot summer, the powerhouses of the four gods have come to Noifork in person, and the strategic bombers carrying nuclear bombs have also taken off."

"The net of death has begun to fall."

"This calamity, I'm afraid he won't be able to escape."

Ye Qingtian's heart was heavy.

He didn't expect that this time, in order to besiege and kill Mark, the World Martial Arts League would make such a big determination.

The four strongmen on the list of gods were all dispatched in person.

The meaning is already obvious.

They strive to kill with one blow, and do not allow any accidents to appear.

In Ye Qingtian's view, with Mark's strength, a strong man on the list is enough to subdue him.

Now the four gods are dispatched, and they are matched with nuclear bomb fighters.

Ye Qingtian wanted to break his head, but he couldn't think of any way to break the situation.

Xu Lei, who heard all this, felt trembling all over, her mind went blank, and her soles were so weak that she almost fell to the ground.

Han Lao and others immediately stepped forward to help her to the hospital.

Xu Lei refused.

She doesn't want to go to the hospital.

She wants to go, Noirfork.

"Are you crazy?"

"The nuclear bombs have been dispatched, what else are you going to do?"

Xu Lei's relatives questioned Xu Lei worriedly.

Others also persuaded.

But Xu Lei still wanted to go.

Whether it's life or death, she's like, look at her brother Mark again.

"Okay, Miss Xu, I'll take you there."

"Although I can't save Mark, I can still protect you."

Seeing this, Ye Qingtian was also very moved.

He finally decided to take Xu Lei to Noirfork to see Mark's final ending.

"But Miss Xu, no matter what Mark's final outcome is, you have to promise me that you must control your emotions."

“Nowadays the martial arts of all countries are very hostile to Mark. Even if you are not Mark’s blood relative, if you let them see that you have feelings for Mark, you will definitely be implicated.”

Before leaving, Ye Qingtian made three agreements with Xu Lei.

Afterwards, God of War took Xu Lei to Noirfork.

Of course, in addition to the God of War, there are also the devil-hunting teams established by the major powers, as well as the four masters of Fenghou, Asura, Odin, and Ymir who are dispatched together.

In addition, a strategic bomber also took off in the northwest hinterland of Yanxia, and under the escort of several fighter planes, it headed to Noirfork.

Like the big net of death, it has converged towards Noirfork.

The sickle that harvests life is about to fall!

Yunding Mountain Villa.

Mark came here again.

Angel was wearing a black dress, standing beside Mark quietly, holding his hand.

In front of Mark, there were all the gangsters from Noirfork who came to see him off.

“Mr. Chu, according to your instructions, I have secretly sent your relatives to India.”

“Miss Yueyao said that she will fully cooperate with the reception, and help them hide their identities and protect them.”

“Mr. Chu, everything is ready, please leave immediately.”

“If you don’t move, it will be too late!”

Ericson Li also got the news suddenly.

Until now, Mark has become an anti-humanity, and is the enemy of the whole world.

Although he didn't know why this happened, Ericson Li was undoubtedly worried about Mark's safety and hoped that Mark would leave Noirfork immediately.

"Yes, Mr. Chu."

"You go!"

"People from Wumeng are coming soon!"

Chen Ao, Lei Laosan and others have not recovered from their injuries.

Chapter 4485

However, thinking that today might be the last time they saw Mark, they dragged their bodies and rushed to Wrifill.

Send Mark, the last ride!

Beside Chen Ao, Chen Nan kept crying, watching Mark sobbing.

In the end, he got into Mark's arms, hugged Mark and cried loudly.

"Brother Mark, you will come back, right?"

"Will I see you again in the future?"

Knowing that Mark was leaving, Chen Nan didn't know why, but felt very uncomfortable.

It was as if my heart had been hollowed out in half.

She really wanted to say, let Mark take her away.

However, she still couldn't speak out.

She is not related to Markfei, so what qualifications does she have to make such a request?

What's more, her father would not agree.

"Nannan, don't be willful."

"You shouldn't ask, don't ask."

Chen Ao scolded, let Chen Nan let go of Mark, and don't delay Mark's schedule.

Mark smiled warmly, and gently touched Chen Nan's head, "Just to see my beautiful sister Nan Nan, I, Mark, have to go back to Noifork alive."

"Don't worry, we'll see you again."

Mark said with a smile.

Then he took one last look at the land.

This was the world he ruled.

And now, he's leaving.

"Everyone, live well."

"Waiting for the next meeting."

"Second brother, don't forget what I told you earlier."

"That's all for now, I'll wait, that's it, don't let it go!"

Mark waved at Ericson Li and the others, and then, with An Qi, went straight to the distance!

There is no time left.

In Mark's perception, four extremely terrifying auras were rushing toward here.

Mark naturally couldn't delay any longer.

After many years, it should be a good time for a good time. Even if there are thousands of styles, who else can I tell them?

“Mark, where are we going?”

“Do you want to leave Yanxia?”

On the highway, Mark was driving a sports car and galloping.

The red car body is like a strange lightning, almost leaving the whole world behind.

Before leaving, Mark asked Ericson Li to find this car for him.

Global limited edition, Bugatti Veyron.

The horsepower can reach 1200 horsepower, and the limit speed is 431k per hour.

Of course, this speed is not worth mentioning in Mark's eyes.

However, the reason why he still drove away naturally had other purposes.

“Um.”

“An Qi, I'll take you to a secret place.”

“It's absolutely safe there.”

“However, it may be a lot more lonely.”

“I wonder if you can bear it?”

Mark had already thought about where to go.

The main purpose of his retreat this time is to retreat and attack the divine realm.

Naturally, go to a place that is absolutely safe.

Otherwise, it would disturb Mark's Qingxiu, and it is very likely to delay Mark's plan, so that An Qi would not be able to continue her life.

An Qi smiled and said, "It's okay, with you here, An Qi will never be alone wherever she goes."

"It's just Mark, are you really not bringing Xiao Lin with you?"

"After all, he is your own flesh and blood."

"As for the Wumeng, if they can't catch you, they will definitely do their best to attack your own flesh and blood."

Angie was a little worried.

To be honest, Mark doesn't have many relatives in this world.

Although the Chu family is Mark's father's family, since childhood, Mark has always regarded the Chu family as weak opponents and has no family ties.

Therefore, in this crisis, Mark didn't care about the affairs of the Chu family.

After all, it is a veteran and strong family, so there must be some cards to save their lives.

It is not easy for the Wumeng to destroy the Chu family.

What's more, the Martial League also knows that Mark's grievances with the Chu family will probably not go all out against the Chu family.

It is more likely that the Chu family joined the Wumeng and worked together to surround and kill him.

Chapter 4487

Therefore, Mark from the Chu family was not worried about anything.

The only ones to worry about are Mark's uncles and aunts.

Uncle Ye Tian and the others have small goals. Let them live in seclusion in India and mix among the common people. Coupled with Yueyao's secret protection, the Wumeng is looking for a needle in a haystack.

Spending so many resources to find a few secular people, it is estimated that the Wumeng will not be too concerned.

Only that little guy is Chu Lin!

If the Wumeng cannot catch Mark, they will definitely search for Chu Lin's whereabouts with all their strength.

After all, this is Mark's only son.

The pain of losing a child is definitely the greatest punishment for a father!

Mark smiled calmly, "Xiao Lin, you don't have to worry about it."

"I have already arranged for someone to send him to my grandma's residence."

"That's my Chu family's ancestral house, under the shade of my Yunyang ancestors, and there's even grandma sitting in town."

"Even if the top four experts join forces, it may be difficult to shake the old house."

Mark is still very confident about his grandma's abilities.

Even before, Mark planned to just retreat and practice in the Chu family's old house.

But when I think about it, my grandma is old, so I don't want to cause so much trouble for my grandma anymore, it's better to leave.

Mark is already extremely grateful that Grandma can help her take care of Xiao Lin.

the other side.

Not long after Mark left, a large number of strong men poured into Wrillfill City.

Even fighter planes hovered over Noirfork on standby.

Dongchang Lake.

Several masters from the Martial God Hall brought Ericson Li over.

“Hallmaster, he is Ericson Li.”

“Brian Chu’s confidants!”

“During Brian Chu’s absence, he was helping Mark manage Noirfork!”

Zhao Zhenlu pointed to Ericson Li, who was beaten and bruised, and reported to Chen Jiuzhouhui in front of him.

Chen Jiuzhou glanced at Ericson Li, “I remember him, when I was enthroned, he even spoke against me.”

“I didn’t expect it, how long has passed, I, Chen Jiuzhou, have already stood on the top of the hot summer, but Mark has become a bereaved dog.”

“Tell me, where did he go?”

Chen Jiuzhou asked coldly.

“Old man, why don’t you kneel down and answer?!”

Zhao Zhenlu kicked Ericson Li’s knee. Ericson Li, who was always greedy for life and shooting death, gritted his teeth and endured the pain, and was forced to kneel down in front of Chen Jiuzhou.

“Pooh!”

“You unbelievers, you are also worthy of being the Lord of Yanxia?”

“just kill me!”

“Even if I die, I will not tell where Mr. Chu is going.”

“However, I believe that after I die, Mr. Chu will definitely avenge me!”

Ericson Li gritted his teeth and scolded Chen Jiuzhou viciously.

A few days ago, Chen Jiuzhou just swore that he would never enter Noirfork again in this life.

Only a few days later, he arrived in Wrilfill again.

“Talk like fart.”

“Who can convince you?” Ericson Li said coldly.

Snapped!

Zhao Zhenlu slapped Ericson Li’s face.

“Old man, you are courting death!”

Zhao Zhenlu cursed.

whoosh whoosh~

At this time, several sounds of piercing through the sky sounded outside the horizon.

Hearing the sound, Chen Jiuzhou, who was originally full of majesty, instantly became extremely respectful.

Respectfully stand on both sides, waiting for the coming big man to come!

After a few breaths, a gust of cold wind swept past.

Four mountain-like figures had already stood across the sky above Wrilfill City.

“Um?”

“Where’s Brian Chu?”

One of the female figures asked coldly after looking around.

Chen Jiuzhou immediately replied, “Teacher, the disciple is late, and Brian Chu seems to have left Noirfork.”

“However, I have captured his confidants.”

“Wait for me to interrogate for a while, and I will definitely find out the whereabouts of Mark!”

Chen Jiuzhou said in panic.

The coercion of those four people made him feel a lot of pressure.

“Dead that heart!”

Chapter 4489

“You bastards, Mr. Chu saved the country and the people, you don’t want to be grateful, but want to kill them all.”

“Forcing Mr. Chu away, one day, you will regret it”

“I will regret it!”

Ericson Li was covered in blood and was forced to kneel on the ground, shouting at the top of his lungs.

Chen Jiuzhou was completely irritated, “Old man, you dare to insult the strong man on the list of gods, I think you really don’t want to live!”

Chen Jiuzhou clenched his palms tightly, murderous intent everywhere.

Seeing that the old guy was so stubborn, Chen Jiuzhou also changed his mind, and he was not going to use his mouth to talk.

With the knife in hand, he was ready to kill this old thing directly.

“stop!”

However, at a critical moment, Ye Qingtian arrived with Xu Lei.

Ye Qingtian slapped Chen Jiuzhou back and saved Ericson Li.

“Ye Qingtian, what do you want to do?”

“You dare to attack me, do you want to rebel?”

Facing Ye Qingtian, Chen Jiuzhou had no respect at all and sternly reprimanded him.

Ye Qingtian didn't confront Chen Jiuzhou either. "Master Chen, I just think that as a leader, you should act by yourself and uphold the rules."

"Ericson Li is not a relative of Brian Chu's blood. According to the resolution, he will not be implicated."

"You arbitrarily expanded the scope of the disaster, which violated the resolution of the Wumeng League. If you spread the word, how can you convince the public?"

"The majesty of the Wumeng will also be damaged."

Ye Qing knows the reason.

But Chen Jiuzhou obviously didn't care about these "just an ant, kill it if you kill it, who dares to refuse?"

Chen Jiuzhou insisted on doing it.

"Jiuzhou, stop. God of War is right. As a leader, you should lead by example, otherwise, if you lose your trust, how can you achieve great things in the future?" After the wind, Mu Zihua seemed to care about prestige and reputation, and stopped Chen Jiuzhou .

If you think about it, prestige and legitimacy are very important if you want to rule the world in martial arts.

Indiscriminate killing, once people lose their hearts, it may be difficult for them to implement any resolutions in the future.

After the wind had spoken, Chen Jiuzhou didn't waste time on Ericson Li.

He immediately summoned the city lord of Wrilfill to use all social forces to find Mark's whereabouts.

Soon, under Yanxia's systematic search, Chen Jiuzhou and the others quickly determined Mark's location.

"Teacher, I found it!"

"Mark is driving a red sports car on the 0321 highway, the coordinates are 116 east longitudes, north latitude"

Chen Jiuzhou quickly sent the location to Mu Zihua after the wind.

At the same time, the fighter planes on standby also quickly approached Mark's location.

Strategic bombers carrying nuclear bombs followed closely behind.

In addition, in the name of the Lord of the Martial God Hall, Chen Jiuzhou used secular forces to block all major highway entrances and exits.

A multi-pronged approach can catch a turtle in a urn.

Everything seems to be doomed!

“God of War, where are you?”

“You won't help Brian Chu, will you?”

“You don't want to court death!”

“The old guys from the Martial League have mobilized all the forces they can, and went to Noirfork to surround and kill Mark!”

“It can be said that in the thousands of years of recorded history in the martial arts world, there has never been a time when they were so united and dealt with a single person at any cost.”

“It can also be seen from this that the global martial art is determined to kill Brian Chu!”

“He can't be saved.”

“In this calamity, he will die without life!”

“If the gods come, they will not be able to save him.”

“So God of War, you must not be confused, and don’t die in vain!”

Ye Qingtian suddenly received a call.

On the phone, the anxious voice of the Juggernaut came.

After he found out that the God of War had left Yanshan, the Juggernaut was startled.

He thought that God of War was going to help Mark.

But in this situation, Mark is going to die.

Although the Juggernaut is also very strange, why this time, the global martial arts are so united.

Especially those four giants, why did they push for the siege of Mark with all their strength.

It can be said that the Juggernaut has been in the martial arts world for decades.

I have never seen such a vicious person.

However, even the last time, when Chu Yuan fought across the world, the martial arts of all countries were not so united.

To kill a person at such a cost.

Although, Mark caused a lot of disasters.

But didn’t the dragon gate not be destroyed?

It’s not like the sky is angry and people complain, let the whole world come to chase and kill him!

Anyway, both Juggernaut and God of War felt that this time, the reaction of the martial arts of various countries was too great.

“Relax, Juggernaut.”

“I know it.”

“You don’t have to worry.” God of War’s words were heavy.

What the Juggernaut said, he naturally couldn’t be more clear.

He just saw with his own eyes that the four giants of the God List came to Wrifill in person.

Chapter 4491

Everything is obvious. This time, Global Martial Arts is determined to kill Mark.

Although the former Truman also wanted to get rid of Mark.

However, at least the global martial arts was not monolithic at that time, and it was mainly Truman who contributed.

But this time is different. In the name of the leaders of the martial arts world, the four giants of the god list have mobilized the martial arts forces of all major countries in the world.

This time, it is not an exaggeration to say that the whole world is chasing Mark.

“You know you’re still going?”

“At this time, you should avoid suspicion!”

“Come back quickly!”

The Juggernaut tried to persuade him anxiously.

Ye Qingtian was silent for a long time, and finally replied seriously, “Sword Master, Mark is my Yan Xia warrior after all, and you and I have grown up watching it with our own eyes.”

“At this time, we can’t help him.”

“I came to Noifork just to see him off for the last time.”

In Ye Qingtian’s words, there was incomparable heaviness and grief.

For a while, the Juggernaut on the other end of the phone was also silent.

I don't know how long it took before the Juggernaut replied, "If you want to go, then go."

"No matter what, Brian Chu can be considered a hero in this world."

"I can only say that heaven is jealous of talents."

Juggernaut's mood is also complicated.

It can be said that every step of Mark's road to fame has brought a lot of trouble to the Martial God Hall.

But despite the ups and downs along the way, this guy Mark has finally grown to an extremely terrifying state.

But in the same way, this man rose like a comet and fell like a comet.

Echoing Mark's life is like a firework.

Although it was short, it was extremely bright and eye-catching.

After hanging up the phone, Ye Qingtian took Xu Lei, followed Chen Jiuzhou and others, and followed them all the way.

"God of War, Brother Mark, what did he do?"

"Why, the whole world has to embarrass him?"

On the way, Xu Lei asked Ye Qingtian with tears in her beautiful eyes.

"It's a long story." God of War didn't know how to tell Xu Lei.

However, to be honest, even the God of War himself didn't know the reason why the four giants were forced to dispatch themselves?

Many things, if you look into it carefully, there are really too many illogical places.
