Mark was not in a hurry, he followed slowly like a cat catching a mouse.

“Bastard, go to hell!”

In desperation, Chen Jiuzhou took out something from his bosom, and threw it viciously at Mark.

boom!

Only a bang was heard.

Something exploded on Mark’s body, bringing up dust soaring into the sky.

Taking this opportunity, Chen Jiuzhou gritted his teeth and fled for hundreds of meters.

“Brian Chu, just wait for me!”

“Don’t think that if you defeat these trash titles, you will be invincible in the world.”

“My teacher, as well as Odin and other gods, are they on Kunlun Mountain?”

“And my master is here!”

“You can’t escape.”

“This Kunlun Mountains will eventually become your burial place!”

Chen Jiuzhou gritted his teeth and shouted.

Then clutching his wound, he seemed to be running away to the Kunlun Mountains.

Mark didn’t chase after him.

In his eyes, Chen Jiuzhou was just an insignificant little character.

For Mark now, crushing Chen Jiuzhou to death is as simple as crushing a horse ant, which has long been out of his sight.

He came to Kunlun Mountain not to kill a few ants, but to achieve the great cause of becoming an immortal.

“Wan’er said that the strange demons have planned to advance the Longmen training plan in order to finally sacrifice those warriors, activate the Longmen formation, and open the Heavenly Gate!”

“With the help of the power of Tianmen, I may be able to gain the power to step into the realm of gods.”

“As long as I enter the divine realm, I will have the power to rejuvenate dead trees and bring the dead back to life.”

“At that time, An Qi’s illness will be completely cured.”

Thinking of this, Mark couldn’t help but raised his head and looked at the top of Kunlun.

Where, the formation is still going on.

The five-party altar is still continuously exerting strength for the red-clothed figure on the top of Kunlun.

The sixth dragon gate has been opened more than halfway, and it is still slowly opening.

It seems that the Longmen formation is not over yet.

That being the case, Mark didn’t go any further, but stopped here, just like that, quietly watching the dragon gate formation continue to evolve.

“Dragon God Palace Master, don’t be in a daze.”

Chapter 4633

“quick!”

“Climb Kunlun Mountain!”

“Stop the formation from continuing!”

“Only by destroying the formation can their plot be destroyed and the world saved.”

“Dragon God Palace Master, hurry up!”

“Climb to Kunlun!”

“The survival of this world depends entirely on you?”

At this time, seeing Mark stopped in place, he just quietly watched the formation proceed.

Aaron, Carlo and others couldn't help but feel anxious and anxious.

He kept urging Mark to rush to Kunlun Mountain to stop this catastrophe and disaster.

But Mark turned a deaf ear to Carlo's words and ignored them all the way.

From the beginning to the end, Mark didn't even look at them.

At this time, several of those titled strongmen who were injured by Mark just got up and came to kill Mark.

These people's minds are obviously controlled by others, just like a dead waiter, just completing orders mechanically.

“Shelley, wake up!”

“I'm Carlo.”

“Wake up, stop being controlled by others.”

Seeing those titles who climbed up and killed Mark again, Lord Carlo recognized a few of them.

It was surprisingly his best friend, Shelley, whom he had known for many years.

It is a leader-level powerhouse in Northern Europe.

Aaron and Ye Qingtian both knew and had some friendship with this titled Shelley.

It's just that they didn't expect that even Shelley was murdered.

However, the Shelley title undoubtedly would not pay attention to Carlo's words.

He has only one goal, and that is to kill Mark.

"Go away!"

For these defeated generals, Mark waved his sleeves and sent them out directly.

Shelley even vomited blood and flew backwards for a thousand kilometers.

"Unrivaled title, please be merciful."

"These people were all leaders and elites in the martial arts world, and they made a contribution to this world."

"Now it is only temporarily controlled by the traitor, and it will definitely regain its sobriety in the future."

"So, please be merciful to the Wushuang-titled subordinates, and don't hurt their lives."

Carlo and Aaron both worried and persuaded.

They were also afraid that Mark would kill their former comrades-in-arms and companions indiscriminately.

"That's right, Mark. These people have all made contributions to the world of martial arts, let's make a difference and don't kill them."

Ye Qingtian also persuaded from the side.

His two brothers, King of Fighters and Juggernaut are inside.

Just now Mark killed nearly 20 titles with his sword, but fortunately, there were no King of Fighters and Juggernaut.

The two of them were seriously injured at this time and fell in a pool of blood, but they were not dead, just dying.

When Aaron and the others dissuaded them, Shelley and the others stood up again and rushed towards Mark.

This time, Mark raised his sword and slashed.

The three titled grandmasters headed by Shelley were cut off in half and died on the spot.

Bright red blood splashed all over the faces of Aaron and the others.

“you you”

Aaron and Carlo were already in a daze.

Ye Qingtian’s face was also extremely pale and ugly.

They didn’t expect to persuade Mark just now, but immediately afterwards, Mark simply and neatly ended Shelley’s life.

“Shelley!” Carlo was very sad, and finally asked Mark in confusion.

“Brian Chu, are you crazy?”

“Don’t you know that they are also victims?”

“They are innocent!”

“It’s just being manipulated, why do you want to kill them?”

Carlo’s eyes were red.

Mark still ignored them.

“Why”

“This is the end of the matter, don’t say anything superfluous.”

“Mark is also doing it to protect himself, so we can’t blame him entirely.”

“Now, the most important thing is to wait for Kunlun Mountain to stop the Longmen formation!”

Ye Qingtian persuaded from it.

Aaron and Carlo also knew that the overall situation was the most important, so they suppressed the grief in their hearts and asked Mark to climb Kunlun Mountain as soon as possible.

“Otherwise, martial arts in this world will really be over.”

“I’m afraid there are countless people who will burn their lives.”

Aaron, Carlo and the others had burning eyes and kept persuading them.

“Noisy!”

Mark yelled sharply, and slapped the two of them directly on the face with a backhand.

Aaron and Carlo vomited blood and flew all the way!

Chapter 4635

“Mark, what are you doing?”

“Carlo and Aaron, the two of them didn’t enter the Dragon Gate.”

“I agree with you, they are all here to destroy the Longmen formation and prevent this catastrophe.”

“They are all like-minded comrades-in-arms, you accidentally injured yourself”

Mark’s actions undoubtedly exceeded Ye Qingtian and others’ expectations.

They obviously didn’t expect that Brian Chu would go crazy and beat everyone?

Is this guy red-eyed?

Can't he see that the three of them have the same position as him, and they are all here to stop the Longmen formation?

Shocked, Ye Qingtian directly questioned Mark loudly.

Mark didn't want to pay attention to them. But upon hearing Ye Qingtian's words, Mark immediately laughed.

The laughter is full of sarcasm.

"Hahaha"

"Brother-in-arms? Like-minded?"

"Ye Qingtian, I think you're taking it for granted."

"Who told you that I, Brian Chu, came here today to stop the Longmen formation?"

"On the contrary, what I need is the complete opening of the Dragon Gate Formation."

Mark sneered.

Ye Qingtian was stunned for a moment.

Aaron and Carlo looked at Mark in disbelief with their faces covered in blood.

"What did you say?"

"Aren't you here to stop the Longmen formation?"

"Master Dragon God, are you sure you are not joking again?"

"Once the Longmen formation is activated, it will inevitably lead to even greater disasters."

"When the time comes, I'm afraid there will be countless lives lost!"

"Moreover, this Longmen formation was inspired by the sacrifice of the lives of countless warriors."

“If you don’t stop it in time, more of our martial arts compatriots will die by these treacherous hands.”

“I also ask the Lord of the Dragon God Palace to stop joking, and wait for Kunlun Mountain to stop the Dragon Gate formation.”

Carlo spoke anxiously.

Aaron was also distraught.

However, facing these words, Mark remained indifferent.

“You talk a lot, but what do I have to do with the destruction of this world and the disaster of martial arts?”

Mark’s words are undoubtedly like a slap in the face to God of War and the others.

“Brian Chu, how can you say these words?”

“As a member of the global martial arts, it is your responsibility to protect this world.”

“You say these words, it is outrageous, and will be tolerated by the world!” Aaron questioned Mark loudly.

The smile on Mark’s face suddenly became wider.

“Is it a big rebellion?” Mark laughed back, and looked at the three of Aaron with cold eyes, “I would like to ask, whose rebellion is my Brian Chu, and whose way is it against?”

“This...” Aaron and the others were at a loss for words, and Ye Qingtian didn’t know how to reply.

In the end, it was Carlo who argued, “Of course it is disobedience to the people of the world, against the way of the people of the world,”

“Hahaha” Mark laughed loudly, “People in the world have long regarded me, Mark, as a demon king and evildoer, and they all kill him soon. If so, why should I follow their way?”

“After what happened back then, in this world, there is no longer the unparalleled title of fighting for the country and the people, only the Dragon God Palace Master who lives for himself and for the Dragon God Palace!”

“I will no longer do anything for the so-called people of the world, the so-called righteousness of my family and country.”

“As for you, it’s best not to mess with me.”

“Otherwise, the lord of this hall will not show you any favors!”

Whoosh!

Accompanied by Mark’s austere words, majestic power also burst out from him.

Dao Dao Qi, condensed like a knife, slashed fiercely on the ground under the feet of Ye Qingtian and Ya Lun.

The majestic gully left behind made the three of them turn pale and panicked, and dared not speak.

A few minutes ago, when Ye Qingtian and the others were almost desperate, Ye Fanwei fell from the sky!

Especially seeing that with one’s own strength, a sword splits the road of life and death.

With one move, crush the enemies in the world!

At that moment, Ye Qingtian and the others felt that the small universe in their hearts was about to explode.

It was the excitement of being saved from a desperate situation, the joy of seeing the light again in the darkness.

They once thought that the world was saved.

their savior has come,

But now it seems that they are naive.

The man in front of him was no longer the Brian Chu he was back then.

Ye Qingtian will never forget that when Mark was awarded the title of Wushuang, he made a promise to save the country and the people.

He will never forget that Mark selflessly donated the Yuan Lingguo to the Martial God Hall back then.

During the Chumen War, Yanxia's martial arts were at the mercy of fire and water.

In order to stop the Longmen plan, he risked his life and death to fight against Chen Jiuzhou.

Yes, although Mark's actions over the years have been so rebellious and random.

However, Ye Qingtian always knew that under Mark's rebellious appearance, there was an indelible heart.

But this time, Mark's innocence was still cold after all.

"Brian Chu, how can you be so selfish?"

"The past grievances are indeed our fault, and we are sorry for you."

"However, people are not sages, and no one can do anything wrong."

"Are you really going to be so selfish and let the Longmen Formation go ahead, putting the country, the people, and life in danger?"

"If you still have a little conscience in your heart, go and stop the Longmen formation!"

"The grievances and grievances of the past, we are willing to die!"

Chapter 4637

“As long as you can make a move, destroy the Longmen formation!”

Aaron, Carlo and others begged for each other.

But Mark had already turned around and ignored these people.

The so-called saving the world, the so-called righteousness of the family and the country, to Mark, is just an illusory lie.

Back then, he was sincere, and all he got in return were insults and pursuit.

For Mark, who has already died once, this time, he only wants to live for himself, for the one he loves, and for the one he cares about.

Go fucking save the world!

Go to the fucking world!

No one should even try to kidnap him morally.

However, both Aaron and Carlo were unwilling and still shouted at Mark again.

Ye Qingtian let out a long sigh at this moment, “Stop shouting, it’s useless.”

“We hurt him too much.”

“He won’t trust us anymore.”

Yes, for Mark who came back this time, there was only a kind of indifference in his eyes.

A kind of disappointment and indifference to the world.

However, regrets are regrets.

Ye Qingtian was also curious.

What is the purpose of Mark’s return this time?

No way, just to watch the excitement.

On the Kunlun Mountains.

The Longmen formation has come to an end.

The last dragon gate was almost completely opened.

Chu Qitian is making his last effort.

The entire Longmen formation can be said to have entered the most critical period.

Feng Hou, Odin, Ymir and the others were all focused on guarding their master's side, preventing any accidents from happening.

"Teacher, it's not bad."

"Chuchu Tianfan, he's back again."

Suddenly, there were a few terrified shouts from down the mountain.

Chu Qitian, covered in blood, appeared here with a mutilated body.

Hearing this, Feng Hou immediately frowned.

"You bastard, what nonsense are you talking about?"

"Then Brian Chu was besieged and killed by our joint efforts, and his soul has long since disappeared. How dare you talk nonsense?" Feng Hou said angrily.

"Teacher, it's true. He's really back. He's at the foot of Kunlun Mountain. He's about to kill him. The disciple just escaped by luck. Otherwise, he would have died under Brian Chu's hands!" Chen Jiuzhou said sadly .

Feng Hou's face suddenly darkened.

He looked at Chen Jiuzhou, who was seriously injured and had one of his arms cut off, and his eyes narrowed immediately, "Could it be that what you said is true?"

"Then Brian Chu, is he really back?"

“Teacher, really, the students will never lie to you. If you don’t believe me, just go down and have a look.” Chen Jiuzhou tried his best to explain to make them believe.

Hearing this, the seriousness on the faces of Feng Hou, Odin and the others undoubtedly became stronger.

“Could it be that Brian Chu is really not dead?”

“This guy, could it be that he has nine lives?” Odin frowned and said in a deep voice.

Fenghou’s complexion was not good either.

Although it’s only been a year since they came back out of the rivers and lakes, they have undoubtedly heard the name Brian Chu by heart.

It is said that this son was on the verge of extinction many times, but he survived every time.

Even their master almost fell into the hands of Brian Chu.

“There’s nothing to worry about.”

“Just kill him one more time.” The giant Asura raised his huge foot and was about to go down the mountain to kill Mark.

However, at the top of Kunlun, there are faint words passed down from above.

“The big formation will be completed, and the gate of heaven will appear.”

“Your only task is to guard here and prohibit anyone from climbing Kunlun Mountain!”

“Don’t worry about the rest.”

The words of the Lord, ethereal and powerful, spread throughout the world.

When Feng Hou and others heard the words, they immediately knelt on the ground, expressing their obedience to the Lord's will.

"You also heard the master's order."

"I'm waiting for a few people. I need to protect the master here, and I can't leave."

"The things under the mountain are left to you."

"You call together the titled powerhouses from all over the world, and join forces to besiege and kill that Brian Chu."

"Now there are dozens of titled masters in various countries, and they all listen to your orders."

"No matter how many cards Brian Chu has in his cards, he will never be an opponent like you."

Fenghou spoke slowly, pointing out the way for his students.

When Chen Jiuzhou heard the words, his already ugly face turned paler.

"Teacher Coco"

"They're all dead."

What?

"You said, that Brian Chu alone defeated the titles of all your kingdoms?"
Hearing this, Fenghou, who had always kept her expression on her face, couldn't help being shocked.

"So, the movement at the bottom of the mountain just now was caused by Brian Chu when he was fighting with you?"

"It seems that this Brian Chu reappeared in the world, he came prepared."

"We are afraid that we have really encountered a big enemy."

Chapter 4639

After learning all this, Fenghou and the others were no longer as calm as before.

With Mark's own strength, he was able to resist nearly fifty titled masters.

Even they have to be cautious about this combat power.

"Since there is no one left to guard the mountain."

"Then you stay here and follow us to protect the formation for the master."

After the wind said in a deep voice.

After that, these people separated into four directions.

Like a door god, he guards the top of Kunlun and prevents anyone from setting foot in it.

However, what Chen Jiuzhou, Feng Hou and others couldn't figure out was that after Mark destroyed the defense line at the foot of the mountain, he didn't take action for a long time.

Never climbed Kunlun Mountain.

Just standing at the foot of the mountain, watching quietly.

"This Brian Chu, what the hell is he doing?"

"Could it be that you are afraid of my teacher's majesty, so you dare not climb Kunlun Mountain?"

Chen Jiuzhou was immediately puzzled.

He always believed that Mark came to Kunlun to destroy the Longmen formation.

Now, to sit back and watch the formation of the Longmen Formation, such an abnormal behavior, naturally made Chen Jiuzhou very puzzled.

"Forget it, it's better not to make trouble."

“When the master formation is formed, the main body will be reborn.”

“At that time, all living beings in the world will submit to their master.”

“At that time, wouldn’t crushing a little Mark to death be as easy as crushing an ant?”

Chen Jiuzhou sneered.

After the wind, they didn’t care about Brian Chu any more.

Now, all their attention is on the last dragon gate.

Only the sixth dragon gate is fully opened.

Then the Longmen formation was a complete success!

“Brian Chu, please.”

“Hurry up, if you don’t, it’s too late.”

“Please.”

“For i’s country, your nation, and for the well-being of people all over the world”

Seeing the final moment of the Longmen formation, Aaron and Carlo couldn’t stand it anymore, knelt on the ground, begging Mark to take action.

Even Ye Qingtian hoped that Mark would give up his previous prejudices and make one last contribution to the human world.

Mark couldn’t hear these beautiful words.

It’s not like he hasn’t done anything to save the world.

But the cunning rabbit dies, the running dog hums, the birds are exhausted, and the good bow is hidden.

Mark knows the world too well.

No matter how much credit you have made, once they don't like it, they will immediately nail you to the pillar of shame in history.

How profound the lesson was, how could Mark be fooled by their few words again.

The world is sorry for him, so why should he be right for the world?

finally~

boom!

With a dull bang, the world trembled.

Countless boulders rolled down along the Kunlun Mountains.

Immediately afterwards, a crimson light shot up into the sky.

The sixth stone gate is finally, at this moment, completely opened!

Endless power swept out from the stone gate.

They converge into streams, they condense into rivers.

Looking at it from a distance, it looks like a blood-colored divine sword, soaring straight into the sky!

After Fenghou, Odin and others saw such a scene, they knelt down to the ground immediately.

Even the titles of those countries who were injured by Mark, as well as all the warriors who were still in charge of guarding, immediately knelt down to the ground when they saw the red beam of light.

They are like devout believers and pilgrimage envoys, welcoming the coming of the Lord with sincerity!

"It's over!"

“It’s completely over!”

“The gates of hell have opened.”

“This world is completely over”

Both Aaron and Carlo were in despair, knelt on the ground and howled, weeping bitterly.

Ye Qingtian was also lying there, his previous resolute face was no longer as strong as it used to be.

Yes, only endless vicissitudes and loneliness are left.

it’s over.

it’s all over.

His country, his nation, and even the whole world have no future from this moment on.

Chapter 4641

Ye Qingtian lay flat on the ground, and at that moment, it seemed as if all his strength had been taken away.

The dream he had fought for all his life, at this moment, undoubtedly came to an end.

The earth in the future will be plunged into endless despair and disaster.

And just when Ye Qingtian and others were in despair, the crimson beam of light gradually dissipated on the top of Kunlun.

A road to the sky unexpectedly emerged.

Spreading thousands of miles, like a galaxy, straight to the sky!

And at the end of the road to heaven, there is actually a flashing white light, as if woven by light and shadow, a huge light door!

Looking at it from a distance, it looks like a fairy gate that reaches the sky!

The moment that door appeared, the entire Kunlun Mountains, no, it should be said that the entire hot summer, and even the entire Eastern Hemisphere, were illuminated.

That night, billions of people saw that light gate.

“God!”

“what is that?”

“Did you hallucinate?”

“I must be dreaming!”

“Why, there are doors in the sky?”

This sudden light disturbed the people who were still sleeping.

Many people took to the streets, or opened their windows, and looked up.

Everyone’s face was full of shock and surprise.

Photographers set up cameras to take pictures, and astronomy experts used their professional knowledge to explain this strange astronomical phenomenon scientifically.

The people of the world looked up at the fairy gate that reached the sky as if they were seeing a miracle.

Everyone had surprises and smiles on their faces.

Only, the old matriarch in the old house of the Chu family, on the face of the old lady who has experienced many vicissitudes, despair appeared!

“The Dragon Gate is wide open, and the Heaven Gate reappears.”

“The end, the end”

The old lady Chu sighed to the sky, her eyes full of despair and sorrow.
