Yue Yao said angrily.

Now she feels more and more that Mark is just a big carrot.

What did you say before, and Truman is a life and death enmity.

But in the end, his subordinates worked desperately for him, but he was lucky enough to get together with the Truman Lord in private, and he might make his belly bigger and give birth to a child.

It feels like the two countries are at war.

During the day, the soldiers of the two countries were fighting fiercely, fighting bloody battles. As a result, at night, the rulers of the two countries were like glue, turning clouds and rain.

As a result, the battle was over, and the queen over there gave birth to the prince.

It's just off the charts.

Seeing Yueyao's appearance, Gaia knew that he was jealous, and felt sulking at Mark, maybe he was still fighting for the brothers of Dragon God Temple.

But Gaia was not angry at all, instead she persuaded, "Yueyao, don't be angry."

"I don't know the relationship between Dragon Lord and Tang Yun."

"This emotional matter is simply not something that others can decide."

"However, in fact, if the two really have an affair, that's a good thing."

"Before, Owen and I were imprisoned by Truman for a year. Although we were tortured, at least our lives were preserved."

“I used to think that it was An Qi’s father who secretly protected us.”

“But now it seems that Tang Yun is using her power to save our lives.”

“Besides, it’s a good thing that the Lord of Truman has taken a fancy to our Dragon Lord, isn’t it?”

“Look now, although the master of the Truman sect is not dead, he never mentions revenge at all. It is very likely that he was taken to sleep by our dragon master.”

“Perhaps, the collapse of the Truman Clan had something to do with the Dragon Lord’s kung fu in bed.”

Guyan, the old and unprincipled one, started talking nonsense again.

At that time Yue-Yao’s complexion darkened.

“Shut up, you!”

“You old pervert, I think Mark was taught badly by you bastards!”

Yueyao was so angry that she almost wanted to hit Gaia.

When she first met Mark, Mark was so innocent at that time.

Even if he teased him a few words, Mark would still blush with embarrassment.

But now, taught by Gaia and these old bastards, the red flag at home is not down, and the colorful flags are fluttering outside.

No, the red flag at home has fallen.

Chapter 4783

Didn’t Helen Qiu run away in anger from him?

After scolding, Yue-Yao also left.

Although there was some resentment in her heart, how could Yueyao really let go of her concern for Mark?

“Old Gaia, tell me quickly, how did your Dragon Lord conquer Truman?”

“Is it really pajamas?”

After Yueyao left, a group of good-natured old people behind them all put their heads together, wanting to hear gossip about Mark.

But at this meeting, Ye Qingtian was very hurt.

He couldn't imagine that Tang Yun, whom he had always regarded as a goddess, would come together with Mark.

It is even more unacceptable, the children of both of them are so old.

“Why”

“I have pity on Ye Qingtian. I have been chasing a beautiful woman for nearly ten years, but in the end, a latecomer gave me the upper hand.”

Ye Qingtian was full of regrets.

Tang Yun was less than twenty years old when she became famous in the world of martial arts.

But it is amazingly talented and talented.

It can be said that once he was born, he convinced all the young talents in the martial arts world.

Among them, Ye Qingtian himself was of course included.

But in the end, none of those people from back then won Tang Yun's heart.

In the end, he was conquered by a little guy.

“roll roll roll!”

“Nothing.”

“Truman was brought down by our sect master with his real ability and openness.”

“Not a little moisture!”

Gaia cursed with a black face, telling these people not to talk nonsense.

But some things tend to get darker and darker.

“The skill on the bed is also the real skill.”

“That’s it!”

“There still needs to be some moisture. If you don’t lubricate it, the experience will not be good.”

These old guys talked one after another.

“I go!”

“All of you, are you more experienced than me?”

The corners of Gaia’s eyes twitched, and he looked at the group of unscrupulous people in front of him speechlessly.

However, after the joke, some people began to return to their countries.

The rest of the people stayed at Kunlun Mountain, watching the changes.

After all, the door was still open that day?

The golden light spots are still flowing down continuously.

No one knows what changes will happen to Kunlun Mountain next.

In order to be able to keep abreast of real-time news and trends, almost all countries and organizations have kept a few people on Kunlun Mountain.

Just like that, a few days passed without incident.

Three days later, two figures suddenly appeared at the foot of Kunlun Mountain.

“The forbidden area of Kunlun is temporarily closed, and tourists are prohibited from entering.”

“Both return quickly!”

Yes, the entire Kunlun Scenic Area has been completely banned in the past few days.

Tourists often visited before, but now during the control period, only those who are allowed by the World Wushu League can enter.

It can be regarded as protecting the lives of ordinary people.

However, in the face of obstruction, the two did not answer.

Even the pace of moving forward did not slow down at all.

They stepped on the rocks and walked slowly.

The wind and sand at the foot of the Kunlun Mountains were blowing on the foreheads of the two, moving with the wind.

One of the women, in a red dress, swayed in the wind.

“Bold!”

“If you dare to move forward, you will be killed!”

The title superpower stationed at the mountain pass issued an ultimatum.

However, just when they were about to do it.

They just saw who was coming.

That woman is beautiful, with fair skin and icy skin.

That stunning face is like the most beautiful masterpiece of the Creator.

The dusty face is more like the ice lilies blooming on the Tianshan Mountains.

Snow white, crystal clear, and spotless.

This woman should only exist in the sky.

## Chapter 4785

Although this woman was covered with a light veil, she couldn't hide her stunning face.

The people present were all infatuated when they saw this woman.

That kind of feeling, as if the whole world was eclipsed by it.

In the eyes of everyone, almost only the stunning and alluring woman in front of them was left.

The beauty of some women is just like that.

The moment she appeared in the world, she was able to attract almost everyone's attention and attention.

So much so that even the man beside her paled in front of her.

"I go."

"It's so beautiful."

"It's like a fairy in the world!"

Some old fellows can be said to be in a state of mind, and some even let out a sigh of relief.

However, after all, there are still people with strong minds.

After recovering quickly, he finally noticed the man next to the woman.

At that time, the middle-aged man trembled and slapped his companion beside him with a backhand.

"idiot!"

"stop looking."

"wanna die?"

"You don't even look at it, whose woman is that?"

At this time, the middle-aged man who spoke was almost frightened.

He trembled and cursed at the companion beside him in a low voice.

Then without saying a word, he bowed and bowed, "The Lord of the Dragon God Palace is here, and I am sorry to welcome you, please forgive me!"

The middle-aged man shouted loudly on purpose.

All of a sudden, all the strong men left behind on Kunlun Mountain heard it.

Everyone was almost trembling.

There was awe and fear in my heart, and it swept over me immediately.

Those who were close bowed their heads in worship.

And the one who was far away shrank his head secretly, as if he wanted to hide himself, for fear of being discovered by Mark.

After all, the ruthless person in front of him killed dozens of titles around the world just a few days ago.

This kind of devil-like character, everyone would not meet him if they could not meet him.

Far away, is undoubtedly the best choice.

Yes, the two visitors in front of them are Mark and Yueyao who walked out of the secret realm of India.

Facing the strong men from various countries who stayed behind in Kunlun, Mark undoubtedly couldn't have the slightest good temper.

After all, this Kunlun Mountain was penetrated by Mark alone.

Now, do these people stay here because they want to pick peaches?

“Kneel down!”

Facing the awe-inspiring words of the people in front of him, Mark was unmoved, but just sneered.

In an instant, the sound exploded like thunder.

A terrifying power, like Mount Tai pressing down on the top, swept down.

All the people present snorted and bent their knees. Without exception, they all knelt on the ground.

There is only one person in Manshan who dares to say a word.

Facing Mark’s power, everyone bowed their heads and listened, and no one dared to speak.

Gaia was the only one crying and crying, “Dragon Lord, I accidentally hurt you!”

After Mark heard it, his heart moved.

Gaia suddenly felt the oppression on her body disappear without a trace.

Only then did Gaia happily stand up from the ground, flaunting her power and looking at the titled powerhouses kneeling in all directions, the pride and pride in her heart was so vivid.

After all, he is the only one who is exempt from the people in the mountains.

This feeling of enjoying privilege is undoubtedly indescribable.

Just like that, under the bow of everyone.

Mark climbed into the sky with the beautiful woman beside him in his arms.

In one fell swoop, set foot on the top of Kunlun Mountain!

“I am Cao!”

“Changed again?”

## Chapter 4787

As they got closer, Gaia just noticed that the woman next to Mark had changed.

Moreover, looking at his temperament and figure, he was someone Gaia had never seen before.

“paralysis!”

“Dragon Lord is awesome.”

“Women change one after another, without repeating the same pattern.”

“Moreover, each of them is extremely talented.”

“There are all types.”

“Yujie type, pure type, savage type, mature intellectual type”

Gaia looked at it from a distance, suddenly full of envy and admiration.

Man, it should be so!

These words of Gaia, after all, are just words in the heart.

Otherwise, if Mark heard it, he would probably have slapped him.

This old thing is ruining his reputation here again.

Wan'er is pure and pure, they are pure.

After reaching the summit of Kunlun, Mark asked Wan'er to hug him tightly.

Then the two flew directly to the cliff.

There, there is a corpse, stared at it!

The low temperature of Kunlun Mountain has almost frozen his body into ice.

His body was even covered with a layer of hoarfrost and snow.

“Brother Mark, why does this person look so much like you?”

Wan'er looked back at Mark angrily.

Mark felt a slight pain in his heart.

Although he and Chu Tianqi are not biological brothers.

However, it was only a generation away.

Parental kinship, there will naturally be similarities.

It's just that there is no family affection in the emperor's house.

They were born in the Chu family, and they were entangled with too many interests. In the end, the competition between the two brothers was greater than the blood relationship.

Now, it can only be said that it is God's will to end in such a degraded way.

"He's my cousin, wouldn't it be different?"

"Unfortunately, he insulted the wrong way."

"If they hadn't treated An Qi cruelly, I might have spared his life."

Mark looked indifferent.

But in fact, even if Mark didn't kill him, Chu Qitian would have died long ago.

The seizure of the house by the strange demon has already eroded his consciousness and soul.

His younger brother, Chu Qitian, had long since ceased to exist.

All that remains before him is just a shell.

Duanmu Wan'er didn't ask any more questions.

She asked Mark to hold her, and leaned forward again.

Then he reached out and checked Chu Qitian's eyes.

"Wan'er, how are you doing?"

"Can it still be transplanted?"

Mark asked with concern.

After all, this blue-eyed golden flower pupil is related to An Qi's life.

Mark has not been able to break through the divine realm now, and it is undoubtedly impossible to save An Qi with the previous method.

However, it might be possible to extend An Qi's life by moving the blue-eyed Jinhua pupils back to An Qi's brows.

This might not be a way.

After a brief inspection, Duanmu Wan'er nodded, "Yes, Brother Mark."

"The blue-eyed Jinhua pupil has not been damaged."

"With some means, I can transplant it back into An Qi's eyes."

"At that time, An Qi's eyesight should be back to normal."

"At the same time, this blue-eyed, golden-flowered pupil feeds back An Qi's source of life."

"Perhaps, the danger of An Qi's life can be solved easily."

Chapter 4789

Duanmu Wan'er said softly.

When Mark heard this, a stone in his heart finally fell to the ground.

After so long, I finally heard some good news.

"Well, I'll take his body back when we're done in a while."

Mark quickly made a decision.

Pupil transplantation is not a small operation.

It must be to bring Chu Qitian's body back to the secret realm.

Although the deceased is the most important, it is not good to move the body without authorization.

But there is no way, who let Chu Qitian and the others take the blame?

At the beginning, for the sake of power, she was obsessed with ghosts, and she did such unconscionable things.

Now that Mark didn't divide the corpses of their father and son into five horses, he already cared about brotherhood.

After dealing with these, Mark took An Qi to the Kunlun Mountains.

Although Mark had only been away for a few days.

But at the foot of Kunlun Mountain, it is already a paradise.

All kinds of flowers and plants compete for splendor.

The desolate land in the past is now like a fairyland on earth.

Even after Wan'er saw it, she couldn't help being amazed by it, "What a beautiful place."

"It's just grown. In the past, this place was basically barren and desolate." Mark said in a deep voice.

Duanmu Wan'er nodded lightly, and then the two continued to stroll among them, walking forward slowly.

Soon, when they walked to the center of this paradise, they saw a tree.

After Mark saw it, his pupils shrank slightly.

He remembered the tree.

At that time, in the Tianmen, a seed fell here, took root and sprouted, and grew branches and leaves.

However, what Mark didn't expect was that in just a few days, the original seed had grown into a small tree, which was two meters high.

This growth rate can be described as staggering.

“Brother Mark, did this tree grow from the seed that fell from the Heavenly Gate as you said?”

Duanmu Wan'er stepped forward and asked softly.

Mark nodded.

He was just in front of the gate at that time.

Although the seeds were small, he could see them very clearly.

After all, most of the things that flowed down from the Tianmen back then were dots of light.

But only that seed is black.

Moreover, the shape is completely different from other light spots, which is particularly conspicuous.

Duanmu Wan'er did not answer, but walked forward and continued to check.

But at this very moment when they were talking, the plant grew more than ten centimeters taller again.

Moreover, Mark obviously noticed that the speed at which the mysterious plant absorbed those light spots was getting faster and faster.

“Wan'er, do you know what kind of tree this is?”

Mark asked curiously.

Duanmu Wan'er frowned, then shook her head, "I still can't see it."

"It's still too small to see any features."

"When it grows up a bit, it should be able to see it."

Duanmu Wan'er said softly.

Mark heard the words, and there was nothing he could do.

I had no choice but to let go of this tree for the time being.

After that, An Qi looked around for other places.

Did not see anything strange.

The only conclusion that can be drawn is that this spot of light is full of pure and rich power.

"Brother Mark, these light spots should be of great benefit to your cultivation."

"In the future, you can also come here to retreat and practice."

Wan'er said softly.

Mark nodded.

Mark has already experienced the magic of this light spot before.

After he pushed open the gate of heaven, after absorbing the light spot from such a serious injury, he recovered very quickly.

It can be seen that this light spot is not only helpful for cultivation, but also has the effect of healing and recovery.

Chapter 4791

After staying here for a while, Mark took Wan'er and prepared to go back.

"Go back, Wan'er."

“Don’t delay your business.”

Mark knew that Duanmu Wan’er was still thinking about her brother.

Therefore, Mark didn’t let Mark stay here for a long time.

After the investigation, Mark took Duanmu Wan’er back to the secret place of India.

Of course, Chu Qitian’s body was also brought in at the same time.

The official start of An Qi’s recovery treatment.

Before leaving, Gaia suddenly called Mark.

“Dragon Lord, take a step to speak.”

Gaia glanced at Duanmu Wan’er at the side, then winked at Mark, and whispered.

Mark frowned, “Wan’er is not an outsider, if you have anything to do, just talk about it.”

Gaia smiled wryly, still hesitating to speak.

“Hey Dragon Lord, you listen to me, let’s take a step to speak.”

“I’m doing it for your own good.”

Gaia persuaded in a low voice.

He was mainly worried about causing unnecessary family conflicts to Mark.

Mark hesitated for a moment.

I thought to myself, what the hell is this Gaia doing?

“Brother Mark, you go over there.”

“I’ll just wait here for you.”

Duanmu Wan’er smiled gracefully, and said in an understanding way.

“Alright then, Wan’er.”

“Wait for me for a while, I’ll be right back.”

Mark finally followed what Gaia said, and the two avoided Duanmu Wan’er and went to the other side to talk.

“Old guy, what’s the matter?”

“What are you doing so mysteriously?” Mark frowned and asked with some displeasure.

He thought about it for a long time, but he didn’t think of anything that needed to avoid Wan’er.

“Dragon Lord, Yueyao has been here before.”
