

# Chapter 4936

Charlie said, "I flew out of town to help mom find a reference,

"And now I am coming back to New York, and has mom contacted you in the past two days?"

"I got in touch." Claire sighed and said, "Husband, I was just about to call you to tell you about it."

"Mom called me just ten minutes ago. You know on the phone. What did she say to me?"

Charlie, already guessed, but still pretended to be curious and asked: "What did Mom say?"

Claire said helplessly: "She said that she is doing very well in prison now."

"She wanted to call you, but your call never got through, so she called me and asked me to tell you that she is not in a hurry to come out right now,"

"So let you don't get her out of there too soon... What else can I say,"

"I thought as long as she can make it back to China with us that would have been the best,"

“If it doesn’t work, she can come back by herself after she is released from prison... ..”

After speaking, she asked nervously: “Husband, don’t you think she is too strange?”

“What could she be doing in prison, and say that she doesn’t want to come out too soon... ..”

Charlie sneered and thought to himself: “My silly wife, you have to know that your mother is the ghost of Bedford Hill now,”

“I guess you can understand why she doesn’t want to come out... ..”

But he didn’t say much, just comforted:

“Wife, I guess mom didn’t want us to worry, so she said that.”

Claire said seriously: “mom is not the kind of person who knows how to...”

“There are only two possibilities that she doesn’t want to come out for someone who thinks about others,”

“One is that she was coerced, and the other is that she lived very comfortably in there.”

He sighed in his heart: "It really is her confidence."

He said with a sigh of relief: "Don't worry, the prison is not a place outside the law, and no one should coerce her."

"As for the second possibility, I think this may be the case."

"It may be that she made friends inside and wants to experience new life in it,"

"And I also asked a client in New York to help me find a relationship, I guess I can take care of her in there."

Claire said helplessly: "To be honest when I heard her tone on the phone at that time, it didn't seem like she was being coerced,"

"Her tone was weird, she seemed very happy, but she didn't want me to hear it,"

"So she did it on purpose. It was some restraint... I really don't understand..."

Charlie smiled: "Good wife if you don't understand, don't think so much,"

"Since Mom can tell you that herself, then there must be no trouble, and all should be good."

"Well..." Claire sighed and said helplessly:

“I can’t do anything about her, I just have to ask you to work hard and also find a way to rescue her.”

Charlie smiled and said, “It’s not hard work, as long as mom is fine, everything else is not important.”

After saying that, Charlie saw the seat belt warning light in the office turned on,”

“So he told Claire: “Wife, the plane is about to take off,”

“And I have to return to New York overnight, so I will hang up now.”

“You take care of yourself these days, take classes well, and don’t worry about the rest of the things.”

“Okay... ..” Claire instructed: “Then husband, you must also pay attention to rest, don’t be tired.”

After exhorting each other for a while, the two hung up the phone with no end in sight.

Immediately, the aircraft’s thrust was fully turned on,

And after taxiing for a certain distance on the runway,

It rose into the air and disappeared into the night.

The flight, which originally took at least five or six hours to fly, landed at JFK Airport in New York in just two hours.

The convoy of Shangri-La Hotel was already waiting at the airport.

After Charlie and everyone completed the customs formalities from the VIP channel,

They took the concierge convoy of Shangri-La directly to the hotel.

When he was about to arrive at the hotel, Stella called and said to him,

“Mr. Wade, I have all the herbs on your list. Should I bring them to the hotel now?”

Charlie didn't expect Stella's efficiency to be so fast,

After all, it only took more than two hours, and it was a big night.

But Charlie didn't ask much. Stella is now the head of the Fei family,

And she is also a householder in New York. Naturally, the relationship channel is deeply rooted.
