“Wan’er, I’ll go out first. I’m always a little worried about Kunlun Mountain.”

Before leaving, Mark first found Duanmu Wan’er and said goodbye to Wan’er.

Mark has been practicing here for a year since returning to the secret realm.

However, during this year, apart from practicing, Mark has always been thinking about the situation on Kunlun Mountain.

After all, the situation over there is really weird, especially that tree.

It was always hard for Mark to let go.

“Brother Mark, are you still worried about that sacred tree?”

“After you go out this time, you can bring another leaf here.”

“After a year, the sacred tree should have grown to a considerable size.”

“If you bring it back, maybe I will be able to see what kind of tree it is.”

Duanmu Wan’er spoke from the side.

Most of the trees in their infancy are about the same size.

Duanmu Wan’er didn’t see anything about the leaf Mark brought before.

However, after a year of growth, the trees should also grow their own unique texture.

Relying on these texture features, Duanmu Wan’er is undoubtedly very likely to be able to distinguish the type and origin of this sacred tree.

Mark nodded, “Yeah, that’s the best.”

“As long as I can see the origin of this tree and know the details of this sacred tree, if it is harmless, I will keep it.”

"If it is harmful, I will uproot him."

"I'll save myself worrying about it all the time."

Mark said in a deep voice.

"Okay, Wan'er. That's all for now, I'll leave now."

"I wanted the scalper to stay with you, but the dead cow insisted on leaving with me."

"No way, you can only stay by yourself first."

Mark apologized.

Duanmu Wan'er smiled, "It's okay, I'm used to it."

"Get used to being alone, get used to being alone."

"Actually, in the past two years, I have been content with Brother Mark to accompany me."

Chapter 4833

Duanmu Wan'er said softly, and there was always a gentle smile on her stunningly pretty face, which was refreshing.

Hearing Wan'er's words, Mark felt an inexplicable pain in his heart.

"well..."

"An Qi, I'm sorry, I've always wanted to help you find your brother."

"However, I have been doing trivial things for the past two years, and I really haven't been able to spare time."

"After I step into the realm of the gods, I will settle the affairs around me, and I will definitely help you fulfill this wish."

Mark apologized.

"Yeah." Angie hummed softly.

“Forget it, let the scalper stay with you.”

“I’ll sneak away in a while, don’t tell the scalper.”

Mark lowered his voice.

Then he sneaked a peek at the end of the passage.

The scalper was still taking a bath at this time, and even combed his hair narcissistically with a comb.

The yellow hair that was dyed back then has faded now.

“After I’ve washed my hair, I’ll go out and get dressed again, and then I’ll go to the barber shop to dye my hair again.”

“At that time, this Mark, my scalper, will not be able to fascinate those little girls in the world.”

The more the scalper thinks about it, the more complacent he becomes.

The more I think about it, the more proud I am.

Even when taking a bath, the scalper has already begun to fantasize about the beautiful scene of hugging left and right after leaving the secret realm.

“Mark, when are we going to leave?”

“I’ve scrubbed here several times in the shower, and the hair is all gone.”

“Are you still leaving?”

“Let’s go now, I can’t wait.”

“Mark?”

“Deaf?”

“Come in and rub my back.”

“After rubbing your back, let’s go.”

The scalper was there scrubbing and calling Mark loudly.

However, even though the scalper yelled for a long time, he still didn't wait for a response.

The scalper felt something was wrong.

I didn't even bother to take a shower, and ran out to find Mark.

"Wan'er, where's Mark?"

"I called him to come and rub my back, why did this hanging hair ignore me?"

The scalper looked around, but did not see Mark.

Only Duanmu Wan'er was alone, reading the book to herself.

"Don't look for it, Brother Mark has already left."

What?

"The bastard, ran away without waiting for me?"

"Bastard, bastard!"

The scalper's eyes were red at that time!

The whole cow was so angry that it almost spat out a mouthful of cow blood.

It has already planned almost everything that went out just now.

And now, Mark's hanging hair didn't wait for him, and ran away by himself?

The scalper now has the heart to hack Mark to death.

"This bastard!"

"You wait for me."

“Don’t let me touch you.”

“Otherwise, my old cow will never forgive you?”

The scalper was extremely angry, and the anger was constantly gushing out from the pair of bull noses.

Duanmu Wan’er suddenly burst out laughing when she saw the scalper’s appearance.

“Niu Niu, brother Mark asked you to stay with me.”

“Impossible!” The scalper exploded at that time.

Chapter 4835

“That Diao Mao went out to have fun by himself, leaving my old cow here to guard this boring cave?”

“My old cow is not so stupid.”

“I’ll go out and chop him up!”

The scalper is naturally unwilling to stay here by himself.

He turned around and jumped into the Thunder Well angrily.

The reason why the scalper waited to go with Mark was mainly because Mark had cultivated a thunder dragon body.

If you go out with him, you can let that kid help you resist the thunder.

Can avoid a lot of crimes.

But now, there is no way.

That kid Mark ran away by himself.

The scalper had no choice but to bear the pain of the thunder body forging by himself.

“God damn bastard.”

“My old cow risked his life to save you back then.”

“But you broke your promise and cheated my old cow.”

“It was agreed to take me to find a girl, but in the end I went out to have fun and left my old cow at home.”

“When I break through this Thunder Well, I will definitely tear you apart!”

Under the Thunder Well, there was a hoarse cry of pain from the scalper.

And the other side.

Mark has already walked out of the secret land of India.

After going out, Mark stopped by to take a look at Yueyao.

After seeing Mark, the woman who was already the head of a sect rushed straight into Mark’s arms regardless of her reserve and image.

“cough cough cough”

“Pay attention to your image, okay?” Mark coughed a few times and reminded.

“Hmph, that day when you ascended to Heaven, and that Japanese woman kissed you forcefully, why didn’t you let her pay attention to her image?”

Yue-Yao said very dissatisfied.

She felt that Mark was eccentric.

Obviously, I met Mark earlier than the Moon God of Japan.

But now, Mark has already favored the Moon God of Japan.

Regarding this, Mark had no choice but to smile wryly all his life.

After only staying with Yueyao for a day, Mark left, ready to go to Kunlun Mountain.

The scalper came out to find a girl.

But the purpose of Mark coming out was not for the girl.

Now this year has passed, he needs to go to Kunlun Mountain to see the situation.

But Yueyao insisted on following.

Mark had no choice but to take the girl with him.

All the way without words.

Soon, the two came to the Kunlun Mountains.

Compared with a year ago, the Kunlun Mountains are undoubtedly much more lively.

The originally desolate mountain area has now built many pavilions.

Moreover, in front of each house, their respective national flags are erected.

There are vehicles coming and going outside, and planes coming and going overhead.

Who would have thought that the formerly inhabited and desolate place has now become a gathering place for human beings.

At the entrance of the mountain, someone blocked Mark's way.

The guards at the pass were about to drive Mark away.

But fortunately, someone soon recognized Mark, and quickly stopped the guard at the mountain pass, "Are you crazy?"

"This is Brian Chu!"

"The whole Kunlun Mountain was brought down by him."

"You stop him, you don't want to live anymore?"

The guard was startled by the words of the people around him, and quickly and respectfully made way for Mark.

Moreover, the news of Mark's return quickly spread throughout the Kunlun Mountains.

"Have you heard?"

"Brian Chu is back?"

"Just pay attention to me!"

"If you encounter them, hide away from me."

"If anyone provokes this killer, I will kill you!"

After learning of Mark's return, the heads of martial arts from various countries hurriedly held a meeting to gather their own martial artists.

Thousands of reminders and ten thousand instructions, don't offend that Mark!

Chapter 4837

Now in the global martial arts world, the word Brian Chu has almost become synonymous with the devil king.

Warriors from all over the world will change face upon hearing this.

After all, even people of the level of Aaron and Carlo were ordered by Mark to set up the shackles and chains, and dared not take them off for three years.

With such a great reputation, who would dare to provoke him?

Sensing the fearful gazes from all around her, Yue-Yao couldn't help giggling.

"Mark, why do I think that in everyone's eyes, you are scarier than that strange demon?"

Yue Yao made fun of Mark.

Mark gave her a blank look, "You stinky girl, keep talking nonsense, be careful, I will really imitate that strange monster and eat you up!"

Yue-Yao is not afraid at all.

Instead, he provocatively straightened his full chest, and said to Mark, “Come on, eat me.”

Mark “”

Mark was speechless for a moment.

I just feel that I am being manipulated by this stinky girl.

In the end, Mark could only helplessly smile, and patted Yueyao on the head, “Do you know what you look like now?”

“It’s like Su Daji after taking a bath, lying on his side on the bed, and saying to King Zhou, come, great king, come and be happy.”

Mark shook his head and smiled.

After speaking, Mark stopped teasing Yueyao, but continued to walk towards the foot of Kunlun Mountain.

At this time, a helicopter just hovered over the empty car.

Immediately afterwards, an old man, holding three sexy young women in his arms, jumped down from a height of tens of meters.

The whistling wind in the ear, and the thrill of falling from the sky, made the young women scream excitedly.

“Wow”

“It’s so exciting.”

“Little Gaia, I still want to play.”

“You take us to dance again.”

Those sexy girls were wearing suspender skirts, their snow-white arms were exposed, and their eyes and smiles were very attractive.

“Hahaha”

“Since my babies like it, I’ll take you to dance again.”

“This time, how about we jump down from the top of Kunlun Mountain?”

Gaia laughed, and was about to rush to the top of Kunlun Mountain with the girl in her arms.

But at this time, Gaia noticed someone blocking the way ahead.

Gaia didn’t even look at it, and directly cursed, “Where is the thing that doesn’t have long eyes, you dare to follow the way of Grandpa Gaia”

Gaia cursed arrogantly, but before he finished speaking, he raised his eyes and saw the other person’s face clearly.

“Dragon Dragon Lord?”

boom!

At that moment, it was like five thunderbolts.

Gaia was immediately stunned, and all the smiles just now disappeared.

In my heart, there was only endless fear and horror left.

That pale face can be said to be frightened out of his wits.

“Dragon Lord, I’m sorry.”

“I didn’t notice it was you just now.”

“Damn me, damn me.”

“It’s all my stinky mouth.”

Gaia, who knew she had caused trouble, apologized in panic, while slapping herself on the ear.

Yue-yao next to her watched, but couldn't stop laughing.

Mark looked calm.

Not offended by Gaia's offense.

He just frowned, glanced at the young women in Gaia's arms, and smiled, "Little life is going well, this girl is very pretty."

Mark has seen a lot of beautiful women, but he has to say that Gaia's vision is still somewhat level.

These young women in front of them are all charming and charming, with swaying eyebrows and eyes. Even if they are not as good as Yueyao and Xu Lei, they are definitely the best among the crowd.

Seeing this, Gaia quickly pushed all the girls in Mark's arms into Mark's arms, "These are all for my subordinates to honor you."

"Dragon Lord, don't worry, these are all young women selected by me. It's good if they are beautiful and kind-hearted."

"Dragon Lord likes it, I will give it all to you."

Guyardo knows how to be a human being.

With a wink from Mark, he directly gave all these sexy young women to Mark.

However, before Mark had time to look at anything, Yueyao next to him immediately became angry.

Her eyes were cold, and she kicked Gaia, kicking the old thing far away, "Old and unscrupulous thing!"

"Get out!"

"Hmph, Mark just didn't want you bastards to spoil him."

Yue-Yao was very angry.

Fortunately, she accompanied Mark here today.

Chapter 4839

Otherwise, Mark might really be corrupted by Gaia, an immortal.

“Are you still leaving?”

“Why, do you really want to have some tenderness with these young women?”

Yue Yao stared at Mark fiercely with her cold eyes.

The corner of Mark’s mouth twitched, how dare he speak.

Quickly followed.

As for those young women, Mark could only let them stay here.

It is estimated that Gaia will take them back to the room in a while.

A few minutes later.

Gaia, who fell disheveled, returned to Mark’s side again.

With Yueyao watching from the side, Gaia dared not say a word about the girl.

Mark didn’t dare to mention it again, but just asked about the recent situation of Kunlun Mountain.

“Dragon Lord, after you left that year, this area was quickly regarded as a treasure land of gods by the martial arts world.”

“Not only plants and leaves, they can be used to refine medicine and alchemy.”

“Even, the air here is full of energy.”

“Cultivating here will give you twice the result with half the effort.”

“So, over the past year, major countries have set up offices here one after another, sending good seedlings from various countries to practice here.”

“As you can see, the permanent population of the Kunlun Mountains has reached several hundred people in the past year.”

“The good positions have almost been divided up.”

“However, fortunately, the Dragon Lord has the foresight to keep me here.”

“So, the best position is naturally firmly controlled by our Dragon Temple.”

While speaking, Gaia pointed to a wooden villa in front of her.

Indeed, that location, compared to camps in other countries, is the place with the most energy.

Mark and Yue Yao wanted to go in and have a look, but Gaia didn't seem to want them in.

“how?”

“Is there any secret hidden inside you?”

Mark frowned, then pushed the door open and entered.

The moment he opened the door, Mark felt a scent coming towards him.

I saw that there was a huge swimming pool in front of me.

Four or five sexy young women in bikinis are bathing in the swimming pool.

“You old pervert!”

“go to hell!”

After Yueyao saw it, she was so angry that she turned around and kicked Gaia again.

Mark was also laughed out of anger.

This old thing is really enjoyable.

Perform tasks outside, and don't forget to be happy.

"Mark, I don't care, this old bastard, Gaia, must be expelled from the Dragon Temple!"

"This black sheep is here, and the entire Dragon Temple will be polluted by him!"

Yue-Yao said very sternly.

Mark smiled wryly, "Okay, it's up to you."

The Dragon Temple has long been disbanded by Mark.

Now it is in name only.

Yueyao's so-called expulsion was nothing more than scaring Gaia.

"Don't, Dragon Lord."

"I prepared this for you."

"This subordinate knows that the Dragon Lord has countless beauties, so I specially built a small building for you."

"The first floor is for Sect Master Tang Yun, the second floor is for Ms. An Qi, the third floor is for Yueyao, and the fourth floor is for"

Gaia was full of grievances.

"Get out!" Now Mark couldn't help kicking the old guy.

After kicking Gaia, Mark was really in no mood to talk nonsense with him, so he crossed the camp and walked directly to the place where the flowers and plants were troubled, and soon arrived in front of the sacred tree.

When he came under this tree again, even Mark couldn't help being stunned.

one year!

Just one year!

This tree is actually a hundred meters high.

The towering trees, like a giant, stretched into the sky.

In the Tianmen, the golden light spot is still flowing.

However, nearly half of them were directly absorbed by this sacred tree.

Looking at it from a distance, it looks like a big mouth stretching out into the sky, devouring the spiritual power of the world.

“What the hell is this?”

Mark couldn't help being shocked.

Chapter 4841

too fast!

This strange plant grows too fast.

In just one year, it has reached a height of 100 meters.

Moreover, looking at the situation, it seems that it is still growing.

It's like endless, without end.

“Mark, do you know what this is?”

Yue-Yao's heart is undoubtedly also full of doubts.

Be aware that plants generally grow very slowly.

However, the growth of this plant undoubtedly violated common sense.

Moreover, looking at the entire earth, plants with a height of up to 100 meters are undoubtedly extremely rare.

Mark shook his head, “I came here this time for this purpose.”

“If I don't find out the identity of this tree, I will have trouble sleeping and eating.”

While speaking, Mark immediately rushed to a high place.

As he got closer, he began to take a closer look at the tree.

Sure enough, after a year of growth, the leaves of this tree are quite different from before.

Huge leaves, like cattail fan.

It is covered with various textures and fine patterns.

Mark immediately picked a piece from the tree.

“Mark, what do you want this leaf for?”

“Could it be that you have to use this leaf to cultivate?”

Yue-Yao asked from the side.

“Yao’er, I have to go back to India quickly.” Mark didn’t answer, but said directly.

Yue-Yao was shocked.

Are you going back so soon?

She thought that she could play with Mark for a few more days in the hot summer?

“Aren’t you going back to Noirfork to have a look?”
