

Chapter 5

The two news released by the Emgrand Group completely detonated the entire Aurous Hill.

Hearing that the Emgrand Group has changed hands, the Willson family wanted to understand why the White Family was kicked out by the Emgrand Group.

It seems that the new owner of the Emgrand Group still looks down on families likes of the White Family.

But who is Mr. Wade? Is this person too good? The Emgrand Group, which has hundreds of billions, buys and buys, and the richest man in Aurous Hill is not as big as his!

For a time, countless families were ready to move. On the one hand, they were eager to have a relationship with this mysterious Mr. Wade, and on the other hand, they also longed for their daughter to marry Mr. Wade.

In addition, the Emgrand Group wants to invest in a hotel project of 2 billion, which also makes the entire Aurous Hill construction and decoration industry tremble!

Two billion!

Just get a little leftover material, and you can make a lot of money!

Countless companies want to get a share of it.

This naturally also includes the Old Mrs. Willson who is addicted to money!

Mrs. Willson was very excited at this time. This is a great opportunity for a two billion project!

If the Willson family can get a contract from it, it will really be ascended to heaven!

So she immediately ordered a family meeting to be held at home tonight to discuss how to make a breakthrough in the new project of the Emgrand Group. Everyone must attend!

That night, Willson's villa.

Because the Lady Willson asked everyone to be there, Charlie followed.

He knew that the Lady Willson was going to a meeting to discuss how to get a share of the Emgrand Group's big project.

Therefore, he wanted to take this opportunity to help his wife Claire grow her face!

When he arrived at the Willson family villa, Claire's cousin Harold immediately sneered when he saw him: "f*ck, Charlie, you have such a thick skin, and you have the face to see grandma again!"

Claire said with a cold face: "Don't talk nonsense. Grandma asked everyone in the Willson family to come. Charlie is my husband, and naturally also from the Willson family!"

Harold laughed and said, "He is though considered a half Willson family! But just a live-in son-in-law!"

Charlie touched his nose and said to Claire, "Forget about him my wife, don't be familiar with him, go in quickly, save grandma waiting."

Claire nodded, and owed Harold a good face, and walked in with Charlie.

Seeing this, Harold's expression also became cold, waiting for them to look good.

After entering the conference hall, Charlie and Claire found a place in the corner to sit down.

Soon, Mrs. Willson stepped forward and the family meeting officially began.

The Old Mrs. Willson sat in the main seat, knocked on the table, and said vigorously: "The Willson family has been waiting for an opportunity in the past few years, an opportunity that can make us one of the richest in Aurous Hill! Now, this opportunity has finally come!"

Mrs. Willson said loudly: "This time the Emgrand Group has thrown out a two-billion-dollar project. Whoever can get a cooperation contract from it will definitely benefit a lot!"

"Moreover, this is the first major project of the Emgrand Group after the change of ownership. For the Willson family, it is a great opportunity!"

"If we can cooperate with the Emgrand Group and leave a good impression on the new owner of the Emgrand Group, then the future of the Willson family will be limitless!"

Although the Lady Willson was very energetic, the people below seemed a little unmoved.

In fact, it is not a day or two for the Willson family to cooperate with the Emgrand Group. For such a long time, the Emgrand Group has ignored the Willson family. The Lady Willson now wants to take a share of the new project of the Emgrand Group. How can it be possible?

Seeing that all the people present were silent, Mrs. Willson immediately questioned in annoyance: "What? Are all dumb? Don't you have the confidence to take a little leftover from the 2 billion project?"

Everyone looks at her and each other, but they dare not talk to each other.

The Lady Willson was even more angry, and gritted her teeth and said: "I will put the words here today, who can talk about the 30 million cooperation share from Emgrand Group, who is the director of the group!"

As soon as this remark came out, everyone sitting was taken aback.

The Lady Willson has always been arbitrary, so she has never appointed a director in the group. After all, the director has a lot of power, and it is almost the successor of the future group that is qualified to hold this position.

The Lady Willson is now using this position as a reward. She definitely hopes that there will be a brave competition for the reward. It can be seen that she is extremely eager for the Emgrand Group project.

However, although the position of the director is good, it is not so easy to take.

In the eyes of the Willson family, if you want to reach a cooperation with Emgrand, you have to get a contract of 30 million? Don't be kidding, even if Mrs. Willson goes out in person, the executives of the Emgrand Group will not see her, let alone talk about cooperation.

There was silence in the family meeting hall.

Seeing this, the Old Mrs. Willson asked angrily: "You are descendants of the Willson family, don't you want to share the worries for the Willson family?"

After that, the Old Mrs. Willson looked directly at Harold: "Harold, leave this to you!"

Harold laughed a few times and quickly said: "Grandma, even Gerald's house has been cleared by the Emgrand Group now. Our strength is worse than the Whites. How can we get the Emgrand Group contract?"

Mrs. Willson suddenly cursed: "rubbish! Deny yourself if you haven't tried it. You are more rubbish than Charlie!"

In fact, Mrs. Willson didn't know her heart, but she didn't want to be the helm of a second-and third-rate clan forever. She dreamed and longed for the Willson family to rise to the next level.

And this Emgrand Group project is the only opportunity.

Therefore, no matter how difficult it is, she would not give up.

She thought that Harold, as the eldest grandson, would be able to take over the task happily, but she did not expect that he would withdraw at this time!

Harold was also very depressed, who would take on such an impossible task? He was afraid that he will be kicked out before entering the gate of the Emgrand Group.

At that time, not only did things fail, but they were also ridiculed and laughed at by others, so he decided not to agree in any way.

After cursing Harold, the Old Mrs. Willson shouted and asked: "Where are the others? Don't you dare to take this task?"

Charlie lightly touched Claire with his elbow at this time, and whispered: "Wife, you take this task!"

Claire hurriedly said: "It's crazy! It's impossible for the Emgrand Group to cooperate with a small company like the Willson family!"

Charlie smiled slightly and said confidently: "Don't worry, you can definitely talk about this cooperation!"

Claire asked in surprise, "Really?"

Charlie said confidently: "Of course! I don't think you have a problem at all! Seize this opportunity, and your future status in the Willson family will Hanginrocket!"

Claire didn't know why. At this moment, she believed Charlie's words in a bewildered manner.

She stood up subconsciously and said to the Old Mrs. Willson: "Grandma, I'm willing to try."

Chapter 6

Claire's statement made the entire Willson family stunned!

Everyone felt that Claire must be crazy!

Don't divide the time to show off! At this moment of being in the limelight, what can be the result besides death?

The Emgrand Group is the largest company in Aurous Hill. How can people look at the Willson family? Whoever talks about it will never succeed!

Harold couldn't help but sarcastically said: "Claire, do you think you can get the contract from the Emgrand Group?"

Harold's own sister and Claire's cousin, Wendy, also sneered at this moment: "Sister Claire, what is your identity, and what is the identity of the Emgrand Group? You go to talk so rashly, don't shame our Willson family.!"

Someone agreed: "That is, if she is driven out by the Emgrand Group by then, our Willson family will definitely become a laughing stock in Aurous Hill!"

When Claire heard the sound, her cheeks were extremely red, feeling very embarrassed.

Since marrying Charlie, her status in the family has plummeted, becoming less and less important, and almost squeezed out, and even her parents have been ridiculed.

She felt that if she could talk about this project with the Emgrand Group, her position in the family would definitely be consolidated.

The most important thing is that parents can also stand upright.

But at this moment, being ridiculed by so many people, she couldn't help but retreat.

She gave Charlie a depressed look. Why did she listen to his bewitching words? Won't get up for this if she knew it

Old Mrs. Willson was very angry when she heard what everyone said.

After asking this question several times, no one dared to take this task. Now Claire took the initiative to stand up, and the group of people began to pour cold water again!

Although the Old Mrs. Willson had always disliked Claire, at this time, she felt that Claire was at least willing to share her worries, unlike other people who only knew to hide in their shells at this moment!

Especially Harold, her beloved grandson, really disappointed her, too much!

Because of this, Mrs. Willson's attitude towards Claire also changed a lot.

So she immediately said: "Since others dare not agree, don't talk nonsense! This time we cooperate with Emgrand Group on the project, let Claire talk about it!"

Claire could only bite the bullet and replied, "Don't worry, grandma, I will definitely go all out."

At this time, Harold sneered coldly from his nose and said, "What's the use of going all out? It's not a shame for the family to fail in the end!"

Charlie asked with a sneer, "Harold, what is your purpose in singing badly? Don't you think the Willson family is qualified to cooperate with Emgrand Group?"

Harold didn't expect that Charlie would dare to speak at the family meeting, and he would wear a high hat on himself.

Seeing that Mrs. Willson's expression was also a little sulky, he immediately explained: "I don't mean that, I just think it is impossible for Claire to discuss this cooperation!"

Charlie smiled and asked him: "Then what if she can talk about cooperation at first? Shall we make a bet?"

Harold sneered: "Come on, just gamble, I will be afraid of you? Tell me, what are you betting on?"

Charlie said: "If she start to negotiate a contract, you kneel down and knock me three heads in front of the whole family and say you are wrong. If she can't negotiate at first, I will knock three heads for you and say aloud that I was wrong, what do you think?"

"Hahahaha!" Harold immediately laughed wildly: "You rubbish are really looking for death! Okay, I'll bet with you!"

Charlie nodded in satisfaction and said: "The whole family is here to witness that if anyone goes back, it will be equivalent to wishing death for father, mother, grandpa, grandma!"

Charlie deliberately said the three words "dead grandma" very seriously, because he was afraid that Harold would back out it when he loses.

As soon as these words came out, Harold never dared to go back, because in that way, wouldn't it be cursing his grandma, that is, Old Mrs. Willson to die? When the time comes, Mrs. Willson will not let him go!

"Okay!" Harold didn't know that Charlie had dug a hole for him, but instead felt that it was impossible for him to lose.

So, he laughed and said: "The whole family witnesses, I am waiting for you to kowtow to me!"

Claire was startled, and kept winking at him, but she didn't expect him to completely ignore it.

Old Mrs. Willson didn't care about this kind of gambling. Her only concern was whether she could enter the Emgrand Group's cooperation list this time. If she could, don't say let Harold kneel to Charlie, even if Harold called Charlie his father, she didn't care either.

So she said: "Today's meeting ends here. Claire, you have three days to win the contract and the meeting ends!"

Back home, the father-in-law and mother-in-law immediately attacked Charlie and Claire.

The mother-in-law Elaine Ma was anxiously worried, and blurted out: "Claire, you are crazy, how can you listen to Charlie's rubbish words, so confused and promised this job!"

Father-in-law Jacob Willson also scolded Charlie and said, "Charlie, Charlie, you rubbish, you have killed my girl!"

Then, his father-in-law said angrily: "If you can't talk about the Emgrand Group's cooperation in the first place, you will definitely be squeezed out by the family. You, this rubbish, will also kneel and kowtow to Harold in front of the whole family. Don't let you lose it?"

Charlie said seriously: "Dad and Mom, as long as the contract can be negotiated at first, everything will be solved?"

"Talk, talk, talk! Talk all bullsh*t!"

The father-in-law scolded: "Do you know how strong the Emgrand Group is? How can they look at the Willson family!"

Charlie smiled and said, "Maybe people can see it? I think it must be fine at first, and she can definitely get the contract down."

The mother-in-law sneered at the side: "Do you think? Think you are the boss of the Emgrand Group? A rubbish, do you use any a**brain of yours? You are still talking here!"
