

## Chapter 49:

Charlie didn't get angry and laughed, and asked him, "If you sell this car, how much can you get?"

The other party said contemptuously: "I can raise ten thousand!"

Charlie nodded: "Very well, you lost ten thousand."

After speaking, Charlie turned and went out.

He met the manager of this store coming in, and the name of the sales manager: Whibe was written on the other's badge.

So Charlie asked him: "Are you the person in charge here?"

"Yes." Whibe nodded, "What are your needs?"

Charlie pointed to the sales just now and said to him: "You'd better turn that sale off. As long as he is here, it will only delay the business of your 4s store."

When the man heard this, he rushed over and said, "Manager Whibe, don't listen to his nonsense, this man is sick! He just came to use the air-conditioning wire!"

Charlie smiled and said, "If I am rag, just wait and see."

After speaking, he immediately went out and went directly to the BMW showroom next door.

As soon as he arrived at the BMW store, Charlie saw one of the most luxurious BMW 760. This is the top accessory of the BMW 7 Series. It is the most expensive model of BMW.

The BMW 760 has a 12-cylinder engine, which is extremely powerful, and the interior is a luxurious mess.

He is also a little angry, don't these Audi idiots look down on him? OK, then I will buy a top-fitting BMW for you to see.

Anyway, the Lord has money!

So he directly greeted a BMW salesperson and asked: "This 760, can I just take it away?"

The other girl was stunned: "Brother, this car has just arrived in the showroom today. Are you sure you want to buy it?"

"Yes." Charlie nodded: "I'm sure, take me to swipe the card!"

"Ah? This car is 2.6 million!" The other party was utterly dumbfounded.

She's been selling cars for a long time and has never seen a customer who comes in and asks for a card swipe without saying anything.

Isn't this elder brother here to amuse himself?

Charlie smiled and said: "I know, I see the price, you just say you sell it or not!"

"Sell, sell, of course," the little girl said happily: "Then please!"

Immediately afterward, under the leadership of the other party, Charlie swiped his card, paid, and picked up the car in one go.

When the 2.6 million BMW 760 came out, the people in the Audi store looked stupid.

Charlie drove the BMW 760 directly to the entrance of the Audi store, then opened the trunk and put his electric bike in, and then he drove away in a big way.

The shopping guide who looked down on Charlie was stunned. The Manager White next to him said with a cold face: "Go to the HR and collect your dues, you are fired!"

"manager"

"roll!"

The employees in other Audi stores were also scared silly. d\*mn, no one would have thought that the person riding an electric bike was so arrogant, with a car of more than 2.6 million, and he would buy it!

The shopping guide who despised Charlie was even more regretful. Not only did he miss a major customer, missed tens of thousands of commissions, but also lost his job. If he had known this way, he would not look down upon others.

Here, when Charlie drove the BMW 760 out, he felt a little impulsive just now.

He didn't feel sorry for the money, but the car was too expensive. How could he explain it to Claire?

Two million six hundred thousand, it can't fall from the sky?

## **Chapter 50**

After thinking about it, a great idea suddenly popped into his mind.

Later, he drove to the roadside car repair shop and spent 20 to ask the boss to replace the BMW 760 logo with a BMW 520.

The BMW 5 Series looks very similar to the 7 Series. The difference is mainly internal. It is difficult for most people to distinguish from the outside, mainly by the tail label.

The 520 is the lowest in the 5 series, with average power and control, and average in all aspects.

The 760 is the highest in the 7 Series, with extremely strong power, extremely strong control, and strong in all aspects.

Charlie drove the 760 with the 520 sign and thought to himself that Claire didn't know much about cars and didn't study the car. He told her that it was a BMW 520, and she probably couldn't recognize it.

The owner of the car repair shop slapped his lips, and said to his heart, this guy looked very honest, but he didn't expect to have such a heart, and deliberately changed the top matching 760 to 520, he must be thinking about pretending to be a pig and eating a tiger!

After buying the car, Charlie thought that Stephen White's restaurant was opening at noon today, and he had to prepare a gift for him.

Thinking that Stephen was the only classmate who treated him well during college, he drove directly to a large consignment shop of art and literature and bought an early painting by Qing Dynasty painter Huang Shen for 200,000.

Huang Shen is not too famous, so most people can't recognize his paintings.

The reason for buying such an ancient painting is that, on the one hand, he felt that he should give Stephen a weighty gift, but on the other hand, he did not want to let others know how much the painting was worth.

He thought, if someone asked about it, he would just be fooled by saying that it was a few thousand.

It was almost noon after buying the painting, Charlie called his wife Claire and told her he'll pick her up from the Emgrand Group along with Elsa.

As you can see, Claire discovered that Charlie actually drove a BMW 5 Series!

She looked at Charlie dumbfounded, and asked in surprise: "Where did this car come from?"

Charlie smiled and said, "I bought it for you!"

"You bought it?" Claire was even more surprised: "Where did you get the money?"

"Private money." Charlie said: "Look, I have been in the Willson family for so long, and I didn't spend a penny when I got married. These years, I have eaten at the Willson family, lived in the Willson family, and used the Willson family's resources. What's weird about saving some private money?"

Claire said, "But you save money and keep it for yourself! Why do you buy such an expensive car? It costs 400,000?"

Charlie smiled and said: "You are my wife. If I don't use my personal money for you whom should I use it for? Besides, you are now the director with no car. Everyone will laugh at you."

At this time, Elsa also said: "Claire, you really need a business car, this car is quite suitable for you, Charlie has you in his heart, you should be happy!"

Claire nodded and said very moved: "Charlie, thank you!"

Charlie shook his hand gently, and said with a smile: "Why are you so polite with your husband?"

After speaking, he greeted the two and said: "Let's go directly to Stephen's hotel!"

Claire hurriedly asked, "Did you buy him a gift?"

"I bought it." Charlie said, "I bought him a painting."

"Painting?" Claire asked curiously, "What kind of painting?"

Charlie said: "It's the kind of ancient paintings sold on Antique Street. I think the painting is a pomegranate, which means more money, more wealth, and more fortune. It's pretty good, so I bought it."

Claire asked, "How much did you buy it for?"

“Some thousands.”

Claire nodded and said with a smile: “Then you might have been cheated! You can’t buy any real ancient paintings for a few thousand.”

Charlie said with a smile: “It doesn’t matter, it’s mainly a kind of heart, courtesy is less affectionate.”

Claire nodded in agreement, and said, “You are right. The main thing is love. Let’s go straight to the hotel now!”
