

Chapter 4791

She continued: "And he wants so urgently. After the heart is removed, I'm not sure if other organs will be sold on time."

"If he's not in a hurry, I can still look for a buyer for the liver and kidney."

"Since you are in a hurry, you have to cover the damage for me,"

"You tell him, deal at this price, whether he likes it or not!"

With that, Myren waved her hand and said coldly, "Call him now!"

Hearing Myren's order, Jimmy nodded quickly, took out his mobile phone,

Found a contact named "Customer 15", and called the other party.

A weak voice came from the other end of the phone, and he asked,

"Hello, have you found a suitable match for me?"

Jimmy snorted and said lightly, "The match has been found, and the other party is strong and healthy,"

“After the transplant is successful, you will be guaranteed to have no problem for 20 to 30 years.”

“If you want to transplant as soon as possible, you can go to Mexico for surgery next week for \$800,000.”

Hearing these words, he immediately said, “Didn’t you agree on \$500,000?”

Jimmy said disdainfully, “The \$500,000 is the price of carpooling,”

“And it’s the price of a private car. It will take another month or two.”

“This...” The other party became anxious and blurted out: “But I... I can’t wait that long...”

That’s your problem.” Jimmy said coldly: “Anyway, I’ve made it clear to you,”

“You can decide whether to do it or not. Anyway, you’re not the only one in the queue,”

“You can think slowly, I’ll give the next one in line a call.”

When the other party heard this, he panicked and said quickly,

“Don’t, I’ll try to find a way to collect the money next week...”

Jimmy snorted and said: "Tomorrow, you will prepare 400,000 yuan first."

"When the money arrives, I will arrange an operation time for you."

After that, he hung up the phone directly.

After hanging up, he immediately said to Myren, "Auntie, the client agreed."

"Okay."

As soon as the call was made, Myren smiled and said to the other party,

"Sister Zhou, you asked me to inquire, and now I have a reply..."

"Yes, the results of the physical examination have also come out."

"Your son's results show that he is very healthy and there is no problem..."

"Adoption will be done, you don't have to worry about this, I am here!"

"I have already said hello to my friend, let him go in and start from the senior seaman..."

"Oh, no thanks, no thanks, what are you being polite to me? Really..."

“Salary... I heard that it starts at \$5,000 a month, including various subsidies, he can get \$6,000...”

“Yes... you didn’t listen wrong, it’s six thousand dollars...”

“It’s a lot of money, but it’s also hard work.”

“They have to go out for ten or eight months without being home.”

“Once the ship is out in the sea, they lose contact with family. It’s hard work.”

“Well, don’t be afraid of hard work. Their company will have a ship leaving the port next week.”

“If there is no problem with your son, he can board the ship next week.”

“I will board the ship from Mexico next week, wait for me.”

“In two days, I will give you an address, and then you can let him go directly to Mexico to report!”

“Oh, you really don’t need to thank me, we are all fellow villagers, and we should help each other,”

“So you can wait for my news!”

After answering the phone, Myren wiped a cruel smile on the corner of her mouth.

This old lady Zhou, she met at a restaurant in Providence.

The old lady is quite old and a cleaner in the restaurant.

When Myren was eating, she chatted with her a few words and learned that her son had been unemployed for a year.
