"What can the Sue family members bring you?" Qi Yiyun asked. It was an unnecessary inquiry, yet it was extremely vital for Qi Yiyun.

"The world is within my reach, and I can give it to her. Do I require the Sue family members to do anything for me?" Samuel said lightly.

These words struck Qi Yiyun's heart like a big force. Was he bragging in a world that he could quickly reach? However taking a look at him, it didn't seem like he was simply boasting.

A guy can offer the whole globe to his lady. Just how pleased would that lady be?

"I'm going to remainder," Samuel said.

Having been purchased to leave, Qi Yiyun did not linger and also left Samuel's room gladly.

Back in her own space next door, Qi Yiyun could not fall asleep for a long period of time. Samuel's words echoed in her ears like a curse, making her feeling increasingly more that

Samuel had not been kidding which she intended to press Yvonne away with a solid impulse.

However, she recognized that this was not the correct time. She did not have the chance to validate Samuel's true abilities. All of this was just empty talk.

"Do you know what the most effective gift is?" Qi Yiyun claimed to the empty area.

Eventually, Donghao's voice came, "As long as you desire it, I will aid you get it even if I need to risk my life."

Qi Yiyun smiled disdainfully and also said, "There are some things that you can not get back at if you risk your life due to the fact that you're not qualified at all."

"Youthful miss, what do you desire? Donghao will most definitely bring it to you." Donghao claimed in discontentment.

"The entire globe, can you do it?" asked Qi Yiyun.

Donghao was silent. The entire globe! This was not something that could be described by the word "present". Even if he had fantastic toughness, he was not qualified to claim this.

"Young miss, the one that talked these sorts of words is just flaunting." After a very long time had passed, Donghao stated.

Qi Yiyun was lying on the bed, reluctant to close her eyes. It appeared that she might see the whole globe before her.

"You can't do it, but it does not imply that others can not. Perhaps he actually has such capability and allow us wait and see." Qi Yiyun claimed any which way.

The following early morning, Samuel and the other 2 boarded the plane back to Cloud City.

Presently, individuals of Cloud City's Go Organization were furious when they listened to Samuel had lost the video game.

They assumed that they could make Cloud City's Go Association popular by making the most of Samuel's triumph in the summer competition. And now, Samuel not only shed the

video game, however also lost under the scenarios of Ouyang Xiujie's giving in. For them, this was a scandalous point.

" This damn Samuel, he really lost. He shamed us in addition to him."

" We should not have actually thought this good-for-nothing. Is Ouyang Xiujie that simple to win? He's Shangguan Heibai's adherent!"

" This time, we're all realistic with him. Exactly how can we take this resting?"

" Decrease? I will not quit unless I'm dead. I'm absolutely going to vent my rage."

" Humph, given that he degraded us, the Sue household won't having fun. If we join hands, he won't even have a chance to live off us."

" You're right. If this good-for-nothing makes us lose face, we'll allow him shed his dish."

In their hearts, Samuel was merely a pointless person that they can toy with even if they won. Currently that Samuel had shed the competition, how could they let him off so conveniently?
