In the early morning of the next day, countless warriors gathered on the top of Yanshan Mountain again.

The third phase of the Longmen Project officially opened.

“The Longmen training plan is an unrivaled opportunity opened for all warriors by my teacher and the other three powerhouses on the God List.”

“I don’t ask for anything in return, I don’t seek money, my only purpose is to make everyone in this world like a dragon and become a dragon!”

“So, in order to allow more people to get the chance to become a dragon, my teacher decided after discussing with the other three powerhouses on the God List that the number of people who will practice in the Dragon Gate will be tripled in the future, and the number of people who will experience each time will be thirty people! ”

On the top of Yanshan Mountain, above the majesty of Chen Jiuzhou, the reverberation can’t stop and last for a long time.

The crowd at the foot of the mountain suddenly erupted.

Lu Yanxi, Lu Tianhe’s daughter, was extremely happy.

The increase in the number of places naturally means that her chances of entering Longmen have increased a bit.

However, God of War, Juggernaut and others really couldn’t laugh at all.

If the Longmen experience is really a chance, then it is naturally the best, but if it is a conspiracy, then does it mean that the speed of the fall of this world must be accelerated.

“Kyushu, haste makes waste.”

“Thirty places, isn’t that too much?”

“In martial arts training, it is better to pursue quality rather than quantity.”

The God of War couldn't bear it, and persuaded him from the side.

“What, what my teacher means, are you going to be disobedient?” Chen Jiuzhou glanced over with his indifferent eyes, and looked at God of War, full of undeniable majesty.

“But”

God of War wants to say something more.

But Chen Jiuzhou interrupted his words immediately!

“No, but, this is an order, you just carry it out!”

Chen Jiuzhou said in a cold voice.

Then, he rushed to the sky, stomped the sole of his foot on the ground, and the ancient stone gate appeared from the ground.

“The Dragon Gate has opened.”

“All trainees, enter immediately!”

Following Chen Jiuzhou's order, the warriors on the list of thirty people rushed in impatiently.

“Um?”

“You three, why haven't you entered Longmen for so long?”

Chen Jiuzhou looked at the three God of War with cold eyes.

Thirty people have entered the twenty-seven people, but God of War, Juggernaut, and King of Fighters just watched and did not enter Longmen for a long time.

The King of Fighters explained at this time, “The quota is precious, and the three of us old guys have already decided not to enter the Dragon Gate and take up this precious resource.”

Chapter 4533

“No, I have to enter, and I won’t allow you not to enter!” Chen Jiuzhou frowned, not listening to the three people’s explanations.

But while they were arguing, among the crowd at the foot of Yanshan Mountain, there were actually three people who didn’t listen to the order, rushed into the dragon gate, and grabbed the last three places.

boom!

As all 30 people entered, the dragon gate suddenly closed and sank to the ground again.

“as***!”

Chen Jiuzhou was furious, and was taken advantage of by several people.

But the matter has come to this point, Chen Jiuzhou has nothing to do.

I had to look coldly at Ye Qingtian and the others, “Forget it this time, next time, the three of you must enter the Dragon Gate to practice! This is what my teacher meant, no one is allowed to disobey!”

What happened this time undoubtedly deepened the suspicion in the hearts of God of War and the three of them.

Human nature is like this, everyone has a rebellious psychology.

When God of War and the others took the initiative to enter Longmen, they didn’t think there was anything wrong.

Now Chen Jiuzhou tried every means to force them in, which made Zhan Shen and the others even more vigilant.

When Ye Qingtian and the others noticed the strangeness, the others were still intoxicated in the pleasure of the power surge.

The two batches of Yanxia’s Longmen training have a total of 20 people, and five of them have been born with titles. Except for a few who fell in the Longmen, the rest are all at the peak of the master.

Such an immediate effect, how can people not be crazy?

Therefore, in the next period of time, the enthusiasm for Longmen training will become more intense.

Warriors from many countries fought fiercely because of the quota of Longmen training places.

Perhaps in order to alleviate the shortage of places, not only Longmen in Yanxia, but also Longmen in Western Europe, Soviet Russia, Africa and other places have also greatly increased the number of training places.

This is undoubtedly an extremely surprising thing for the global martial arts.

But soon, the consequences began to show.

Due to the rapid expansion of the number of places, the quality of personnel entering Longmen training has undoubtedly declined on a large scale.

As a result, more and more people never returned, staying in the Longmen forever.

Later, the death rate even reached 50%.

Of course, this is not the most terrifying.

What's even more frightening is that even those who walked out of the Dragon Gate alive and gained strength, in Tianhou, their bodies exploded and died.

At first, such cases were the exception, very few.

However, more and more similar situations are happening.

It's better in hot summer.

After all, Yanxia only carried out three batches, but in Africa and Western Europe, similar situations abound.

The death rate and body explosion rate reached over 70%.

Such a terrifying number is undoubtedly like a basin of cold water being poured down on this fiery martial arts world.

Many warriors have gradually become sober.

No longer so persistent and crazy, pursue Longmen experience.

In the Western martial arts world, there was even a voice to shut down the Longmen training.

There is already opposition, starting to emerge.

God of War, Juggernaut and others have been paying attention to the international situation, and they naturally attach great importance to the death of Longmen training abroad.

After the discussion, the three of God of War and the others went to Chen Jiuzhou and asked Chen Jiuzhou to suspend the Longmen plan first.

When Chen Jiuzhou heard this request, he immediately laughed.

“The three of you are considered old men in the martial arts world, right?”

“Don’t you know that the road of the strong is full of death and danger!”

“A little risk, just thinking about fear and shrinking, how can you become stronger?”

“You are greedy for life and afraid of death, what kind of warrior do you still want to be? Go back to your hometown and grow sweet potatoes?”

Chen Jiuzhou scolded them all over his face.

But God of War did not stop there, reasoning and trying to “is this a little risk?”

“The last time there were 50 people entering the Longmen in Western Europe, or only 30 people came out. Moreover, even among the 30 people, half of them exploded and died within three days after returning.”

“Longmen in Africa, the situation is even more serious. A hundred people entered in the last batch, but now less than ten survived.”

“Pulling seedlings to encourage growth, too much is not enough.”

“I think it’s time to stop this Longmen project.”

“Otherwise, it’s not cultivating talents at all, but harming people and destroying the foundation!”

“This matter, if you can’t decide, then we will go to your teacher Fenghou!”

God of War’s attitude is also extremely tough. It seems that he insists on preventing the Longmen plan from continuing to be implemented.

When Chen Jiuzhou heard the words, he snorted.

“Meet my teacher?”

“You are also worthy!”

“Also, don’t waste your words. The Dragon Gate Project is a plan made by my teacher, Odin, Asura and others. It is an international trend. How can you old guys stop it?”

“It’s the three of you, prepare well, the fourth batch of Longmen training plan will start soon.”

“This time, my Yanxia quota has also increased to fifty!”

“You three, take the lead and enter.”

Chen Jiuzhou looked at God of War with indifferent eyes, and sneered.

“you”

“Chen Jiuzhou, whether you agree or not.”

“I have already discussed it with the Juggernaut and the King of Fighters, and we will stop your Longmen plan from continuing at all costs!”

“We will never allow you to wantonly harm my Yan Xia warrior!”

God of War roared angrily.

Chen Jiuzhou smiled casually, "Then you can try."

Chapter 4535

Chen Jiuzhou smiled contemptuously, and left here.

"Chen Jiuzhou, stop!"

"Haven't we finished yet?"

"Come back to me!"

The Juggernaut and the others shouted from behind, but Chen Jiuzhou turned a deaf ear and left without looking back.

"This bastard!"

"How dare you be so rude to us?"

"Why were we so blind back then and recommended him to be the Lord of the Martial God Hall!"

"Let that Brian Chu be the palace master, he is better than him!"

The King of Fighters slammed his fist on the wall behind him, and spider web-like cracks radiated out immediately.

The King of Fighters now regretted it to death.

Of course, there is also the Juggernaut who is equally regretful.

God of War sighed, "They are, unscrupulous."

"After all, Brian Chu is dead."

"In this world, the only person who can threaten them was also forced to death by us."

"There is no restriction on power, no limit on strength, what do you think he will be afraid of?"

“In his eyes, I guess you and I are already pigs and dogs waiting to be slaughtered on the cutting board.”

Ye Qingtian’s few words made the King of Fighters and the Sword Master speechless, and their expressions were a little ugly.

“Tell me, is what Brian Chu said true?” The King of Fighters didn’t hold back, and finally asked again.

No one answered.

Both God of War and Juggernaut fell silent.

They have no face to answer.

After all, when Mark was accused by thousands of people, the three of them were also on the opposite side of Mark, and even hurt Mark.

Once it is confirmed that what Mark said is true, it undoubtedly means that the three of them have done another extremely stupid thing.

In this world, the most difficult thing for people to do is to deny themselves and admit their stupidity.

Although now, many signs have shown that there are some problems with the Longmen plan.

However, even if there is only a slight possibility, Juggernaut and the others all hope that what Mark said is wrong.

God of War has left.

Here, only Juggernaut and King of Fighters are left.

“Sword Master, tell me, can what Brian Chu said back then be true?” The King of Fighters asked again.

The Juggernaut didn't answer, but just shook his head and sighed, "Hey, we have been fighting against Brian Chu for so many years, but we can't. Every time we are wrong, right?"

Juggernaut remembered many things.

Recalling the battle in the rain forest back then, they felt that Mark was tyrannical, heartless, ruthless, and heartless, but in the end, Mark donated a large amount of spirit fruit to the country for free.

I also remembered that when Mark killed the Trumen, their Martial God Hall made trouble and blocked Mark from the gate of the country. But in the end, Chu Yuan conquered the world, if not for Brian Chu, the few of them would have died under Trumen's iron hoof.

But now, Mark is once again standing on the opposite side of this world.

But Juggernaut and the others still did not choose to believe Mark.

If they were wrong again this time, Juggernaut and the others probably really have no face and are going to face the world.

Therefore, whether it is the King of Fighters or the Juggernaut, they are naturally hoping and praying in their hearts. What Mark said is not true.

However, how can the affairs of this world depend on human will?

A few days later, the Dragon Gate Project was opened again.

The fourth batch of strong men has arrived at the foot of Yanshan Mountain.

The King of Fighters, Juggernaut, Ye Qingtian and others were still in the hall and did not appear at the scene of the Dragon Gate Project.

The three of them were talking in the room, as if they were discussing something.

At this time, someone walked in.

"I am waiting for the order of Dianshu Chen to invite the three old Zhu Kingdoms to enter the Dragon Gate!"

Zhao Zhenlu led a few subordinates to ask Ye Qingtian and the others to go out.

“Get out!”

“Whether we can enter the Dragon Gate or not, we decide freely, we don’t need him to ask!” The King of Fighters cursed, not giving Zhao Zhenlu and the others any favors at all.

Zhao Zhenlu smiled and said, “Old Zhuguo, if you have something to say, go and tell Dianzhu Chen. I’m just one of my subordinates, so why do you make things difficult for me?”

Zhao Zhenlu smiled bitterly.

The King of Fighters wanted to curse, but was stopped by God of War.

“Okay, what he said is also right, they just follow orders, no matter how much they tell him, it’s just a waste of words,”

“Let’s go.”

“Some things still require us to speak to our fellow countrymen in person.”

Ye Qingtian said in a deep voice, as if he had made some important decision, he turned around and was about to go to the top of Yanshan Mountain.

“Lao Ye, have you really thought it through?”

“If you do this, it will be tantamount to tearing face off with them!”

“I’m worried” Juggernaut obviously still has concerns.

Ye Qingtian waved his hand calmly, “There’s nothing to worry about. No matter how courageous Chen Jiuzhou is, in front of so many people, wouldn’t he still dare to kill me?”

“I, Ye Qingtian, have been in Yanxia for so many years. I dare not say anything else, but I still have some hearts.”

Chapter 4537

"If Chen Jiuzhou dares to attack me, he will lose his support. If he wants to carry out the Longmen plan in the future, it will be very difficult."

Ye Qingtian said calmly, with a calm look, without any panic or worry at all.

"That's right, but Lao Ye, what if?"

"You are the backbone of our Yanxia, ballast stone, you can't take risks."

"Or, let me say this." The Juggernaut was still worried.

"You can't do it either, let me say it!" The King of Fighters scrambled again.

Ye Qingtian smiled, "Don't rob me. It's most appropriate for me to say this. I, Ye Qingtian, have been the patron saint of Yanxia for so many years. Everyone still believes in my words. I'm not bragging, The weight of the two of you, added up, may not be as important as my Ye Qingtian's words."

"Can"

"It's nothing more, do you have any other solutions?" Ye Qingtian interrupted them.

The Juggernaut and the King of Fighters opened their mouths, as if they wanted to say something more, but they still swallowed the words that came to their mouths.

Just like that, a group of three people walked out of the hall of the Martial God Hall and arrived at the height of Yanshan Mountain.

"coming!"

"It's God of War."

"The God of War is here!"

Sure enough, seeing Ye Qingtian and the others, the Yanxia warriors on the mountain, there was a burst of applause.

Although Ye Qingtian is no longer the Lord of the Martial God Temple, his prestige over the years makes him still the spiritual leader in the hearts of Yan Xia's children.

"Come here?"

"I thought you had to ask me to invite you here myself."

Seeing Ye Qingtian and the others, Chen Jiuzhou smiled coldly.

"Okay, let's stop talking nonsense."

"The dragon gate has been opened."

"The fourth batch of personnel is about to enter."

"You three, as Yanxia Zhu Kingdom, take the lead and go in first."

Chen Jiuzhou urged.

Ye Qingtian glanced at him and said with a smile, "Why worry. Before that, let me say a few words to you. In case, we won't be able to come back after we leave."

"Anything you want." Chen Jiuzhou said indifferently.

Yes, in the hot summer now, the only thing Chen Jiuzhou cares about is his teacher Fenghou.

As for these three old things, before Mark was dead, Chen Jiuzhou could use their reputation to deal with Mark and promote the Longmen plan.

Now that Mark is dead, in the land of scorching summer, he has no shackles anymore.

Therefore, these three old things are of little value to him.

Useless people or things are waste.

Yes, in Chen Jiuzhou's eyes, these three old things were no different from trash.

If you want to talk, let them talk.

Anyway, they will be sent into Longmen soon.

Just like that, under the gaze of everyone, Ye Qingtian walked to a high place, looking at the world under his feet with his cloudy eyes, and at the group of kind and lovely compatriots in front of him.

“Everyone here should recognize me. I am Ye Qingtian. Thanks to everyone’s love, I was named the God of War and became the head of the Yanxia Six Pillars Kingdom.”

“Over the years, I have fought side by side with you, overcoming countless difficulties and obstacles time and time again.”

“I am very fortunate to have been born in this country.”

“I am also very fortunate to have so many outstanding and respectable compatriots.”

“It is precisely because of my love for this country that I have always tried my best to protect this country and the people here.”

“The long-term peace and stability of the country and the prosperity and prosperity in hot summer are the dreams that I, Ye Qingtian, have been fighting for all my life!”

“So, my comrades-in-arms and I founded the Martial God Temple. We also accepted Fenghou’s suggestion and promoted the Dragon Gate Project. The reason for this is to hope to see a stronger country.”

“For such a goal, I even shot and hurt a friend of mine, and when my friend needed help the most, I chose to turn a blind eye.”

“But I didn’t regret it at the time, because I always felt that I was on the side of the people, and I was on the side of the country’s righteousness. As long as it didn’t violate my ideals, everything was worth it.”

“However, during this period of time, I have gradually realized that I seem to be wrong.”

“Just like countless martial artists who pursue strength, I, Ye Qingtian, seem to be confused by the sudden increase in strength.”

“Yes, what I want to talk about is today’s Longmen plan.”

“I used to feel like everyone else that Longmen appeared in my Yanxia, it was God’s blessing for my Yanxia, and it was an opportunity for my Yanxia people.”

“However, gradually, I discovered that the appearance of Longmen made us lose our original intention of martial arts.”

“The acquisition of strength is not something that happens overnight.”

“With the help of external forces, it is self-destruction!”

“Here, I announce a piece of data to everyone.”

“In the last group of Longmen trainees in Western Europe, half of them died inside the Longmen, and half of those who survived died within three days of their veins bursting!”

“African Dragon Gate is even more tragic. Out of the list of one hundred people, only ten survived. Moreover, even for these ten people, due to the forcible infusion of power, their tendons and veins have been damaged to varying degrees. There is no hope of promotion in this life!”

On the top of Yanshan Mountain, Ye Qingtian was full of solemn eyes, telling the shocking data to everyone.

“No way?”

“God of War, are you making a mistake?”

“This Dragon Gate was vigorously promoted by the four giants of the God List.”

“After the wind, can they still harm us?”

“That’s right.”

“Aren’t the previous batches of Longmen plans all good?”

“Old Wangtou, and Lao Li, they have all broken through to the realm of titles!”

As the saying goes, the words are not amazing and endless.

Ye Qingtian’s words undoubtedly caused an uproar among the crowd.

Everyone seemed extremely shocked, unbelievable at all.

Chapter 4539

As for Chen Jiuzhou, at the beginning, Chen Jiuzhou just listened absent-mindedly and didn’t care.

But soon, he discovered that the purpose of God of War’s speech seemed to be to discredit his Longmen plan.

This undoubtedly shocked Chen Jiuzhou.

“Ye Qingtian, what nonsense are you talking about?”

“You still can’t hold your tongue!”

Chen Jiuzhou shouted angrily, making Ye Qingtian shut up immediately.

But Ye Qingtian turned a deaf ear and continued talking.

“Everyone, I know that what I said may be difficult for everyone to accept for a while.”

“But trust me.”

“I guarantee with my personality that everything I said above is true.”

“Today’s Dragon Gate is no longer the gate of power, nor the gate of chance. It is the gate of hell, the gate of death.”

“I can’t just watch my compatriots go in and die!”

“So, I announce that after today, the Longmen training program will be permanently suspended!”

“Bastard, you are looking for death!” Ye Qingtian’s last words completely angered Chen Jiuzhou.

He stopped talking nonsense, stepped on the ground, and rushed out immediately.

With a fierce slap, he snapped it down suddenly!

“Lao Ye, be careful!”

“Quick back!”

The Juggernaut shouted anxiously, and the King of Fighters was also full of worry.

But Ye Qingtian didn’t dodge, he just stood there.

Like an Optimus Prime of Yanxia, it stands at the highest point of Yanxia! retreat?

He has no way out!

If he retreats, in this scorching summer, who else will guard him?

In the past, there was Mark behind him.

But now, Mark has been forced to death by them.

In today’s scorching summer, Ye Qingtian is the only one left fighting alone!

So, no matter what, he wanted to stop it. The Longmen plan continued.

boom!

With a muffled sound, Chen Jiuzhou slapped Ye Qingtian’s back firmly.

Ye Qingtian was as motionless as a mountain, but he spit out a mouthful of bright red blood.

But even so, God of War still stood on Yanshan and shouted.

His mouth was full of blood, and his face was full of grief, "Yan Xia warriors, it's time to wake up."

"Power doesn't fall from the sky, nor is it gifted by others, but it comes from our own practice step by step."

"If you don't accumulate steps, you can't reach thousands of miles; if you don't accumulate small streams, you can't form rivers and seas!"

"There is no shortcut to success, and there is no shortcut to becoming a strong person."

"So everyone, it's time to wake up from the dream"

"Stop fantasizing about the fairy tale of the carp jumping over the dragon's gate"

"The Dragon Gate Project, really, can no longer be carried out"

boom!

Another palm.

Chen Jiuzhou's face was cold, and he took another picture of Ye Qingtian.

This time, Ye Qingtian didn't hold back anymore.

His body trembled, and he immediately spit out a mouthful of blood!

The whole person was also sent flying out.

"Old man, how dare you miss me?"

"Since you don't want to enter the Dragon Gate so much, my Palace Master will let you in today!"

Chen Jiuzhou was furious, his cold eyes reflected a cold and gloomy light.

He stepped forward, picked up Ye Qingtian with one hand, and threw it in the direction of the dragon gate.

But at the critical moment, Juggernaut and King of Fighters stood up.

They stood in front of the dragon gate and caught Ye Qingtian!

“how?”

“Ye Qingtian wants to die, you two, don’t you want to live too?”

Chen Jiuzhou narrowed his eyes completely.

He looked at the King of Fighters and the Juggernaut, and Sen Ran’s words were full of threats.

“King of Fighters, Juggernaut, put me down.”

Chapter 4541

“Today’s matter has nothing to do with you.”

After God of War stabilized his figure, he stood up straight again.

He pushed away Juggernaut and the others, facing Chen Jiuzhou alone!

“Chen Jiuzhou, you are determined to go your own way, domineering and domineering, and treat the lives of your compatriots as nothing!”

“As the patron saint of Yanxia, how can I allow you to act recklessly!”

The anger of the God of War echoed, and the torrential power also erupted on him.

In the tendons and veins, energy surges.

Under the body, the blood boils!

A strong fighting spirit soared into the sky.

Seeing this, Chen Jiuzhou immediately smiled.

“Hahaha”

“Just by you, do you want to judge me?”

“You can’t even beat Brian Chu, so how can you be my opponent?”

“If Brian Chu was alive, and you all joined him to deal with me, I might still find it a bit tricky.”

“But now that Brian Chu is dead, in the hot summer, who else can fight me?”

“Even if you add up the three pillar kingdoms, you will not be the enemy of me, Chen Jiuzhou!”

Chen Jiuzhou’s eyes were full of wantonness and arrogance.

Yes, after Mark’s death, his demeanor was undoubtedly more domineering and unscrupulous.

Not only the God of War, but even the group of warriors like Yan Xia, how is it different from the playthings in his hands?

When laughing, Ye Qingtian has already made a move!

A Heavenly God Palm, snapped angrily.

Chen Jiuzhou didn’t even hide, and made a random move.

boom!

Hearing the energy explode, Chen Jiuzhou was blown away by Ye Qingtian!

“Damn it!”

“What kind of palm is this?”

Chen Jiuzhou got up, looking ashamed, but it was a bit funny.

However, compared with the anger in his heart, the doubt on his face is undoubtedly more intense.

Obviously, he didn’t expect that the power that Ye Qingtian erupted from that palm just now was far beyond his personal realm!
