In fact, this is also very good.

Even if they let An Qi and the others know, it would only increase their worry, and it would be of no use at all.

It's better to let them calm down and enjoy the quiet beauty of these years.

As for all the ups and downs, it is enough for Mark to face it alone.

“Um?”

“Mark, are you injured?”

Under Duanmu Wan'er's treatment, An Qi's eyesight has recovered a little.

Of course, there are only a few of them.

After all, the transplanted pupils are not as good as her own.

However, even so, An Qi could still vaguely see some scars on Mark's body

“It's not for you, Brother Mark last night.” Duanmu Wan'er wanted to tell what Mark did last night.

“Wan'er!” Mark called out, interrupting Duanmu Wan'er's words.

Then he smiled and said, “It's okay, An Qi. I got into a fight with that dead cow last night and got scratched by it.”

At that time, the scalper stared!

He is the one who is responsible for co-authoring, right?

The scalper wanted to explain, and Mark quickly promised it a few girls.

Let the scalper feel wronged, go out later, and take him to the big health care.

When the scalper heard that there was a girl, he was satisfied, and helped Mark take the blame.

“An Qi, go and get something to eat first.”

“The cattle are starving to death.”

Mark found an excuse and sent An Qi and the scalper away.

Here, only Mark and Duanmu Wan'er are left.

“Brother Mark, why didn't you tell her?”

“You took this risk for her sake.” Duanmu Wan'er asked in puzzlement.

Mark waved his hand, “An Qi's disaster was originally caused by me, and I should do this.”

When Duanmu Wan'er heard the words, she immediately sighed.

I just feel that Mark is really kind to some people.

“Okay, let's not talk about this.”

Chapter 4773

“What happened to the strange demon?”

“Did you kill him?”

“There is also a large array of gates on that day”

Duanmu Wan'er still asked about last night.

Duanmu Wan'er stayed up all night last night, waiting for news from Mark.

But fortunately, this guy came back safely.

“Wan'er, I was just about to tell you.”

Mark then briefly described what happened last night.

Especially the bizarre scene that happened after the gate of heaven was pushed open.

“Wan’er, you have a lot of knowledge.”

“You know, what the hell is going on here?”

“Could it be that the secret of becoming a fairy lies in those golden spots of light?”

Mark asked suspiciously.

After hearing this, Duanmu Wan’er was also extremely puzzled.

The good-looking eyebrows immediately frowned.

“You mean, after the gate of heaven was pushed open, there were spots of light flowing from it?”

“Then, have you ever tried to walk in that door?”

Duanmu Wan’er asked.

Mark nodded, “I tried it, but there seems to be some kind of restriction on the entrance of that door.”

“I tried my best, but I couldn’t get into it at all.”

“Depending on the situation, that door should only be able to exit, not enter.”

When Duanmu Wan’er heard this, her brows undoubtedly furrowed even deeper.

“That’s strange, how could this be?”

“According to the records of our clan, after the gate of heaven is pushed open, those who push it will have the opportunity to enter the gate of heaven to experience the catastrophe.”

“After the catastrophe is over, you will break out of the cocoon and become a butterfly, and you will become a fairy, and you will completely get rid of your mortal body.”

“However, the situation you mentioned is completely different from the classics recorded in my clan.”

Duanmu Wan'er couldn't help but feel puzzled.

The suspicion between the brows became more and more intense.

Mark was also extremely depressed.

Originally, he went to the heavenly road to gain strength and achieve the body of a fairy.

But now, the situation has changed.

After the gate of heaven was pushed open, it did not bring any useful benefits to him at all.

“It seems that I really have no choice but to break through to the divine realm.”

Mark sighed, his words were full of loss.

“Brother Mark, don't be discouraged.”

“The strange demon has spent so much time and energy, it must have a plan.”

“When you recover from your injury, take me out to have a look.”

“Maybe, after seeing it, I can see some doubts.”

Duanmu Wan'er seemed to be a little sad when she saw it, and she immediately comforted her.

Mark was startled when he heard that.

“Are you going out? Wan'er, is this okay?”

Mark had thought more than once before, to take Duanmu Wan'er away from here, and take a look at the outside world.

After all, the time in the cave may be peaceful and stable, but it is too lonely and lonely.

Wan'er has been staying inside for so many years, she must be bored and lonely.

However, Duanmu Wan'er refused Mark's kindness every time.

She said she would not leave the hole until her brother came to fetch her.

She must be afraid.

Afraid that after she left, her brother would come.

In this way, you will miss it.

Therefore, for hundreds of years, Duanmu Wan'er has been guarding this size of land, never leaving half a step.

Now, when he heard that Duanmu Wan'er was going out, Mark was naturally surprised and surprised.

Duanmu Wan'er chuckled, "Let's go and come back quickly, and I'll let the scalper stay in the cave, so that if my brother comes during this time, the scalper can go out and call me."

Duanmu Wan'er smiled and said it was all right.

But Mark knew that when she made this decision, she already needed a lot of determination in her heart.

"Wan'er, thank you."

"When I finish what I have in hand, I promise, I will help you find brother."

Chapter 4775

Mark's heart was full of emotion.

Sometimes, Mark felt that what was he capable of?

Always meet, so good so good girl.

Such as Xu Lei, such as Yueyao, such as An Qi, and Yue'er.

Now, even Wan'er is willing to leave the place she has been sticking to in order to help herself.

Perhaps, in the eyes of others, Wan'er's move was just a trivial matter.

However, Mark knew the weight of this decision.

Wan'er is a very simple and simple girl.

So simple, the only meaning of her life is to wait for her brother to pick her up in this cave.

Once away, she risks missing out with her brother.

This is why, for hundreds of years, Wan'er has never thought of going out.

Even in Mark's life-and-death battle last night, Wan'er was just at the entrance of the cave, praying for Mark, and did not go out.

But now, in order to help Mark explore the secrets about Tianmen, she decided to go out.

"Didn't you say that the person occupying An Qitong's eyes has already been killed by you?"

"It just so happens that when we go out this time, we will also bring back An Qi's blue-eyed golden pupils."

"In this case, it will also be of great benefit to An Qi's injuries."

Duanmu Wan'er seemed to have planned many things for Mark.

"Okay, thank you very much, Wan'er."

Mark once again expressed his gratitude to Duanmu Wan'er.

Then, not daring to waste time, he immediately found a secluded stone room and began to recuperate from his injuries and recover his vitality.

While Mark was recovering from his wounds, more and more people rushed here outside the secret realm, on top of Kunlun.

Especially the dotted golden river of light, to everyone, it is undoubtedly like a miracle!

Many people are full of curiosity, what is that golden spot of light?

“Gaia, where is your Dragon Lord?”

“Aren’t you with him?”

When a group of warriors were wondering about those light spots that looked like the Milky Way version, Yueyao and the others rushed to the Kunlun Mountains thousands of miles away.

They found Gaia and asked about Mark’s whereabouts.

But Gaia just shook his head, “I don’t know either, the Dragon Lord just let me stare here, and he took the Tsukiyomi Tenjin from the Japanese Kingdom, and he didn’t know where he went.”

Yue-Yao heard the words, suddenly worried and confused.

You know, Mark was seriously injured in the previous battle.

Especially the sword pierced by the moon god can be described as shocking.

Yue-Yao is really worried about Mark’s situation.

He was afraid that Mark would be seriously injured and die, and he would fall at the moment of victory.

“Where did this guy go?”

“Why don’t you go to India to find me?”

Yue-Yao was extremely anxious.

It stands to reason that after the war, Mark's first task is to heal his injuries and restore his self-cultivation.

Therefore, under normal circumstances, Mark should go to India to find himself.

But, no.

Where could Mark go?

"Could it be that you went to the ancestral land of the Chu family?"

Gaia has followed Mark for many years, and she still knows some places that Mark often goes to.

He remembered that several times before, after Mark was in distress, he was recuperating in the ancestral land of the Chu family.

"possible."

"Then do you know where the Chu family's ancestor is?"

Yue-Yao asked anxiously.

Gaia shook her head, "I only know that it's in Noirfork."

"Okay then, let's go to Noirfork first and find Mark!"

It's not too late, Yue-yao will do what she says.

He immediately turned around and was about to go to Noirfork.

However, he was stopped by one person.

"Don't go."

"He's not there."

The one who spoke was also a stunning woman.

Seeing this person, all the titles in the room were filled with awe.

Even, many people subconsciously stood back.

Chapter 4777

Looking at each other's eyes, full of vigilance and vigilance.

And this woman is none other than the former master of Truman, Tang Yun.

Beside her was a little boy.

The immature face is 70% similar to Mark.

"It's you."

"How do you know that Brother Mark isn't there?"

Noah asked with a frown.

Yue Yao also looked at Tang Yun with a scrutinizing gaze.

The others were also somewhat hostile.

After all, although Truman has been destroyed now.

But Tang Yun, after all, was once the master of Truman.

They are also one of the few, among the remnants of the Truman family, those who have mastered the power.

Everyone was also afraid that Tang Yun was doing something out of the ordinary with her determination to return home.

However, how did they know that Tang Yun's ambition had already changed.

In the past, her career was the most important thing. The interests of the sect are put above everything else.

But now, her mind has returned to her family.

All she wanted was to be able to spend the rest of her life in peace with the one she loved.

And Chu Lin is undoubtedly one of the people Tang Yun loves.

Facing the questioning from Nuoya and others, Tang Yun said coldly, “I have been living in the old Chu family’s house, so I naturally know.”

“real or fake?”

“Who are you to Brother Mark?”

“Why did you live in Brother Mark’s old house?” Nuo Yadun felt incredible.

Yue-Yao looked at Tang Yun, and couldn’t help showing some subtle changes.

“This, you don’t need to know.”

Tang Yun finally replied to them.

Then he led Chu Lin and walked forward.

Taking the little guy along, he took a look at the place where his father fought before.

The entire Kunlun Mountains was in a mess.

There are many ravines as deep as 100 meters.

If they hadn’t witnessed the battle with their own eyes, no one would think that these relics, which are comparable to the creator’s ingenious craftsmanship, were left by Mark in the previous battle.

“Aunt Tang, look, the flowers below are all blooming.”

“so beautiful”

Chu Lin stood with Tang Yun on the top of Kunlun Mountain. Looking down from here, the broken walls and ruins were full of flowers and plants.

They sway in the breeze and bloom in the sky.

There is fragrance pervading, and there is dense aura floating here.

The former barren land, the restricted area for human beings, is now full of flowers and plants.

Chu Lin was deeply surprised, and felt like a fairyland in front of him.

But when Tang Yun looked at the scene in front of her, there was a hint of melancholy and worry in her beautiful eyes.

Tang Yun seemed to have seen a similar scene before.

That was many years ago, in the forbidden area of Chumen.

When he went to his teacher Chu Yuan to report the situation, he strayed into Chu Yuan's retreat place by mistake.

There, as it is now, is full of all kinds of flowers and plants, as beautiful as a fairyland in fairy tales.

Now, at the foot of Kunlun Mountain, a similar scene reappeared.

Tang Yun didn't know whether there would be an unknown connection among them.

"Xiao Lin, let's go back."

After watching for a while, Tang Yun was also ready to return.

"Aunt Tang, aren't you looking for Dad?" Chu Lin seemed unwilling to leave.

He still wants to find his father.

"If he still knows it's your father, we don't need to look for him, he will naturally go back and look for us."

"What's more, your father has left, he's not here."

Tang Yun said slowly.

He came to Kunlun, one is to find Mark.

Another purpose is to investigate the situation, so that I can go back and repeat it to Mrs. Chu.

Yes, not only Ye Qingtian and the others paid attention to the scene under the Kunlun Mountains, but the old lady Chu who was thousands of miles away was also full of curiosity.

Chapter 4779

After the gate of heaven is opened, what will it bring to this world?

This is the doubt in the hearts of almost all martial arts practitioners.

“You stop!”

“You haven’t said yet, what’s your relationship with Brother Mark?”

“Why do you live in Brother Mark’s old house!”

Seeing that Tang Yun was about to leave, Nuoya chased after her unwillingly and questioned her loudly.

However, Tang Yun ignored her.

Holding Chu Lin’s hand, he walked straight down the mountain.

“Are you deaf?”

“Please speak!”

Noah almost died of anger.

But no matter how she yelled, Tang Yun turned a deaf ear to her.

In the end, they could only watch helplessly as the woman went away.

“Sister Yueyao, why don’t you speak!”

“This woman, doesn’t she look like a good person?”

“In my opinion, she is the person who took over Brother Mark’s old house! And killed Brother Mark’s hometown!”

Noah said hostilely.

Yueyao didn't speak, but just kept looking at Tang Yun's leaving back.

Finally, she turned around and asked Gaia, "Gaia, what is the relationship between you Dragon Lord and her?"

The corner of Gaia's mouth twitched, and he thought about his words, "How do I know?"

"Hahaha"

"I guess it doesn't matter."

"If there is a relationship, it is also a relationship between enemies."

"Hahaha"

Gaia kept smiling to hide his guilty conscience.

Although Mark has a specific relationship with Tang Yun, Gaia doesn't know.

However, he has been with Mark for so many years.

Gaia still understands some entanglements between Mark and Tang Yun.

Anyway, if Gaia was to guess, the Dragon Lord and the Truman sect master must have had an affair in private.

However, Gaia can only guess in his heart about the scandal about his sect master, and he dare not speak out.

Seeing Gaia's humble appearance, Yue-Yao couldn't help rolling her eyes, despising him.

Then he said, "In my opinion, the relationship between you Dragon Lord and her is probably not shallow."

"Maybe the child was born by the two of them."

When Gaia heard this, her face turned pale!

"Little Immortal Doctor, be careful with your words."

"Don't talk nonsense about that."

Gaia quickly persuaded.

However, it was too late.

At this time, many titles around looked over with wonderful eyes, and some people had already started discussing. ,

"I go!"

"real or fake?"

"That child is Brian Chu and Tang Yun's child?"

"Exciting!"

"When did they get together?"

"tsk tut"

"Brian Chu is indeed a peerless ruthless person."

"Kill the disciple of Truman, sleep with the master of Truman, and let the enemy give birth to him a son?"

"Awesome!"

Everyone started gossiping.

After Gaia heard it, her face turned black.

"roll!"

"If you talk nonsense again, let it reach the ears of my Dragon Lord, and carefully cut your tongues!"

Gaia turned around and cursed.

Dragon Lord's reputation, he still needs to maintain.

Chapter 4781

"I said sister, can we stop making trouble?"

"Dragon Lord's whereabouts are unknown now, and he doesn't know what's going on."

"The top priority is to find the whereabouts of the Dragon Lord first."

"Instead of fabricating gossip about Dragon Lord here."

"Three people become a tiger. If you pass it on like this, everyone will believe it."

"When the Dragon Lord is a hundred years later, when future generations write history, this will inevitably affect the reputation and historical status of the Dragon Lord."

Gaia was very helpless.

This woman really always pays attention to some weird things.

Now that the war had just ended, he began to suspect that the Dragon Lord's son was the illegitimate child of Tang Yun.

Fortunately, their mistress disappeared and her whereabouts are unknown.

Otherwise, if this matter got to Helen Qiu's ears, then the empress of the Dragon God Palace would have to go berserk.

Regarding Gaia's words, Yue-Yao just snorted coldly and turned her head away.

But looking back now, Yue-Yao felt more and more that Xiao Chulin looked a bit like Tang Yun.

It's almost like being punched out of a mold.

Yue-yao didn't think about it before, but now her joke-like words made Yue-yao even more suspicious.

"Hmph, this hateful Mark!"

"Wrillfill has a Helen Qiu, and there is a Tang Yun in my hometown."

"And a baby was born."

"He didn't even have a baby with me!"

Resentment suddenly arose in Yue-Yao's heart.

For a long time, Yueyao felt that besides Helen Qiu, the woman beside Mark should be herself.

But now it seems that she, Yueyao, has to go back a row.

"Yueyao, the Dragon Lord asked me to guard here."

"It seems that only you can go out to find the Dragon Lord."

"The Dragon Lord is probably still injured."

"After you find it, you can just heal the Dragon Lord."

Gaia urged.

"Hmph, whoever wants to go, I won't go anyway."
