

## Chapter 4522

Charlie nodded and said to Joseph, "Joseph, the bandit who is alive must be watched over for me,"

"Don't let him commit suicide, let alone let anyone get rid of him,"

"I will personally come over to interrogate him later!"

Joseph said offhandedly, "Okay, Mr. Wade, I will personally watch over him, and nothing will happen."

"Good." Charlie nodded and said, "You go to the villa first and wait for me, I will come over at night."

Joseph clasped his fist and said, "Okay Mr. Wade, then the subordinate will leave first!"

After Joseph left, Stella also immediately instructed her men,

To quickly prepare a large number of tools to prepare to enter the scene afterward.

According to Stella's request, her men first removed all the carpets,

And then packed the carpets into sealed bags and took them away to be incinerated.

While these men were cleaning up the carpets,

Another wave of men had urgently delivered a batch of lighting equipment,

Construction materials, cleaning supplies, and water pumps.

Subsequently, a few people proficient in electrical circuits,

Began to replace the spotlights for lighting, more people immediately used the decoration of the water blocking strips and foam,

The entire corridor is surrounded by a 10 cm height, impermeable pool,

And then with the fire equipped with high-pressure water guns with powerful cleaning agents,

Vigorously started cleaning the blood in the aisle,

Washed out of the blood, directly through the pump into the bathroom drain.

Soon, the lights of the corridor were completely restored,

And with the concentration of blood in the sink becoming lighter and lighter to the naked eye,

The smell of blood in the corridor also quickly dissipated ninety percent.

At the same time, another wave of people were silently dealing with the remaining bullet holes in the walls.

After they gouged out the warheads one by one, they smoothed out the damaged walls with quick-drying putty.

Since the wallpaper in the corridor of the VIP area was the same as the wallpaper used in the compartment room,

They cut down all the wallpaper of one of the unused VIP compartments,

Then filled it up piece by piece according to the color of the flower,

And dealt with the gaps at the splices so that no one could see any problems.

Subsequently, and with a certain pungent smell of disinfectant,

The entire corridor was sprayed again, and then several high-powered hot air dryers for drying.

Because of the clear division of labor and cooperation, it took less than half an hour to do all this.

And at this time, another wave of Stella's men arrived in a cargo truck.

As early as the first group of people started to clean up the carpets,

They had already urgently deployed brand new carpets from the Fei family's own decoration city.

These carpets were not of the same brand as the replaced carpets,

But the color and texture could already be 80% similar.

Along with the freight car, there are some workers who don't know anything.

When they came here, they couldn't see that a tragic shooting had just happened here,

Let alone that nearly thirty people had just died here.

All they knew was that their supervisor had given them five times their hourly rate,

To carpet the place as fast as they could.

So, they all worked together and used the fastest time to pave the whole VIP area with brand new carpets.

When these workers withdrew, in the entire corridor, there is no trace of the fierce battle.

In addition to the faint smell of disinfectant water in the air,

As well as the smell of the brand new carpet, there is almost no smell of blood.

At this time, Stella's men below reported, "Chairperson, a woman named Chen insisted on coming up,"

"Saying she is in charge here, and questioned my identity, threatening to call the police,"

"I have her under control, what to do next?"

Stella was surprised and quickly reported the situation to Charlie.

After listening, Charlie guessed that it should be Tasha, so he spoke:

"Have someone bring her up, keep an eye on her, and don't let her contact with the outside world."

After saying that, he suddenly frowned, the matter of Stella's feedback reminded him of a detail,

Just now Uncle Marshal had said in the room that his phone had no signal and could not even call 911.

But why was his own phone not affected in any way?

Could it be that the device to block the signal was installed inside their box?

If that's the case, then it's likely that in Sara's team, there is a mole!
