“If you kill my great-grandson, you will sacrifice your lives to my great-grandson!”

The old man’s face was suddenly cold, and the long-suppressed sadness in his heart was now transformed into anger and murderous intent.

She first let Chu Lin enter the room, and then waved her arm.

boom!

It was just such an understatement blow, the wind and clouds swept wildly, the sky changed drastically, and the time and space in front of him was almost shattered by the old man.

The power compressed to the extreme in an instant can penetrate almost everything.

After the gate was opened, this sharp edge pierced through the void and slashed in all directions!

“Grandma Chu, it’s me”

Suddenly, there was a shock from outside.

Only then did the old man look up, and through the open door, she saw clearly who was coming.

The old man was shocked immediately, and all the murderous intent and chill suddenly dissipated. After knowing that he had admitted the wrong person, the old man quickly withdrew his authority.

But even so, the overflowing strength still lifted the ground nearby.

It is conceivable that if the blow just now hit a person, what kind of terrible destructive power it would cause!

“You girl, don’t say anything before you come.”

“Nearly, Grandma Chu will send you to see King Yan!”

The old man’s words were slightly reproachful, and he looked at the woman in front of him and spoke slowly.

At this time, Chu Lin also came out of the room.

This little guy hid behind the old man like a kitten in his life, with his big eyes full of curiosity and fear, he secretly looked at the woman who suddenly visited in front of him.

This is a very beautiful aunt.

She is wearing a purple dress, her delicate eyebrows and eyes are like those of the characters in the painting, and her graceful and noble temperament is even more embarrassing.

In Chu Lin’s memory, she has seen many beautiful aunts.

Like Xu Lei, like Cynthia.

However, the little guy has always thought that the most beautiful woman in the world is his mother, Helen Qiu.

However, until he saw the aunt in front of him, Chu Lin’s little heart couldn’t help being shaken.

It turns out that in this world, there are aunts who are even more beautiful than their own mothers.

When Chu Lin was looking at the other party, the other party was also looking at him.

Lush beauty, high nose bridge, copper-colored skin, of course, the most beautiful are his eyes.

Good eyes, just like his father’s.

“He is, the son of that man.”

Even though she saw Chu Lin at the first glance, the woman already recognized him.

However, she still asked.

In the words, there is trembling, excitement, and longing

In short, all kinds of emotions are contained in it.

Unconsciously, the eyes of this stunning and graceful girl were already flushed.

Chapter 4523

“um, yes.”

“Before Mark left, he entrusted this little guy to me.”

“Maybe this is the last blood of the Chu family.”

When Mark was mentioned, grandma’s heart ached.

For so many years, grandma has experienced a lot of life and death, originally, he had already taken all of these things lightly.

However, what happened to Mark was a huge blow to her after all.

After all, Mark is the child of the Chu family that she has valued the most for many years.

But now, it ended like this.

To experience the pain of a white-haired man sending a black-haired man again, it is undoubtedly extremely cruel for an old man who is over a hundred years old.

“Grandma Chu, can I hug him?”

The woman couldn’t hide her excitement, and asked softly with trembling words.

From the beginning to the end, the woman’s gaze never moved away from Chu Lin’s body.

Seeing this, Old Madam Chu seemed to realize something.

Her expression trembled suddenly, "Xiao Yun, this child, could it be?"

Yes, the woman in front of her was none other than Tang Yun, the former master of the Truman family who disappeared after the first battle of the Truman family.

Tang Yun didn't speak, but walked towards Chu Lin.

She stretched out her hands, trying to hug the little guy.

But Chu Lin shrank his head in fear and hid behind his grandma.

Obviously a little afraid of Tang Yun.

Chu Lin's appearance obviously made Tang Yun extremely uncomfortable and disappointed.

Flesh and blood, but strangers.

In this world, this is probably the most sad thing for a mother.

"Xiao Lin, don't be afraid, Aunt Tang is your father's friend, she came to visit you on your father's behalf."

The old lady Chu comforted her from the side.

"Really?"

"Have you seen my dad?"

"When will Dad come back to pick me up?"

When Chu Lin heard his father's name, he immediately became excited.

He raised his head and kept asking Tang Yun.

With tears in her eyes, Tang Yun didn't speak.

He just stepped forward, hugged Chu Lin into his arms forcefully, and kept shouting sorry, sorry.

That's right, in Tang Yun's life, the man she was most sorry for was probably the little boy in front of her.

She gave her life, she didn't raise him well.

She gave him the chance to know the world, but failed to give him any company.

Instead, over and over again, let him suffer.

Sometimes, Tang Yun thought, if she hadn't given birth to him for a while, maybe this little guy wouldn't have suffered so much and experienced so many separations.

"Son, I'm sorry, I'm sorry"

"It's all my fault, I'm sorry for you"

Tang Yun was crying so hard that the sadness in her words could not stop sweeping like an ocean.

The little guy was completely frightened.

He didn't know why the beautiful aunt in front of him was crying, but he could feel the strong sadness in her heart.

In the end, the sensible little guy reached out and wiped away the tears on Tang Yun's cheeks.

And, took out a crumpled caramel from his pocket.

"Little aunt, eat candy."

"This is what my mother left for me."

"Mom said, if you want to cry in the future, you can eat a candy."

“If you eat candy, you won’t want to cry.”

“I only have three dollars left, so I can only give you one.”

The little guy seemed a little reluctant, looked and looked, and finally gave the candy to Tang Yun.

After all, he didn’t have much left.

When Tang Yun heard this, the tears in her eyes were indeed even more uncontrollable.

She smiled and said thank you.

After a brief reunion, Mrs. Chu asked Chu Lin to go back to her room first.

She felt that Tang Yun needed to calm down.

If Chu Lin was still here, this silly girl probably couldn’t even speak from crying.

“Tell me, what’s going on?”

“This Xiaolin, is really your and Mark’s child?”

Mrs. Chu, sit down on the stone bench in the yard.

In front of Tang Yun, her beautiful eyes were very red and swollen.

Facing the old lady’s question, Tang Yun nodded lightly like a kitten that did something wrong.

“you”

After confirming this matter, Mrs. Chu stared angrily.

“You smelly girl, I don’t even know what to say about you.”

“Since it was born, why not raise it?”

“Look at you two, being a father is not like being a father, and being a mother is not like being a mother.”

“After giving birth to a child, just throw it to Mark, and you don’t care?”

“If you can’t give your child stability and happiness, why did you give birth to him in the first place?”

“Damn Xiaolin, I came into this world because of you suffering!”

“Look at that poor child, it breaks my heart”

The old lady can be said to be out of breath.

She still remembers that when Mark sent Chu Lin to come, the little guy was still sleeping and calling his parents in his dream.

But when I opened my eyes, everything changed.

My mother is gone, and my father is gone.

Only the strange bricks and tiles around, and the strange people in front of me remained.

On the first day here, the little guy cried hoarsely.

The old lady was heartbroken.

After crying for several days in a row, Chu Linfang finally accepted the cruel reality that he had no father or mother to accompany him.

On Mark’s side, the old lady couldn’t blame anything.

After all, Mark had no choice but to keep Chu Lin with him.

But now, Tang Yun, the mother, suddenly appeared, and the old lady was naturally angry.

Chapter 4525

This mother is even more incompetent than Mark’s father!

The old lady was so domineering that she wanted to hit her.

Facing the old lady's accusation, Tang Yun didn't speak, and had nothing to say, she just stood there with her head down, her tears kept falling like broken pearls.

"Okay, don't cry."

"What right do you have to cry?"

"It's the children who suffer."

"From now on, you stay here and spend more time with Xiao Lin."

"However, I suggest you hide your identity first. This kid is suffering enough, so don't provoke him any more."

Seeing that Tang Yun was already crying, the old lady's heart no doubt softened.

She didn't blame Tang Yun anymore, and asked her to make up for Chu Lin in the future.

"By the way, I heard from Mark that you have lost your memory, haven't you?"

"Now, remember again?"

The old lady Chu looked at Tang Yun, and stretched out her hand to check Tang Yun's pulse to check Tang Yun's injury.

"Um."

"Brother Zhenghong cured me." Tang Yun replied.

During this period of time, there was no news from Tang Yun because she was led by her sister Tang Rui to recuperate and see a doctor.

"Brother Zhenghong?"

"You mean, that bastard father of Mark, Chu Zhenghong? My son-in-law?"
The old lady Chu asked.

Tang Yun nodded.

The old lady Chu's eyes twitched violently at that moment.

Mess!

It's all messed up!

Even an old woman like her can't figure out this relationship.

"You silly girl, you will follow Mark in the future."

"If you call him elder brother, is it possible for Xiaolin to still call him uncle?"

Old Madam Chu glared at Tang Yun and corrected her address to Chu Zhenghong.

Otherwise, this is really messed up!

Tang Yun seemed to understand, her pretty face flushed slightly.

"alright."

"Stay here with peace of mind."

"It doesn't matter if you're here, I'll leave it to you to take care of this little brat."

"I'm an old woman, but I can't bear to look after children."

While speaking, the old lady Chu handed over a simple and mysterious book to Tang Yun.

On the cover are four gilt typewritten Yundao Tianshu.

When Tang Yun saw it, she gasped immediately, "Grandma Chu, what is this?"

The old lady Chu nodded, "Yes. This is where my Chu family has been passed down for thousands of years, Yundao Tianshu!"

"On it, there is what my Yunyang ancestors have learned and comprehended all their lives."

"Before Mark left, he handed it and this little guy to me."

"And tell me that I don't want the little guy to get involved in martial arts"

“However, in the Yundao Tianshu, apart from martial arts, there are also strange techniques such as astronomy, geography, and medical formations. These can be practiced more by Xiao Lin.”

“You are a mother, and I will leave it to you to educate my son.”

While speaking, the old lady of the Chu family handed over the books in her hands to Tang Yun for safekeeping.

“Grandma Chu, no.”

“This Yundao Heavenly Book is an unhandled treasure of your Chu family, and its value is immeasurable.”

“I, Tang Yun, am an outsider, how can I keep such a fetish?”

“Grandma Chu please take it back.”

Hearing Grandma Chu’s words, Tang Yun panicked and shook her head again and again, not daring to accept such items.

This is the Book of the Clouds!

Although, it was also the first time for Tang Yun to see such a fetish.

However, since she was a child, she has heard more than once about the legend of Yundao Tianshu.

My teacher has been looking for this book all his life.

Even if you die, let alone own this book, you will never see it.

But now, Grandma Chu actually wants to give this thing to her.

For so many years, the things that the successive Patriarchs of the Chu family have dreamed of but can’t get, are now in their hands.

How could Tang Yun not be shocked, and how could she not be afraid?

The old lady Chu did smile lightly, "Take it."

"I'm not for you, but for my great-great-grandson."

"You just kept it for him."

"But Grandma Chu, I'm an outsider after all." Tang Yun still didn't dare to answer.

Yundao Tianshu is only handed down to the descendants of Yunyang, this is the ancestor's precept.

Just like the Tang family's Yunyan sword formula, it was only passed on to descendants of the Tang family.

How dare Tang Yun overstep the ancestral precepts set down by the ancestors of Yunyang?

Hearing Tang Yun's words, Mrs. Chu knocked Tang Yun's head in dissatisfaction.

"You and that brat have a child, and you still call yourself an outsider?"

"Why, being my daughter-in-law of the Chu family, is it because of you?"

The old lady Chu's words were full of resentment.

Tang Yun was at a loss for words, her pretty face was flushed and she couldn't speak.

But in my heart, there is an inexplicable sense of belonging.

Grandma Chu, she has accepted herself as the daughter-in-law of the Chu family.

Over the years, although Tang Yun has never dared to think about it.

After all, Mark has a wife and family, and their seniority is also a generation behind, plus she and Mark's grievances and resentments.

Tang Yun felt that her fate with Mark was just a bad fate, which would not have any results.

However, Tang Yun never expected that in the end, she would become the Chu family that Grandma Chu said.

It was a very strange feeling.

It was as if I had a new home and a group of new relatives.

Is this what it feels like to have an in-laws family?

panic, joy, kindness

Tang Yun at this time can be described as mixed.

However, that novel feeling only lasted for a short time, and soon, a touch of depression and sadness flooded into my heart.

Chapter 4527

“Grandma Chu, is Mark really gone?” Tang Yun raised her head suddenly and asked in a low voice.

The old lady Chu’s mood immediately dropped.

“Why”

“Have you heard that too?”

The old lady Chu sighed, turned around and looked out at the world.

“It can only be said that the hope is very slim.”

“Unless there is a miracle, otherwise, Mark is afraid that it is true.”

The old lady Chu was in a heavy heart.

She regrets it now.

Back then, if she hadn’t persuaded Mark to stop the Longmen plan.

That guy, how could he incur a murderous disaster.

“I made a mistake.”

“I originally thought that no matter how violent Mark is, at most, he will only disturb the powerhouse in Yanxia’s territory.”

“But I didn’t expect that the other party’s killing intent towards Mark would be so serious.”

“As soon as the shot is made, the four giants will all go into battle.”

“It even cooperates with secular forces to attack.”

“Mark’s ending today is half of my responsibility.”

The old lady Chu was full of self-blame.

Mark was originally going to retire to the world of martial arts. If he hadn’t said too much, Mark should have lived in seclusion in the mountains and forests now, living a quiet, peaceful and happy life.

but now

“Whoever abandons me, don’t let the day of yesterday stay. Whoever messes with my mind will worry about today.”

“The past, let him pass.”

“For the rest of the day, you two, have a good time.”

After a short period of sadness, the old lady Chu comforted her.

Tang Yun hummed in a low voice.

However, who can know the regret and guilt in my heart?

In the end, Mark probably didn’t know that Chu Lin was his own flesh and blood.

Mrs. Chu has already gone to cook.

After Tang Yun got acquainted with Chu Lin, she watched the child play in the yard.

Seeing this little boy come alive and full of aura, Tang Yun's pretty face suddenly showed a satisfied smile.

This is, family fun.

It's a pity that in a family of three, one person is missing after all.

"Mark, are you really dead?"

Tang Yun turned around, looked at the distant horizon, and murmured in a low voice.

How could there be no regrets?

After all, I haven't even seen the last side.

Time continues to pass.

The news of Mark's demise caused a violent reaction at the beginning.

But the torrent of time, after all, ruthlessly swallowed up all traces.

Until all the imprints left by some people in this world are erased.

Someone once said that a person's life is like walking on the seashore.

Every corner you walk through will leave distinct footprints on the sand.

But time, like the layers of waves, is eroding the beach and eroding the reef.

When the waves wipe away your last footprints in this world, then this world will completely forget you.

Just like Brian Chu in the past.

No matter how amazing and talented he was during his lifetime, he will still inevitably be forgotten after his death.

At the beginning, the people of Noirfork would still be sad for him.

But after a long time, everyone gradually forgot.

Go to school, work, fall in love, get married, and have children as usual.

Everything looked the same as usual.

Life still goes on, the sun still rises in the east, and the birds still keep singing.

When they first learned of Mark's death, the people of Noirfork thought their sky was falling.

But after a long time, I found that it seems to be the same.

This world, no matter who it is, can still function as usual.

The only difference may be that the people in power in Noirfork have changed again.

The Li family in Wrifill, the Chen family in Edensberg, and the Lei family in Fenghai

The three great families in Noirfork in the past seemed to have disappeared after Mark's death.

Ericson Li, who always likes to show off, no longer shows his face. The Li Group and Mu Fan Group he was in charge of all declared bankruptcy. Chen Ao also withdrew from most of Jiang Hai's properties. reclusive.

After these bigwigs who had dominated Noirfork for decades withdrew, another family comet rose up, and Noirfork people called it, the Zhao family!

Almost all of Mr. Chu's property before his death was in the hands of the Zhao family.

For quite a long time, what Noirfork people talked about had changed from the fall of Mark to the rise of the Zhao family.

Many people are guessing what the identity of this Zhao family is.

In just one month, they stepped down the old rich families such as the Li family, the Chen family, and the Lei family.

Some people said that it was Ericson Li who took the initiative to withdraw, and the Zhao family took advantage of it.

Some people also said that the Zhao family has a lot of connections in Gritsberg.

But no matter what, the era belonging to Mr. Chu has completely passed.

In the future, Noirfork will usher in a brand new power structure.

And the world, full of hope, embraces a new era and welcomes their new king.

The world is always forgetful.

However, there are still people who remember the old man.

For example, the man who fought with Mark all his life and was beaten by Mark all his life, the little King of Fighters Mo Wuya!

“Little King of Fighters, I can’t figure it out, Ericson Li, Chen Ao and those Noirfork remnants, why did you stop me from killing them?”

“Dianzhu Chen said that Tianfan’s remnants in Noirfork must be thoroughly wiped out.”

“These people have been following Brian Chu for many years. They have committed a lot of crimes. They must die!” Zhao Zhenlu asked the little boxing king Mo Wuya in front of him in puzzlement.

Chapter 4529

“okay.”

“You are so young, why are you so hostile?”

“Why, you want to be like Brian Chu, violent and bloodthirsty, and become a public enemy in the end?”

Little King of Fighters Mo Wuya asked back.

What he said, Wu Ya made Zhao Zhenlu shudder, and his tone suddenly weakened a little.

“Little King of Fighters, how could you say that?”

“How can I compare with Brian Chu who killed the embryo? I’m on a mission and can’t be confused.”

“You can’t hurt me.”

Zhao Zhenlu immediately explained.

Little King of Fighters smiled, and patted Zhao Zhenlu on the shoulder.

“Just kidding, Mr. Zhao, don’t be nervous.”

“Besides, I don’t let you kill wantonly because of your consideration.”

“Think about it, the Li family and the Chen family have been operating in Jiangdong for generations, what a profound heritage it is.”

“It is also popular in Jiangdong!”

“Now that they have withdrawn from Jiangdong, they will no longer compete with you. If you continue to persevere and kill everyone, what will the people of Jiangdong think of you?”

“I will think you are a demon like Brian Chu who kills people without blinking an eye, and you will lose people’s hearts.”

“Without the hearts of the people, it will be difficult for your Zhao family to rule Jiangdong again.”

Little King of Fighters Mo Wuya taught earnestly.

Zhao Zhenlu was thoughtful when he heard the words, and finally nodded in agreement.

“As expected of the little King of Fighters!”

“It’s you who are far-sighted, but I am shallow.”

“Thank you, Little King of Fighters, for waking up in time.”

“Young King of Fighters, don’t worry, my Zhao family will gain a firm foothold in Jiangdong in the future, and at least 30% of my annual income will be filial to you.”

Zhao Zhenlu immediately thanked him.

Mo Wuya smiled without saying a word.

“Okay, go and do your work.”

“I’m going out for a walk.”

Mo Wuya waved his hand and let Zhao Zhenlu go out.

And he himself left the room and walked aimlessly along the streets of Wulifill.

Looking at the scene on the street and the sparkling Yunwu Lake in the distance, Mo Wuya felt a burst of emotion.

“Flowers will bloom again, and people will never be young again.”

“Brian Chu, Brian Chu, after all, you have become history.”

“However, you and I have been fighting for so long, and if I do something for you, it can be regarded as the last respect for you, a respectable opponent.”

So far, Jiangdong’s matter has come to an end.

However, things in the martial arts world are far from over.

After Mark’s death, the Longmen training plan started even more frantically.

Seeing it, it was time for the third batch of personnel to enter.

Chen Jiuzhou found God of War and asked them to start preparing to enter Longmen tomorrow.

Originally, they were the second batch to enter Longmen.

But because of Mark, God of War and the others didn't go in.

Later, I found some excuses and postponed until now.

"Jiuzhou, the places for Longmen training are precious. I think the remaining potential of us old guys is extremely limited. Let's give up the places to young people first."

"In the future, when the quota is sufficient, we will enter Longmen again."

Ye Qingtian declined.

"No need."

"There are plenty of places, you don't have to be humble."

"You inform the Juggernaut and the King of Fighters, the three of you, enter the Dragon Gate tomorrow!"

"This is the order of the master of the palace, who dares to disobey?"

Chen Jiuzhou's attitude towards these elders became more and more indifferent and tough.

At this time, facing God of War's tone of discussion, Chen Jiuzhou directly used the identity of the palace master to suppress them, and ordered them to enter the dragon gate forcefully.

Don't give Ye Qingtian any chance to refuse!

After speaking, Chen Jiuzhou left.

However, God of War frowned even deeper.

After Chen Jiuzhou left, the Juggernaut and the King of Fighters also came from the back hall.

The God of War and Chen Jiuzhou's conversation just now, both of them also heard.

"Tell me, you two, what do you think?" God of War turned his head and asked the two Juggernauts.

The King of Fighters looked serious, "Lao Ye, I think there is something wrong here. Otherwise, why is Chen Jiuzhou so eager to let us enter Longmen in such a persuasive tone!"

"Isn't he afraid that after the three of us break through, we will seize his power again?"

The King of Fighters was already suspicious.

The Juggernaut also nodded.

Chapter 4531

Yes, according to common sense, Chen Jiuzhou should not want them to go to Longmen for training.

After all, the stronger the three of them are, the greater the threat to his status.
but now

"It seems that you also found something wrong?" God of War raised his head, looked at the two people, and continued, "The second batch of people who entered failed to come out. There are three people. The death rate is getting higher and higher."

"You mean, Chen Jiuzhou wanted us to enter Longmen to kill us?" Mo Gucheng, the king of fighters, looked at Ye Qingtian.

God of War shook his head, "If that's the case, then it's okay. What I'm most worried about now is another situation."

"What's the situation?" The King of Fighters asked again.

The Juggernaut guessed something, "You mean, the kind that Brian Chu said?"

God of War nodded his head heavily. "At the beginning, when Mark told me, I just thought it was extremely absurd. But now, I feel more and more that what Mark said may be right."

"This so-called Longmen project is very likely to be a big conspiracy, a huge conspiracy to enslave talented warriors from all over the world."

"This shouldn't be possible, right?" The corner of the King of Fighters' mouth trembled, it was really hard to accept.

"I'm just guessing. Maybe I'm worrying too much, but since Mark's death, I feel more and more problematic."

"Think about it, Mark is just a junior. After following the trend, Odin and others have no grudges and no grudges, but they suddenly go to war to chase and kill Mark, and just after telling us the secret of the Longmen experience, this is a coincidence Is it? Or, their purpose is to kill Mark?"

"Also, after Fenghou disappeared for many years, after returning, not only his strength increased greatly, but also his temperament changed greatly. Is there really no secret in it?"

"In addition, this Chen Jiuzhou deliberately forced us to enter the Longmen"

"In short, all these signs make me more and more inclined to believe Mark's words." God of War said solemnly.

The King of Fighters was already terrified.

The Juggernaut's old face was also extremely pale.

"God of War, have you ever thought about what this world will be like if everything is as Brian Chu said?" The Sword Master said seriously.

God of War nodded, "Yes, if this is the case, this world should be in doomsday."

"The four giants on the list of gods, as well as all the talented warriors in the world, are all slaves and minions of others. If the instigator wants to destroy the world, we should have no possibility of resisting at all."

"The only one with this ability was personally buried by this world."

God of War whispered, with an inexplicable sense of sadness and irony in his words.

After the God of War finished speaking, the room was suddenly quiet.

The former powerhouses of the three pillar kingdoms all fell silent at this moment.

With a heavy heart and a heavy heart.

Sometimes, when everyone is drunk and you are sober, it is not something to be happy about, but it will make people feel extremely cruel.

“Okay, don’t be so pessimistic, I’m just guessing. As for the truth, it will take time to verify.” God of War said again.

“What about tomorrow’s Longmen experience, shall we go or not?” asked the King of Fighters.

The God of War shook his head, “I’d better find an excuse to push it down. It would be best if there were no conspiracy. If it is true as Mark said, the three of us can at least avoid the ending of slavery, and at least we can become the last line of defense in this hot summer martial arts.”
