“I have become a war criminal, but I dare to commit the following crimes,”

“Desecrate the majesty of my martial arts alliance?”

Carlo was furious.

In the conference hall, the other titled powerhouses were also angry.

“Wang Jue, the Chu family is an open challenge to our Wumeng!”

“It’s trampling on the authority of our Wumeng!”

“I’ll wait for the suggestion and send troops immediately.”

“The sword points to the Chu family!”

“This time, the Chu family will be wiped out.”

“Just right, this battle is to announce to the world the sacred and inviolable majesty of the Wumeng!”

All of a sudden, many strong men present asked for a fight one after another, intending to stamp out the Chu family.

Only Aaron was a little worried.

He said in a deep voice, “Although the strength of the Chu family is greatly weakened now, a centipede is dead but not stiff.”

“As far as I know, among the Chu family, there are two powerful titled masters, the two elders of Xuan Ming sitting in charge.”

“Once a life-and-death battle really breaks out, these two old men may really have to fight with all their strength.”

Aaron worried.

“Hmph, it’s just two old guys who don’t die!”

“We have so many strong people present, can’t we subdue these two old things?”

“Don’t hesitate, I suggest, send troops immediately tonight!”

“Tomorrow morning, we will announce the fall of the Chu family!”

Everyone couldn’t bear to ask for a fight.

“But don’t forget.”

“This Chu family, whose father’s family is it?”

“Aren’t you afraid that it will arouse that person’s anger?” Aaron still expressed his biggest worry.

Everyone naturally knows who Aaron is talking about.

It was Brian Chu who turned the tide on Kunlun Mountain before.

“Aaron, I think you are worrying too much.”

“The three families of Chumen were defeated by Brian Chu.”

Chapter 4813

“The Chu family’s downfall is all thanks to Brian Chu.”

“Chu Yuan, Chu Zhengliang, Chu Qitian, the three most powerful members of the Chu family were all killed by Brian Chu.”

“It can be seen that he and the Chu family are sworn enemies.”

“I guess we wish we could wipe out the Chu family?”

Everyone laughed.

Aaron seemed persuaded and felt that there was some truth to it.

“Okay, since everyone agrees, use soldiers against Chu.”

“Then I announce that a special operations team will be formed immediately!”

“Tonight, encircle and suppress the Chu family, with the momentum of thunder, completely wipe out the cancer of the Chu family from the world!”

“This Chu family has become a war criminal. It’s nothing more than refusing to fulfill the defeated treaty. How dare they resist and bully our Wumeng staff.”

“Heaven’s evil, self-inflicted evil, can’t live!”

“Send troops immediately!”

After more than a year of frustration, Carlo and others returned to leadership.

Immediately, impatiently, he mobilized his strength and marched vigorously towards Chumen Mountain.

A few hours later, a large number of strong men arrived in New York City.

DuPont, who was in a wheelchair, went to meet him in person.

“Uncle, you are finally here.”

“Please, I must take revenge!”

“Tamp down the Chu family, crush them to ashes!”

To welcome Master Wang, Du Pont was so excited that he burst into tears.

“Take good care of your wounds. After tonight, there will be no Chu family in the world.”

Calloway said loudly.

After that, he led the titles of all the countries and climbed to Chumen Mountain!

This night, the Chumen Mountain was full of lights, as bright as day.

This night, the Chu family’s door was even more open, and they drove straight in.

After the strong men from the Martial Arts League arrived, Carlo and the others stood proudly at the top, and the sound of majesty resounded throughout the world.

“The remnants of the Chu family, who don’t know how to repent, and those who hurt my Wumeng, deserve to die, why don’t you hurry up and kneel down to lead them to death!”

The rolling torrent echoed.

No one from the Chu family responded.

But at the mountain gate, there was a thin figure sitting quietly on the steps of the gate.

Facing the conquest of the Martial League, the man just raised his head, and slowly replied, “It’s you who should kneel down and lead the death.”

“who?”

“It’s really a big breath!”

What the other party said made everyone angry.

Those with a bad temper just stood up from the crowd and cursed angrily at the figure in front of the Chu family’s gate.

However, the moment the opponent raised his head, Carlo and Aaron, who were the leaders, only felt a thunderbolt.

The whole person was like being struck by a thunderbolt.

They are all stupid!

As if seeing a ghost, he stared fixedly at the thin figure in front of him.

“neat”

I’m stupid!

I’ll go to your mother!

Both Aaron and Carlo are crazy.

So much so that they opened their mouths so tightly that they didn’t shout out, Brian Chu.

God!

Why did I meet Brian Chu here?

Wasn’t this guy still in hot summer?

What’s the matter, suddenly ran back to Trumen Mountain?

Aaron almost peed all over.

What the hell, they touched the a** of the Heavenly King Lao Tzu!

Carlo and the others, who had been arrogant before and acted as if they were acting on behalf of the sky, immediately gave up.

They laughed all over their faces and explained to Mark repeatedly, “I didn’t expect that Palace Master Chu is here too.”

“Master Chu, don’t get me wrong, our trip to Chumen Mountain is not for you.”

“We’re just doing business, get busy with business.”

“If there is any disturbance, please pay back Haihan.”

Prince Carlo had good words to say.

Chapter 4815

All the other titled powerhouses also nodded and smiled honestly.

The old title who scolded Mark just now was so frightened that he wanted to slap his ears.

I thought I blame myself for talking too much.

Okay now?

He even scolded Brian Chu in the face!

Mark's reputation in the martial arts world is not good.

Everyone knows that this is a peerless ruthless person!

He even killed his own grandfather.

Turn your face and deny your relatives.

Now the old title is so frightened that he can't wait to dig a hole in the ground and get in to escape.

"Business?"

"I would like to ask, what business do you want to do?"

Mark's eyes were cold, and he asked coldly.

The corners of Aaron and Carlo's mouths twitched.

From Mark's tone, they seemed to hear a bit of chill and murderous intent.

They couldn't help thinking, maybe this Brian Chu is here to wait for them today, to make trouble for them.

However, Aaron thought about it for a long time, and he didn't think of any place that had offended the Dragon Temple recently.

If there is, it was more than a year ago, when strange demons were rampant in the world.

At that time, the World Martial Arts League not only dismantled the Dragon Temple, but also listed Mark as a sinner and scum of martial arts, and wanted to kill him all over the world.

However, all the previous things were done by strange demons.

Now the strange demon has been defeated.

Doesn't Mark give up, insisting on destroying all their martial arts alliances?

It is precisely because of this fear that Carlo and the others are undoubtedly even more worried. ‘

So much so that he became cautious when speaking.

“Hallmaster Chu, in fact, there is no official business.”

“That is, the Chu family didn't know how to repent after being trampled to death by Palace Master Chu.”

“We clearly gave them a chance to be human again, but they didn't know how to cherish it.”

“Now it has even worsened and injured our law enforcement officers.”

“Therefore, our World Martial Arts League unanimously decided to deprive the remaining members of the Chu family of their right to life.”

“For the sake of this world, and also for the sake of Palace Master Chu, destroy the Chu family, and never cause future troubles.”

Carlo tried hard to explain to Mark.

Mark suddenly sneered, “Hahaha”

“It's a good one to start a new life, and a good one to never suffer from future troubles.”

“My surname is also Chu, and I am also a descendant of the Chu family.”

“In this case, you people, just kill me together.”

Everyone changed drastically when they heard the words.

“Master Chu, what are you talking about?”

“What a character you are.”

“To this world, to the global martial arts, there is a great kindness.”

“How dare we deal with you?”

“We are only targeting the remnants of the Chu family.”

“I have absolutely no evil intentions towards you!”

Aaron, Carlo and others hurriedly explained.

I’m afraid Mark misunderstood.

But Mark didn’t care, and drank in a cold voice.

“The Chu family is my father’s family, how can you allow you to trample on it wantonly?”

“You pigs and dogs are really brave.”

“I trampled on the Truman back then, you pigs and dogs, what have you done other than hiding in Tibet?”

“Later, after the fall of Truman, you all ran out one by one.”

“First, I forced my Dragon God Palace to hand over the treasures of the Chu Clan, and then, as a victor, plundered the wealth of the Tang family and the Chu family, and signed some kind of defeat treaty, and imprisoned my father’s family in this Chu family like prisoners. The top of the gate mountain.”

Chapter 4817

“Where do you get your qualifications?”

Mark drank sharply.

The roar of anger made Carlo and the others turn pale and tremble in fright.

For a moment, everyone present was dumbfounded.

They always thought that Mark and the Chu family were sworn enemies.

But now, Mark's position has changed.

He actually spoke up for the Chu family.

"Master Chu, we are also venting our anger for you."

"The Chu family helped the tyrants to do evil. Back then, the Chu family brought disaster to the whole world, and it was mainly because of the Chu family's efforts."

"Furthermore, the Chu family does not recognize any relatives, and has brought you a serious disaster since childhood."

"We are grateful for the kindness of Palace Master Chu, so we stand up for you and punish the Chu family."

Aaron et al are still explaining

Delusion to calm Mark's anger.

"shut up!"

"You hypocritical villains, even now, still want to deceive me."

"Still fighting for me?"

"If you really vent your anger on me, you wouldn't have wanted me globally more than a year ago."

Mark's words immediately blocked Aaron and the others speechless.

Yes, how could they be so kind?

People in the Wumeng have always said that Mark is a scourge.

Free people like Mark who travel outside the rules of martial arts have always been the biggest threat to the martial arts league.

The reason why they didn't destroy the Chu family at the beginning was that they were afraid of the Chu family's background, fearing that the powerful Chu

family would retaliate when they were dying, so they chose to enslave the Chu family at random, and did not say to kill them all.

Moreover, they dealt with the Chu family in the first place mainly to obtain the wealth of the Chu family and vent their hatred for the Chu family for many years.

It has nothing to do with Mark.

Such rhetoric at the moment is just to stabilize Mark.

But Mark is not a fool, how could he be fooled by them with a few words?

Therefore, Mark, who was furious, directly lifted the fig leaf on the faces of these people.

Then he said angrily, “The Chu family is my father’s family.”

“In the whole world, I am the only one who can bully the Chu family.”

“The rest of the outsiders are absolutely ineligible!”

“My grievances with the Chu family are our own family affairs.”

“You guys, how dare you step in?”

“You are also worthy?”

“As for the one who injured your law enforcement officers, it was none other than me, Brian Chu!”

“You have brought misfortune to my Chu family, insulted my Chu family members, and fished my Chu family’s children.”

“I’ll kill your men, it’s still light.”

“I can’t wait to kill all of you Wumeng!”

Mark’s anger scared Aaron and the others so much that they were afraid to speak.

There were more than a dozen titles present, all of them were terrified, and none of them dared to speak.

In the end, Aaron replied tremblingly, “Master Chu, don’t get angry, I and we just misunderstood your position before. Let’s retreat from the head office now, and we will not pursue the Chu family.”

In this situation, Aaron and the others knew that it would be impossible to touch the Chu family again, so they turned around and left.

“Walk?”

“The dignity of my Chu family has been trampled by you.”

“As the head of the Chu family, do you think it’s so easy for me to let you leave?” Mark sneered, making Suo Run’s heart sink.

“What do you want to do?”

“It’s nothing, you put my Chu clan in shackles and imprisoned on the top of Chumen Mountain.”

“I don’t make things difficult for you, you just kneel and worship outside my Chu’s house for three days, apologizing and pleading guilty.”

“At the same time, I will create a batch of chains.”

“All the titled grandmasters of the Martial League will wear shackles regardless of food, clothing, housing, and transportation within three years, and they must not take them off!”

“Violators, die!!”

boom!

Mark’s words were so loud that they couldn’t stop echoing between the heaven and the earth.

Chapter 4819

“This this”

Mark’s words made everyone in the audience tremble.

Carlo, Aaron and others turned pale instantly.

Mark, this is, they should be treated as prisoners and slaves.

“How is this possible?”

“Scholars can be killed, but not humiliated.”

“We are all martial arts leaders of various countries. If we wear shackles, it is not only an insult to us, but also a trample on the national dignity of our country!”

“Impossible?”

“We will not obey to the death!”

Among the crowd, a white man stood up.

He is also a titled strongman from Western Europe.

At this moment, justice protested to Mark angrily.

Refuse to accept the punishment conditions proposed by Mark.

“Yeah?”

“In that case, then die!”

Without any hesitation.

As soon as Mark finished speaking, he saw a flash of green light.

The green glow was extremely fast, cutting down Tianhe like a sword.

Everyone was shocked instantly.

They all subconsciously avoided.

“Quinn, hide!”

Among the crowd, someone reminded.

However, it was too late.

When the titled master was about to dodge, Mark’s attack was already in front of him.

The blue light is like a sword, and the energy is like a knife.

“you dare”

Under the despairing and terrified eyes of the titled master named Quinn, he could only watch helplessly as the green sword energy grew bigger and bigger in his sight.

In the end, after only two words, the head fell to the ground.

The so-called defense of the titled master, in front of Mark, turned out to be like chopping melons and vegetables, and it was completely vulnerable.

Dead silence!

Death is generally silent!

Everyone was stunned.

All of them stared wide-eyed, looking at everything in front of them in disbelief.

Aaron paled.

Prince Carlo was trembling subconsciously.

The rest of the titles are even more like mourning.

Quinn's body had just fallen in front of him, and blood gushed out like a spring.

A generation of titles, just like that, fell into a pool of blood.

The rest of the people can be said to be frightened and stupid.

Too cruel!

This Brian Chu is really too ruthless.

He even said to kill, and he killed it directly.

This is a titled master.

In a country, without exception, they are all leaders.

Even looking at the whole world, he is definitely an extremely strong man.

But it was such an important and powerful figure who was cut down by Mark.

It is said that Mark's father Chu Zhenghong is the king of Hades.

However, now it seems that Chu Zhenghong's son, Brian Chu, is even more of a murderous King Yama.

"how?"

"But there are still people who are not convinced?"

"Just stand up."

After beheading Quinn, Mark's expression didn't even fluctuate in the slightest.

Chapter 4821

What a shit title.

In Mark's eyes, these people are just ants.

With Mark's current strength, these so-called titled powerhouses are not his enemies at all.

Mark's current state, even if it is not the state of God.

But it is also infinitely close to the powerhouse of the gods.

These people in front of them are not in the top ten list.

It can be said that there is no threat to Mark at all.

“you you”

“If we don't accept it, don't you want to kill us all?”

“Brian Chu, aren't you afraid that your reputation will be ruined and people in the world will regard you as a bloody and brutal demon?”

At this time, some people are still making the last attempt.

However, Mark just smiled back, “Then you guys can try.”

“See if I, Brian Chu, dare to kill all of you.”

The cold words seemed to come from the ice of thousands of years.

The terrifying tone made Carlo, Aaron and the others feel as if they were facing death.

The huge sense of oppression made them almost breathless.

At this moment, after all, no one dared to say a word.

Obviously, no one doubted that Mark could really do it.

From Mark's fame to the present, his fierce reputation has spread all over the world in martial arts.

In the Kunlun Mountain battle a few months ago, Mark slaughtered dozens of masters and above all over the world by himself.

At this point, a dozen or so more would probably make no difference to him.

This is a peerless ruthless man!

He can do it.

Besides, these people felt sorry for Mark, even if Mark killed them, he didn't have any psychological pressure.

"Don't talk, it seems to be the default?"

"In that case, just wait here with peace of mind."
