However, Chen Jiuzhou did not kill them.

Instead, he threw all the fallen people into the dragon gate behind him.

“13!”

“14!”

“15!”

“twenty one !

“twenty two!”

Chen Jiuzhou shouted recklessly, a smile appeared on his handsome face in the past.

However, that gloomy smiling face looked sick and gloomy no matter how you looked at it.

Just like that, in just a few minutes, Chen Jiuzhou caught thirty people like he was catching chickens.

At this point, Chen Jiuzhou just stopped moving.

Standing proudly on the top of Yanshan Mountain, looking down at the fleeing ants under his feet, his wanton laughter echoed across the world.

“The fourth batch of personnel has entered.”

“A month later, I will continue to screen the list of the second batch of personnel.”

“Those who enter the Dragon Gate still have a chance.”

“Whoever disobeys orders, die!”

boom!

As Chen Jiuzhou's words fell, a majestic palm print was suddenly photographed.

Under the giant palms, there were three Yan Xia warriors, and before they could even scream, they were already smashed into meat by Chen Jiuzhou.

At this moment, the bloody scene made everyone silent.

Pale face, like mourning concubine!

So far, today's Longmen experience is completely over.

The Yanxia Martial Dao world that followed was in an unspeakable fear.

That feeling, like a group of chickens locked in a cage, no one knows, who will be the next person to be called and sent to the slaughterhouse?

A month later, the dragon gate opened again.

Those thirty people, or those who came out, were only thirteen people.

Moreover, among the thirteen people, five people exploded and died within seven days after they came out.

Blood mixed with minced meat splattered everywhere.

This result undoubtedly made everyone more afraid of Longmen.

After all, the death rate is too high.

Of the thirty people, only eight survived.

Moreover, these eight people, because of the cultivation of seedlings, forced to improve their cultivation regardless of the consequences, it can be said that it will be difficult for them to improve for the rest of their lives.

Chapter 4553

With the end of the training of the fourth batch of personnel, the list of the fifth batch of training will be released soon.

This time, there were fifty people in total.

After the list was announced, the fifty people were all in despair.

Some fled overnight, some lived in seclusion in the mountains, and some openly resisted.

In short, no one answered the call!

Even, martial artists in the Yanxia Martial Arts world have begun to unite to resist Chen Jiuzhou together.

The parade even reached the foot of Yanshan Mountain.

Make a proposal to let Chen Jiuzhou abdicate, resist the Longmen plan, and permanently destroy the Longmen plan.

However, the protest did not last long.

Soon, more than 20 strong men surrounded him from all directions.

These people, without exception, are all titled masters!

Yes, there are twenty titled masters.

In nearly a year, relying on the Longmen Project, Yanxia has produced nearly twenty titled masters!

Today, these titled masters have undoubtedly become Chen Jiuzhou's most capable subordinates.

Among them, the two leaders turned out to be Xiao Chen, the Sword Master, and Mo Gucheng, the King of Fighters!

"Sword Master, King of Fighters, you are not dead?"

"We thought you were killed by that Chen Jiuzhou?"

Seeing the Juggernaut and the others, the martial artists who were parading there were shocked at first.

After that, there were eyes full of joy.

“Jugmaster, it’s really great that you are still alive.”

“We are worried that no one will lead us to resist Chen Jiuzhou’s brutal rule.”

“You are back now, and we all listen to you.”

“We are united to overthrow Chen Jiuzhou and stop his Longmen plan!”

Everyone offered their words and suggestions, and excitedly asked the Juggernaut and the King of Fighters to lead them to fight against Chen Jiuzhou.

However, facing what they said, the Juggernaut only responded to them with the cold long sword in his hand!

Stab it!

Without any nonsense, the Juggernaut swung his sword and made a sudden stroke!

The vertical and horizontal sword light slashed down in anger.

That ray of sword energy immediately brought out a bright red and stern blood line here!

More than ten dancers died on the spot!

Everyone present was dumbfounded.

One by one, full of shock, they looked at the former Lord of the Martial God, the Yanxia Zhu Kingdom who loved the people like a child.

“Sword Master, what are you?”

Everyone looked angrily at the Juggernaut in front of them.

For a moment, they only felt that the present Juggernaut was so strange.

“Master Chen, are you also able to offend?”

“The sword just now was just a lesson.”

“We are ordered by Dianzhu Chen to come and suppress the rebellion.”

“I advise you to disband on the spot and disperse immediately, and then those on the list, go to Longmen to practice obediently!”

“Otherwise, don’t blame me for forcibly suppressing it!”

The sword master’s words were icy cold, and there was infinite majesty and majestic killing intent in those austere words.

These words of the Juggernaut undoubtedly shocked everyone present.

They looked at the Juggernaut in disbelief.

Who could believe that these words came from the mouth of the Juggernaut.

“The King of Fighters, what happened to the Sword Master?”

“Could it be, have you all surrendered to Chen Jiuzhou?”

Everyone asked the King of Fighters behind him in puzzlement.

The King of Fighters’ face was equally cold, “Dianzhu Chen is the master of Kyushu martial arts in the hot summer, and all people in the hot summer should submit to him.”

“If there is any resistance, die!”

boom!

The majestic voice of the King of Fighters exploded like thunder.

At this point, the people who had just ignited their hopes, seemed to be poured by a basin of cold water, and all the hopes in their hearts were extinguished.

“You guys, why are you all like this?”

“Have you forgotten who seriously injured the God of War?”

“And who is it that forced you to enter the Dragon Gate?”

“Why are you all Chen Jiuzhou’s dogs now?”

Among the crowd, someone roared unwillingly.

They couldn’t accept that the former Yanxia Zhu Kingdom, the titled master who protected them from the wind and rain, now became the butcher’s knife in the hands of the executioner and began to slaughter his people.

However, how could the Juggernaut and the King of Fighters pay attention to their words.

There was awe-inspiring murderous intent in those cold eyes.

Seeing that these people still did not disperse, the last patient of the Juggernaut was undoubtedly gone.

He gave an order, led the titled strongman behind him, rushed into the crowd, and then began the bloody massacre!

When the Juggernaut’s sword swung towards his compatriots, the warriors in Yanxia realized that the Juggernaut and the others had all changed.

Ah~

The shrill scream resounded through the clouds.

Chapter 4555

The bright red blood burned all over the land of Yanshan.

After this massacre, no one dared to stand up against Chen Jiuzhou in the scorching summer.

At the same time, the Juggernaut and the others led the strong men to go to various places in Yanxia to arrest people according to the list of Longmen’s experience.

It's okay if you don't resist. All those who resisted had their legs broken and were taken back to Yanshan Mountain. They were finally thrown into the dragon gate like pigs and dogs.

So far, the entire Yanxia Martial Arts has been completely controlled by Chen Jiuzhou!

Everyone lives under the fear of being dominated by Chen Jiuzhou.

No one knows if he will be the next person to be killed and thrown into the dragon gate!

It is in this unknown fear that the Longmen Project continues to be implemented.

fifth batch, sixth batch

More and more warriors were sent to Longmen.

At the very beginning, they were still screening, and those who could participate in the Longmen training were elite geniuses.

Later, even martial artists who had just entered martial arts were arrested and sent to Longmen.

They no longer ask for opinions, but all those selected will be forcibly taken away.

More and more people died, and more and more people never came back.

Not only Yan Xia, but almost all martial arts worlds around the world had a similar scene.

When walking in darkness, people always yearn for light.

When living in fear, people miss heroes.

Yes, it was in this gloomy and desperate time that those human fighters who were dying began to miss Brian Chu again.

As the saying goes, let the flying generals of Dragon City stay, don't teach Huma to go to Yinshan Mountain!

If only Mark was still there.

It would be great if Brian Chu didn't die.

Back then, he was able to bring down Truman by himself.

Then, he must have a way, against Chen Jiuzhou, against Longmen.

After so many years, he always has a way, doesn't he?

Just like back then, facing Truman's global arrest, he survived.

He still managed to deal with the desperateness of the Valkyrie Temple.

This time, facing the danger of Longmen, Mark and his Dragon Temple will definitely have a way to deal with it.

Noirfork, a small border town.

Ericson Li lives here in seclusion, fishing and walking his dog every day, ignoring the world.

However, even so, someone still found him

“Mr. Li, the country is at a critical moment now. Please, Mr. Li, inherit Mr. Chu's behest and save me from Yanxia Martial Arts!”

“Yes, Mr. Li. You can't hide like this anymore.”

“If this continues, our Yanxia Martial Arts will be completely over!”

By the river, several old men in suits and leather shoes, with anxious and pleading faces, hoped that Ericson Li could make a move.

Ericson Li's expression was indifferent, with his back to them, the fishing rod in his hand stretched out to the river, and his eyes stayed on his float all the time.

"I, Ericson Li, am just an ordinary person."

"Lucky, save your life, and live in the world."

"As for you, all of you are martial arts experts who dominate one side, but they travel thousands of miles to beg me, an ordinary person who has no strength to restrain a chicken, don't you find it ridiculous?"

"You are all helpless, I am a layman, how can I save the world?"

"Everyone, please go back."

Ericson Li didn't want to talk too much with them, so he directly advised them to return.

"Mr. Li, we know that you don't know martial arts. But after all, you have followed Wushuang for so many years. I don't believe that Wushuang didn't leave you some cards before he died?"

"Yes, Mr. Li, please recall carefully, what legacy did Mr. Chutian Fanchu have before he died?"

"Mr. Chu's meritorious deeds during his lifetime are unrivaled, and he is the hero of defending our country in the hot summer!"

"Even in the end, facing the pursuit of the four giants on the list of gods, he was still able to escape safely, which shows what a god-man Mr. Chu is!"

"Such a fairy-like character must have left a lot of treasures or hole cards that can control the enemy and kill people."

"At such a critical time, Mr. Li should stop hiding it. Take it out and deal with Chen Jiuzhou. It will not only save our Yanxia martial arts, but also avenge Mr. Chu!"

"that is."

"If Mr. Li is willing to show it at this time, we Tiannan Martial Arts will never forget Mr. Li's great kindness!"

“We will always remember the kindness of Mr. Ericson Li!”

“And our Tohoku Budo!”

Martial arts representatives from various provinces present spoke anxiously, asking Ericson Li to take out Mark’s legacy or cards to save Yanxia martial arts.

However, facing what everyone said, Ericson Li suddenly smiled.

“Peerless title?”

“Excellent achievements?”

“Patriotic hero?”

“It’s really nice to say.”

“It’s just that I have pity on my Mr. Chu, but I can’t hear or see it anymore.”

“It would be great if Mr. Chu was still alive, so that he could see the hypocritical, selfish and ugly faces of you people.”

Ericson Li shook his head and smiled, his eyes full of coldness.

Chapter 4557

“Mr. Li, what do you mean?”

“We don’t understand.”

These words of Ericson Li undoubtedly surprised the martial arts masters from the major provinces in front of them.

Everyone asked Ericson Li suspiciously, as if they didn’t understand Ericson Li’s words.

“don’t know?”

“You really don’t understand?”

“I see, are you pretending not to understand?”

Ericson Li sneered, and then looked at everyone with cold eyes.

“Now you know that Mr. Chu is a national hero, the savior of the world?”

“Let me ask you, where were you when Mr. Chu was accused by thousands of people and killed by the world?”

“Where were you when Mr. Chu was criticized verbally and penally, and was stigmatized as the scum of the country and the devil of troubled times?”

“Oh, I almost forgot.”

“You were the ones who wanted Mr. Chu to die back then.”

“It’s you who say that Mr. Chu is the scum of the country.”

“It’s you who want Mr. Chu to die without a place to bury him.”

“It was you who forced Mr. Chu to death. Today, what face do you have to seek Mr. Chu’s protection?”

Ericson Li’s eyes were cold and sneered.

After several questions in a row, it was like a thunderbolt exploding.

The burst of anger, with endless sadness, resounded through the world here.

Facing Ericson Li’s questioning, everyone present lowered their heads one after another.

Some are ashamed, some are guilty, and some are full of apologies.

“Mr. Li, don’t be angry. What happened back then was a misunderstanding, and we didn’t expect that Longmen was really the source of disaster.”

“If we had known this earlier, we would never have opposed Master Wushuang back then.”

“Instead, it will help Master Wushuang to fight against Chen Jiuzhou and destroy Longmen together.”

Among the crowd, someone explained bitterly.

Speaking of this matter, it is indeed their fault.

At the beginning, Mark went to Yanshan alone, trying to destroy Longmen.

As a result, no one helped each other, but they were attacked by the entire Yanxia Martial Arts.

Afterwards, they also contributed to the siege and killing of Mark.

Even when they learned that Mark died in the nuclear explosion, many people applauded and felt very happy.

After all, in the eyes of the world at that time, Mark was a villain with a vicious heart.

He destroyed Longmen because he wanted to ruin their chance, because he was afraid that the people who came later would gain power and threaten Mark's position.

Therefore, at that time, many people wanted Mark to die.

I feel that this kind of person deserves to die!

But who would have thought that in less than a year, the situation here would undergo such a big change.

The sinners, scum, and big devils who were tolerated by the world back then are the ones who really want to protect this world.

On the contrary, the people they once regarded as leaders and beliefs are the real bad guys.

Satire!

Great irony!

Sometimes, even they themselves feel that this human thing is really disillusioned.

“Misunderstand?”

“The two words of understatement, do you want to cover up the stupid things you have done?”

“Can a random explanation make up for the grievances and sufferings that Mr. Chu suffered at the beginning?”

Ericson Li asked again.

Everyone looked up, “Mr. Li, what do you think? The big deal is that we will burn incense and pay tribute to Wushuang title every year! But now, it is not the time to discuss this.”

“Chen Jiuzhou is tyrannical and inhumane. Now it is the critical point of my Yan Xia martial arts life and death. I believe that if Grandmaster Wu Shuang is still alive, he will never refuse to save him!”

Everyone talked anxiously, trying to use morality to kidnap Ericson Li.

“Shut up!”

Ericson Li was suddenly furious and got up abruptly.

“How dare you have the face to say that?”

“Don’t you know how many things you did to Mr. Chu back then?”

“Not to mention that Mr. Chu didn’t leave any hole cards, even if he did, I wouldn’t give them to you!”

“The life and death of this world has nothing to do with me, and what has to do with Mr. Chu?”

“Heaven’s evil is forgivable. Self-inflicted evil cannot live!”

“Mr. Chu wanted to save you when he destroyed Longmen. You were the ones who didn’t know good and bad, and drove Mr. Chu to death!”

“Now, this is the best punishment for you.”

Chapter 4559

“You all deserve to die, and you should be buried with Mr. Chu!”

Ericson Li’s eyes were full of anger, and all the long-suppressed emotions in his heart were released at this moment.

At this moment, Ericson Li only felt happy!

For so long, Mark’s ending has always been the biggest pain in Ericson Li’s heart.

He felt that Mr. Chu’s death was wronged and not worth it.

And now, this tone finally came out!

The group of executioners in front of him forced Mr. Chu to death.

Now, he deserves his retribution!

“Ericson Li, how dare you say that?”

“You are anti-humanity, treason, and hate speech!”

“You act like this, are you worthy of the country where you were born and raised? Are you worthy of the nation?”

Someone threatened Ericson Li and directly suppressed him with the righteousness of the country.

But Ericson Li turned a deaf ear and still sneered, “Whether I am sorry for this country is not important. But I only know that Mr. Chu is worthy of this world. It is you who have failed him. Now, it is time to pay back.”

Ericson Li dropped the last words, turned around and walked away.

Only a group of warriors were left behind, stunned in place, looking at each other.

“This Ericson Li is really shameless!”

“In my opinion, we arrested him directly and tortured him for interrogation.”

“I don’t believe it anymore, he didn’t tell the truth?”

After Ericson Li left, among those present, some people were still unwilling.

Since he was so good at persuading him not to listen, he had to be tough.

“Brian Chu’s confidantes, do you think we will give in if we torture them?”

“forget it.”

“As Ericson Li said, this is our retribution.”

“At the beginning, it was indeed us, I’m sorry Brian Chu.”

After all, everyone still didn’t choose to press Ericson Li.

This may be the last conscience in their hearts.

However, with Ericson Li’s refusal, their last hope was undoubtedly shattered.

They can only wait for the darkness to completely cover the world with despair and fear!

In hot summer, Western Europe and other places, when the events of Longmen cast a thick shadow, the land of India was extremely peaceful.

Tianshimen station.

A stunning woman, wearing a long moon-yellow dress, was sitting by the bank of the stream.

In front of you, there is a gurgling stream. Behind, there are flowers and plants competing for beauty.

And this woman, sitting in it, burns the stove to make tea.

“Sister Yao’er, have you heard?”

“Yanxia Martial Arts is already in chaos.”

“Some time ago, God of War Sword Master and others fought with Chen Jiuzhou, the master of the Martial God Hall. The God of War escaped with serious injuries, and his life and death were unknown. The remaining warriors are now like pigs and dogs, waiting to be sent to the slaughterhouse by Chen Jiuzhou .”

On the opposite side of the table is a blond-haired blue-eyed girl, talking about something she heard recently.

After Yueyao heard it, her heart didn't fluctuate in the slightest, she just replied indifferently, “If you seek benevolence and get benevolence, you will only be to blame.”

Yanxia Martial Arts used to be the strongest martial art in the world. ,

But for many years, there has been constant internal friction.

Finally, Brian Chu appeared, but was forced to death by Yan Xia warriors.

Now that Yanxia Martial Arts has come to this ending, Yueyao can't think of anything other than the word deserve it.

Compared with Yanxia, the situation in India is undoubtedly much better.

The main reason is that when the global martial arts fell into madness due to the appearance of Longmen, King Foluo still remained sober.

Especially after he learned that Mark was going to destroy Longmen, saying that it was the source of the disaster, King Fo Luo undoubtedly became more suspicious of Longmen's plan.

Therefore, in terms of Indian Martial Arts, no fighters were mobilized to participate in the Longmen Project.

It can be said that in today's world, India is one of the few major martial arts countries that has not been affected by the Longmen plan.

“that is!”

“They deserve it!”

“Who they don’t believe in brother Mark, they still want to kill my brother Mark.” Nuo Ya also said while waving her fists.

Thinking of Yanxia Martial Dao besieging and killing Mark, Nuoya was also very angry.

While the two women were chatting, someone suddenly came to report that King Foluo and others had come to ask for an audience.

“Why is he here again?”

“Tell him, I’m practicing in seclusion, and I won’t see anyone.” Yueyao frowned.

“But the sect master, King Foluo said, he won’t stop until he has a definite answer.”

“He just wants to know whether Brian Chu, who is titled Wushuang, is still alive or not?”

Chapter 4561

It has been more than once. Ever since the news of Mark’s fall came out, the titles of the Foluo Palace have come to visit from time to time.

There is only one main purpose, and that is to ask Yue Yao if Mark is really dead.

After all, they have dealt with Mark not once or twice.

Mark played the trick of feigning death with them twice.

The first time was on the coast of the East China Sea, holding a sword to kill himself.

As a result, after a lapse of one year, the martial art of India was turned upside down.

The second time was the battle at Mount Foluo in India.

That time, King Foluo and the others really thought that Mark was dead.

But in the end, they slapped them in the face again.

King Foluo remembered that time, after Mark disappeared for a few months, he returned again, first killing King Yintian, and then destroying the Foluo Palace.

In the end, they persecuted a few of them and became slaves.

As the saying goes, do it again and again.

People like King Foluo were obviously scared by Mark.

Even if Mark's body is brought over to them now, King Foluo and the others will doubt whether this is Mark's trick to get rid of the golden cicada's shell.

Therefore, even now the whole world believes that Mark died under the nuclear explosion without a place to bury him.

But King Foluo and Haibu still felt that the old boy might not be dead.

The reason why he disappeared for so long is because that old boy Mark hid in that unknown place to practice and heal his injuries.

However, doubt is doubt after all.

King Floro and the others obviously hope to find out.

"This group of old things are really persevering." Yue-Yao frowned when she heard that King Fo Luo and the others came to ask about Mark's situation again.

In the end, she let King Floro and Haibu walk in.

"Miss Yueyao, I finally see you."

"When we learned about Mr. Brian Chu's demise, we were also extremely saddened."

"But you are unusually calm."

"Looking at your reaction, is Mr. Chu not dead at all, but still alive?"

King Foluo and the others looked at Yueyao.

Yue Yao remained expressionless, and asked back, "I want to know, is there anyone in this world who can survive the nuclear explosion?"

King Flora thought for a while, then shook his head, "It seems not."

"In this case, why do you think that Mark can survive?" Yueyao's answer stunned King Foluo and the others.

Seeing their silence, Yueyao continued, "So, please don't ask me such stupid questions again. I still have something to do, so please come back."
