The main god Odin was nailed to the top of Kunlun.

Before dying, those round pupils stared at the man who looked like a demon god.

Under Mark's majesty, the four powerhouses who were invincible in the past all lowered their proud heads at this moment.

"This guy is a monster!"

"He is a monster in this world"

Aaron trembled, and Mark's domineering voice couldn't help echoing in his ears. He looked up to the front and almost knelt down.

"yes."

"Some people are born to write miracles."

"He is the chosen savior, a legend of the world"

Carlo was also deeply impressed by Mark's majesty.

Some people, destined from birth, have the power to save the world.

Just like, the current Brian Chu!

Although he has experienced countless setbacks and life-and-death situations, every misfortune has failed to kill this man. Instead, he has been tempered again and again, transforming, becoming stronger, and making people look up to him.

rumbling

The sky and the earth are still shaking.

Mark's domineering shout seemed to be questioning the whole world.

yes.

Even the top four gods were defeated.

In this world, who else can stop him?

At this time, the Noirfork land thousands of miles away.

In the old house of the Chu family, the old Madam Chu, who had fallen into despair, looked up at the huge heavenly gate that illuminated the heaven and earth, and began to count silently in her heart, how many days were left in this world.

"Grandma, why are you crying?"

At this time, a childish voice suddenly came from behind.

It was Tang Yun who led Chu Lin to the courtyard.

Seeing the tears on Grandma Grandma's pretty face, Chu Lin asked in puzzlement. He thought that someone had bullied Grandma Grandma, and he wanted to avenge Grandma Grandma.

The old lady Chu sighed, "Xiao Lin, Grandma Zu is weeping for you, she is weeping for this world."

"The world is about to be destroyed."

"The earth is gone, how can those of us who live on the earth live alone?"

The old lady Chu shook her head with emotion, full of distress.

After all, there is no future in this world.

Chapter 4663

There are countless children like Xiao Lin, I am afraid that they will never wait for the day when they grow up.

"Grandma Chu, is there really no way to deal with it?"

“Even you can’t do it?”

From the side, Tang Yun asked the old lady Chu.

“It’s useless.”

“I have old bones, and I can no longer be reused.”

“I left this Chu family’s old house as a useless person.”

“Besides, I can’t go out either.” Old Madam Chu was full of sadness.

“What about the others?”

“Is there really no one in this world who can save this world?” Tang Yun asked again,

“No more, no more.”

“Since Mark’s death, in today’s world, no one has the ability to save the world!”

The old lady Chu shook her head, endless grief surged out of her heart like a sea of rivers.

The moment the gate of heaven opened, Old Madam Chu knew that this world was gone.

However, just when Tang Yun also fell into despair.

Suddenly, there was a roaring sound, coming from the depths of the distant Milky Way.

“Who else can stop me?”

“Who can stop me?”

The voice is powerful and distant.

It seems to come from the depths of the long river of time.

Ethereal, majestic, and trembling.

Under this majestic voice, many people couldn't help the majestic oppression, and even knelt down directly.

However, the old lady Chu and the others couldn't help being stunned after hearing this sound.

"This, this voice..." Old Madam Chu's body trembled.

"This power?" Tang Yun also raised her head suddenly, her pretty face full of shock.

Deep in my heart, there is even a crazy idea, surging out at this moment.

"It's Dad!"

"It's Dad's voice."

When Tang Yun's face was full of shock, Xiao Chulin shouted out happily.

"Aunt Tang, it's Dad who is talking."

"Papa is back"

"Daddy is back"

Xiao Chulin shouted excitedly, perhaps because she missed her too much, or perhaps because she was surprised, tears welled up from the little guy's eyes.

He held Tang Yun's hand, bouncing up and down, shouting non-stop, Dad is back.

Unknowingly, Tang Yun's eyes also turned red.

Yes, she heard it too.

It was indeed his voice.

It was the voice of the only man who moved her heart.

It was also the only voice of a man who had skin-to-skin contact with her.

He is not dead.

He is back again.

Faced with Chu Lin's joy, Tang Yun's delicate body trembled a little.

She smiled excitedly and nodded with tears in her eyes, "Enen, Xiao Lin, your father is back."

"He's back."

The old lady Chu also laughed, "This brat is really lucky."

"It's not dead."

"Ha ha"

"He is the person chosen by the ancestors of Yunyang. If he comes back, the world will be saved."

The previous despair and fear were swept away.

In the old eyes of Mrs. Chu, hope was rekindled.

However, happy to be happy.

The seriousness on the old lady's face did not dissipate much.

"I don't know how strong Mark is now?"

"Can you handle this crisis?"

"Hope, everything goes well."

The old lady prayed in her heart.

Tang Yun couldn't help feeling worried.

"Grandma Chu, how about I go help him." Tang Yun said worriedly.

The old lady Chu laughed immediately, “Why, you girl has always been aloof, when did you know you cared about people?”

Tang Yun’s pretty face flushed slightly.

The old lady Chu smiled and shook her head, “That’s the way things are in the world. Only when you lose something do you know how to cherish it.”

“Yun’er, you should also face up to the relationship between you and Mark.”

“Otherwise, no one knows when the next accident will come?”

“As for helping things, you still don’t want to go.”

“The battle over there is already beyond what you can handle.”

The old lady Chu raised her head and looked in the direction of Kunlun Mountain.

There, the wind and clouds are rolling, and the thunder and lightning are rising.

It seems that a doomsday battle that will determine the life and death of the world is already brewing.

Chapter 4665

The land of Kunlun.

Mountains and rivers are broken and ravines are full.

The bright red blood dripped continuously along the broken rocks.

The wailing of Feng Hou and others continued.

The remaining half of Ymir’s body was twitching in the ruins.

The bright red everywhere is like the Shura hell that judges the devil.

It can be said that it is shocking!

After finishing off the top four powerhouses, Mark’s target once again looked at Chu Qitian, who is on the top of the Milky Way!

The current Chu Qitian can be said to have already lost consciousness.

There was only one body left, and his words and deeds were completely controlled by strange demons.

How fierce was the battle at the foot of the mountain just now.

But, it didn't attract Chu Qitian's attention at all.

All his thoughts were on the Heavenly Gate standing above his head.

As for the life and death of Fenghou and the others, it was no longer important to Chu Qitian.

They are just pawns and offerings.

If you die, you die.

As long as he can push open the gate of heaven, as long as he can regain his life, as long as he can regain his strength.

Nothing matters compared to these.

At this time, Chu Qitian was already slowly climbing along the road to heaven.

Even for Chu Qitian, the huge oppression on the Heavenly Road was still extremely stressful.

It's like carrying a mountain.

The huge weight makes it difficult to move an inch!

After seeing this scene, Mark didn't dare to hesitate anymore. Immediately step on the Tianhe River and fly straight to the top of Kunlun!

"Brian Chu, what do you want to do?"

"If you dare to prevent my master from opening the gate of heaven, my master will definitely tear you to pieces!"

At the foot, Chen Jiuzhou's angry voice came.

It has to be said that the loyalty of these people to strange demons can be seen as a lesson from heaven and earth.

Even if he knew that he was not Mark's opponent, even if he saw Mark's great reputation with his own eyes.

However, when he saw Mark running towards Tianmen, Chen Jiuzhou still stood up to stop him.

Regarding this, Mark didn't even bother to look at Chen Jiuzhou.

Just holding the ancient Yunyang sword in his hand, he waved it casually.

A vertical and horizontal horsepower pierced through a thousand meters, and slashed down angrily.

When Chen Jiuzhou saw it, his eyes were full of despair.

“No!”

“How can you kill me?”

“Master, save me!”

Chen Jiuzhou at the foot of the mountain wailed in despair.

He even begged Chu Qitian to save his life.

However, the current Chen Jiuzhou is just a useless person, who will care about him?

Just like that, Chen Jiuzhou could only watch helplessly as the sword light that Mark cut down fell, swallowing his dilapidated body instantly.

boom!

Under a bang.

The rocks cracked, and Yunyang's sword energy left a ravine on the ground.

And Chen Jiuzhou, also under this sword, was cut off in the middle.

So far, the master of the Yanxia Martial God Temple has completely fallen.

Forever, disappeared from this world.

Seeing this scene, Ye Qingtian and others swallowed unconsciously.

After all, no one thought that Chen Jiuzhou, who was in the martial arts world in the hot summer a few days ago, calling the wind and rain, and covering the sky with one hand, would go offline in such a sudden way.

Mark's ruthlessness once again made Ye Qingtian and the others tremble.

"God of War, with your Yan Xia title, what on earth does he want to do?"

"The gate of heaven has appeared, and the formation has been activated."

"At this time, he is killing people."

"Could it be, he wants to replace that strange demon."

"Obtain the power of strange demons, so as to massacre and retaliate against this world?"

Aaron and Carlo have already begun to doubt Mark's motives.

Especially Mark's brutal performance just now made them wonder who is the worse demon between Mark and the strange demon.

The answer to this question is undoubtedly not clear to God of War himself.

Of course, there are more things that God of War doesn't understand.

For example, why Mark suddenly became so strong.

None of the four great masters could stand in his way.

Chapter 4667

Chen Jiuzhou, who used to be equal to Mark, was beheaded by him with a single sword.

So much so that the God of War began to wonder if this Mark had also experienced a chance similar to the Dragon God's experience.

Moreover, after this appearance, Mark's temperament changed drastically.

Could it be that Mark, like the Juggernaut, was also controlled by some creature?

However, guesses are just guesses after all.

But one thing, God of War guessed right.

During the year when Mark left, Mark did get some chances.

With the blessing of Wan'er's elixir, although Mark did not break through and enter the divine realm.

However, the first four levels of Yundao Tianjue Kung Fu have already reached the state of Dzogchen.

There is only one step away from the fifth realm.

After this step, Mark is the real God Realm powerhouse!

Of course, even Mark's realm is still at the pinnacle of the title.

However, relying on the strength of Yundao Tianjue and the increase of the thunder dragon body, Mark's terrifying fighting power is already comparable to that of a god.

This is also why, in the previous battle, the so-called four strongmen on the list of gods were completely vulnerable.

After all, Feng Hou and Asura are just strong men in the demigod realm.

It seems that the distance is only half a step away, but it is undoubtedly a world of difference from the real divine realm.

Under Mark's power, these people are naturally hard to resist.

Before coming to Kunlun Mountain, Wan'er had already reminded him.

During this trip to Kunlun, the only thing that could threaten him was Chu Qitian, who was controlled by strange demons.

It can be said that the next step will be the real fierce battle.

However, Mark was fearless.

Even if the road ahead is full of thorns, even if moths rush to the flame, he will not retreat the slightest.

"This gate of heaven will be opened by me after all!"

"Who but me!"

With a long roar, Mark turned around and jumped onto the Kunlun Peak.

However, after reaching the peak, Mark could no longer walk in the sky.

The huge oppression of Tongtian Immortal Road makes it impossible for people to fly.

It can only be entered by climbing in the most primitive way!

Huh~

The strong wind blows Mark's forehead hair flying.

Mark stood on the top of Kunlun, raised his head, and saw the fairy road leading to the sky.

Just like that, lying in front of him.

This road stretches endlessly, just like the water of the river that day, boundless, with no end in sight.

However, the rich spiritual energy of heaven and earth inside came head-on, tangy.

It's refreshing to be in it!

Is this the legendary Tongtian Immortal Road?

Mark suddenly remembered that there is also a record in Yundao Tianshu.

At the top of Kunlun, there used to be a heavenly road that went directly to the fairy garden!

However, no one has ever pushed away.

Even Mark's ancestor, Chu Yunyang, couldn't open the fairy gate!

Mark didn't know if he could create a miracle.

Be the first human being in this world to knock on the gate of heaven!

After stopping for a while, Mark took a deep breath.

Then, he raised his footsteps and stepped onto the first ladder.

When he stepped into the ladder, he had no distractions, and there was a firm look in his brows and eyes.

For An Qi, he must catch up with the strange demon in front of him, and be the first to aspire to the summit of the Immortal Road!

However, just as Mark was about to rush to the sky, suddenly, there was a sound of breaking wind behind him.

The huge sense of threat made Mark's hair stand on end.

A breath of death enveloped Mark's heart almost instantly!

"Damn, is there someone else?"

Mark, who was shocked, could no longer care about climbing the fairy road.

Turn around and take a few steps back.

Stab it!

That is to say, the moment Mark just escaped, the colorful sword light had already cut towards the place where Mark stood just now.

In the deafening roar.

The top of Kunlun Mountain was chopped off half a meter by this sword.

The rolling mountain rocks shot out like a meteorite rain.

One second later, the broken boulder might be Mark's destination and ending at this time.

"who is it?"

"court death?!"

Chapter 4669

The road to the sky was suddenly blocked, and Mark was undoubtedly furious.

After dodging the attack, he turned around and swung the ancient Yunyang sword, slashing fiercely at the place where the attack came.

However, when the epee fell, Mark just noticed that standing in front of him was a moving figure.

A long skirt is fluttering, like the Nine Heavens Xuannv relegated to the mortal world.

That dusty temperament, that ethereal majesty, made anyone unconsciously feel ashamed in front of her!

"Yueyueer?"

After seeing the opponent's figure clearly, Mark was shocked immediately.

Obviously, he did not expect that it was his Yue'er who appeared here at this time.

Isn't this flooding the Dragon King Temple?

Mark withdrew his power at that time, but looked at Luna ahead with a bit of blame.

"Yue'er, who sent you here?"

"Go back to your country of Japan!"

Mark blamed

Although Mark has already defeated Fenghou and other four strong players on the list of gods.

However, Chu Qitian was still there.

How strong his strength is, even Mark himself has no idea.

Therefore, the next battle is still an unresolved fierce battle.

An Qi wanted to come to Kunlun Mountain with Mark before, but was stopped by Mark.

Seeing Yue'er appearing here now, Mark was naturally worried and anxious.

However, to Mark's surprise, the beauty in front of him was indifferent to his accusation.

There was neither happiness nor sadness on that gorgeous and pretty face.

The indifferent look, as if looking at a stranger.

"Yue'er, what's wrong with you?"

"What am I talking to you about?"

"Are you still not leaving?"

Mark urged again.

However, there was still no response.

Instead, after a few breaths, Mark saw Moon God raise the long sword in his hand.

The sharp sword pointed directly at Mark's throat!

"It's you who should leave."

"One more step into heaven, die!"

The cold words carried a severe chill.

There was an unquestionable majesty in those sharp eyes.

Mark was stunned for a moment.

The delicate face was full of disbelief.

"Yue'er, you"

"What about you?"

Mark lost his voice and asked Luna.

But Luna didn't answer him.

She stood in front of Tianlu, pointing forward with a long sword in her hand.

It looked like he was going to stand here and prevent Mark from stepping into the sky.

This scene undoubtedly made Mark frown.

"Yue'er, are you crazy?"

"You even dare to point at me?"

"I don't have time to fight with you right now."

“Get out of the way!”

Mark frowned and urged.

At the same time, they stepped forward, ready to push away the moon god, and then ascend the road to heaven.

However, how could the God of Moon Reading make Mark fulfill his wish?

I saw Luna slapped out a palm and hit Mark directly on the chest.

Mark obviously didn't expect that Luna would actually dare to attack him. He didn't pay attention for a while, but was finally hit by Luna.

Mark let out a muffled snort, enveloping Mark's body with great energy, and retreated dozens of steps!

“Brian Chu, don't force me!”

“I don't want to kill you.”

“Leave quickly and exit Kunlun Mountain.”

“Otherwise, blame me for being ruthless with the long sword!”

Luna said again.

However, it was obvious that there was pain and struggle in her expression.

“Yue'er, what's wrong with you?”

“Could it be that you want to climb the road to heaven and open the gate of heaven??

Chapter 4671

Mark asked Luna in puzzlement.

At this time, the voice of the god of war Ye Qingtian came from the foot of the mountain.

“Mark, Luna, she must have been controlled by strange demons.”

“She is no longer the Moon God she was back then.”

Ye Qingtian reminded at the foot of the mountain.

Mark trembled when he heard this.

“What did you say, Yue’er was also enslaved by a strange demon?”

“How is this possible?”

At this moment, Mark could no longer keep calm.

“Yue’er, is this true?”

“You were enslaved too?”

“Have you recognized the strange demon as the master?”

Mark’s eyes were red, and his eyes were full of sadness.

The Juggernaut and the King of Fighters were enslaved, but Mark didn’t care.

Feng Hou, Odin and others were enslaved, and it has nothing to do with Mark.

Even if all the people in the world offer sacrifices to strange demons, there will be no fluctuations in Mark’s heart.

However, when he heard that Yue’er was also murdered, the softness in the deepest part of Mark’s heart was finally stung.

“how could this be?”

“Why is there even a moon?”

Mark was deeply saddened.

This was the last scene he wanted to see.

He can kill people in the world cruelly, but he can’t be cruel enough to face the people he cares about and loves.

“Yue’er, don’t worry.”

“When I kill the strange demon, I will definitely help you get rid of the spiritual imprint in your heart!”

At this moment, Mark’s hatred for strange demons is undoubtedly more intense.

After a short period of grief, he suppressed his emotions.

Then he rushed to the Tongtian Immortal Road in front of him again.

“stop!”

“Go one step further, die!”

Luna’s mechanical words sounded again.
