“Brian Chu has been king and defeated since ancient times.”

“As long as the goal can be achieved, who cares what means are used?”

“Don’t worry, after you die, I will build a grave for you.”

“After all, even your ancestor Chu Yunyang only defeated me once.”

“And you actually beat me twice.”

“For this reason, you are also qualified, let me set up a grave for you!”

The strange demon smiled wantonly.

Because all of this is already under his control.

As for Mark, no matter how strong the previous strength was.

At this time, it can only be the fish on his chopping board, let it be slaughtered.

“Okay, I won’t waste time with you.”

“After killing you, I have to use this woman to help me open the gate of heaven.”

“When the gate of heaven opens, I will gain more power.”

“At that time, this Demon Venerable will be reborn.”

“You mortal ants, prepare to crawl and tremble under my might.”

The strange demon smiled triumphantly.

Then, without wasting any time, he immediately ordered Luna to act.

Just like that, Mark watched helplessly as his Yue’er raised his long sword and pointed it at Mark.

However, when Luna pointed at Mark, she seemed to have regained consciousness.

However, the order given to her by the strange demon through the soul seal is almost irreversible.

But even so, Luna still looked at Mark coldly, "I told you to retreat earlier, why didn't you retreat?"

"If you listen to me and quit Kunlun, you won't die here."

Moon God's words were icy cold, and no one could hear the slightest emotion in them.

It's icy, as if contained in thousands of years of ice.

Mark shook his head at her, "Yuexin, you know, after all these years, how have I ever quit?"

"You do it."

"Don't worry, I won't blame you."

"Because, I know, this is not your intention."

Mark smiled miserably.

He could tell that although the Moon God had been controlled by strange demons.

Chapter 4743

However, in her subconscious, she obviously still misses herself.

Otherwise, she would not have repeatedly persuaded herself to quit Kunlun Mountain.

It's just that this idea is weak, and it's not enough to resist the order of the strange demon.

However, after Cai's soul was controlled, he still remembered himself.

Yue'er has this kind of affection for him, and Mark is already content.

“Sorry, I didn’t want to kill you.”

“But the master’s order is hard for me to disobey.”

“If you want to survive, then beat me.”

Luna looked at Mark, with neither happiness nor sadness on that cold face.

Then, under the watchful eyes of everyone, Moon God raised his long sword and stabbed fiercely in Mark’s direction.

Although Mark is now at the end of his battle.

However, a lean camel is bigger than a horse.

Therefore, Luna did not show any mercy in his attack this time.

The fierce sword tactics amazed Tianhe.

The icy long sword slashed at Chang Xiao angrily.

“Can you still stop it?”

When Luna made a move, many people’s hearts tightened.

Everyone is hoping that Mark’s remaining strength can still fight against the Moon God.

After all, Luna is no better than the previous Chu Qitian.

She was injured by Mark, and her strength is not as good as the previous strange demon.

Plus the consumption of climbing the fairy road.

Mark might be able to defeat Moon God if he tried harder.

However, just when everyone thought Mark would put all his eggs in one basket and make the final struggle.

The Moon God’s sword pierced through Mark’s defense without any hindrance.

It pierced into Mark's chest.

Pooh!

The long sword enters the body, and the blood donates for a long time.

The bright red sword edge protruded from Mark's back.

The gurgling blood flowed from Mark's mouth like a stream.

"Mark!!

"dad!"

"Dragon Lord!"

At the moment Mark's chest was pierced, at this moment, countless people in the whole world were crying with sadness.

Ye Qingtian's eyes turned red immediately.

Even the Moon God himself, on the original face that was as cold as ice, did not appear to be astonished and apprehensive.

"you you"

"Why don't you hide?"

Moon God's tender body trembled, and even her flamboyant hand could no longer hold the long sword in her hand.

She wanted to kill Mark.

This is not the way to kill.

It should be after Mark fought fiercely with her, Mark was defeated by his own sword.

If so, Luna should feel better.

But now, Mark just stood there without any resistance, and was even pierced by his long sword with a bit of relief.

Looking at the familiar figure in front of him, looking at the man with weeping blood at the corner of his mouth and with a weak breath.

She didn't know why, this sword was clearly piercing Mark's body, but her heart was stabbed like a knife.

Why?

Why do you feel this way?

Why does this body of hers have such a big and big sadness.

At this time, the Moon God actually felt a pain like tearing his soul and body apart.

In her consciousness, the voice that killed Mark couldn't help shouting.

However, her body was unbearably sad.

Tears poured down like a torrent that burst a bank.

The pain and sorrow of the body seem to have lost control of the soul.

And when the Moon God was panicking.

Mark raised his head.

The Dragon God Hall Master, who was so glorious and proud in the past, is now pale, like a blank sheet of paper.

When a person is weak, he no longer has any majesty and dominance in the past.

Some only have that kind of simple truth.

Yes, the one standing in front of Luna is just an ordinary person in his twenties.

There is no halo of the Dragon God Temple Master, nor the glory of the title of unparalleled.

Just an ordinary person like everyone else.

In his twenties, he should have just graduated from college and is still changing jobs.

Still facing the pain of buying a house and urging marriage.

Still working the nine-to-nine shift.

However, he didn't do all these things that he should do at his age.

On the contrary, he stood at the forefront of human beings and fought against the disaster that could destroy the world with his own strength.

Blood gurgled along the edge of the sword on his chest.

Chapter 4745

Mark coughed a few times, and the smell of blood filled Mark's mouth and nose.

Vitality and power are gone like flowing water.

sorry?

Are you unwilling?

Mark could no longer feel these emotions.

He just held onto the Yunyang sword in his hand, and tried his best to maintain the balance of his body so that he would not fall down.

At the same time, he stretched out his other arm, the bloody palm, and raised it gently. With a face full of pity and pampering, he touched the pretty face of the charming girl in front of him, and helped her wipe away the tears from the corners of her eyes.

The weak voice, like a candle in the wind, sounded softly.

"Yueyue'er, this is my life."

“I don’t blame you.”

Mark spoke in a low voice, but his voice was getting weaker and weaker.

Even the vision in the eyes has begun to blur.

But Mark still worked hard to keep himself awake.

He wanted to see the world again, and see this peerless beauty in front of him again.

Along the way, Mark had many beautiful women by his side.

Yue’er is not the one who is closest to Mark.

Even after World War I, Mark and Yue’er hadn’t met a few times.

Mark stayed by Helen Qiu’s side for several years.

Mark also accompanied Yueyao from Jiangbei to India.

Even Xu Lei, Mark often met with her.

Only the beauty in front of him, Mark never took the initiative to look for her.

In those years, Luna guarded the Three Gods Hall alone. Every time she opened the door of the temple, Luna hoped so much that the one standing outside was her master, the man who made her dream.

But since the First World War in Dongjing, Mark never went to Japan to find her again.

On the contrary, every time Mark was in danger, Luna would arrive in time.

After the first battle in the rain forest, the world rumored that Mark died in battle.

In a rage, the Moon God killed Yin Guo.

In the decisive battle at Chumen Mountain, Luna even risked destroying the country and rushed thousands of miles to help Mark.

The past is like smoke, and when Mark thinks back about Yue'er, all he thinks of is this woman, regardless of the consequences, regardless of life and death, and regardless of everything.

For Yue'er, Mark always had a kind of gratitude and gratitude that no one else could match.

Even if he was about to die under her sword now, Mark couldn't feel any resentment towards her.

He really doesn't blame his Yue'er.

He just blamed himself, blamed himself for being incompetent, after all, he couldn't make the Moon God regain his sobriety, and couldn't let the Moon God escape from the control of the strange demon.

After his death, his Yue'er should still be used by strange demons.

Whenever he thinks of this, Mark is full of worry and pity for the beauty in front of him.

However, these things, after all, he was powerless.

At the last moment of his life, Mark just caressed Yue'er's pretty face with pity, smiled, and said to her, "Yueyue'er, I'm sorry."

"I've never been to see you in these years."

"However, do you still remember that I and I sent Dragon God to Japan?"

"It was only later that I found out that my dragon gods lied to you by falsely spreading my words."

"After I found out, I scolded them."

"However, Owen's poem is very good."

“Can you still remember?”

“It’s okay if you don’t remember, I’ll tell you”

“Slender clouds are tricky, flying stars spread hatred”

“Silver and silver men crossing secretly”

“Golden Phoenix Rain and Dew Meet”

“Easy to win”

“cough”

Mark suddenly coughed violently, and he spat out big mouthfuls of blood from his mouth.

But even so, Mark still worked hard, and after finishing reading, the next few words

“It is easy to win but there are countless in the world”

There is a second half of this poem.

Tenderness is like water, good times are like dreams, and I endure the magpie bridge to return.

If the two feelings last for a long time, how can they be in the morning and evening.

This was Owen’s trick back then. In order to deepen Mark’s impression on Moon God, he used Mark’s name to read a poem to Moon God.

Now, it was finally revealed in Mark’s mouth.

As the saying goes, don’t kill with an emotional knife.

Mark’s words may be his true feelings.

But to Luna, it is undoubtedly like thousands of swords, deeply pierced into her heart.

That kind of pain is undoubtedly stronger and more unbearable than the physical one.

Chapter 4747

She would rather, Mark stabbed her with the Yuniyang sword.

Instead of these words.

“do not talk”

“Stop talking”

The moon god burst into tears.

These words of Mark undoubtedly reminded those who once again of those sweet moments between her and Mark.

Cherry blossom trees under Dongjing city, sunset on Skytree,

There is also the feeling of passing poems for thousands of miles back then  
Luna’s emotions were almost on the verge of collapse.

The conflict between soul and body almost tore her whole body apart.

“What are you doing?”

“kill him!”

“Kill him soon.”

“Give him another sword, and cut off his head!”

In the mind, the words of the strange demon emerged again.

He kept giving orders to the moon god.

The imprint of the soul in the body of the Moon God is playing a role,  
constantly urging the body of the Moon God to kill Mark.

“don’t want”

“I do not want”

“He is my master”

“I can’t lose my master”

“I can’t kill my master”

The body and the soul are fighting, and the spirit belonging to Suzumiya Yingyue is also struggling and resisting against the strange demon.

However, strange demons are extraterritorial beings that have existed for thousands of years.

Even the mental power of the Moon God can’t compete with it at all, let alone Suzumiya Yingyue.

Luna knew very well that her current struggle would not last long at all.

Soon, she will be completely controlled by strange demons.

But, she doesn’t want, really doesn’t want to kill Mark, she can’t do without her master

Luna was in great pain, and the schizophrenia nearly caused her to collapse.

“Yueyueer, let’s do it”

“For you and me, it’s a relief”

Seeing Luna’s painful appearance, Mark was heartbroken.

He also knew very well that the Moon God who had been imprinted with a soul could not stop the spiritual power of the strange demon.

This consumption will only increase the pain.

Anyway, the ending can't be changed.

Rather than spending it in vain here, it's better to end it sooner.

It also prevents the living people from suffering and suffering again.

When Mark calmly faced death, the spiritual power of the strange demon in Luna's mind became more and more powerful.

Seeing that the last struggle of the Moon God was about to be swallowed by the power from the soul seal of the strange demon.

finally

As everyone watched, Luna raised his sword again.

"No!"

"stop it!"

At the foot of Kunlun Mountain, Ye Qingtian and the others felt chilled when they saw the Moon God raising his sword again.

In Mark's current state, even if he stopped attacking him, he would probably bleed to death.

But now that the Moon God raised his sword again, Mark might not be able to withstand this round of attacks again.

"how so?"

"Obviously they all won."

"Why are there still people?"

"Isn't Luna and Mark in the same group?"

"Why did she want to kill Mark?"

In the land of India, Nuoya, who witnessed all this, was crying.

Yueyao on the side also clenched her palms tightly.

Although she also knows that Luna is now being controlled by someone.

However, it is still unforgivable.

Yue Yao has made up her mind that if Mark really dies under the sword of the Moon God, she will use all means and all the power of the sect to kill the Moon God and avenge Mark.

The situation has taken a turn for the worse, and many people are already desperate.

There is no possibility.

Mark, who was seriously injured, faced the second sword of the moon god, and had no choice but to wait for death.

Just like that, under the gaze of everyone, the sword raised by Moon God aimed at Mark's head.

However, just when everyone thought that Mark's life would come to an end at this moment, the Moon God's sword was about to cut off Mark's neck and head.

The next moment, something unexpected happened to everyone.

I saw that the sword that was stabbing at Mark suddenly turned around.

The sharp long sword stabbed fiercely at Moon God's own chest.

Chapter 4749

"Yue'er, don't want to"

Everyone was shocked.

Mark's pupils shrank even more, and his face changed drastically.

After all, no one thought that Moon God's final choice would be like this.

Pooh!

Vertical and horizontal long swords, passing through the body.

The delicate body of the Moon Goddess was instantly pierced.

The bright red blood dripped slowly along the edge of the sword.

Luna's first sword pierced through his chest.

Then he drew out the second sword and stabbed at his dantian.

The dantian of a person is the place where strength is stored.

Luna's move was undoubtedly to dissipate his strength and cultivation.

"asshole!"

"What are you doing?"

"You idiot?"

"Are you crazy?"

The strange demon soul attached to the body of the moon god has gone completely mad.

He never thought that this woman would disobey his orders in such a way.

"asshole!"

"waste!"

"idiot!"

The strange demon jumped into a rage.

Crazy cursing at the moon god.

Originally, he had already planned everything.

Mark is now dying, and the random sword of the Moon God is enough to kill him completely.

After killing Mark, the Moon God can take a short rest before he can climb the heavenly road and push open the heavenly gate for him.

But now, the Moon God actually mutilated himself with a sword.

The dantian was destroyed, and the chest was pierced.

Even if this stupid woman can't die, she's a useless person.

It was impossible to help him accomplish anything.

“idiot!”

“People on Earth are a bunch of idiots.”

“They're all idiots!”

The strange demon cursed angrily, roaring almost insanely.

So far, Yimo's plan is undoubtedly over and completely bankrupt.

It is destined that no one will be able to complete this road to heaven and immortality.

Knowing that everything had failed, the strange demon escaped from the Moon God again.

It turned into a black shadow and disappeared into the dark night.

Luna has no use value, and there is no need for it to stay here.

After all, once his soul body is separated from the attachment of the physical body, it is difficult to exist for a long time.

However, before leaving, the strange demon still cursed at Mark and the others, “You two are both idiots.”

“Deserve to die!”

He was so angry that he was going to die, and after cursing, he ran away.

On the fairy road, the long skirt was stained with blood, and the beautiful woman was in tears.

The moon god, who was so magnificent in the past, has also fallen on the fairy road at this moment.

The bright red blood stained her dress red.

Vitality and strength are disappearing like flowing water.

“Yueyueer, why are you so stupid?”

Seeing the appearance of the moon god in front of him, Mark felt that his heart was broken.

He tried his best to walk over and took Yue'er into his arms.

Mark, who had always been so proud and strong, couldn't help but be blinded by tears at this moment.

His words trembled, with blame and pity.

But Luna snuggled into his arms happily, with a long-lost happy smile on her pale pretty face, “Master, I can lie in your arms again.”

“Fool, don't say it, don't say it, the master will heal your wounds, and the master will heal you,” Mark said sadly.

He tried his best to stimulate the power and help Luna stop the injury.

However, he forgot that the current him is also on the verge of death.

In his body that was almost squeezed dry, how can there be any strength condensed.

In the end, it's just futile.

“Yue'er, why, how can you be so stupid?”

“The master is already on the verge of death, why do you want to put yourself in it again?”

## Chapter 4751

Mark's heart was twisted like a knife.

He knows the mind of the moon god.

As long as she stabs herself seriously and loses her strength.

Then even if the strange demon controlled her mind, Moon God would not be able to kill Mark at all, so he would not be able to help Mark.

"Master is the person Yue'er cares about most in her heart, Yue'er will not hurt you"

"But you can't hurt yourself?" Mark yelled at her vigorously.

Yue'er in her arms just smiled when facing Mark's reprimand.

She likes to see Mark angry for her.

Seeing Mark cry because of her, Luna felt an unprecedented happiness and honor in her heart.

It turned out that her master cared about her.

Over the years, she has missed Mark all the time.

However, she dared not go to him.

She knew that Mark was very busy and had no time to accompany her.

The only time she could see her master was when Mark was in danger. In this case, she would have an excuse to come to Mark.

Moreover, being able to help Mark is also a very happy thing for her.

Even now, it is still the case.

Seeing Yue'er smirking, Mark felt relieved no matter how angry he was.

He laughed too.

The matter has come to this point, and everything has been irreparable.

I can only accept it frankly.

Therefore, Mark also sat down beside Yue'er.

He hugged her waist, and she leaned on his shoulders. Both of them were covered with scars and blood filled their bodies.

Just sitting on the edge of the sky, calmly, looking at the sea of stars in the distance, watching the Milky Way bloom.

"Forget it, just take it as what I owe you."

"In the next life, Yue'er, I will pay you back."

Mark smiled lightly.

The two leaned on each other, like a pair of mandarin ducks who died in love, sitting together, quietly waiting for the arrival of death.

The Milky Way is long and the stars are dotted.

Sprinkled on two people, it was so tragic and dreamy.

Seeing the relationship between the two of them, tens of millions of people were moved to tears at this moment.

In this world, there really is such a sincere feeling.

So sincere that we can go to hell together for each other and die calmly.

Like Mark, in order to relieve Yue'er's pain, he willingly fell under her sword.

Another example is the Moon God, who would rather abolish his dantian and injure his own life than stab Mark again.

In this life, if you meet such a person who is willing to give everything for you, regardless of life and death, regardless of safety, and unconditionally being kind to you, you will not live this life in vain.
