When Mark woke up, he found that he was lying in the arms of a girl.

The soft body and refreshing body fragrance make people feel extremely happy.

“Brother Mark, are you awake?”

“Does it still hurt?”

Duanmu Wan’er exhaled like blue, and blew on the wound on Mark’s forehead.

Mark woke up suddenly, and then remembered that he seemed to be attacked by something before he fell into a coma.

Mark sat up suddenly from Duanmu Wan’er’s arms, and then asked Duanmu Wan’er: “Wan’er, are you okay?”

“No harm.”

“Just now, I seem to have spotted two figures.”

“I’m afraid there are people in this palace.”

Mark’s eyes were solemn.

According to Mark’s guess, the palace in front of him should be a treasure left by Da Neng thousands of years ago.

It might even be something of a fairy.

If there are living creatures left in the Immortal Master’s cave, how powerful would it be?

Mark couldn’t imagine it anymore.

I just felt an unspeakable sense of crisis welling up in my heart.

Duanmu Wan'er laughed foolishly: "Who made you so anxious just now?"

"You don't listen to my advice, how about now?"

"You'll have to suffer."

"Are you still laughing? Let's go out first and make a long-term plan!" Mark looked around, at this moment he and Duanmu Wan'er were obviously still in the fairy palace.

The surrounding pavilions are still singing birds and flowers.

But Mark obviously lost the comfort and ease he had before.

Chapter 4899

Instead, the whole person was extremely vigilant.

I just feel that this fairy palace has become extremely dangerous and weird.

"It's okay, Brother Mark."

"As long as we don't enter the interior of the hall, there will be no danger."

Duanmu Wan'er comforted her.

Mark was taken aback: "What does this mean?"

Duanmu Wan'er didn't speak, but picked up a stone from her side and threw it in the direction of the hall ahead.

When the fast stone flew over the first step, a black shadow suddenly appeared, and then smashed the stone with a punch.

After smashing it, the black shadow quickly disappeared and disappeared again.

"It's him!"

"It was he who attacked me just now!"

The opponent's speed was extremely fast, and this time, the opponent had appeared twice, but Mark still only saw an afterimage.

This undoubtedly made Mark feel like an enemy.

You know, looking at the entire earth, I am afraid that no one can reach such a speed.

Duanmu Wan'er nodded: "I know. They should be the guards of this Immortal Palace. They have been guarding this Immortal Palace hall for thousands of years."

"You just broke in rashly, so I will naturally attack you."

Mark suddenly realized.

Recalling the scene just now, he was indeed attacked after he stepped onto the steps.

"It's my fault for being anxious."

"That's right, such a fairy palace will naturally be guarded by living beings."

"How can it be so easy for mortals like us to get our hands on it?"

"But, Wan'er, do you have a way to deal with those two immortal palace guards?"
