“But Wan’er, if that’s the case, wouldn’t those warriors who were enslaved by the strange demons all suffer?”

Mark felt a little heavy.

Although, all of this is caused by those warriors themselves.

However, they sacrificed their lives, activated the Tianmen formation, and saved An Qi.

This will always give Mark a great moral shackle.

Wan’er comforted, “Mark, you don’t have to feel guilty.”

“Actually, no matter whether you break through the Heavenly Gate Formation or not, those people will all die.”

“They have been enslaved by strange demons.”

“Unless you can kill the strange demon, you can’t save those people at all.”

“Since the tragedy cannot be stopped, why should you feel guilty?”

“When they don’t listen to your advice and insist on entering the Dragon Gate, they should accept the result of future sacrifices.”

Wan’er’s words dispelled the last worry in Mark’s heart.

“Okay, Wan’er, listen to you.”

“Then break through the Heavenly Sect!”

“However, I don’t know when the strange demon will activate the Tianmen formation.” Mark sighed.

But Wan’er stood up and looked up at the sky, “It’s already started.”

Yes, when Wan'er said this to Mark. The last batch of warriors who experienced the Dragon Gate walked out of the Dragon Gate.

Chu Tianqi on the island seemed to have sensed it long ago.

He suddenly opened his eyes from the practice, and the voice of the bastard spread throughout the sky emperor in an instant.

"The Dragon Gate Project has come to a successful conclusion."

"Everyone, listen to my orders and gather in the hot summer Kunlun!"

"Ready to activate, Longmen Formation."

"Follow me and welcome the coming of the Lord!"

Chu Tianqi's voice seemed to carry a special magic power. spread throughout the earth.

That night, billions of people from all over the world heard it. It was like a cry from the abyss of hell.

The disaster has begun

Chapter 4583

Mo family.

King of Fighters Mo Gucheng is eating.

It was rare for his father to go home, so the little boxing king Mo Wuya naturally came to accompany him.

While eating, Mo Wuya chatted with his father casually.

"Father, what chance is there in that dragon gate?"

"It actually improved your cultivation so much."

Mo Wuya was very curious.

Although Mo Wuya wanted to participate in the Dragon Gate Project these few times.

But the previous few times, my father kept blocking me.

Later, the Longmen project completely changed the taste of the car.

Mo Wuya no longer asked to enter.

And because Chen Jiuzhou needed someone to do something, he didn't force Mo Wuya to enter.

Therefore, Mo Wuya was lucky enough to escape the Dragon Gate Project these few times.

However, my father has been out of Longmen for so long, and his life is not in danger, and his strength has indeed improved a lot.

This undoubtedly began to make Mo Wuya suspicious.

Perhaps, God of War and Mark are all over-worried.

The Longmen Project is not a conspiracy. Instead, it really benefits everyone.

As for those who died in the Longmen, it is also normal.

As the saying goes, big waves wash the sand.

The more powerful the secret realm of chance, the more dangerous it is.

If you want to gain power far beyond ordinary people, you have to experience life and death far beyond ordinary people.

On the way to the pinnacle of martial arts, it is normal for a few people to die.

Therefore, Mo Wuya felt that it was likely that his father and the others had worried too much before,

Moreover, since they came out, their father and Juggernaut's attitude towards the Longmen Project has also changed drastically.

Instead, he helped Chen Jiuzhou implement the Longmen plan.

Facing Mo Wuya's question, Mo Gucheng just gave him a look.

"Ask what should be asked, and don't ask what should not be asked."

"The water in Longmen is very deep, it's beyond your control."

The King of Fighters said coldly.

But, just finished saying this.

At the edge of the sky, there is a majestic and majestic voice that resounds through the ages.

The sound was so loud that it almost exploded like a thunderbolt.

Even Mo Wuya could hear it clearly.

“”

"Gathering in Kunlun"

"Welcome to the Coming of the Lord"

The sound of chaos, like a bell in the morning and a drum in the evening, resounds all over the world.

"What is this?"

"Who is shouting?"

"What Lord?"

After Mo Wuya heard it, he felt only trembling and puzzled.

As usual, whenever there is something I don't understand, I ask my father.

But this time, his father didn't answer him in the slightest.

The originally majestic face, after hearing these words, looked like a courtier who had been summoned.

King of Fighters Mo Gucheng stood up abruptly, then knelt on the ground with a bang, his entire expression and face became extremely respectful and respectful.

This scene undoubtedly frightened Mo Wuya.

He didn't know what his father was bowing down to.

"Dad, what's the matter with you?"

"Don't scare me!"

He had never seen his father like this.

His expression was sluggish, as if he was being controlled by someone.

In the dull eyes, there is no trace of aura.

But Mo Gucheng didn't answer.

He knelt on the ground, waiting for the Lord's will to be delivered with the most revered appearance.

Finally, he suddenly got up and went to Kunlun!

"Father, where are you going?"

"Father!"

Mo Wuya shouted anxiously from behind.

Chapter 4585

But Mo Gucheng, the King of Fighters, turned a deaf ear and went straight to Yanxia West.

Like subjects under edict!

However, something puzzling.

At the last moment before leaving, Mo Gucheng, who was originally indifferent and dull, seemed to gain a moment of sobriety.

In an extremely anxious and painful tone, he yelled at Mo Wuya the last sentence, "Wu Ya, run away! Run away!"

After saying this, Mo Gucheng returned to his previous dull look.

Like a marionette, he walked straight to Kunlun Mountain with stiff steps.

"Father, what's the matter with you?"

"What happened?"

Mo Wuya suddenly panicked.

He doesn't know what's going on.

I don't even know why my father suddenly behaved like this.

Panicked, Mo Wuya went to Yanshan to find the Sword Master.

I want Uncle Juggernaut to give him an idea.

However, before reaching Yanshan, he met the Sword Master.

Just like his father's sluggish expression.

Without looking back, he went straight to Yanxia West Territory.

Mo Wuya's shouts fell on deaf ears.

Not just the two of them.

At this time, in Gritsberg alone, there are more than a dozen powerful warriors who are above the masters, heading towards Yanxia West.

If you zoom in on the scope.

Undoubtedly more!

There are nearly a hundred people in Tiannan Province, the three northeastern provinces, Xijiang Province and other major provinces in hot summer.

And right now, there are hundreds of thousands of people frantically gathering in the same direction across the country.

Mo Wuya was completely terrified.

He didn't know, what happened to this world.

This night is destined to be a sleepless night.

Not only people in martial arts, but even Ericson Li, Chen Ao and other worldly people felt a bit of crisis.

“It seems that the disaster Mr. Chu mentioned is about to begin after all.”

On the bank of the Yellow River, Ericson Lihan was fishing alone.

Jin Bao and Yin Bao beside him were also full of worries.

They advised Ericson Li to return to Wrilfill.

On Yunding Mountain, Mark once set up a big formation for them there, no matter how big the danger is, he should be able to deal with it.

Ericson Li shook his head, “Under the overturned nest, are there any finished eggs?”

“This time, it should be the end.”

“At that time, even Yunding Mountain will not be able to defend it.”

“Let’s go.”

With a sigh of emotion, Ericson Li suddenly stood up.

“Where are you going? Back to Wrilfill?” Jin Bao asked.

“Go to the border of Yanxia, and pay homage to Mr. Chu.”

“It’s been a year, and it’s time to see it.”

Ericson Li’s words were heavy.

Not long after, a black car left the land of Noirfork.

a long distance away.

Hot summer at the southern border.

Here, there used to be the highest mountain range in the world, the Himalayas.

However, since the big explosion a year ago, some of the mountains here have been razed to the ground.

Here, there are only ruins and messes all over the place.

However, on top of the barren ruins, there was a low tomb with a wordless tombstone on it.

In front of the tombstone, a white-haired man sat there.

He didn’t pay attention to the nuclear pollution warning sign next to him, instead he was still facing the tombstone, drinking alone.

“Mark, it’s been a year.”

“You don’t know what the martial arts world is like now?”

“Just like the land where you fell, there is only ruins left.”

“It would be nice if you were still alive.”

"If you want to live, those ghosts and ghosts will not be so lawless.

Chapter 4587

"This world may look different."

"I hate it!"

"I hate that year, why didn't I believe you."

"Why didn't I stand by your side!"

The man's old eyes were red with annoyance.

"Old man, are you also Mark's friend?"

While the man was feeling emotional, a soft female voice suddenly came from behind,

The man looked back and found that it was actually two women.

One is weird, the other is beautiful.

His face and beauty are actually the appearance of heaven and man.

If they met when they were young, the man would probably go up and have a chat, but now

He got up straight away, turned and left.

"Old man, stay a while."

"Don't get me wrong, we have no malicious intentions."

"Sister Yueyao and I are also friends of Mark."

"They all came to see Mark."

Noah explained.

When she said this, she stared at the man with white hair in front of her.

For some reason, she always felt that the man in front of her looked familiar.

“Well, take a look. Leave early after a while, the nuclear radiation here has not completely dissipated, and it is harmful to the body.”

After speaking, the man continued to move forward.

But after walking a few steps, he met a few more people.

Without exception, they are all young and beautiful girls, and each of them has a face that is one in a million.

One is pure and pretty, one is gentle and charming, and the other is heroic.

Their faces and looks have their own merits!

“You are, God of War?”

Xu Lei and the others had just arrived when they saw the man walking back.

Xu Lei was stunned for a long time before daring to recognize each other.

A year ago, it was here that God of War accompanied her and witnessed Mark’s fall with his own eyes.

Now, a year has passed, and the former high-spirited God of War has turned out to be full of gray hair.

“Teacher, what’s wrong with you?” Denren Ye burst into tears instantly.

Back then, his cousin Mark entrusted her to Ye Qingtian.

One is to let Ye Qingtian protect him comprehensively.

The second is to let Denren Ye practice martial arts with Ye Qingtian.

But unfortunately, the plan could not keep up with the changes.

After Mark's accident, Ye Qingtian's thoughts were almost entirely on the Longmen plan.

After the battle of Yanshan, Ye Qingtian was seriously injured and fled.

After that, Denren Ye never saw God of War again.

Unexpectedly, in front of his cousin's grave today, he met the patron saint of the once scorching summer.

It's just that the current God of War no longer has the vigor of the past.

In the cloudy old eyes, there is no light at all, and there is a kind of twilight all over his body.

No one knew Denren Ye's mood at this moment.

She couldn't believe that the man who was once worshiped by all Yanxia people had become like this now.

"So you are the God of War?"

"The Supreme God of Yan Xia."

Hearing Denren Ye's words, Nuoya, who came with Yueyao, suddenly said pleasantly.

She came over and asked Ye Qingtian expectantly.

"Mr. God of War, I want to ask, do you feel that Mark is not dead, just like us?"

"He must be alive, right?"

"Just hiding somewhere, retreating and practicing."

"When he appears again, he will shock the whole world again."

Nuoya is like a little girl seeking approval, impatiently waiting for Ye Qingtian's answer.

Not only Nuoya, but also Denren Ye and Cynthia looked at Ye Qingtian expectantly.

After all, Ye Qingtian is a figure standing at the peak of Yanxia martial arts, his knowledge and experience are undoubtedly incomparable to them.

Therefore, they also wanted to hear Ye Qingtian's opinion.

However, it was not the answer Nuoya expected after all.

Facing the inquiries of the women, Ye Qingtian, who had already been disappointed by the world, shook his head.

"Forget about him."

"That man doesn't belong to this world."

"We don't deserve him."

"I came here today just to mourn my old friend in my last days."

"Under the nuclear explosion, even the gods are in vain."

Chapter 4589

"Mark, he has left us after all."

Ye Qingtian's words were full of inexplicable sadness.

Noah was crying right then!

"You're talking nonsense!"

"You're talking nonsense!"

"Mark is not dead."

"Mark is still alive."

"Back then, Truman didn't force him to death, and King Foluo and others couldn't do anything to him."

"I believe Mark is not dead this time either."

"He must be alive!"

“Will definitely be back someday in the future!”

Noah shouted stubbornly.

Never before had she been so sad as now.

She had always believed that Mark was not dead before, but now Ye Qingtian’s words destroyed Nuo Ya’s belief that Mark was alive.

Regarding the girl’s sadness, Ye Qingtian didn’t offer any comfort.

Why bother with consolation?

This world is so cruel!

Always learn to face it, a good lie is just a lie after all.

Ye Qingtian took a last look at the low anger behind him, and said goodbye to his old friend.

It’s just that I feel sorry for these young women in front of me.

One is more beautiful than the other, and the other is more beautiful than the other.

If it wasn’t for Mark, they should have married into a wealthy family long ago, they would be rich and prosperous, they should have a husband and a child, and their lives should be very happy and complete.

But now, because of the same man, these women may only be accompanied by loneliness and memories for the rest of their lives.

As the saying goes, once you meet Mark, you miss your whole life.

Mark, Mark, how many beauties will you live up to in this life?

With a sigh of emotion, Ye Qingtian turned around and walked away.

However, he has not gone far.

Ahead, a sudden wind blows.

The wind in the Himalayas should have been icy cold, but at this time the wind carried a faint fragrance.

Ye Qingtian looked up, and saw a beautiful figure standing on high ground in front of him.

Like a fairy who has been relegated to the mortal world, and like an elf overlooking all living beings.

Her extraordinary beauty is beyond the reach of ordinary people.

“It’s so beautiful.”

“Who is she?”

“Could it be, brother Mark’s confidante?”

Seeing this woman for the first time, Cynthia couldn’t help being stunned.

She knew that her elder brother Mark was extremely popular, but she never expected that even such a fairy-like woman would come here to mourn Mark.

However, just because Cynthia didn’t know each other didn’t mean Yueyao and the others didn’t know each other.

Ye Qingtian even recognized her identity at the first sight!

The supreme god of Japan, Luna!

“It’s just, wasn’t the Moon God suppressed by the Queen of Wind a year ago?”

“After disappearing for a year, it actually reappeared?”

Ye Qingtian couldn’t help feeling suspicious and shocked.

A year ago, the battle between the Moon God and the Queen of the Wind caught the world's attention.

In the end, the wind came back.

But Luna was nowhere to be seen.

At that time, the whole world thought that the Moon God died in battle.

Even Ye Qingtian thought so.

But who would have thought that today, at Mark's anniversary ceremony, the Supreme God of Japan would come back again.

"Luna, long time no see."

"How have you been?"

"I don't know if you are interested, and join me in fighting against the four giants of the God List."

"It should also be a last effort to avenge Mark."

Ye Qingtian asked Luna.

Regarding the relationship between Luna and Mark, the martial arts world has always had speculation.

s3xy news about the two of them flooded the entire warrior community.

Even Ye Qingtian felt that Luna might be Mark's lover raised in Japan.

After all, titled masters don't have high emotional needs, especially female titled masters, most of them will be alone and die alone.

It's just because, in this world, there are too few people who can fall into the eyes of female titles.

Especially a strange woman like Yueshen, the world is so big, the only one who has the ability to conquer her and make her willingly turn into soft fingers, probably Brian Chu is the only one.

Chapter 4591

Therefore, God of War was not surprised that Mark and Moon God came together.

However, as soon as the God of War's words fell, there was a palm wind blowing angrily.

Ye Qingtian was shocked and retreated one after another.

"who?"

After stabilizing his figure, Ye Qingtian asked angrily.

Soon, a laugh came from a distance.

"Ye Qingtian, I sent people to search for you for half a year but to no avail, so you are hiding here."

Chen Jiuzhou came over from a distance.

Along with Chen Jiuzhou, there are also Yanxia titles such as Juggernaut, King of Fighters, and Feng Hou.

They intended to ask Luna to go to Kunlun, but they did not expect to meet some of Mark's relatives and friends here.

It saves trouble.

That being the case, let's wipe out all these Mark's remnants.

While grinning grimly, Chen Jiuzhou shot instantly.

The strength exploded, and the torrential ultimate move slashed straight down.

"not good!"

"Go back!"

Yueyao, Xu Lei and the others were shocked.

I just feel that this time, I'm afraid it's more ominous than good.

However, at a critical moment, a seven-colored sword light suddenly cut off.

Chen Jiuzhou's power was instantly forced, and his whole body was hit by the sword energy, directly knocking him down on the ground.

"Luna, are you crazy?"

"what are you doing?"

"Do you dare to attack me?"

"Are you going to disobey the will of the Lord?"

Chen Jiuzhou patted up from the ground, wiped the blood from the corner of his mouth, and flew into a rage.

Fenghou and the others also looked at Luna with eyes full of vigilance.

But Luna responded to them with only cold words, "Move them, die."

"You..." Chen Jiuzhou was so angry that he was dying.

He didn't expect that the Moon God still had Mark in his heart.

"Okay, Kyushu, it's important to get down to business."

"Moon God doesn't want to kill these people, so he won't kill them."

"However, Moon God, the Dragon Gate formation is about to open, the master orders you to go to Kunlun immediately, and the guardian formation will be activated successfully!" Feng Hou looked at the Moon God ahead.

Although there are a large number of them, even so, Fenghou still doesn't have the confidence to win against Luna.

In the sea battle that year, if it wasn't for the help of the master, the moon god would be subdued.

I'm afraid, the one who fell down was her, Mu Zihua.
