In the hotel space, Wang Mao had already booked a ticket. Qi Yiyun was very helpless when faced with Samuel who didn't talk. She could not recognize why Samuel would purposely lose the video game just because he mosted likely to the commode.

Yes, he purposely shed the video game.

They would certainly instead think that Ouyang Xiujie had actually utilized his trump card to make Samuel drop into disorder. Provided Samuel's toughness, it was difficult for him to lose.

" You've lost the video game. Can you think of exactly how those people from Cloud City's Go Organization will treat you?" Qi Yiyun stated to Samuel.

" I have never taken notice of those rubbish. What will they do to me? Is it important?" Samuel stated disdainfully. He recognized that when he returned to Cloud City, he would most definitely be reprimanded by the members. Yet was it important?

In Samuel's eyes, winning or shedding was not important, just Yvonne's safety and security mattered.

If those old fellows insisted on making trouble for him, he did incline making a big modification in Cloud City.

" Your reputation in Cloud City is already bad to start with. Now that you have actually lost the competitors, you will certainly be treated also worse as a wimp." Whether he was a wimp or otherwise, as long as he understood, Yvonne would understand. Samuel never appreciated the views of outsiders.

"Do you believe I appreciate this?" Samuel asked gently.

"Then what do you care about?" Qi Yiyun asked.

"It's Yvonne. Just Yvonne can make me care," Samuel claimed.

Yvonne?

As Yvonne's partner, that he cared about Yvonne was what he needs to do. What did the competition have to do with Yvonne? What's even more, Yvonne hoped that he could win.

After she stated these words, she bore in mind that Samuel seemed to have other purposes when he stated that he cared about Yvonne. She frowned and proceeded, "What's incorrect with Yvonne?"

A trace of hostility blinked in Samuel's eyes, and he stated, "She and Linda were caught."

Qi Yiyun promptly flew into a rage when she listened to that. Although she might turn against Yvonne for the sake of Samuel, she had not gotten to the stage where they were going to break up. Yvonne was still her buddy at the moment.

"Did Shangguan Heibai do it?" Qi Yiyun said, gnashing her teeth.

"That else could it be apart from him? I'll locate a chance to make this old point pay," Samuel said.

Qi Yiyun breathed out greatly. It ended up that it was due to the fact that Yvonne that he lost the video game. Although such an ending could be understood, Qi Yiyun was dissatisfied in her heart.

The more Samuel seemed to appreciate Yvonne, the less most likely she would certainly make him submit to her. If they were as devoted as gold, she would not have the opportunity to bring him back to the U.S. and also allow him benefit the Qi household.

"You do not care regarding being insulted for Yvonne?" Qi Yiyun asked.

"So suppose I'm reprimanded by the people of the globe?" Samuel looked directly at Qi Yiyun and said lightly.
