

Chapter 501: Director Jiang, Bad News

“Why do I have a feeling that President Shen is referring to Ah Dou?”

“Yes, and that person who likes to support Ah Dou...”

“I think so too. Come to think of it, is she talking about Shen Qianrou and her grandmother?”

“Hey! That’s true! Think about how many things have happened to Shen Qianrou recently. Lan Yun Entertainment is still determined to support her. I really don’t know what she’s thinking!”

“Forget it, forget it! Don’t mention those annoying people. It’s good that Lan Yun Entertainment has closed down!”

“That’s right, that’s right! The lousy company should just close down! Anyway, I won’t look, touch, or buy anything related to all the artistes in their company in the future!”

“That’s right! We strongly boycott Lan Yun Entertainment!”

This press conference that was automatically formed without an invitation was instantly the focus of everyone’s attention!

Shen Fanxing’s every word, every question posed by the reporters and her fans were clearly recorded!

In particular, the words of the fans made some of the partners who had worked with Lan Yun Entertainment determined to terminate the contract.

Lan Yun Entertainment was in danger again!

Lan Yun Entertainment immediately released a statement saying that this matter had nothing to do with Shen Qianrou. Although “Everything is Love” belonged to Ji Yi, Shen Qianrou had indeed participated in the adaptation! Shen Qianrou had also been deceived by Lin Shijia and had no idea!

Even so, they did not manage to salvage the situation!

At this moment, Jiang Rongrong’s secretary walked in with an ugly expression. She didn’t even knock on the office door!

Jiang Rongrong was so frightened that her heart skipped a beat. She slammed the table and stood up from her chair!

However, before she could reprimand him, the secretary immediately said,

“Chairman Jiang, bad news. We’ve received reliable news that someone is secretly acquiring the company’s shares! Most of the shareholders have already sold their shares at a low price!”

Jiang Rongrong’s curses were stuck in her throat and her face turned pale. Her body swayed violently and she fell onto the chair!

“No wonder... No wonder the shareholders didn’t do anything despite such a huge incident happening in the company! So... so... they...”

Shen Qianrou's face turned pale and a deep sense of despair spread throughout her body.

Why did it become like this?!

She looked at the television again. Stars International was crowded with reporters and fans. They were all paying attention to Stars International's movements!

She even saw many advertisers in the industry, the heads of international brands, as well as screenwriters, producers, directors, and television station heads entering Stars International Tower after the reporters' crazy interviews.

'Without exception, they were all discussing cooperation!

Some were even Lan Yun Entertainment's previous partners!

Because of Ji Yi, not long after Stars International changed its operating model, it rose rapidly!

It was an unparalleled miracle in the entertainment industry!

It shocked all the investment experts in the country!

All these twists and turns were because of a concert. However, if everyone who watched Stars International's press conference knew that Shen Fanxing's confident look at that time was because she had determined that this concert, which was despised by everyone from the start, was destined to succeed!

No one dared to say that such a miracle was purely a coincidence!

Shen Fanxing, the person in charge of Stars International, was indeed discerning!

Chapter 502: It Must Be Her

Shen Fanxing, the person in charge of Stars International, was indeed discerning!

"CEO Shen is a very smart woman!"

"The key is that she has Ji Yi's talent, but the most admirable thing is her decisive actions!"

"With the help of Lan Yun Entertainment and Lin Shijia, this matter has spread to the maximum and attracted the attention of everyone. At the same time, she helped Ji Yi hold a concert for free and turned the most disadvantageous situation into the most advantageous condition. I have to say that this is

already a classic case in the history of investment! I'm impressed!"

"What a move to borrow an arrow from a straw boat! The timing is right and she has grasped it perfectly!"

This time, not only was Ji Yi famous, but Shen Fanxing's actions had also attracted a lot of attention.

The rise of Stars International and the tragic state of Lan Yun Entertainment made Lan Yun Entertainment a joke!

Jiang Rongrong stared at the television. There was no trace of remorse on her pale face. Instead, she glared at Shen Fanxing with gritted teeth.

“Have you found out who is buying the company’s shares?”

‘The moment Jiang Rongrong finished speaking, Shen Qianrou’s eyes darkened.

“Grandma, it must be Sister. It must be her! She wants to destroy the Shen family and Lan Yun Entertainment! She has 200 million yuan now. It’s not a problem for her to acquire Lan Yun Entertainment!”

Jiang Rongrong frowned even more!

At this moment, the secretary said,

“I’ve checked. It’s not Missy...”

Shen Qianrou and Jiang Rongrong’s expressions changed at the same time. They looked at the secretary, who shook her head at them.

Shen Qianrou’s version of “Everything is Love” was removed from major music platforms.

All the songs at Ji Yi’s concert had occupied the top few places on the charts!

It was no surprise that “It’s All Love” was at the top of the list. The download had already exceeded a billion, and the number of streams had exceeded a billion. It was still increasing!

At Stars International, the employees who had always respected Shen Fanxing couldn’t wait to bow to her!

‘The shareholders were all grinning from ear to ear!

He was simply too awesome!

Although she managed the company well, every decision she made was terrifying!

If something went wrong, it wouldn’t be worth it!

After being busy for a few days and assigning Ji Yi to Qi Na, she was finally free!

‘When she reached home, it was already the third day of overtime. Fortunately, Bo Jinchuan’s emotions had been stable recently and he didn’t seek revenge on her.

After resting on the sofa for a while, she stood up, drank two bottles of water from the fridge, and went upstairs!

Usually, if she didn’t come back, Bo Jinchuan wouldn’t be alone in the bedroom!

It was as if he was a resentful woman waiting to be taken advantage of!

Shen Fanxing had laughed a lot because of his words. In the end, she was forced back by Bo Jinchuan’s cold gaze every time.

She went straight to the study and saw Bo Jinchuan sitting in front of the computer in his pajamas. He was focused on the screen.

“Do you want supper?”

The moment Shen Fanxing entered, she placed the glass of water on the desk.

Bo Jinchuan raised his head to look at her. His eyes, which had been solemn from working for a long time, had yet to change.

“I’m not hungry.”

His voice was low and his dark eyes moved slightly. He pinched the space between his eyebrows.

Shen Fanxing frowned and put down the glass of water. She walked behind him and placed her slender fingers on his temple..

Chapter 503: Your Time Is Mine

She glanced at the computer screen and was dazzled by the dense data.

Her head hurt and she quickly averted her gaze.

“Why is there so much work recently?” she asked with a frown.

Bo Jinchuan leaned back on the chair and closed his eyes to enjoy Shen Fanxing’s service.

“You seem to be busier than me.”

Shen Fanxing smirked. Fine, she was waiting here.

“The company’s matters should be coming to an end. Qi Na helped to bring a few managers and I’ve handed Ji Yi’s matters to her. There shouldn’t be any major problems.”

comment

Bo Jinchuan opened his eyes slowly and grabbed her hand, guiding her to the side. Then, he wrapped his long arm around Shen Fanxing’s waist and pulled her into his embrace.

Shen Fanxing sat firmly on Bo Jinchuan’s lap. She placed her hand on his shoulder and looked down at his handsome face.

She had not seen him properly for many days. Now, it seemed like she could not help but blush.

Her eyes darted around in panic while Bo Jinchuan’s lips curled up slightly. His dark eyes stared straight into hers and his deep voice sounded.

“So the rest of the time is mine, right?”

Shen Fanxing paused and recalled solemnly.

Suddenly, she felt a grip on her waist and a tingling sensation. Shen Fanxing shuddered and Bo Jinchuan’s warmth spread through her clothes.

“You still need to consider? Hmm?”

Shen Fanxing shook her head and said, “No, I’m just thinking about how to make it up to you after neglecting you for so long.”

A faint smile flashed across Bo Jinchuan’s handsome face. “So, have you thought of how to make it up to me?”

Shen Fanxing raised her hand and caressed Bo Jinchuan’s eyebrows. The fatigue on his face was obvious.

“Can you stop working? Go to bed early tonight.”

Bo Jinchuan stared at her for a while before grabbing her hand and kissing it.

“Okay, I’ll listen to you.”

Shen Fanxing relaxed and nodded. Just as she was about to get out of his embrace, she was trapped in Bo Jinchuan’s embrace. He carried her and walked towards the door.

“Hey, put me down. I can walk by myself!”

Bo Jinchuan ignored her and carried her into the bedroom.

Only then did he place her on the bed. He lowered his head to look at Shen Fanxing’s dark eyes, which were filled with fatigue. His deep voice sounded helpless.

“Change your clothes and go take a shower.”

Shen Fanxing heaved a sigh of relief and nodded. She got out of bed and went into the bathroom.

‘When she came out, she saw Bo Jinchuan standing by the window on the phone.

“There’s no need. Just like in the past years, don’t waste your time. No one can control me anymore.”

Shen Fanxing frowned slightly. She could guess something from Bo Jinchuan’s words.

“Enough.”

Bo Jinchuan’s voice was laced with anger and he ended the call.

‘When she turned around, she saw Shen Fanxing standing behind her. Her dark eyes narrowed slightly.

Shen Fanxing’s heart skipped a beat. She turned to look at the phone in Bo Jinchuan’s hand and smiled.

“Did Uncle and Auntie call?”

Bo Jinchuan walked towards her and threw his phone on the bed. He lowered his head to look at her. Taking in her scent after her shower, he pulled her into his embrace..

Chapter 504: Discussing the Marriage

“How do you know?”

“Because I’m smart.”

“Ha.”

Bo Jinchuan ruffled her hair without saying a word. He pulled her to the bed and tucked her in.

Leaning into Bo Jinchuan’s embrace, Shen Fanxing sighed.

“I’m afraid I’ll have to get used to your embrace in the future. Now, I feel that it’s very difficult to sleep without your embrace and smell your scent! What do you think I should do?”

Bo Jinchuan tightened his grip on her as a low chuckle sounded from above.

“What do you mean? Just don’t leave me.”

“Yes... But you won’t leave me, right?”

Bo Jinchuan lowered his gaze and met her bright eyes.

Her eyes reflected his and he could even see his expression clearly.

He lowered his head and kissed the tip of her nose gently. “I won’t leave you, so marry me quickly!”

Shen Fanxing smiled. How could she marry him if he wasn’t going to propose?

Shen Fanxing blinked and her expression changed imperceptibly.

She buried her head in Bo Jinchuan’s chest.

“I’m tired. I’m going to sleep!”

Shen Fanxing called out coquettishly and snuggled into Bo Jinchuan’s embrace.

“Making a fuss? Huh?”

Shen Fanxing arched her back again.

The grip on his waist tightened and Bo Jinchuan wrapped his legs around Shen Fanxing’s. His voice was low and hoarse.

“aren’t you tired?”

Shen Fanxing stopped moving instantly.

Shen Qianrou and Jiang Rongrong were about to go crazy from the torture. For the past few days, they had been guarding the company’s stocks and meeting the other shareholders, but the truth couldn’t be changed.

Lan Yun Entertainment was already on the verge of collapse. The new shareholder already had 30% of the company’s shares, and they had 35% of the company’s shares. The other party had already become the company’s second largest shareholder. If the other party continued to acquire the shares, Lan

Yun Entertainment would completely change hands.

If the other party wasn’t Shen Fanxing, Shen Fanxing might take the opportunity to resell her shares!

'At 15%, the company would eventually fall into the hands of others.

Once the decision-making power fell into the hands of others, what would happen to Lan Yun Entertainment in the future?

The other party's decision to acquire it at this time was obviously filled with malice!

Looking at Jiang Rongrong's haggard face, Shen Qianrou bit her lips and comforted her softly,

"Grandma, don't be anxious. Don't Grandpa still have shares? Tell him that he will help us..."

Jiang Rongrong shook her head and said, "Don't worry about your grandfather's shares. I'm thinking that 15% of your sister's shares is too dangerous!"

Shen Qianrou's eyes lit up slightly. "So you mean..."

Jiang Rongrong frowned, her face solemn!

"Since we have Stars International, why should we monopolize Lan Yun Entertainment..."

Shen Qianrou didn't smile and was still a little worried. "But will Sister let go so easily?"

Jiang Rongrong pondered for a moment before sighing.

"Don't worry about this first. Behave yourself these few days and continue doing charity..."

Shen Qianrou bit her lips, looking conflicted.

"But Grandma, those people don't collect their debts at all..."

"If you stop now, others won't buy it!"

Jiang Rongrong looked impatient. After a moment of silence, she looked at Shen Qianrou and asked,

"How have you been with Su Heng these few days?"

Shen Qianrou bit her lips and remained silent. Ever since they separated, she hadn't contacted Su Heng.

Jiang Rongrong rubbed her forehead and sighed tiredly.

"Let's meet the Su family tonight and discuss your marriage!"

Chapter 505: Celebration?

"Let's meet the Su family tonight and discuss your marriage!"

Shen Qianrou was delighted, but a moment later, a worried expression appeared on her face.

"But I've been like this recently. Will Brother Heng not want... Uncle and Aunt to be unhappy now..."

"What do you think? You're a public figure. So what if there's a scandal? Moreover, the Su family has to rely on you to win the International Fragrance Competition. What are they unhappy about?"

The International Fragrance Competition?

Shen Qianrou narrowed her eyes and resentment flashed across them.

Yes, there was also the International Fragrance Competition!

Looking at the news of Ji Yi successfully becoming the spokesperson of a well-known international brand, Shen Qianrou gritted her teeth and clenched her fists tightly. She was filled with anger and jealousy.

It was all Shen Fanxing's fault!

If not for her, Ji Yi would have long been trampled into the dust by her and there would be no room for her to make a comeback!

She was destined to hide in a corner. She was still that meek and unattractive Ji Yi!

All of this should have been hers!

It was all because of Shen Fanxing!

Yet, he had to go against her!

She would snatch away all the glory that belonged to her!

How could she let her off so easily!

That b*tch!

Jiang Rongrong turned to look at her and sighed heavily!

His expression was solemn and deep.

'What had happened recently?

Why was Qianrou in such a sorry state?

She could do anything!

But if she had to find a reason, it had to do with Fanxing.

At the thought of Shen Fanxing, Jiang Rongrong pursed her lips and frowned even more.

'When it was almost time to get off work, Yin Ruijue called Shen Fanxing.

Shen Fanxing was in a meeting and didn't answer the call.

After the meeting, Shen Fanxing returned to Yin Ruijue's office.

The call was picked up quickly and Yin Ruijue's clear and playful voice sounded.

"Hey, Sister-in-law, it's been so long since Ji Yi's concert. As the boss, aren't you going to hold a celebration party for her?"

Shen Fanxing raised an eyebrow and her delicate left eyebrow rose unconsciously.

“I’m holding a celebration with Stars International’s employees. It doesn’t seem to have anything to do with you, right?”

Shen Fanxing had no room for rejection!

Yin Ruijue coughed and said, “Sister-in-law, don’t stand on ceremony with me!”

Who’s treating you like an outsider?

Before she could speak, Yin Ruijue continued,

“The company is a company, and a person is a person. I’ve already told Ji Yi that you want to hold a celebration party for her alone. I’ve also invited Li Tingshen!”

Oh, right, you don’t have to contact Brother Bo. You didn’t pick up my call just now, so I called him first. I’ve booked a private room at Green Jade Entertainment Company tonight. Come over after work!”

After the call, Yin Ruijue hung up.

Shen Fanxing was speechless!

How could this be?

Was she holding a celebration for Ji Yi?

How could he be so domineering?

‘As expected of a rich young master, he was domineering!

There was no room for rebuttal.

However, since Yin Ruijue had already made arrangements and Bo Jinchuan had agreed to go, it was understandable for them to go out for a gathering!

Moreover, Ji Yi didn’t disappoint her. She should indeed celebrate and encourage her.

After some thought, she contacted Xu Qingzhi.

Chapter 506: Waiting for Someone

After some thought, she contacted Xu Qingzhi.

“Hey, Fanxing.”

Xu Qingzhi’s voice sounded a little weak.

Shen Fanxing frowned and asked, “Where? Are you still unwell?”

Xu Qingzhi placed the pen on the table and leaned back in her chair. She sighed and said,

“At the company? I can’t tell where I’m feeling unwell. What’s wrong?”

Shen Fanxing fell silent for a moment before saying,

“wanted to ask you out for a gathering. If you’re not feeling well...”

Xu Qingzhi took another deep breath and interrupted Shen Fanxing. “Go ahead. Perhaps you’ll feel better after you relax.”

Rubbing her brows, Xu Qingzhi straightened her body and closed the document on the table before standing up.

Shen Fanxing paused before replying softly, “Alright, I’ll pick you up.”

Xu Qingzhi chuckled softly and said, “Don’t be jealous of me again!”

Shen Fanxing rubbed her forehead helplessly. “You’re still in the mood to tease me? Looks like you’re fine!”

Xu Qingzhi smiled and said, “If there’s no problem with your daughter, I’ll definitely enjoy the fruits of her labor.”

“Okay, I’ll pick you up after work.”

Shen Fanxing hung up and heaved a sigh of relief.

At night, the weather was a little gloomy and there was already fine rain.

A gorgeous car drove through the rain and slowly stopped at the entrance.

The door of the driver’s seat was quickly opened. The chauffeur, who was wearing a black suit, walked to the backseat with an umbrella and opened the door respectfully.

A tall figure bent down from the car. Then, he turned his body slightly and looked at the door quietly. After a while, a slender wrist reached out and rested on the man’s outstretched palm.

Shen Qianrou alighted from the car and stood in front of Su Heng. She was slender and petite.

She raised her head and gave Su Heng a sweet smile. “Thank you, Brother Heng...”

‘That gentle and innocent smile made Su Heng a little dazed, and his expression softened unconsciously.

‘The comers of her lips curled up slightly, making Shen Qianrou’s heart skip a beat.

Not long after, another car drove over slowly.

Seeing this, Shen Qianrou let out a soft cry and ran to the front. Su Heng strode forward and caught up with Shen Qianrou. He hugged her shoulders.

“It’s still raining. Why are you running around?”

Although it was an accusation, there was no trace of accusation. On the contrary, there was a hint of doting.

“But Uncle and Auntie are here...”

Faced with Shen Qianrou’s gentleness and fragility, Su Heng seemed to have no resistance.

Looking at the car, Shen Qianrou bit her lips and hurried over.

Afraid that she would get drenched, Su Heng had no choice but to pull her to the car.

Shen Qianrou hurriedly opened the car door and took the spare umbrella from the chauffeur. She opened it and raised it. Cai Jingyi alighted from the car and gave Shen Qianrou a strange look.

“Child, it’s raining heavily. We can do it ourselves. Look at you, you’re drenched.”

Cai Jingyi put on a polite smile and glanced at Shen Qianrou’s wet shoulder.

Shen Qianrou smiled. Jiaojiao looked so innocent that it made one’s heart ache.

Su Bingyou got out of the car as well. His face was expressionless and his attitude towards Shen Qianrou was lukewarm.

‘When they reached the entrance, Su Heng and Father Su were chased into the clubhouse by Cai Jingyi. She asked them to make the arrangements!

She and Shen Qianrou stayed behind to wait for Jiang Rongrong and the rest.

Chapter 507: Difficult

Looking at the rain outside, Shen Qianrou held Cai Jingyi’s arm affectionately, her voice full of apology.

“Auntie, I’m sorry for causing so much trouble recently... I’ve made things difficult for you.

Hearing this, Cai Jingyi sighed helplessly and said, “There are too many scandals in the entertainment industry. If you’re not careful, you’ll get into trouble. I know Su Heng hasn’t insisted on you staying in the entertainment industry. Tonight, we’ll discuss your marriage. Before you get married, we’ll give

you freedom. But after you get married... it’s not good for the daughter-in-law of the Su family to appear in public. Think about it carefully!”

Shen Qianrou frowned, her long eyelashes fluttering, making her look aggrieved and conflicted.

“Auntie... I can’t quit the entertainment industry at this time... Besides, Lan Yun Entertainment can’t do without me...”

In the end, Cai Jingyi sighed helplessly and didn’t say anything else.

Shen Qianrou was also nervous. After a long silence, she slowly said,

“I will leave the entertainment industry, but I definitely can’t do that now. At the very least, I can’t leave when I’m in my most pathetic state. I can’t ignore Lan Yun Entertainment either...”

Cai Jingyi turned to look at her before shaking her head!

“You can discuss this with Su Heng!”

The rain seemed to be getting heavier. A black Volkswagen CC slowly stopped at the entrance.

Xu Qingzhi alighted from the front passenger seat with an umbrella and a windbreaker!

The door of the driver's seat opened and Shen Fanxing alighted from the car in a long suit with a black umbrella.

The moment she turned around, she saw the two people standing at the door and looking at her.

She glanced at the two of them indifferently. After a while, her elegant face had turned cold.

She frowned slightly, feeling a little conflicted about Yin Ruijue's decision today.

With a frown, Shen Fanxing walked around the car and walked towards the entrance with an umbrella in hand.

Cai Jingyi looked awkward. She didn't hate Shen Fanxing. After all, she had helped the Su Corporation when it was at its lowest.

Towards Su Heng.

It wasn't great, but it wasn't bad either!

They had always been happy to see the marriage between the two of them. They felt that it was a good thing that the two children had their own abilities and naturally got together.

'Who knew that Su Heng would end up with Qianrou.

It had been a long time since they last met, but she felt a little embarrassed and disgusted by the anniversary celebration.

After some thought, seeing that Shen Fanxing and Xu Qingzhi were about to leave, Cai Jingyi lingered for a while before greeting Shen Fanxing.

"Fanxing, you're here too?"

Shen Fanxing stopped in her tracks.

She turned her head and looked at the person who spoke sarcastically.

"Mrs Su, what's the matter?"

Cai Jingyi didn't expect Shen Fanxing to be so sarcastic one day.

"It's just that it's been a long time. How are you? How have you been?"

Shen Fanxing snorted coldly and said, "You don't have to worry about that!"

Seeing Shen Fanxing's repeated retorts, Cai Jingyi couldn't hold it in anymore.

She took a deep breath and sighed heavily.

"Fanxing, let go of some things. Su Heng chose Qianrou. Even if you're angry, you should have vented your anger long ago... You're still unwilling to let go. It's difficult for Su Heng to be between you and Qianrou! Things have already reached this stage. Even if you've done too much, Su Heng and you..."

"Mrs. Su!"

Shen Fanxing frowned and interrupted Cai Jingyi coldly..

Shen Fanxing frowned and interrupted Cai Jingyi coldly.

She kept the umbrella in her hand and said coldly,

“A man who cheated on his fiancée is an unpresentable scumbag. Moreover, he’s with his fiancée’s half-sister. Where do you think Su Heng came from? Is he worth me remembering him?”

‘When Cai Jingyi heard Shen Fanxing’s words, her gentle face darkened and she pointed at Shen Fanxing, trembling with anger.

“You... How can you say such a thing? You...”

Shen Fanxing fixed the creases on the umbrella and looked up, her eyes full of mockery.

“Why can’t I say it? Do you think I’m wrong? If you have to argue with me, you can think again...”

After a pause, she stared at Cai Jingyi meaningfully for two seconds before saying slowly,

“If your husband were to get together with your sister behind your back, how would you feel...”

Cai Jingyi’s face turned pale and she pointed at Shen Fanxing angrily.

“How dare you!”

Shen Fanxing raised an eyebrow and smirked coldly.

“It’s just an analogy. You can’t take it anymore?”

Shen Fanxing sneered and her expression turned cold.

“I, Shen Fanxing, am not someone who would compromise for the greater good. Any man would fall into my eyes, let alone a man who is worse than scum. Put away the thought that your son is the best in the world and all women will flock to him.”

“Of course I can’t have any relationship with him. Is he worthy of me?”

Seeing Cai Jingyi’s pale face, Shen Fanxing’s eyes turned colder.

At the thought of her as an elder encouraging Su Heng and Shen Qianrou to be together, the coldness in her heart intensified!

He retracted his gaze indifferently and turned to walk towards the door.

“You’re putting it nicely now. Who was the one who served Su Heng tea and worked hard for him? Why do you have to make yourself sound so noble?”

Shen Fanxing stopped in her tracks and paused for two seconds. Then, she turned around slowly and looked at Cai Jingyi coldly. At the same time, she saw Shen Qianrou’s mocking and gloating smile.

Her tall and slender figure exuded a powerful aura. Her coldness and strength made Cai Jingyi nervous.

Shen Fanxing stared at her for a while before saying coldly,

“You also know that I used to serve Su Heng tea and work hard for him? Not bad, it’s good that you remember! I don’t want to waste my breath explaining to you when I collect the debt!”

Cai Jingyi was shocked by Shen Fanxing’s aura and she couldn’t help but move towards Shen Qianrou.

Sensing Cai Jingyi’s reliance, Shen Qianrou hurriedly said,

“Sister, Auntie is an elder after all...”

“an elder should act like an elder. Don’t play double standards and restrain my morals! Morality depends on the person.”

Shen Fanxing gave them a cold stare before turning to enter with Xu Qingzhi.

Looking at Shen Fanxing’s back view, Cai Jingyi shook her head repeatedly.

Her face was full of regret and disappointment.

“Fanxing wasn’t like this before.. How did she become like this?”

Chapter 509: Scum

Shen Qianrou shook her head and said, “I’m sorry, Auntie. Sister’s attitude just now... We didn’t know that Sister would become like this...”

Cai Jingyi shook her head and said, “She’s too vicious. Fortunately, Su Heng didn’t choose her in the end.”

Shen Qianrou pursed her lips and said, “Actually, Sister is very good...”

“Alright, alright. You only know how to speak up for her. Who doesn’t know who she is? Oh... it should be your grandmother and the rest.”

As she spoke, Cai Jingyi looked up at the car driving over and interrupted the conversation about Shen Fanxing.

Shen Qianrou looked up and saw that the car had stopped beside her.

She hurriedly held an umbrella and welcomed Jiang Rongrong out of the car.

Behind her were Yang Liwei and Shen Defan.

Yang Liwei greeted Cai Jingyi and started chatting at the door.

When Xu Qingzhi entered the clubhouse, she didn’t look too good and went straight to the washroom.

Shen Fanxing waited for her alone in the corridor.

‘When Su Heng came out to rush her, he saw Shen Fanxing at the door.

“Fanxing?”

A familiar voice sounded. Shen Fanxing frowned and turned her head. It was indeed a face.

His face darkened instantly.

Su Heng continued,

“I didn’t expect you to be here.”

Shen Fanxing frowned even more.

“Why can’t I be here?”

Lo

“Evil creature! Why are you here? What do you want?”

Before Su Heng could finish speaking, Jiang Rongrong’s voice sounded from behind.

Su Heng looked up at Shen Fanxing and frowned.

“Fanxing... didn’t come with you?”

“We’re discussing your marriage with Qianrou tonight. Why did I call her over? She only knows how to find ways to cause trouble for Qianrou and cause trouble for the Shen family. Calling her over? Am I tired of living?”

Jiang Rongrong said angrily, her face dark from the moment she saw Shen Fanxing.

Shen Fanxing’s back was facing Jiang Rongrong and the rest.

Shen Qianrou stared intently at Shen Fanxing’s back, feeling smug.

She wondered how sad she would be when she found out that they were here to discuss her marriage with Su Heng.

Although she sounded like she didn’t care, did she really think that way?

‘That was the man she had been waiting for years. How could she not feel anything when she found out that he was getting married?’

Ha.

Shen Fanxing had lost her man, a man who had once meant a lot to her. How could she remain indifferent?

“Really? That’s a pity!”

Shen Fanxing turned around slowly and looked at Jiang Rongrong sarcastically.

“Sorry, you’ll lose a few years of your life after seeing my face.”

“You... you unfilial grandson!”

Jiang Rongrong really felt that she would be angered to death by Shen Fanxing sooner or later!

Shen Fanxing didn't care and asked calmly, "Su Heng and Shen Qianrou are getting married?"

Jiang Rongrong narrowed her eyes warily. "Why? What do you want to do now?"

Shen Fanxing sneered and said, "What can I do? It's a good thing that Su Heng and Shen Qianrou ended up together. I'm just happy."

Disappointment flashed across Su Heng's expectant face. He pursed his lips and looked at Shen Fanxing with a complicated expression.

Shen Fanxing chuckled and said,

"A scumbag and a b*tch will eventually be together. I'm looking forward to seeing the sparks between the two of them..."

"A scumbag and a b*tch will eventually be together. I'm looking forward to seeing the sparks between the two of them..."

The moment Shen Fanxing finished speaking, their expressions darkened. Cai Jingyi's face paled and she turned to look at Jiang Rongrong.

Under Cai Jingyi's gaze, Jiang Rongrong's already ugly expression turned into awkwardness and anger.

She had scolded everything that needed to be scolded, but Shen Fanxing refused to budge.

"You... you're really... ill-mannered!"

Shen Fanxing sneered and said, "Yes, I'm ill-mannered! My dear Grandma..."

?pEft

The moment Shen Fanxing finished speaking, Xu Qingzhi couldn't help but laugh.

A tutor, a tutor!

This was even more ironic when it came from the eldest parent of the Shen family, Jiang Rongrong!

Because she had to maintain her dignity in front of Cai Jingyi, she didn't expect her words to be so embarrassing!

Jiang Rongrong's face turned pale!

"If you're looking for trouble, get lost! You'd better behave yourself tonight and stop causing trouble!"

Shen Fanxing narrowed her eyes at Jiang Rongrong before glancing at Su Heng's face. She said in a neutral voice, "Congratulations."

Because Su Heng was standing in front of Jiang Rongrong and Shen Fanxing, no one saw her expression when she looked at Su Heng.

Su Heng's expression changed slightly. He pursed his lips and tightened his grip.

However, Shen Fanxing's expression remained unchanged as she walked into the corridor.

After taking two steps, she felt that something was amiss. More importantly, there was a strong sense of familiarity!

She gradually stopped in her tracks and looked up.

'When she saw the familiar figure, Shen Fanxing's scalp tingled and her lips twitched!

She had no idea when Bo Jinchuan had arrived. At that moment, he was staring at her with his deep and dark eyes. The faint sense of danger he exuded made Shen Fanxing exclaim to herself.

Xu Qingzhi nudged Shen Fanxing's elbow and whispered to her,

"Your husband doesn't seem right. Did you provoke him?"

Shen Fanxing pursed her lips.

Yes, she had messed up big time!

At this moment, Bo Jinchuan suddenly strode towards them.

Shen Fanxing looked conflicted!

Just as Bo Jinchuan was about to reach her, someone pushed Shen Fanxing's shoulder forcefully. She stumbled towards Xu Qingzhi!

Xu Qingzhi reached out to support her, her back pressed against the wall of the corridor!

Bo Jinchuan paused and a dangerous glint flashed across his eyes.

However, the person involved had no idea. Jiang Rongrong walked towards Bo Jinchuan and extended her hand with a smile.

"Hello, CEO Bo. I'm Lan Yun Entertainment's CEO. I've attended your inauguration ceremony before! CEO Bo is really young and promising!"

Bo Jinchuan tilted his head to look at her. There was an unfathomable wisdom and depth in his eyes.

She couldn't understand what he was thinking.
