“Moreover, I believe that Senior Chu, like me, has not given up.”

“Still looking for possible light and future for this world that is about to end.”

“Also looking for the possibility of life for the billions of lives!”

Suddenly, a young man’s firm and decisive voice came from my ear.

Mark looked over.

From his eyes, Mark saw a kind of enthusiasm and passion.

Like a ball of flame, it was burning fiercely in his eyes.

“Shouldn’t you be from the Dragon Temple?” Mark thought for a long time, but he didn’t remember that there was such a person in the Dragon Temple.

“Senior Chu, hello, my name is Zhang Nanhai.”

“It’s a Yanxia warrior.”

Zhang Nanhai was a little excited.

Today, he not only met the man he admired.

Moreover, this man even talked to him.

“Everyone is gone, what are you still doing here?”

“Even if you really want to save the world, you should go to retreat and practice.”

“Instead of dawdling under the Kunlun Mountains.” Mark asked.

Gaia on the side really smiled and said: “Dragon Lord, this guy’s cultivation is different.”

“He said that he was comprehending the secret of heaven.”

“He wants to find a more advanced law of heaven and earth from the World Tree, and then create an extraordinary formation that will be able to defeat the World Tree in the future.”

“Hahaha...”

“I said he was whimsical and a waste of time, but he didn’t listen.”

“Like an idiot, I’ve been staying here and not leaving, watching the leaves and the wind and grass all day long.”

Gaia smiled sarcastically.

Mark heard the words, but replied coldly: “I think you are the fool.”

“Even a junior knows how to find a way to do something, but you, an old man, know how to eat and wait for dead and sleeping women!”

“It’s a shameful thing, don’t say it’s messing with me in the future.”

Mark scolded Gaia angrily.

Then he encouraged Xiang Zhang Nanhai: “Your idea makes sense. Persevere, maybe you can find another way for this world.”

“What about you, senior? You also feel that everything is irreversible, do you want to give up the earth?” Zhang Nanhai asked Mark, eager to know the answer.

Mark turned his head and glanced at the mountains and rivers behind him: “This mountains and rivers are magnificent, if I have no choice, how can I let the aliens destroy my homeland once?”

“Don’t worry, I’m just like you. I won’t give up my efforts until the last moment.”

“Nine more years!”

“In the past nine years, I will try my best to break into the God Realm!”

“At that time, I will use the power of the gods to chop down this Kunlun demon tree!”

## Chapter 4883

Zhang Nanhai was delighted when he heard the words.

“I knew that Senior Chu, as the number one martial artist, would definitely not give up his pursuit, his dream, and his hope of life like those people!”

“With your words, I, Zhang Nanhai, can feel at ease.”

Zhang Nanhai was a little excited.

For the past year, although Zhang Nanhai has been in the land of Kunlun, studying this ancient fairy tree.

However, countless long nights, only myself alone.

Even if Zhang Nanhai’s mind is firm, he will feel lonely.

But now, he finally found a like-minded person.

Like him, he is also working hard for this world.

Perhaps, the methods they use are different, but at least they share the same goal and share the same goal.

At least, on this road, he, Zhang Nanhai, was no longer alone.

Looking at the burning eyes of the two people in front of him, Gaia beside him couldn’t help but feel infinite emotion.

In today’s world, almost all those in power are preparing for future escape.

Fighting against the World Tree seems to be considered a dead end by the whole world.

However, this is the case, the two people in front of them are still persisting, still wanting to fight against the world tree.

“Perhaps, this is what makes heroes different.”

“Do what you know you can’t do.”

“Do it knowing it’s not feasible.”

“As long as the moth flies to the fire.”

“The world only laughs at the moth for seeking its own death, but who knows that at the moment before it dies, it gets both light and heat.”

Gaia secretly admired it.

For more than a year, his depressed will and state of mind seemed to be infected by Mark and Zhang Nanhai, and his fighting spirit and energy suddenly rekindled.

That night, Mark and Zhang Nanhai chatted all night long.

Of course, Zhang Nanhai mostly asked Mark about martial arts training and some questions about the world.

Mark answered Zhang Nanhai’s questions one by one based on his personal understanding

In the end, Mark even relied on his memory to teach all the mysteries of the formations recorded in the Yundao Tianshu.

“I have little research on formations, and I only have a half-knowledge.”

“The mysteries of these formations are all memorized from a book.”

“If it can inspire you and benefit you, it’s not in vain for me to teach you.”

Mark spoke slowly.

Zhang Nanhai was suddenly excited, and immediately kowtowed to Mark.

“Thank you, Senior Chu, for your kindness in teaching me.”

“If you don’t dislike it, I, Zhang Nanhai, would like to worship Senior Chu as my teacher in the future!”

Zhang Nanhai has already started the ceremony of apprenticeship.

But Mark declined.

“No need.”

“A little favor, why is this?”

“Besides, I, Chu Tianfan, have never accepted disciples in my life.

“There is no need for this apprenticeship.”

“If you really want to thank me, then thoroughly comprehend the mysteries of these formations and create a powerful formation that can save the world.”

In the end, Mark did not accept Zhang Nanhai as his apprentice.

Although Zhang Nanhai was lost, there was nothing he could do.

Just like that, one night passed quickly.

As the sky brightened, Mark was about to leave.

“Where is Senior Chu going?”

“If you want to hit the divine realm and practice in seclusion, I think there should be no better place than the foot of Kunlun Mountain.”

“After a year of observation, most of the energy in this world is attracted by this world tree.”

“This place should be the place with the richest aura in the world.”

“Cultivating here will definitely get twice the result with half the effort, and it will help Senior Chu improve his cultivation.”

Seeing that Mark was about to leave, Zhang Nanhai was reluctant to give up, and immediately persuaded him.

Chapter 4885

Mark smiled: “It seems that your year at the foot of Kunlun Mountain was not in vain.”

“You’re right, the foot of Kunlun Mountain is an excellent place for cultivation.”

“I will return.”

“Before that, I still have something to do.”

Mark smiled lightly.

After that, Gaia continued to stay here.

And he returned to Noirfork, found Ericson Li, and asked him how the retreat work was arranged.

Although Mark will try hard to defeat World Tree.

However, this does not affect his arrangements for his relatives and friends.

Anything that is forewarned will be established, and what is not forewarned will be abandoned.

He has to be prepared.

Seeing Mark, Ericson Li turned his head and bowed: “Mr. Chu, all the work is in progress.”

“However, at the old house of the Chu family, I’m afraid you will have to persuade me personally.”

“I’m afraid the old lady and the others won’t listen to me at all.”

Ericson Li said with shame.

Mark nodded.

He was negligent.

Grandma and the others have lived in the Chu family’s old house for so many years, so they will definitely not move out easily.

“Okay, I’ll go right now.”

Time was running out, and Mark didn’t delay.

They rushed directly to the old house of the Chu family.

Just arrived at the gate of the house.

Mark saw a big black dog passing by with a pair of pink lace underwear in its mouth.

As if smelling Mark's breath, the big black dog turned back.

Seeing that it was really Mark, the big black dog was very excited.

Enthusiastically, he generously gave the stolen treasure to Mark, and barked at Mark, as if welcoming Mark.

"I killed a dead dog today!"

"Stealing my underwear again?"

"See if I don't cook you for meat!"

After a while, there was an angry sound not far away.

I saw Widow Wang at the entrance of the village chasing after her while cursing angrily.

Widow Wang is in her early thirties this year. She is graceful, fair-skinned and beautiful. I don't know how many men in these ten miles and eight villages miss her.

In recent times, her underwear has dwindled.

At first she thought it was the s\*x embryo who stole it.

It wasn't until later that she discovered that it was a dead dog that kept coming to her house to steal her underwear.

Soon, Widow Wang came after her with a stick.

With a guilty conscience, the black dog pulled Mark's trousers and told him to run quickly.

But Mark didn't know the situation, when Widow Wang ran over, she saw the underwear in Mark's hand at a glance.

"OK!"

"I just said, how can a beast steal clothes from people."

"It turns out that you are a little rascal, instigated behind the scenes."

"Looking at your young age, you are considered handsome and handsome. I never thought that you would be such a shameless and nasty person in private."

"Don't go on the right path, you pervert, you insist on stealing my mother's clothes!"

Widow Wang was angry and furious, and yelled at Mark.

Ye Fandun felt wronged.

"You... you misunderstood."

"I'm just passing by, I just came."

Chapter 4887

"I don't know this black dog."

"I didn't let it steal."

As Mark explained, he stuffed the lace-trimmed underwear back into the black dog's mouth.

But who would have thought that just as Mark stuffed his front feet back, the black dog put his back feet into Mark's trouser pockets, and even stuffed them with the dog's paws, for fear of falling out.

"How dare you say you don't know him?"

This scene undoubtedly hurt Mark.

Widow Wang cursed again, and Mark couldn't argue.

Quickly took it out again.

"It's... really not me."

Mark explained there.

The black dog was grinning and circling around, barking from time to time.

"Xiao Hei, why did you run out again?"

At this time, the side door opened.

A child who looked three points similar to Mark came out from inside.

Coming out together was a woman who thought she was as beautiful as a celestial being. She was dressed in plain clothes, without makeup, and walked out of the room with the child.

As soon as he raised his head, he met Mark's eyes.

After many years, the two looked at each other again.

The woman's delicate body trembled uncontrollably.

I just felt that my heartbeat missed half a beat.

And Mark's expression also changed, and the hand that was still holding Widow Wang's underwear also trembled.

"Don..."

"you..."

Mark looked at the beautiful woman in front of him obsessively, the corners of his red lips parted again and again, for a long time, he couldn't think of what to say.

Mark has already forgotten when was the last time he saw Tang Yun.

It should be after the Yunding Mountain battle.

Or maybe, it was after Trumen Mountain he disbanded Trumen.

Anyway, it should be long time no see.

However, even though we have been separated for many years, and now we meet again, it is still the same.

Her eyebrows, her black hair, and her face are the same as before.

Bowl, How nice it should be.

Mark remembered that the first time she met Tang Yun was in this old house of the Chu family.

At that time, Mark was afraid of Tang Yun's pursuit, and even stole her underwear.

As a result, this crazy woman went to kill him naked.

Too many past events came to my mind.

But those good beginnings turned into tragedies in the end.

The battle with Truman must have broken her heart.

When Mark looked at Tang Yun in a daze, Widow Wang's eyes were full of panic.

Seeing Tang Yun appearing, Widow Wang, who had been yelling just now, suddenly fell silent and dared not speak.

Everyone in the town knew that this stunning woman in front of her was a ruthless character.

There were several old bachelors who molested her before, either dead or disabled.

Widow Wang was extremely afraid of such a person.

Absolutely dare not provoke.

He didn't even dare to look at her.

After Tang Yun came out, Widow Wang turned her head and hurried away without any underwear.

For a while, the air here was a little too quiet.

Chapter 4889

You can almost hear the sound of the wind flowing.

After a brief absence, Tang Yun's eyes finally fell on the lace underwear in Mark's hand.

Mark obviously noticed it too.

Immediately rubbing his head in embarrassment, he quibbled casually: "Well...well, I came here in a hurry, I didn't have any presents for you, so just... I bought you a pair of underwear, I don't know if you like it or not."

It has to be said that Mark's nonsense is true.

He couldn't say it belonged to the widow Wang.

Tang Yun must have misunderstood him, thinking that Mark is a pervert.

In desperation, Mark could only say that he bought it for Tang Yun.

Tang Yun was very touched at first.

She and Mark met because of underwear.

Now it is really meaningful for Mark to give her this.

"Thanks."

Tang Yun replied, and then took the underwear.

But how keen is a woman's perception.

She soon noticed that the underwear smelled of other women.

It was obviously worn by someone.

Tang Yun was immediately annoyed, picked up the underwear and threw it at Mark's face!

"roll!"

The cold voice is like a sword.

The surrounding vegetation has been cut down.

Tang Yun returned to the Chu family's old house angrily. Seeing that the matter had been revealed, Mark explained bitterly, "Yun'er, listen to me, this is all a misunderstanding..."

"It's all that black dog, it was that black dog who planted it on me..."

With a bitter face on his face, Mark chased after him.

But with a bang, Tang Yun actually closed the door, blocking Mark out.

"Yun'er, open the door..."

"Yun'er..."

Mark was about to cry, and shouted outside for a long time, but it didn't help.

At this time, the big black dog ran over again, licking his face, stretched out his paw and patted Mark's shoulder, as if to say again: "Brother, don't be afraid, it's up to you brother Hei."

After the black dog finished photographing Mark, he got into the dog hole next to him.

Then, he opened the door for Mark from the inside.

“Wow woof!”

After opening the door, the black dog barked several times at Mark with its tongue out.

It seems to say again, brother, what, you black brother, I am righteous, right?

“You bloody dog, get out!”

Mark pushed the black dog away.

If it wasn't for its harm, how could it be misunderstood by Tang Yun.

Mark hurried into the old house.

I found Tang Yun and kept explaining to her.

“Cough cough cough...”

“Here's the grandma here, and she's taking care of coaxing my wife. Did you forget about the grandma?”

The old lady came out of the house.

Deliberately teasing them both.

Seeing this, Mark hurried over to say hello.

“dad!”

At this moment, Chu Lin was practicing sword in the backyard.

After hearing his father's voice, he also ran over happily.

After a short reminiscence, the old lady asked Mark about Kunlun Mountain.

“To tell you the truth, grandma, I came here today for this purpose.”

“The world tree is a fairy world creature.”

“In the future, the disaster will surely return to the whole world.”

Chapter 4891

“At that time, all living beings will be devastated, and even the earth will not exist.”

“I came here today because I hope Grandma and Yun’er can follow me to the secret land of India.”

“At that time, even if the earth really encounters doomsday, in the secret realm, life can still be preserved.”

....

Mark briefly explained the current situation to Tang Yun and Grandma.

Tang Yun’s pretty face paled slightly upon hearing this.

She didn’t expect that things had become so serious.

The old lady’s expression was also very dignified.

“Why...”

“This wave is not flat, and another wave will rise.”

“The crisis of strange demons has just come to an end. Unexpectedly, a new crisis has come again.”

“It seems that this earth world is about to run out.”

The old lady Chu sighed.

Then, he said to Mark: “Mark, grandma knows your filial piety.”

“However, even if the end really comes, I will not leave this old house.”

“I promised your great-grandfather that I will always guard this old ancestral home.”

“Grandma...” Mark became anxious.

“Okay, Mark, you don’t need to persuade me too much. When the time comes, you can come and pick up Yun’er. But now, since there is still time, let Yun’er and Xiaolin stay with me in the old house for a few years.”

“It just so happens that in this old house, I can also teach Xiaolin how to practice.”

“As for you, go about your own business.”

The old lady Chu has made up her mind.

Seeing that Mark couldn’t be persuaded, he didn’t say anything more.

“Oh well.”

“There are still nine years. In these nine years, I will find another way.”

“However, if you really have nowhere to go in the end, I still hope that Grandma will come with us.”
