“Sword God, do you think Master will succeed?”

“Can the Gate of Reaching Heaven really be opened?”

Beside Wangyuehe, someone asked anxiously.

Wang Yuehe shook his head.

He doesn’t know either.

All he could do was to guard the foot of Kunlun Mountain to prevent anyone from going in to make trouble.

However, when Wang Yuehe and the others were talking.

Suddenly, several piercing sounds resounded from the depths of the dark night.

Wangyuehe’s perception was keen, and he caught something strange in an instant.

“who is it?”

Wangyuehe let out a long drink.

The long sword in his hand was thrown out instantly.

With a bang, the long sword slashed at a black shadow, and it was instantly shaken tens of meters away.

At the same time, the three figures finally stopped here because of obstacles.

The moonlight in the dark night falls on this side of the world.

Through the night, Wangyuehe could see the face of the other party clearly.

Impressively, Ye Qingtian, Carlo, and Aaron.

“It’s you!”

“A word of advice to you all, if you don’t want to die, retreat quickly.”

“Otherwise, the master will definitely let you die without a place to bury you!”

After seeing the person who came, Wangyuehe’s face was icy cold.

The words are full of strong threats and majestic murderous intent.

Long before the opening of the Dragon Gate Formation, they had already been ordered to die.

No life can allow them to enter Kunlun alive.

What’s more, Ye Qingtian appeared in front of him and was wanted and hunted down!

“Master?” Ye Qingtian raised his eyebrows, “Wangyuehe, it seems that you are also enslaved?”

“I hope you can wake up and let us in.”

“Otherwise, once those devils succeed in their conspiracy, not only your country of Japan, but the whole world will be destroyed!”

Ye Qingtian urged anxiously.

Carlo and Aaron also persuaded each other.

Chapter 4613

They are all poor people being manipulated by others, Ye Qingtian naturally doesn’t want to fight them if possible.

“shut up!”

“The existence of the master will only make everyone in this world like a dragon, and will make our country of Japan stronger!”

“You are so courageous to warn and smear my master.”“

“If that’s the case, I can’t keep you guys!”

After going through the Longmen experience, Wangyuehe has already changed a lot.

For these people, Chu Tianqi's order is undoubtedly an imperial decree and cannot be violated.

Therefore, after a disagreement, Wang Yuehe made a move in an instant.

He sacrificed the divine sword, performed Wang Wangyue's swordsmanship, and fought with God of War and the others.

A big battle broke out in an instant.

"This guy, his strength has improved so much?"

After a brief fight, Ye Qingtian and the others were secretly startled.

You know, the previous Wangyue River ranked extremely low on the Tianbang.

If you really face Ye Qingtian, it will be difficult to parry.

But now, facing the encirclement of the three of them, Wang Yuehe can still fight back and forth with them.

"No, it must be resolved quickly!"

"Otherwise, once the strong people nearby notice the movement, they will definitely come to support."

"At that time, it will be dangerous."

God of War Ye Qingtian didn't want to fight Wangyuehe for too long.

The purpose of his trip was to destroy the Longmen formation, not to fight.

"Carlo, Aaron, go all out!"

Ye Qingtian drank in a low voice.

Immediately afterwards, Xeon slapped it with a bang.

Carlo and Aaron also showed their fame stunts.

Three powerful attacks, like a tiger descending a mountain, broke through Wangyuehe's defense in an instant, and beat the Japanese sword god until he vomited blood and flew away.

"Walk!"

Ye Qingtian shouted.

The three of them drove straight in along the torn opening, and went straight into Kunlun Mountain.

However, they did not advance very far.

Several figures were already lying in front of their eyes.

"Ye Qingtian, I have been waiting for you for a long time."

"As expected, you are still here."

"I even brought two helpers."

"Alright, there are people on the way to Huangquan to keep you company."

Chen Jiuzhou stood with his hands behind his back, smiling faintly.

The contemptuous laughter was like the chant of death.

Yes, in his eyes, Ye Qingtian, Carlo and others are already dead bodies.

"Damn it!"

"how so?"

Ye Qingtian was suddenly out of breath.

He didn't expect that the raid would turn into an encounter.

Now that they met Chen Jiuzhou, their sneak attack plan undoubtedly failed completely.

“God of War, for a while, Aaron and I will hold them back.”

“You take the opportunity to rush to the top of Kunlun Mountain.”

“Must, stop them!”

Carlo said in a deep voice, with a look of cruelty in his eyes.

Things have come to this point, they only have to fight with their lives.

“Ha ha”

“Stop wishful thinking.”

“Just you three trash, still want to break through my line of defense?”

“It’s really living in a dream.”

“Today, one counts as one, and you all have to die.”

Chen Jiuzhou smiled wantonly.

Harsh laughter, like the sound of boulders being crushed.

After the words fell, Chen Jiuzhou’s face turned cold suddenly, and then he ordered “Kill!”

Behind him, the King of Fighters and the Juggernaut rushed out immediately.

The long sword was swung, the heavy fist was dropped, and a scuffle was about to break out.

Chen Jiuzhou didn’t do anything at first, but just watched from afar.

After the King of Fighters and Juggernaut entered the battle, the three of Ye Qingtian were dragged back.

Seeing this, Chen Jiuzhou shook his head, “It’s too weak. The three and two, you didn’t take advantage of it. If the master of the palace makes a random

move at this time, it is estimated that the two of you will be completely defeated.”

“Really, it’s so boring.”

“There is no one who can fight.”

Chen Jiuzhou let out a long sigh, and in the next second, he rushed into the battle.

A palm wind swept across, like Mount Tai pressing down on the top.

The terrifying power swept across all directions.

Ye Qingtian and Aaron felt as if they had been hit hard.

He vomited blood instantly and retreated!

Chapter 4615

“You guys are trying to stop the master’s Longmen formation.”

“What a wishful thinking!”

“The overwhelming trend cannot be violated.”

“Those who follow the trend will die.”

“Poor you three, you don’t even have the chance to become nourishment and live forever with the Lord.”

After severely injuring Ye Qingtian and the three of them,

Chen Jiuzhou stands proudly with his hands behind his back.

That cold and majestic gaze is like the god of death gazing at the world.

With a few words, Ye Qingtian and the others were sentenced to death.

But God of War is not reconciled to failure.

Even though he was seriously injured, he still gritted his teeth and stood up, rushing frantically towards the top of Kunlun.

“The battle of trapped beasts is really overwhelming.”

Regarding these, Chen Jiuzhou just shook his head indifferently.

Then, he stretched out his hands.

In an instant, the mountains, rocks, plants and trees under the feet were all suspended in the sky and the earth as if they were summoned.

The energy surged in it, and thousands of sharp edges shot out.

Whoosh whoosh!

The next moment, Chen Jiuzhou waved his sleeves.

Those thousands of pieces of bamboo, rocks, plants and trees are as hard as steel.

Like a flying sword, it crosses the sky and tears apart the Milky Way!

In an instant, the three gods of war were all enveloped.

“Heavenly Palm!”

“Glacier seal!”

“Aegis!”

Faced with this overwhelming attack, God of War and the others gritted their teeth and unleashed almost all their strength.

However, the gap in their strength was too great after all.

After their attack was unleashed, there was only a moment of stalemate, and everything fell apart.

The terrifying power swept across the world.

Almost all of this sky was pierced by Chen Jiuzhou's killing blow.

Just like that, the King of Fighters Juggernaut and the others watched as God of War and Carlo struck Aaron and the three of them, blowing them up like leaves in the wind!

The fast gravel, like a sword, pierced deeply into the bodies of the three of them.

shoulders, legs, abdomen

Like ten thousand arrows passing through the heart.

When the storm stopped and the strength stopped, there was only a mess left in this place.

And, the three of Ye Qingtian who were covered in bruises.

Their bodies were filled with those hard gravels.

The bright red blood dyed their entire bodies red.

Looking at it from a distance, it looks like a bloody man, which can be described as shocking.

This is why they are titled masters.

If it were an ordinary person, he would have died already.

But God of War and the others are titled powerhouses after all.

Even though the gravel pierced through their muscles and veins, they were still alive.

The severe pain in the body has long been unfeeling.

The bright red blood also blurred their eyes.

Vitality and strength dissipated like running water.

But even so, God of War and the others still looked towards the top of Kunlun Mountain with unwilling eyes.

They vaguely saw that their citizens in the past exploded into blood mist on the altar, saw the mysterious man in the blood-colored robe standing proudly on top, saw the sixth dragon gate light getting stronger and stronger, and saw the last hope of this world, Bit by bit dimmed.

“Why”

“Why is this so?”

“Why do we try our best, but we can’t even get close to Kunlun Mountain?”

Whether it was God of War or Aaron, they all showed desperate and painful expressions at this time.

They are the last hope of the world, and they tried one last time.

But in the end, it still failed.

Moreover, it was a failure without any suspense.

Chapter 4617

Not even the slightest chance of success.

However, even so, Ye Qingtian still did not give up.

Although it was difficult for him to stand up with blood all over his body, he gritted his teeth and moved his body, getting closer to the top of Kunlun Mountain bit by bit.

He wants to climb Kunlun Mountain, and he wants to get close to the Longmen formation.

Even if he blew himself up, he would have to explode his own life on the top of the Kunlun Mountains.

But how could Chen Jiuzhou fulfill their wish.

He stepped forward, stepped on Ye Qingtian’s head fiercely, and stepped the face of this scorching summer god of war directly into the soil.

“It’s really persevering, but what’s the use?”

Chen Jiuzhou sneered, no pity could be seen on his complacent face.

And behind Chen Jiuzhou, the King of Fighters, Juggernaut and others watched quietly, with dull faces, no one could see the slightest emotion, and they remained calm.

However, for some reason, the King of Fighters and the Juggernaut had tears streaming down their eyes uncontrollably.

Perhaps, their hearts are crying.

But the body has long been out of their control.

I can only watch helplessly, the former comrades-in-arms who lived and died together, now go to hell alone.

“Ye Qingtian, it’s over.”

“The master’s dragon gate formation is about to be completed, and the master of this hall has no time to waste time with you here.”

“This will send you on your way.”

Chen Jiuzhou seems to be tired of playing.

Not ready to procrastinate any longer.

He reached out and took the sword of the Juggernaut from the hand of the Juggernaut.

Then, holding the sword in both hands, he stabbed fiercely at the God of War’s Tianling Gai.

“no, do not want!”

“stop”

Not far away, Aaron and Carlo were lying on the ground. Seeing this scene, they screamed in pain, and tears flowed from their eyes.

However, what can they do now other than being incompetent and furious?

The gap is too big.

Although before they came, they already knew that in this battle, there were almost ten deaths and no lives.

However, they didn't expect that the three of them worked together, and they couldn't even break through the outer defense.

Not to mention rushing into the very center of the formation to prevent the activation of the Longmen formation.

However, Chen Jiuzhou turned a deaf ear to the roar of Aaron and others.

They're just dying people.

After he killed Ye Qingtian, Aaron and Carlo would naturally not let him go.

However, just as Chen Jiuzhou's sword was about to fall.

Suddenly, at the end of the Tianhe River, there was a storm.

On the top of the sea of clouds, there is a thunder dragon rising.

Amidst thunder and thunder, everyone could vaguely see, in the depths of the night, a thin figure walking against the sky.

With a long sword on his back, he walks alone.

He is thunderous, and his majesty is unmatched!

He is like the savior of the world, with a demon like an abyss.

The moment that figure appeared, everyone felt that everything was almost reduced to his foil.

Everyone's eyes and sights, almost instinctively, converged in the direction of that figure.

At this moment, in the eyes of everyone, there is no sky, no land, only the figure who got it and walked alone!

“This is this?”

Chen Jiuzhou was undoubtedly also stunned.

All the indifference and arrogance before were all gone.

With gloomy eyes, he stared straight ahead.

His solemn face showed the fear and tremor in his heart.

Not only him, but the so-called strong men in charge of peripheral defense all looked over.

Everyone’s eyes were almost full of horror.

Because, even if they haven’t seen him yet, but just watching from a distance, the majestic pressure like abyss still makes it almost difficult for them to breathe.

“Who will it be?”

Chen Jiuzhou’s face sank completely, and the names of countless people flashed in his head.

You know, after this year’s Longmen experience, almost all the top powerhouses in today’s world have been taken under their command.

Even the Moon God of Japan has already been controlled by the master’s mind.

Under such circumstances, who else would have such a strong power?

Could it be that in this world, there are hidden strong men that they don’t know about?

When Chen Jiuzhou was full of thoughts, the dying God of War and Carlo and others moved their bodies and forgot the past.

However, just seeing that figure for the first time, Ye Qingtian felt as if he had been hit in half by a thunderbolt, his bloody body trembling violently.

“It’s him, he’s back?!”

Chapter 4619

On the top of Kunlun, the blood glow surged, and the dragon gate opened.

Beyond the Milky Way, thunder rolls, and heaven and man descend into the world!

The terrifying majesty is like a river rolling, sweeping and galloping.

The whole world, almost under his majesty, trembled violently.

Under the dark night, everyone could vaguely see that figure, with thunder added to his body, walking with his sword on his back.

The power of golden thunder, like flames, burned on his body.

Everyone was frightened by this terrible scene.

“Is this a human?”

“Could it be that the Lord has come?”

Chen Jiuzhou looked at the front in horror.

The only thing he could think of was that the Longmen Great Formation was activated successfully, and the master’s body broke through the seal and was released in the endless abyss.

However, this idea was quickly rejected by Chen Jiuzhou.

Because, up to now, Chu Tianqi is still at the top of Kunlun, holding a sacrificial formation.

Moreover, the sixth dragon gate is only half opened.

“No, he is not the master!”

“Who the hell?”

“Is it a human or a ghost?”

Chen Jiuzhou and the others were full of doubts, as if they were facing an enemy.

But Ye Qingtian seemed to see something, his body trembled violently, his brows and eyes were full of excitement and anticipation.

He who was already desperate, now seemed to have a flame representing hope, burning more and more intensely!

Finally, until a cold voice sounded from the end of Tianhe.

“Chen Jiuzhou, you are right.”

“I am not your master, I am the one who kills you!”

Whoosh!

The moment the words fell, a flying rainbow flashed past.

That speed is extremely fast, like a teleportation, piercing through the void!

When Chen Jiuzhou reacted, a flying sword appeared in front of him!

The thick sword body is full of vicissitudes of time.

The simple and unsophisticated divine sword, engulfed in the majesty of thousands of years!

Just like that, he slashed towards Chen Jiuzhou angrily.

Chen Jiuzhou was shocked.

Immediately move against the enemy.

He just felt that all the power in this life was almost used up at this moment.

However, even though Chen Jiuzhou tried his best, his attack, under the opponent's long sword, was still like a chicken and a dog, and it collapsed in an instant.

next moment!

Only one scream was heard.

Chen Jiuzhou's entire arm was directly chopped off by Feijian.

The dark red blood dyed the deep night red!

"Master Chen!"

The King of Fighters, Juggernaut and the others were undoubtedly completely stunned.

You know, Chen Jiuzhou is the strongest under the Big Four on the God List.

But now, he couldn't even stop the opponent's sword?

The opponent's strength undoubtedly exceeded everyone's expectations.

"who!"

"who are you?"

"tell me!"

"Who are you?"

Under the dark night, Chen Jiuzhou's face was distorted due to the excruciating pain, and blood flowed from his severed arm like a stream.

But even so, Chen Jiuzhou still gritted his teeth and stood up.

He clutched his arms, his face was majestic, and he shouted hoarsely towards the front.

He didn't believe that in this world, other than the four great masters and their masters, there were other people who could be so powerful?

Facing Chen Jiuzhou's roar, the other party was silent for a long time.

But the pace of progress did not stop.

Until, when that thin and delicate face came into everyone's sight, the familiar voice that once belonged to someone resounded throughout the world!

"I am the Lord of Dragon God, Chu Tianfan."

boom!

Like thunder strikes.

The moment Mark's words sounded, everyone above Kunlun's eyes widened in shock.

Chen Jiuzhou was even more jealous!

"Chu Chu Tianfan?"

Chapter 4621

"How is this possible?"

"Impossible!"

Everyone has gone crazy.

Chen Jiuzhou shouted hysterically.

So much so that he almost forgot all the pain in his body.

He looked at the figure in front of him in disbelief.

He couldn't believe that people who had died under the nuclear explosion could appear again.

However, when the face and figure of that person appeared in his sight like this, no matter how much Chen Jiuzhou shook his head and shouted, it was useless.

Because, that man was standing right in front of his eyes.

"Yes, Mark"

“It’s really Mark”

“This guy is actually not dead”

Lying on the ground, the dying God of War Ye Qingtian looked at his thin figure and Mark’s handsome face from a distance, but two lines of muddy blood and tears flowed down his face.

No one knows how excited and joyful Ye Qingtian is at this moment.

The previous despair and helplessness were instantly wiped away when Mark appeared.

I don’t know why, seeing Mark, Ye Qingtian felt an inexplicable sense of security in his heart.

That kind of feeling, as if, as long as he is there, even if the sky falls, there is nothing terrible.

He will always work it out.

isn’t it?

What kind of catastrophe was it when the Trumen conquered the world?

But it was all under Mark’s hands, and it stopped.

This time, Ye Qingtian believed that Mark would once again become the savior of the world.

Not only Ye Qingtian, but also Aaron and Carlo became excited.

“It’s saved, haha”

“Saved”

“Brian Chuis not dead, Brian Chuis still alive.”

“He came back with the Dragon Temple.”

“We are saved, the world is saved”

Carlo and Aaron trembled. Seeing Chu Tianfan, who seemed like a demon god descended into the world, the two of Carlo almost burst into tears.

The feeling of turning a desperate situation and seeing the dawn again in a dark place will always make people excited.
