

Super Rich Dad Chapter 471-473

Chapter 471

‘You are the engineering contractors, and if I remember correctly, it is clearly written in the engineering contract that if there is any problem with the quality of the project, I have the right to terminate the cooperation with you people, and I also have the right to claim compensation from you!’ Jiang Hao shouted angrily. ‘I haven’t even waited to ask you guys for compensation, and now you guys are biting back and asking me for money for the project? Where is your face? Have the dogs eaten it?’

Jiang Hao was simply furious at the other party’s words, his teeth itching.

He couldn’t imagine that the other party had come here just to make such a rude request.

Didn’t they have any brains?

I paid for you to do my project, and you cut corners. In the end, it caused my project to stop and I ended up losing billions of dollars, and not only did you guys not have an ounce of shame. How dare you lick your faces and come to ask for money from me?

The fact that I didn’t ask for money directly from you guys is already a great gift, okay?

Jiang Hao looked at the other party angrily and shouted angrily again, ‘Didn’t you just say something about going to sue me? Well, fine, go on, huh? It’s just as well that I’m going to sue you now!’

‘Sue us? Fine, then please hurry up and go too, huh!’ The man sneered at Jiang Hao and turned to leave, finally saying, ‘Well, my words have been brought to you, if you still have anything to say, then you’d better go to the Haoyuan Group and ask for it yourself, to be honest, the other contractors are all there now. I know you have a lot to say, hehe, just see if you dare to go!’

Having said that, the man turned around and left, leaving behind a furious Jiang Hao with a red face.

‘Looks like we’ve been set up all along!’ Ye Yunjie sighed, looked at Jiang Hao, and asked, ‘Shall we go?’

Jiang Hao clenched his fist with one hand and slammed it hard on the table, angrily saying, ‘Go, I must go, I’m going to ask for the truth today!’

Ye Yunjie nodded, ‘Good, then I’ll go and call up some people in case something untoward happens.’

However, Ye Yunjie was about to go and do so when she was called by Jiang Hao.

Jiang Hao shook his head. Faintly, he said, ‘No, it’s fine for the two of us to go.’

‘Huh?’ Ye Yunjie was a little taken aback at his words, ‘Young Jiang, that’s a Hongmen Banquet, the two of us going, I’m afraid

Jiang Hao sneered and said with certainty, ‘Since we know it’s a Hongmen Banquet, then why do we still bring so many people? I expect they wouldn’t dare to do anything, if they dare to make a move on me, it’s better instead, I’m worried about not having a legitimate reason to clean them all up!’

Jiang Hao paused and continued conspiratorially, ‘Since these people are willing to be cannon fodder for others, then how can I not make them whole? There is a way in heaven for you not to go. There is no door in hell for you to come and throw yourself at, sorry!’

After saying his words, Jiang Hao then also walked towards the outside with big strides. Without looking back, he said to Ye Yunjie, ‘Sister Ye, prepare the car!’

Ye Yunjie frowned at his words and jogged to follow Jiang Hao while saying, ‘Young Jiang, think about it again, this is too risky, right?’

A few minutes later. In Ye Yunjie’s Mercedes big g car, Jiang Hao looked ahead with an expressionless face and said indifferently, ‘You can’t find a wolf by giving up a child, just drive.’

Ye Yunjie sighed, seeing that she really couldn’t persuade Jiang Hao, she could only shake her head repeatedly. With a kick of the accelerator, she started the car and left.

Half an hour later, Hao Yuan Group.

Ye Yunjie had just driven the car into the car park, and before it could be parked, Jiang Hao jumped straight down and questioned Liu Guohao all the way to his office.

It was obvious that Jiang Hao was furious this time, and even seemed to have lost his mind a little.

Of course Jiang Hao was angry, and he had reason to be, he was angry that all these contractors, in one fell swoop, had all betrayed him.

Even more angry with Liu Guohao, that even he had betrayed himself?

He knew that he had already let him off twice, so which time could he not have justifiably disposed of him publicly?

But Jiang Hao didn’t. He had let Liu Guohao off again and again, begging only for him to do a good job with the Chengnan project at last.

But what about Liu Guohao? Instead of being grateful to himself, he finally chose to use such means to retaliate against himself? Where is his conscience? Was he a human being at all?

Now Jiang Hao only wanted to question Liu Guohao back then. Did he think that if he did this, there would still be people in Chu Jiang who would dare to cooperate with him in the future?

Or perhaps. The reason behind all of this was that Liu Guohao had planned it all at all ?

Jiang Hao walked quickly, and Ye Yunjie parked the car and hurriedly followed him at a trot.

Jiang Hao hurriedly barged into the Hao Yuan Building. The two security guards at the entrance had noticed Jiang Hao early on, and one of them shouted in a low voice over his intercom, 'Young Qiang, someone's here.'

The two then rushed straight to Jiang Hao and blocked his way.

'Stop, who are you ? Do you know where this is?' A security guard said as he disdainfully pushed Jiang Hao.

How did he not know Jiang Hao, it was also here before, Jiang Hao had almost fixed Liu Qiang to death, at that time, that incident was simply a big shock to them, people who were like crickets.

Originally, they thought that a young man like Liu Qiang was already a heavenly being.

However, Jiang Hao had really made them realize what it meant to say that there were people outside the sky.

At this moment, these two people were saying that they did not recognise Jiang Hao, but they had been instructed by others.

Jiang Hao glared fiercely at the other party and shouted angrily, 'Get out of my way, let Liu Guohao come down to see me!'

As he spoke, Jiang Hao was about to barge in again, but was once again stopped by two security guards, who directly stretched their arms and sleeves and shouted angrily at Jiang Hao with disdain, 'Who the hell do you think you are ? How dare you barge in here without permission ? How dare you barge in here and call for our General Manager Liu to come down ? Who the hell are you ?'

As they spoke, the two men looked at each other, sneered, and were about to make a move on Jiang Hao directly.

One of them reached out while shouting under his breath, 'I'll show you something today!'

The man took a step forward, but before his hand could touch Jiang Hao, it was suddenly squeezed by a slim, straight hand, and with a slight force, the security guard, who had just been screaming, suddenly grimaced in pain.

'Aiya pain pain pain you quickly let go, quickly let go ah'

At some point, Ye Yunjie had already appeared in front of Jiang Hao, while she clasped that security guard's wrist with one hand and coldly shouted, 'Does it hurt ? Then I let go?'

Ye Yunjie gave a cold laugh.

The security guard was really in immense pain, and when he heard Ye Yunjie's words, he didn't think much of it and hurriedly said, 'Yes, yes, you should let go, it hurts me to death

Ye Yunjie coldly said a good, wrist fierce force, then heard a 'click' sound, the security guard's wrist was directly twisted deformed.

Chapter 472

'Ah

Ye Yunjie also threw away the other party's hand and sneered, 'Don't measure yourself, you're just looking for death!

At this moment, that security guard could not hear what Ye Yunjie said, he was already rolling around in pain, screaming his heart out.

This scene really scared the other people in the lobby on the ground floor of the Haoyuan Building, and many of them looked over here. They wanted to know what was going on.

Ye Yunjie coldly looked at the other security guard and continued to ask, 'Do you still want to stop us?'

When that security guard saw his companion's bent wrist and his miserable howl, cold sweat immediately ran down his face.

He hurriedly shook his head, looked around, and nervously said to Ye Yunjie: 'I am warning you not to act recklessly ah, this is the Haoyuan Group, I if you dare to act recklessly, I can call someone ah!'

Ye Yunjie sneered: 'Fine. Call it, call all your people over!'

That security guard was slightly trembling with fear, wiped his beads of sweat and hurriedly took out his intercom and shouted, 'Quickly the door. All come to the door!'

Within a short time, a dozen security guards from the Haoyuan Group all gathered around.

When the people saw their companion rolling around in pain on the ground, they were slightly surprised and hurriedly asked the security guard what was going on.

The security guard told the many security guards who had rushed over what had happened, and the crowd felt a little surprised and looked Ye Yunjie up and down.

One of them sneered and pointed at Ye Yunjie, 'You said she broke Lao Wu's hand? Who the hell are you bluffing? How much power can a woman have?'

The man who spoke, who was tall and had a fierce face, looked at Ye Yunjie with contempt and snorted with laughter, 'Miss Ye, right? Oh, in fact, I know you, but before you are high-minded and arrogant, pressed not to put us brothers in the eyes, at that time you big people send a word, we people have to follow behind like dogs on our asses

‘Hahahaha’ the man let out a hearty laugh and then said, ‘But times are different now, so what. I heard that your project was played to death? Billions of dollars down the drain? I just hate some of you people, you’re usually so nice, how about now? Can you still show off? We’re not going to let you in, what can you do to us?’

The man’s mouth was full of provocative words as he approached Ye Yunjie step by step.

They, the security guards, had long received instructions from Liu Qiang, and there was no need to be polite to Jiang Hao and Ye Yunjie.

The boss had given the word, so they had no worries, so of course, they were as reckless as they could be.

Moreover, he felt that a weak woman like Ye Yunjie would at most spit on him, and with her delicate skin, she would probably have difficulty even getting close to him.

As for Jiang Hao, he didn’t even put it in his eyes, a poor student, without his identity. Without money, what the hell is he?

At this moment, that man had already walked up to Ye Yunjie, lecherously sizing her up from top to bottom, his gaze even peering from Ye Yunjie’s collar to the inside.

‘Oh, want to go in?’ The man spoke provocatively, ‘How about meeting a small condition of mine? If you satisfy me, I’ll let you in.’

Ye Yunjie gave a cold laugh, ‘Satisfy you? Fine, say it, what’s the condition?’

The man smiled lustfully and licked his lips, ‘Let me touch’

Ye Yunjie’s gaze was gloomy as she lifted her head to look at the man and smiled, ‘Sure, come on.’

The man smiled and burst out laughing. Stretching his hand over, he laughed out loud under his breath, ‘That’s what you said, don’t regret it’

Ye Yunjie could be the best of the best in terms of both her figure and face. This is simply a great temptation for these people.

Perhaps for Ye Yunjie, these people just dare to think about it in their heads.

But now it’s different, the problem with the south of the city project has long been known to everyone in Chujiang through the media, and even more people are threatening that Ye Yunjie will go bankrupt.

A woman who is broke, how can they put it in their eyes. What they normally wouldn’t dare to say or do, they were now all too ready to move.

Only the moment that man reached out his hand, his face, which had been smiling, suddenly froze.

This was because he violently discovered that Ye Yunjie had actually disappeared from his sight with a shake of her body.

This man was astonished and was about to search around for Ye Yunjie's figure. But at that moment, he felt a pair of hands reaching out from the back of his neck and then clasping them around his throat.

The man was startled and knew it was no good and hurriedly tried to break free.

But before he could make a move, he felt a tremendous force coming from behind him, and then his whole body was violently lifted up by the hands that were locked around his throat, and his whole body leaned backwards.

He suddenly felt that the hands holding his throat, although very slender, were unusually strong, like iron pincers, stuck to him, and no matter how hard he struggled, he could not break free.

And at this time, the many security guards at the side were completely dumbfounded, because right in front of them, Ye Yunjie and the burly security guard. A particularly strange action was put up.

Ye Yunjie knelt down on one knee, while her hands were backwards, and with a dry-land plucking action, she stiffly carried that hundred-odd pounds strong man onto her back. Her hands were jammed around the other man's throat, and her gaze was full of killing intent.

Ten seconds, twenty seconds, fifty seconds

The man was in a panic. Almost desperate, because no matter how much he struggled, he could not break free from his bonds, while the arms that were stuck to him were strangling tighter and tighter. It was getting harder and harder to breathe on his own.

'Let go

The man tried all means of struggling and after finding that none of them worked, he was completely baffled and hurriedly shouted with all his strength, 'I'm suffocating, suffocating can't breathe

The man's face was red at this time, his mouth opened wide, his hands kept scratching around, but he was never able to shake Ye Yunjie a bit.

The company's main business is to provide a wide range of products and services to its customers.

This was a power that could easily kill him!

Even though he felt he was about to be strangled to death, Ye Yunjie still did not have the slightest intention to let go of his grip, and the strength in his hand increased.

In the end, the man seemed to be completely suffocated, and the force of his struggle had diminished.

It was at this point that Jiang Hao, who had always been silent on the side, spoke up, 'Stop.'

Chapter 473

Jiang Hao told Ye Yunjie to stop, certainly not out of pity for these people.

Now Jiang Hao's heart was already burning with anger, not to mention Liu Guohao, even if he had a slight relationship with Liu Guohao. He didn't even want to let it go now, not to mention that the security guard had just spoken out of turn to himself and Ye Yunjie, so it was no problem to teach some lessons.

It was just that Jiang Hao was afraid that Ye Yunjie would be heavy-handed and really make a big deal out of it. It would not end well.

Although these people would deserve whatever end they got, if they were to suffer because of them. But if Ye Yunjie had to suffer because of them, Jiang Hao would feel that it was not worth it.

So when Jiang Hao finished speaking, he waved his hand towards Ye Yunjie, indicating to her to forget it and just give a lesson.

Ye Yunjie smiled, looked at Jiang Hao, nodded slightly, then with a fierce force, she directly threw the man to the ground with a 180 degree back drop.

Then Ye Yunjie stepped on the other man's face with one foot. Coldly, she said, 'Still want to touch?'

At this time the man's face was already frightened beyond belief and shook his head repeatedly, 'No don't dare

Ye Yunjie coldly snorted, Lian Shang's high heels fiercely kicked at the man, and the hard tip of the shoe then stuck hard right on the man's waist.

'Ah

Ye Yunjie then looked at the rest of those security guards, with a chill in her eyes, and said, 'Do you still want to stop me now?'

Those many security guards looked at each other when they heard that. They shook their heads one after another.

However, they just shook their heads and still did not move their positions.

After all, they had gotten orders from Liu Qiang, that was the young master of the Haoyuan Group, and these people were just a group of minions, so if the young master didn't ask, how could they dare to make the decision to let Ye Yunjie and Jiang Hao in on their own.

They knew that although the strength Ye Yunjie had just shown was a bit frightening, they knew better. Liu Qiang was even more ruthless and ruthless.

Anyway, today they could not win on both sides, but at the very least. Even if they offend Ye Yunjie and get a round of repairs, they can still keep their jobs!

These people thought so, but they still poked their heads in place.

Ye Yunjie's cold gaze once again skimmed over each of them. She coldly shouted, 'Still not letting them?'

This time, Ye Yunjie didn't wait for these people to answer and fiercely stepped on the arm of the man who had just been there.

There was another crisp bone cracking sound, followed by a scream from that man. Then he fainted from the pain.

And with Ye Yunjie's foot stomping on him, it was obvious that one of his arms was completely ruined.

Faced with such a bloody scene, Ye Yunjie was indifferent, not even turning her head to see how miserable that man really was.

She just looked at the few people in front of her and said in a low voice, 'Get out of the way!'

This time, the people present were completely stunned. They were also scared silly.

Faced with such a ruthless woman, these people could not help but tremble all over. Fear could not help but grow in their hearts.

Their legs seemed to have gone out of control, and they all obediently gave way to Ye Yunjie.

On the contrary, it was Ye Yunjie. There was no hint of smugness or even triumphant pleasure on her face, after all, in her eyes. These people were too insignificant.

Ye Yunjie glanced at Jiang Hao and said in a low voice, 'Let's go.'

Jiang Hao nodded and took a direct step towards the inside of the Haoyuan Mansion.

Only after taking a few steps, Jiang Hao hadn't even waited to reach the lift, but he was suddenly stopped by a voice.

'Stop right there!'

Jiang Hao stopped and turned his head, and saw that Liu Qiang was walking slowly towards him, with a slightly cold look on his face.

Jiang Hao was of course clear that now that Liu Guohao had openly made an enemy of himself, Liu Qiang was even less so.

'What, has Young Master Liu's scar healed?' Jiang Hao asked teasingly.

Liu Qiang had expected Jiang Hao to ask what he was doing, but he didn't want him to bring up this matter directly, which really made Liu Qiang a bit embarrassed and extremely angry in his heart.

‘Say it again!’ Liu Qiang’s face suddenly turned gloomy, pointing at Jiang Hao with one hand and shouting angrily, ‘Humph, you are now a dog in mourning, and you still dare to be so arrogant?’

Just then, Ye Yunjie suddenly walked past Liu Qiang and said in a cold voice, ‘I advise you to shrink your lifeless finger back, your people have already told you what will happen to you, if you still don’t know how to live or die, I will not be polite.’

Ye Yunjie’s words instantly made Liu Qiang feel a chill down his back.

Because he knew very well that just now, when Ye Yunjie had walked past him, she had the time and the opportunity to break her finger.

Obviously, the fact that she didn’t do that was already a warning to herself.

Liu Qiang’s face looked ugly, swallowed hard and slowly withdrew his finger, but still tried to be brave, ‘You think you can do anything to me? What a joke, do you know where this place is? Do you know how long I’ve been waiting for you?’

As soon as Liu Qiang’s words fell, dozens of figures sprang out from the four sides of the Haoyuan Mansion.
