

## Chapter 47:

Seeing that Charlie had agreed to the classmate gathering, Claire reminded Charlie, "We have to prepare some gifts for the opening of Stephen Hotel. We cannot go empty-handed."

Charlie nodded and said, "I'll buy a gift for him tomorrow morning."

"Okay." Claire said: "It just so happens that I have to go to the Emgrand Group tomorrow morning."

Elsa asked in surprise: "Are you coming to Emgrand tomorrow morning? Then come to me when you are finished with your business. It just so happens that I will drive your car to Stephen's restaurant at noon."

Claire smiled and said: "Then your wishful thinking is wrong! I don't have a car. I usually take a taxi or take a bus. Sometimes Charlie rides an electric bike to pick me up."

"Huh?" Elsa blurted out: "You are a director, you haven't bought a car yet!"

Claire said: "I haven't worked for a long time, and I haven't made any money. I usually spend money with Charlie and I have to pay for my mother's living expenses. If I get it in one month, I can spare thousands. not enough to buy a car."

After that, Claire said again: "Also, to be honest, I think buses are very convenient. If the weather is good, Charlie's electric bike is also good."

Elsa said seriously: "Sometimes you have to pay attention to ostentation. After all, you are now the director of the Willson Group, and you are the partner that directly cooperates with Emgrand. If you don't even have a car, you will be talked about."

Charlie also felt that Elsa was right.

My wife has always been too frugal, and most of the money she earned has been handed over to his mother-in-law, so she has always treated herself badly.

The mother-in-law is just a brave who just can't eat. She saved more than one million to invest in unreliable financial management, not to mention two or three million to buy a car for her daughter to drive.

Thinking of this, he felt that he will have to buy a car for his wife. In this way, it would be convenient for her to go out and do errands in the future, and it would be better for her to talk about business with others.

After making up his mind, he decided to go to the 4s store early tomorrow morning to have a look

After dinner, the couple and Elsa left and took a taxi home together.

On the radio in the taxi, there are discussions about the Shangri-La Hanging Garden being chartered.

The hosts were all amazed that this was the first time in history that Shangri-La had made an exception to reserve the Sky Garden. He was also very curious about who could have such a great reputation.

The taxi driver also said: "I want to see, this person who packs the sky garden must be the god-level rich man on the YouTube short video!"

Charlie didn't talk, but he was a little surprised in his heart!

It seems that after the news that the Hanging Garden on the top floor of the Shangri-La Hotel was reserved, it really caused a sensation throughout Aurous Hill!

This night, this matter continued to ferment throughout Aurous Hill! Soon the city is full of storms and no one knows it!

Everyone knows that the Shangri-La Hotel adopts a membership service, and only senior members have the opportunity to use the sky garden! As for the reservation, you don't have to think about it at all. Diamond members are not even eligible!

So, who on earth contracted the sky garden has suddenly become a major issue for everyone's curiosity!

There are rumors that the person who undertook the sky garden is the god-level wealthy who has become popular all over the country on YouTube;

Some people say that the person who has contracted the Sky Garden is an overseas rich man;

Some people even say that the person who has reserved the sky garden was a mysterious man. The reason why he did that was to hold a grand and romantic wedding.

Sure enough, the third rumor is more convincing!

For a time, there was another wave of rumors in the market!

#### **Chapter 48:**

After countless women heard it, they were even more envious and jealous.

Everyone speculated about which woman was so happy that allowed people to smash millions in one night, wrap up the entire sky garden, and show her love!

Many people are looking forward to that day soon, so let's find out!

In order to avoid revealing his identity, Charlie specially ordered Issac to make a special transformation of the entire Hanging Garden. At the same time, he also looked forward to the arrival of the wedding anniversary in his heart!

He wants to give Claire a grand wedding on the day of their anniversary!

.....

Early the next morning, Charlie went out early and went to the 4s shop.

He has a 10 billion bank card in his hand, which he has not used much yet.

This time, he was going to buy Claire a luxury car that could be on the table.

He himself wanted to buy her a Rolls Royce in one step.

But after thinking about it carefully, he was afraid that such an expensive car would not be easy to explain to her. Moreover, Claire's personality has always been low-key. Even if she had such an expensive car, she would not be willing to drive it out.

So he decided to buy a business car for his wife about 500,000 worth, which is worthy of face, not too public, and more practical. She won't be so distressed if it is scratched or bumped.

Thinking of this, he planned to buy an Audi a6 for his wife. Nowadays, all business people drive a6. The car has a lot of reputation. Moreover, a6 is an extended business car, which is very suitable for his wife to drive.

When he came to the Audi 4s shop, he parked his little e-bike at the door and walked in.

Several shopping guides inside saw a customer coming, and two people were immediately ready to greet him.

A woman behind said hurriedly: "Oh, this man came on an electric bike. It seems that he is here to use the air conditioner or the Wi-Fi. Just leave him alone."

When they heard that they came on an electric bike, the others lost interest in an instant.

Recently, the weather is hot, and there are always poor ghosts who rush over to rub the air conditioner early. Sometimes they shamelessly sit in the exhibition car and don't get down. In the end, they can only send security guards to rush them out. The sales are very annoying. .

Charlie rides an electric bike and wears a suit to sell goods. It is really not conspicuous here. He doesn't look like a person who can afford Audi.

No one took care of himself, and Charlie didn't care. He went directly to the exhibition area of the a6 sedan and found that the price of this car ranges from 300,000 to more than 600,000. The model of more than 600,000 is the a6 top model and the extended executive version.

To be honest, this car looks really good!

The price of more than 600,000 is not too expensive, Claire should be able to accept it.

So he opened his mouth and said, "Is there a new car for this top A6? I want to buy it now!"

The shopping guides all looked at him like a fool, and one of them said contemptuously: "Have you seen the price? Is there a small number of zeros?"

Charlie frowned and looked at him: "618,000, I saw it."

The man sneered and said, "you saw it, are you still dreaming? Can you afford it? A bill will come out for you to swipe your card after a while, so many people are watching, you can't take it out, what a shame!"

Charlie asked coldly: "Are you sick? Coming out in the morning without taking medicine? Do you want me to call 120 for an ambulance to take you away?"

The man hummed and said, "Cut, don't be here to seduce me. Believe it or not, I will let the security guard drive you out? A poor guy who has come here to use air-conditioning and Wi-Fi, still pretends to be something?"
