Mark had no choice but to leave it to Grandma for the time being.

As for Chu Lin and Tang Yun, Mark wanted to take them away together this time.

But if grandma doesn't leave, let them stay here for now.

As for Mark, he couldn't stay here for long.

He also has to go to the secret place.

"Are you leaving so soon?"

Seeing Mark coming for a while, he wanted to leave.

Tang Yun couldn't bear it and asked in a low voice.

When she said this, Tang Yun's pretty face was still cold, without any emotion.

Mark smiled: "What? Are you reluctant to part with me?"

When Tang Yun heard this, she frowned immediately: "A prodigal son!"

After speaking, Tang Yun wanted to turn around and go back.

Taking this opportunity, Mark stepped forward and kissed Tang Yun on the cheek, then walked away with a big smile.

"This scoundrel!"

Looking at the distant figure, Tang Yun was extremely ashamed and angry.

But whoever saw that, so ashamed and angry, the charming smile on the corner of Tang Yun's mouth was overwhelming.

After leaving Noirfork, Mark went straight to India and quickly returned to the secret land of India.

But after entering, Mark found that there was no trace of Wan'er anywhere.

"Wan'er?"

"Wan'er?"

Mark suddenly became nervous.

As far as he knew, Wan'er had been staying in this cave, except for the last time she followed him to the World Tree, she basically never went out during the rest of the time.

But this time, Mark searched all over the cave, but he couldn't find any trace of Wan'er.

"Could it be that Wan'er left?"

"Or, her brother picked her up?"

Mark frowned.

However, if Wan'er really leaves, she should also leave a letter or something.

But now, why did not leave any words.

Could it be that something happened to Wan'er?

Chapter 4893

Mark suddenly became uneasy.

Not to mention the crisis of World Tree, Mark still counts on Wan'er to help him get through it.

What's more, Mark promised Wan'er to help him find her brother.

Now, the promise has not been fulfilled, if Wan'er has an accident, how can Mark sleep and eat?

"Wan'er!"

"Wan'er~"

Burning with anxiety, Mark immediately searched again.

However, let him look for it over and over again.

But still no trace of Wan'er was found.

In the entire cave, there were no traces of fighting at all.

Moreover, the display is the same as it was before Mark left.

Wan'er just disappeared out of thin air.

"how so?"

"Where did Wan'er go?"

Mark was extremely worried.

The last punch hit the stone wall in front of him hard.

The low roar sounded like thunder.

The entire cave also trembled slightly, but it was unscathed.

Mark has already experienced the hardness of this cave.

Naturally not surprised.

"What should I do now?"

"Helen Qiu was not found, and now even Wan'er is missing."

"By the way, where's Yue'er?"

Mark remembered again that he didn't seem to see Yue'er either.

Mark put Yue'er in this cave before.
