After the anger, the four giants on the God List immediately turned around and chased in Mark's direction.

Their speed is obviously much faster than Mark.

In just a few blinks, he was already within a hundred meters behind Mark.

"Damn it!"

"Why so fast?"

Mark looked back, but he was very anxious.

In desperation, Mark turned around and punched.

Wuji Jiujin smashed towards Asura who was rushing forward.

"Hmph, how dare you show yourself how shameless you are with such a small skill?"

Asura sneered, and then slapped out with a palm.

The terrifying palm prints directly dispersed Mark's attack.

And the momentum remained undiminished, and it hit Mark's back steadily.

Mark didn't dodge, but resisted the blow.

The huge palm prints dragged Mark's body, accelerated instantly, and directly sent Mark thousands of meters away.

"Hahaha"

"Thanks a lot bro!"

Mark's cheap laughter came from ahead.

Seeing that the distance that was just shortened and expanded again, Asura almost vomited blood from anger.

Feng Hou was even more angry.

“Asura, you idiot!”

“Which side are you from?”

Feng Hou was eager to take down Mark, but now he was beaten away by Asura, so he was naturally angry.

“You don’t need to talk too much!”

“That brat, I will kill him myself!”

Asura was also extremely angry and depressed.

Mark gave him another challenge. Has he ever been humiliated like this in his life?

Asura, who was furious, did not know that he had used a secret method.

The speed increased by several tenths in an instant, and the whole person quickly approached Mark as if turning into a stream of light.

Mark glanced back, knowing that this time there might be no other way.

In desperation, he had to yell.

Chapter 4503

“Dead cow, are you still not coming out?”

“If I’m slaughtered by them, who will find you a girl in the future!”

Mark’s scolding sound recalled Tianji.

However, the Milky Way is so long ahead, why is there any shadow of a bull?

“Boy, are you afraid now?”

“late!”

“You played with me again and again. Today I will crush you to ashes!”

Asura has already rushed behind Mark.

The sickle he swung could even cut Mark’s head!

However, just when Asura was about to directly harvest Mark’s life.

Suddenly, in the void in front of him, a figure suddenly appeared, as if teleported.

Push the ground with the back foot, and the front foot flies into the air!

The cow mouth is grinning, and the yellow hair is fluttering.

Yes, the figure in front of him was none other than the scalper who had a “gentleman” appointment with Mark and led Xiao Hei badly.

After the scalper appeared, bang bang bang

A series of hooves hit Asura’s forehead directly.

The scalper appeared so abruptly, Ashura and the others never thought that Mark would have a helper.

So, he was caught off guard.

Just a face-to-face, Asura was kicked dozens of meters away by the scalper.

“Mark, what are you doing standing there?”

“Come up soon!”

Scalpers are not interested in fighting.

Although it is lustful, it is by no means a fool.

The four people in front of me are not easy to mess with at first glance.

So the scalpers didn’t want to fight them at all.

The girl is not asleep yet?

Scalpers don't want to die!

Therefore, it immediately urged Mark to slip away quickly.

"Hahaha"

"You dead cow, you are still showing loyalty!"

Seeing the scalper finally appeared.

Mark laughed loudly, picked up An Qi and jumped onto the scalper's back.

Then grab the two horns of the ox.

"Niu'er, run!"

"Towards a brand new new world, run to your heart's content!"

Mark smiled wantonly.

The scalper was speechless.

I thought to myself, Mark, this bastard, my old cow is risking his life here, so you still have the time to talk bad things.

But now is not the time to blame Mark for this.

After Mark put his back on his back, the ox stomped on all fours and started running southward like a madman.

It has four legs after all.

That speed was actually several times faster than Mark before.

Ashura and the others behind him chased desperately, and when they got to the back, they almost vomited blood.

Dazed, he chased farther and farther, until finally, he couldn't even see the tail of the ox.

"Damn it!"

"What kind of beast is that?"

Knowing that they could not catch up, Ashura and Odin finally gave up.

They looked at the direction where Mark disappeared, but the four giants on the list of gods gritted their teeth angrily.

"What a jerk!"

"You still have this hand?"

"This bastard had better not be caught by me, otherwise he will be crushed!"

Asura was so angry that his seven orifices were filled with smoke.

They never thought it would end like this.

You know, their four giants shot together, but now they can't even stop a junior?

If this spreads, they will not lose adults.

"After the wind, what should we do now?"

"Did he just let him escape like this?" Several people looked at Fenghou.

After all, Yanxia is Fenghou's home game.

How to do it, still have to wait for the idea after the wind.

Feng Hou clenched his palms tightly at this time, and he was suppressing great anger in his heart.

Twice, last time it was like this, let Mark run away on Yanshan Mountain.

This time, she actually missed again.

This was the first time that she was deflated by the same person.

“I won’t let him escape the scorching summer alive!”

Feng Hou’s eyes are full of coldness, and no one knows what is brewing in her heart.

the other side.

The scalper carried Mark and ran wildly all the way.

Two people and one cow approached the Yanxia border at a terrifying speed.

,

“Scalper, it’s ok, it’s been out for a year, and it’s become tide.”

“Yellow hair makes you dye red hair!”

Mark played with the strand of red hair on the scalper’s forehead and said with a smile.

“Let go of your dirty hands! That’s touching the bangs I just cut!”

The scalper cursed angrily.

This strand of red hair is its charm.

Walking on the road, many beautiful girls are attracted by its red hair

Chapter 4505

“Didn’t I see that your bangs are handsome, and I’m attracted by your charm.”

Mark giggled, still playing with the scalper’s hair.

“Get out!”

The scalper cursed angrily, then shook his head violently, trying to shake off Mark’s arm.

But it was the scalper’s flick, and Mark tried harder.

Snapped!

A few strands of red hair were pulled off by Mark just like that!

“Bastard!”

“Do you dare to pull out my bangs?”

“Take your life!”

Feeling the hair on his head being pulled out, the scalper almost exploded with anger.

It didn’t run away anymore, it flicked the ox’s tail, and drew it directly at Mark.

There was a snap.

Mark was drawn to the ground by the scalper.

The body trembled, but several mouthfuls of blood were spit out by Mark, and the ground was bright red.

Seeing this, the scalper stood upright on the ground like a human being, with its front legs hugged together, glanced at Mark, and hummed, “Mark, you dang hair, stop pretending for me here!”

“The Thunder in the Thunder Well back then couldn’t kill you.”

“I am an old cow with a tail, can I still draw blood from you?”

“You’re just touching porcelain for me!”

The scalper snorted, thinking that Mark’s appearance must be faking.

Only An Qi touched the blood on the ground, and immediately became panicked.

“Mark.”

“Mark, are you okay?”

“Mark”

“Mark, don’t scare me.”

An Qi touched Mark’s body and began to cry, tears kept falling.

“Girl, don’t trust him, he’s just pretending.”

“Let me tell you, Mark is a very good thief. I have been fooled by him several times.”

The scalper still doesn’t believe it.

However, seeing An Qi crying more and more sad, and Mark’s breath also began to become disordered and weak.

Only then did the scalper start to have some doubts.

“Ci’ao, can’t you?”

“My old cow, did he really kill him with a whip?”

The scalper walked over dubiously, and lifted Mark’s shirt.

It was discovered immediately that there was a black palm print on Mark’s back.

The palm print is majestic, and the majestic energy is poured into it.

Not only did it break Mark’s Thor body, there was even blood spilling from Mark’s skin.

Only then did the scalper wake up.

“You guy, are you hurt?”

At this time, Mark’s breath was a little sluggish.

Just now, one against four, although he escaped by chance.

However, those few confrontations still hurt Mark after all.

Especially at the beginning, although Mark tried his best to avoid the joint attack of the four giants on the list of gods, he even used the Yunyan sword to fight against it.

But still withstood a huge impact.

If it were someone else, they would have been wiped out under the siege of the four giants long ago.

Mark's ability to survive until now is almost entirely dependent on faith.

"I go!"

"Such a serious injury."

"You idiot, you were beaten to death so quickly, and you dare to pull out my hair."

The scalper carefully inspected Mark's injury, and was shocked.

"Little girl, hurry up, don't cry."

"Get on my back!"

"Wan'er has an elixir over there. As long as we can escape in, we can save his life."

The scalper also changed his previous idle temperament, and suddenly became serious.

It stopped wasting time, and urged An Qi and the others to get on its back.

But Mark's injuries had exploded, and it was a miracle that he survived until now. This guy probably struggled to walk now.

The little girl An Qi was blind again.

In desperation, the scalper had to hold one in each mouth, and threw the two of them on his back!

"Little girl, take care of your love brother!"

"I fell and fell to my death, don't blame me!"

The scalper yelled again, then stared at the sky with all four corners, and continued to go south frantically.

A few minutes after the scalper left.

Four powerful auras appeared in this world.

After the wind, he stopped his forward body and stopped in a certain open space.

She looked down and saw the blood on the ground.

“It’s probably left by Brian Chu.”

“This bastard is really injured.”

“I just said, how could he be unscathed when he resisted the siege of our four great masters with his own strength?”

“To be able to survive is already his good fortune!”

Asura came up and said coldly after seeing the blood on his feet.

After the confrontation just now, Asura and the others also saw it.

Mark’s realm is also the realm of the titled master.

In terms of realm alone, Mark estimated that the top ten would not be ranked in the list.

Asura and the others are very puzzled, Brian Chu has such a low level of martial arts, but why is his combat power so amazing?

Facing the encirclement of the four of them, he still survived!

Even took the opportunity to let him run away.

“rest assured.”

“He won’t survive.”

“I have laid a net for him, and he cannot escape.”

There is no expression behind the wind.

Chapter 4507

Afterwards, the four set off again, chasing Mark all the way south.

After crossing the Yellow River and Yangtze River, the Yunnan-Guizhou Plateau is in sight.

Carrying Mark on his back, the ox traveled across most of the hot summer from north to south, and finally arrived at the borderland.

“Mark, you bastard, hold on to me!”

“Ahead is the border of your hot summer.”

“When you cross the Himalayas, you will be in India.”

“It will be safe soon!”

“You will be able to enter the secret realm soon and meet Wan’er.”

“This is just a step away, don’t die for me!”

“You owe me several girls already.”

Along the way, Mark’s breath became weaker and weaker.

The offensive of Fenghou and other four people obviously caused great internal injuries to Mark.

Before, Mark had been holding on with his perverted body.

But later, the road was bumpy, the injury became more and more serious, and Mark’s condition deteriorated rapidly.

An Qi hugged Mark tightly.

The scalper also ran and cursed.

Tell Mark not to die.

Finally, at the end of the line of sight, a snow-covered mountain ridge appeared in front of my eyes.

The scalper is overjoyed “hahaha”

“arrive!”

“Mark, have you seen that border line?”

“Turn it over, and we will enter India.”

“It’s safe!”

“Ha ha ha ha”

The scalper was very happy.

This escape all the way caused great psychological pressure on the scalper.

Mark was so strong that he was seriously injured by those four people.

If it was caught up, the life of its old cow would probably have to be accounted for here.

An Qi also cried excitedly, “Mark, did you hear that?”

“Hold on.”

“Cross this road, we’ll be safe, and we’ll be able to survive”

“Bad people won’t find us”

An Qi said with tears in her eyes, full of anticipation.

Just like that, under the excitement of the scalpers and the others, they charged forward, and the scalpers led Mark and the others across the border of Yanxia.

“It’s safe.” The ox breathed a long sigh of relief.

“Mark, we are saved.” The tense string in An Qi’s heart was relieved immediately after escaping from the Yanxia country.

But at this moment, the scalper seemed to notice something.

It suddenly looked up!

I saw several supersonic fighter jets roaring past high in the sky.

A huge object fell rapidly from its mouth!

“Not good!” The scalper turned pale with fright, and ran away at high speed.

But, it’s over.

With an explosion that resounded through the ages.

Within a radius of hundreds of kilometers, Dang even blew a world-killing hurricane.

The ultra-high temperature was accompanied by a shock wave capable of destroying everything, turning the whole world upside down.

A huge mushroom cloud rose into the sky.

That piece of clear sky, that piece of inaccessible plateau mountains, was shrouded in fiery black clouds in the blink of an eye, and was also defiled by the dark and dirty world.

Everything is swallowed by something called “destruction”.

The scene of annihilation is like the end of the world!

The aftermath of the explosion is still continuing.

The terrifying shock wave almost razed the entire mountain to the ground.

The hurricane it brought swept across half of the hot summer!

Even if they are tens of kilometers apart, they can still see the hot hurricane and the huge mushroom cloud rising into the sky.

No one knows how long it has been.

The dust here has just completely dissipated.

Where Mark and the scalper were originally, there is only a shocking ruin left at this moment.

The circular pit was almost hundreds of meters long.

It can also be seen from this that the very center of the explosion has such a terrifying power.

It is estimated that under the ultra-high temperature of the nuclear explosion, everything turned into the most primitive particle flow and scattered in the world.

whoosh whoosh~

Not long after, several figures broke through the sky from afar.

In the end, it stopped in this world.

At this time, it was none other than Fenghou Mu Zihua and Death God Asura.

After searching around, they finally determined that there was no sign of life within a hundred miles.

“it’s over.”

“Once Brian Chu dies, the last obstacle to our Longmen plan will be completely removed.”

“From now on, no one will be able to stop my great career!”

Asura stood proudly in Tianhe, smiling happily.

Feng Hou and the others also looked down at the ruins below. The cold wind on the plateau rolled up endless dust and slowly flowed through their fingertips.

“yes.”

“It’s over.”

After the wind whispered.

Even she herself may not be able to resist the giant nuclear bomb that fell before.

Mark, who was seriously injured, naturally had no chance of escape.

Even though he is made of copper and iron, under the terrible high temperature of the nuclear explosion, he will be instantly vaporized and dissipated in the world.

Therefore, no one doubted that Brian Chu would have any chance of surviving.

“Teacher, what about Brian Chu?”

“Already dead?”

At this time, people from behind rushed here one after another.

After all, there was too much movement here.

Even on Yanshan Mountain, which is thousands of kilometers away, the huge earthquake in the southwest frontier could be felt.

Chen Jiuzhou, Juggernaut and the others are all rushing here to investigate the situation.

The first to arrive was Chen Jiuzhou.

Then came God of War, Juggernaut, King of Fighters, and of course, Xu Lei who has always been under the protection of God of War.

Seeing his teacher, Chen Jiuzhou couldn’t hide his excitement, and asked directly if Mark was dead.

Feng Hou nodded, “Brian Chu is the scum of the country, he has done all kinds of bad things, the sky is angry and everyone complains, and everyone in the world is punished. Now he is to blame for his own death.”

Hearing Fenghou's words, even though they were prepared in their hearts, God of War and the others still felt a pang in their hearts.

The Juggernaut and the King of Fighters also have sorrows in their hearts.

But they didn't show it.

Chapter 4509

His expression still looked indifferent.

Only Xu Lei's delicate body trembled, and tears flowed down uncontrollably.

The God of War supported Xu Lei, and instructed Xu Lei in a low voice to control her emotions, while keeping her behind, for fear of being noticed by Feng Hou and others.

Therefore, Xu Lei didn't cry out loud, but just gritted her teeth, trying hard to endure the surging sadness in her heart, until the end of the bite, the red lips were covered with blood.

"The remnants of evil have been eradicated, this matter is over, go back as soon as possible, and continue the Longmen plan."

Feng Hou, Asura and the others did not stay here for long.

After confirming that there were no signs of life around, they each returned.

Their mission has ended, so naturally they went back to their respective countries to re-host the Longmen project.

Chen Jiuzhou is also preparing to return with the teacher.

"Are you still leaving?"

"The Longmen project continues, hurry back and participate in the Longmen training!"

Chen Jiuzhou glanced at Ye Qingtian and the others, and urged them to return to Yanshan and continue to enter Longmen.

"Um?"

“Who is this girl?”

Chen Jiuzhou’s gaze was instantly attracted by Xu Lei who was beside Ye Qingtian.

There is no way, Xu Leisheng’s intoxicating beauty and elegant temperament, this kind of woman is always attractive wherever she goes.

“It’s my disciple.” Ye Qingtian explained.

Chen Jiuzhou nodded and said nothing more.

“Kyushu, you go back first.”

“God of War and I will look around again, don’t let that Brian Chu escape again.” Juggernaut added at this time.

Chen Jiuzhou sneered.

“The four giants of the god list personally made a move, and let him run away?”

“You really don’t have much knowledge, you don’t know the majesty of my teacher and the others.”

“Forget it, if you want to see it, then watch it.”

“The Longmen project will continue tomorrow morning, so hurry back!”

Chen Jiuzhou shook his head and said, and then stepped into the sky, chasing his teacher and leaving quickly.

Follow Chen Jiuzhou away.

Xu Lei couldn’t control her emotions anymore, she ran over, knelt on the ground, and cried “brother Mark” to the ruins in front of her eyes

“Brother Mark, did you hear that?”

“Brother Mark, answer me.”

“Lei’er doesn’t believe you’re going to die”

“You will not die”

Xu Lei burst into tears, knelt on the ruins and wailed loudly.

God of War, Juggernaut and others looked sad.

In my heart, there is an indescribable emotion.

“Why”

“I didn’t expect that a generation of peerless arrogance would fall like this.”

The corners of God of War’s eyes turned red.

What Chen Jiuzhou said was right, the four giants of the god list were besieged and killed with all their strength, plus a nuclear bomb attack.

With this level of netting, no life will survive on earth.

“The era that belongs to Brian Chu is completely over.”

The cold wind blows the dust all over the sky.

Watching the dust fly up and down, Juggernaut and the others felt complicated.

Think back then, how amazingly talented that young man from Noirfork was.

Master Noirfork, rarely Jiangbei, blow up half of Japan!

Truman was trampled under his feet.

But in this life, no matter how brilliant it is, what can it do?

In the end, it didn’t just turn into dust in front of my eyes.

They watched Mark build a tall building, watched Mark entertain guests, and witnessed with their own eyes the disintegration of the tall building.

In the end, I can only sigh with emotion, God is jealous of talents.

“woo woo woo”

Above the ruins, mournful cries brought tears to heaven and earth.

In the end, Xu Lei was so exhausted from crying that she fell on the ruins and passed out.

No one can understand Xu Lei’s sadness at this moment.

Her brother Mark still abandoned her after all.

From now on, in this world, there is only her left, alone and alone.

Ye Qingtian and Juggernaut King of Fighters simply built a grave on the ruins here.

It can be regarded as the last retention of a generation of hero Brian Chu.

Then, they also left here.

Life, after all, has to go on.

A person’s departure is, after all, insignificant to this world.

Tomorrow the sun will rise as usual, and the birds on the trees are still singing non-stop.

And when God of War and others returned to Yanshan.

The other side of time and space.

A graceful woman is holding a long sword in her hand and waving it.

She has a graceful figure and fluttering black hair.

During the dancing of the body, three thousand fallen leaves in the forest rolled along with it.

or chop, or pick, or stab

A set of swordsmanship is like flowing clouds and flowing water.

But what fascinates people even more than that sword technique is the woman's peerless face.

After dancing a set of sword techniques, the woman stood with her sword in hand.

Perhaps it was due to too much consumption, her delicate body trembled, panting for distance, and sweat dripped from her forehead.

Ahead, another older woman came over.

"Teacher!" The woman practicing sword just now stepped forward and saluted respectfully after seeing it.

The woman known as the teacher stood with her hands behind her back, her expression cold and stern.

"It's been almost a year, and you have practiced to this extent?"

"Unsteady footwork, inaccurate sword moves, poor speed, full of loopholes, useless!"

"Just like you, you still want to defeat that heartless man?"

"give up!"

"If you keep practicing like this, even if you practice until you die, you won't be able to touch Brian Chu's toes at all!"

Chapter 4511

Facing her teacher's reprimand, Helen Qiu humbled herself in shame.

"Teacher, I'm sorry."

"Disciple, I have disappointed you."

With eyes full of guilt, Helen Qiu apologized to her teacher.

However, her teacher ignored her, turned around and left.

All that was left to Helen Qiu was a cold sentence.

“I said, give up.”

“This road is not for you.”

The graceful woman strode away, and the fallen leaves and flowers were crushed under her feet.

The teacher's words, like a knife, made Helen Qiu extremely disappointed and uncomfortable.

For a proud woman, there is nothing more uncomfortable than a teacher's denial.

but

Facing the denial, Helen Qiu gritted her teeth tightly.

She yelled in the direction the teacher was leaving, “No! Teacher, I won't give up!”

“I won't give up!”

“I'll make you, that heartless person, impress you!”

Helen Qiu has firm eyebrows and eyes, and no one knows how strong her determination is in her heart.

In front, the graceful woman did not answer.

Just, with a wave of his sleeves.

Immediately afterwards, a willow branch flew out from under his feet, and finally, it was suspended in front of Helen Qiu.

Under Helen Qiu's trembling eyes, the branch seemed to come alive, dancing in the air.

or chop, or pick, or stab

Helen Qiu was still puzzled at first, but soon, she saw that this was her teacher, demonstrating sword skills to him live.

Helen Qiu was overjoyed immediately, and while trying to remember, her heart was full of gratitude to her teacher.

She just knew that her teacher has always been a knife mouth and a bean curd heart.

Helen Qiu, who was instructed by the teacher, undoubtedly joined the sword more actively.

But hundreds of meters away from here, there was a middle-aged man standing with his hands behind his back, watching from afar.

Not long after, Helen Qiu's teacher also returned here.

Seeing the other party, the middle-aged man smiled and said, "After all these years, you are still so vicious."

"Say something nice, and you won't lose fast meat."

"Do you have to be so ruthless and hit people?"

The middle-aged man said helplessly.

"how?"

"Distressed?"

"If you feel bad, take it away."

"I don't have time to take care of my own sister. I also take care of my daughter-in-law for you. You don't know how to be grateful, and you are still pointing fingers here."

"If you don't like my way of teaching, then take her away, and I will be free."

The woman stared at the man and said very bluntly.

The man hurriedly begged for mercy, "Okay, okay, I'm talking too much, Mr. Tang, you can take care of it, I don't want to interfere."

“However, my daughter-in-law’s talent is not bad.”
