

Chapter 4664

Tyren sneered: "I have a very close relationship with Mr. Hong, in Hong Kong,"

"If I have anything, Mr. Hong will come forward to settle it, if you don't believe me, just wait and see!"

He took out his mobile phone and called Jairo.

Jairo, as the head of Four Dragons, has an intricate relationship with the filthy entertainment industry.

Back then, the entertainment industry in Hong Kong was nothing but a tool for their big gangs to make money,

And launder the money. No matter how famous the stars were, they were nothing but ants in front of them.

When the development of Hong Kong Film and Television was at its peak,

As long as the gang boss had a gun, he could let the hottest star at that time make a movie for them with zero pay.

Those big stars not only dare not have any complaints but also deliberately tried to please them.

As for those female stars, not to mention, they even sharpened their heads and leaned on them.

There are even some male stars who, in order to stand out,

Took the initiative to cater to those bad old men who were interested in the same s3x.

As a leader in the entertainment industry, Tyren has had decades of friendship with Jairo.

Jairo used him to extract the value of the entertainment industry,

And he also used Jairo to consolidate his absolute prestige in the entertainment industry.

It can be said that the two are the best partners and have been working closely for decades.

Therefore, at this time, the first thing he thought of was Jairo,

And he planned to call him over and give Charlie a king-size shock bomb directly!

At this moment.

Jairo was just standing in front of the mirror in the luxurious bathroom of his mansion.

The corners of his mouth on both sides had been sutured by a trusted doctor last night,

But after the sutures, the wounds were still painful, making him extremely decadent.

Moreover, according to Charlie's orders, he will soon donate his family property and all his houses and cars.

Although he was reluctant in his heart, he didn't dare to disobey Charlie's intentions,

So he was going to put on a mask and do it right away.

At this moment, he suddenly received a call from Tyren, so he picked up the phone and asked,

"Tyren, do you have something to do with me?"

Tyren said hurriedly: "Mr. Hong, there is something I need your help with. Please do me a favor!"

Jairo said: "Tyren, you and I have been in a relationship for so many years, you can say anything."

Tyren glanced at Charlie and gritted his teeth: "That's right, I'm here with Gerard now."

"There is a boy surnamed Wade on his side, who is extremely rampant,"

"And humiliated me over and over again. I can't bear it anymore, and I ask Mr. Hong to help me teach him a lesson!"

"The boy surnamed Wade?!" : "Are you sure his surname is Wade?!"

"That's right!" Tyren looked at Charlie, and said coldly, "It's Wade, a boy from the mainland!"

Jairo trembled in his heart and thought to himself,

"Tyren "fcuk you didn't read the horoscope when you went out this morning?"

"There are millions of people in Hong Kong, who you can provoke, but you have to provoke Charlie Wade?"

Thinking of this, Jairo's first thought was to quickly find an excuse to get rid of him.

However, in the next second, he suddenly thought: "Since Tyren offended Charlie,"

"He will not end well. Why don't I take this opportunity to perform in front of the surname Wade?!"

Thinking of this he said: "Where are you, Tyren? I'll bring someone there!"

Tyren immediately showed a vicious smile on his face when he heard this, and said,

"I'm in Gerard's office!"

"Okay!" Jairo said excitedly: "You wait, I'll be right here!"

Tyren hung up the phone, looked at Gerard with a sneer, and said contemptuously,

"Gerard, didn't you say Mr. Hong Don't won't dare to come and help me?"

"But Mr. Hong said on the phone just now, he! will come here on! He! Will! Come! Here!"

Gerard can understand, Jairo was just abused into a dog by Charlie yesterday,

And today he knows that Charlie is still here. He dares to come, it proves that he must be coming to please Charlie.

If Jairo came to please Charlie, would Tyren end well?

Thinking of this, looked at Tyren's smug look, he covered his face with his hands, and sighed:

"Hey! Good words are not enough to persuade you danm it! Now the misery is inevitable!"
