

Chapter 4679

At 2 pm.

Hogan's flight landed at Hong Kong International Airport on time.

At this time, he, sitting by the window, had mixed feelings in his heart.

He has been away from Hong Kong for too long, and the scenery outside the window is no longer half familiar.

The only thing he is familiar with is the traditional Chinese characters that can be seen everywhere.

These traditional Chinese characters all reminded him that after 20 years,

He finally returned to his long-lost hometown.

However, what he regrets is that when he comes back this time,

He probably won't have the chance to get acquainted with Hong Kong, from which he's been away for 20 years.

From the moment he landed in Hong Kong, his life will probably start to count down.

At this time, a male flight attendant came to him and reminded him:

"Mr. Chen, according to the regulations, don't get off the plane in a hurry,"

"And after the other passengers get off the plane, I will take you in person."

“I will have to hand you over to Hong Kong Customs, and I hope you can understand.”

Hogan nodded and said with a slight smile, “Okay, thank you.”

Although Hogan was forcibly repatriated by the United States,

He was not a prisoner, so repatriated, and without any American police or immigration staff to escort him.

According to the process in the United States, since it is repatriation,

The passport information of the deportee will be blacklisted,

And he will be banned from entering the United States for five years, ten years, or a lifetime,

And then they will directly arrange for him to board the return flight.

The rest has nothing to do with the United States.

Therefore, the US Immigration Service sent him to the departure plane,

And handed him and his information to the staff of the airline.

The staff of the airline would hand him and his information to Hong Kong customs after he got off the plane.

At customs, the repatriation process will be complete.

After all the passengers got off the plane, the flight attendant came to Hogan again,

And said politely, "Mr. Chen, please come with me."

"Okay." Hogan nodded slightly, stood up, and took out some of his carry-on luggage from the luggage rack above his head.

Then, he followed the staff and got off the plane.

After crossing the covered bridge, he saw that two customs staff were already waiting at the end.

The staff brought Hogan to the front of the two, handed over his information, and said, "This is Mr. Chen."

One of the staff nodded and said, "Thank you, leave him to us. That's fine."

After that, one of them walked up to Hogan and said, "Is this Mr. Hogan Chen?"

Hogan nodded lightly: "It's me." The customs officer said,

"Welcome home, Mr. Chen, please bear with me first."

"Let's go to the customs and go through the process."

Hogan hurriedly asked: "Sir, what is the next process?"

The customs officer explained: "It's actually very simple. You were only repatriated by the United States,"

"But you are still a citizen of Hong Kong. And we have checked your situation in advance,"

“You do not have any criminal record in Hong Kong, you are a law-abiding citizen,”

“So you only need to do a routine registration with us, and then you can enter freely.”

While saying that, he added: “Oh yes, you can call your family now and ask them to come and pick you up.”

“We will speed up the work schedule here, and it will be over in an hour at most.”

Hogan smiled slightly: “It’s unnecessary, trouble. Let’s go through the process first.”

“Okay.” The customs officer nodded and said, “Please come with me.”
