

Chapter 5031

Elaine's words made James stunned on the spot.

He subconsciously asked: "Ms. Ma, what do you mean by a few days' delay?"

Elaine said angrily: "A few days later is the literal meaning,"

"Just let them be a few days later, don't be so anxious!"

James' whole person was instantly embarrassed.

He really couldn't understand why Elaine made such a strange request.

Confused, he couldn't help but ask: "Ms. Ma, I'm a little confused,"

"Don't you want me to get you out of here as soon as possible? Why don't you want to go out now?"

Elaine said seriously: "To tell you the truth, I have fallen in love with this place,"

"The people here are very friendly, and I have made a lot of friends here."

"I'm not an American, and I'll be returning to China in a while."

In fact, Elaine has no real friends here at all,

And some are just flatterers from all over the world.

These people are respectful and flattering to her every day, and even make her feel like a queen.

It is not easy for ordinary people to experience this kind of feeling.

After all, the free world has always been a place where there are people outside the world,

And it is difficult to find the feeling of being self-reliant.

But in a small environment like a prison, it is relatively easy to implement.

So Elaine also knew very well that if she left Bedford Hills Correctional Institution,

She would never be able to find this kind of self-serving experience.

James was also a little confused at this time.

He really couldn't figure out why Elaine fell in love with this ghost place.

So, he said embarrassedly: "Ms. Ma, this matter is not up to you and me now."

"In this matter, it all depends on the efficiency of the police."

If they are efficient enough, you will be released soon."

"Of course, if their efficiency is slow enough, maybe you can stay here for a few more days."

Elaine suddenly thought of something, and quickly said to him:

"By the way, aren't you invited by my son-in-law's client?"

“Then can you ask my son-in-law’s client to help me clear the way with the police,”

“So that they don’t let me out for the time being,”

“Wait another 10 days or so, and let me out in another ten days!”

Because the case is almost closed, Elaine’s situation is equivalent to taking a reassurance pill.

Although she had been very comfortable here before,

She was somewhat worried, what if she couldn’t get out by herself?

Prison life is fun, and it’s fun to be a ghost in Bedford Hills, but it’s all based on experiencing life.

If she really can’t get out, so that this kind of life becomes normal, then she can’t stand it.

But now she can be completely relieved, Phaedra has surrendered,

And her grievances have been washed away, so she can leave whenever she wants.

That being the case, she would prefer to stay at ease for a few more days.

James was a little embarrassed at this time, but he had a goal of not disappointing customers,

So he immediately agreed and said, “Ms. Ma, don’t worry, I will help you with this matter!”

Elaine breathed a sigh of relief and said, “Then don’t forget, I’m waiting for your good news.”

...

The first thing James left Bedford Hill Correctional Institution,

He immediately took out his mobile phone and called Douglas, the old man of the Fei family.

On the phone, he reported Elaine’s strange performance to Douglas one by one,

And Douglas hurriedly conveyed Elaine’s demands to Charlie word for word.

When Charlie was on the phone and heard Mr. Fei say,

That Elaine didn’t want to leave the prison for the time being, he himself felt dumbfounded.

He really didn’t expect that his mother-in-law would be addicted to squatting in prison.

It seemed that she had a really good life at the Institution.

At this time, Douglas on the other end of the phone said respectfully,

“Mr. Wade, it’s not too difficult to keep your mother-in-law in Correctional Institution,”

“I can call friends from the judicial department to say hello.”

Chapter 5032

Charlie said without thinking at this time:

“Forget it, don’t bother, let’s arrange for her out of prison tomorrow.”

In fact, Charlie didn't want to let Elaine out so early.

After all, he doesn't really look forward to see her face every day.

However, he also has to consider the feelings of his wife.

He has been away from Providence for some time. During this time,

His wife goes to school and lives alone, and she has to worry about Elaine in prison.

Life is a bit torturous for her.

Although she was 100% sure that he could bring Elaine out at any time,

In her view, even if she was more sure of what he said, she would still feel insecure.

After all, from her point of view, her mother was framed this time and stabbed out a big basket,

And she might be sentenced to life imprisonment for the slightest carelessness,

So she could not reassure herself completely before her mother was released from prison.

Charlie didn't want Claire to continue to worry,

So he planned to let Elaine come out tomorrow, and then take her to Providence,

So that Claire could feel at ease as soon as possible.

Right now, at Bedford Hills Correctional Facility.

Since Elaine met James White, her mood has become uneasy.

When she returned to the restaurant, she lost her appetite even for the tomato and egg braised noodles.

When a group of people saw that she was in a state of dismay,

They hurriedly asked, "Sister Elaine, what's wrong with you? Did something happen?"

Elaine shook her head dejectedly and said,

"It's nothing, you don't have to worry about it."

Elaine didn't want to tell them that she might be leaving soon.

In that case, it is estimated that many of them will celebrate with the crown.

Even inmates in other cells will celebrate the departure.

Therefore, Elaine decided not to say a word,

And let every second she stayed in the Bedford Hills Correctional Institution be fearful.

However, in order to ensure that she could stay in prison for a few more days,

She used the public phone in the playground to call Charlie when she was out for fresh air.

After Charlie connected, Elaine hurriedly said on the other end of the phone:

“Good son-in-law, it’s Mom!”

Charlie said politely: “Mom, how are you doing these two days?”

Elaine said repeatedly: “All fine. Good, very good,”

“I called you just to tell you don’t worry about Mom, I am okay inside.”

Charlie snorted and said, “That’s good, by the way, Mom,”

“I heard about the suspect who lied to you. The person has been caught, I believe you will be out soon.”

Elaine hurriedly said: “Good son-in-law, I am calling to talk about this matter,”

“Can you help Mom to tell your client and let them find a relationship,”

“Don’t let me come out so early, I don’t want to come out now...”

Charlie pretended to be curious and asked, “Mom, what’s wrong with you?”

“It’s hard to get a chance to regain your freedom. Now, why don’t you want to come out?”

Elaine said hesitantly: “That... the thing is that mom made some friends in here,”

“And I’m quite speculative with these people. I want to talk to them every day.”

“So I want to stay for a few more days! Charlie, I don’t care! You must help Mom find a way!”

Charlie said vaguely: “Okay, then I’ll give it a try, but I’m not sure it will work.”

Elaine reminded: “It must be done! If you can’t help your mother,”

“She will give the prison guard a big mouth immediately so that they could lock me up again!”

Charlie smiled helplessly: “Okay. Okay, I’ll help you think of a way to make you satisfied.”

“It’s almost the same!”

Elaine hung up the phone contentedly after receiving Charlie’s promise.

However, Charlie didn’t have any idea of helping Elaine get her wish.

He directly sent a voice message to Joseph, which read:

“Joseph, all the people you arranged for the Bedford Hills Correctional Institution can be evacuated,”

“And find a way to let them complete their evacuation tomorrow at noon.”

Joseph immediately replied with a message:

“Okay, Mr. Wade, your subordinate will make arrangements!”

Chapter 5033

Charlie knew Elaine very well every move of her in prison

He is very aware of her acting style and thinking logic.

Now that she has fallen in love with Bedford Hills Correctional Institution,

And liked the feeling of being intimidating there and being a ghost,

Then if she doesn't take his request seriously, she should let her be.

She will be released from prison tomorrow, so she should definitely be unwilling.

In this way, whenever she thinks about her wonderful life in there, she will definitely criticize him later.

So the best way is to let herself decide to leave that place.

Don't look at how happy she is now, but it's not difficult for her to decide to leave by herself,

As long as the three female soldiers are evacuated,

She will definitely change immediately, like crazy, and want to come out quickly.

Elaine doesn't know what kind of routine her good son-in-law has prepared to deal with her.

In order to ensure that Charlie could keep her in Bedford Hill Correctional Institution,

After dinner, she was going to call him again to inquire about the progress of the matter.

On the playground, the Chinese prison guard saw Elaine and said very politely:

"Sister Elaine, what are you doing in such a hurry?"

Elaine said worriedly: "Oh, the lawyer was here at noon today. Wasn't he?"

"Told me that my case has been settled and that I will be released tomorrow."

"Really?!" The prison guard said in surprise: "Congratulations to you,"

"Sister Elaine, you will be free soon."

Elaine waved his hand: "To tell the truth, I don't want to go out yet,"

"So I'm going to call my son-in-law and ask him to say hello to the boss of the New York police system,"

"And let me stay here longer. a few more days."

The prison guard asked in surprise: "Sister Elaine, why are you doing this?"

"Everyone here wants to go out early, why do you want to stay for a few more days?"

"This kind of opportunity to experience life, I also want to know more about,"

"Feel more about life in American prisons, and introduce myself to my friends when I go back in the future."

Although the prison guard didn't understand, she still said with a very polite smile:

"Sister Elaine, I think you are here to experience the hardships of the American people..."

As she spoke, she suddenly remembered something and said quickly,

“Publishing books is very popular here, not only by simple writers,”

“But also by some writers with special experience also like to publish books,”

“You shouldn’t be accumulating materials for your own writing, right?”

Elaine’s eyes lit up, and she said, “Oh, this is a good reason, this...”

Thinking of it, she hurriedly said to the prison guard:

“I won’t tell you first, I’ll go and call my son-in-law!”

On the phone, she asked him, “Good son-in-law, how is the work that Mom asked you to do?”

She thought of the flash of inspiration just now, and said to him,

“By the way, good son-in-law, Mom wants to stay here for a few more days,”

“Not just for fun and making friends, but Mom also wants to go back and be able to write a book or something,”

“Such as “The Days I Was in Prison in the United States”,”

“To expose the darkness in American prisons, maybe it will be a hit!”

Chapter 5034

Charlie was stunned, Elaine writing a book?

To reveal the darkness in American prisons? Seems like she’s the darkest one at Bedford Hill Correctional Facility right now?

However, he didn’t say anything, just smiled slightly, and said in a very determined tone:

“Mom, don’t worry, I have already greeted my client,”

“And he said that he will definitely help you clear the relationship,”

“So that If you don’t want to, the New York police wouldn’t let you out so soon.”

“Okay!” Elaine burst into a smile when she heard this.

For her now, the flowery world outside is still a little unremarkable,

And she feels more satisfied with the dominance of Bedford Hills Correctional Institution.

So, she said happily: “It’s still my good son-in-law who has the ability!”

“It’s amazing to be able to find a relationship so in New York!”

Charlie laughed and said casually: “It’s a coincidence,”

“There just happens to be a client. Otherwise, I couldn’t help you much here.”

Elaine said with a smile: "Oh, okay, it's good to be able to help!"

"Good son-in-law, then mom won't keep you busy,"

"You help mom Say hello to Claire and tell her not to worry,"

"And also, you don't have to wait in New York all the time,"

"Go back to accompany her first, and Mom will come out in ten days and a half."

"Okay." Charlie opened his mouth and said,

"I'll tell Claire in a while, so you don't have to worry about it."

After hanging up the phone, Elaine was overjoyed.

She happily hung up the phone, and when she turned her head,

She bumped into a woman's back. The woman turned her back in anger but

When she saw Elaine, she immediately bowed respectfully and said "Sister Elaine!"

Seeing her shivering nervously, Elaine couldn't help sneering, and said casually,

"I am in a good mood now, so I am letting you go this time."

After speaking, she turned her face and walked away swaggeringly.

On the playground, everyone who saw her still respectfully greeted her, which made her mood even better.

But she still doesn't know that all this is about to usher in a drastic change tomorrow!

...

The next day.

The first thing Elaine did after getting up was to vent on Chloe and Jessica.

Seeing that the two of them were still sleeping on the bed,

She immediately went to the bathroom to bring out a basin of cold water,

And poured half of the water on Chloe's body.

She poured the remaining half of the basin onto Jessica, who was curled up on the other bed.

Jessica also screamed in fright, and then jumped up from the bed.

Seeing Elaine standing in front of her with an empty basin,

The two wet people dared to be angry but did not dare to speak.

Elaine looked at Chloe and asked coldly,

"What do you think I'm doing? Why don't you get up and work!"

Chloe cried and said, "We did laundry until the early hours of the morning,"

"And we just fell asleep three or four hours ago. Can you still let us live for an hour?"

Elaine said contemptuously: "It's already cheap for you to sleep for three or four hours!"

"Get up quickly and wipe the floor for me, if there is dust on my feet, look if I won't kill you!"

Elaine has a deep hatred for Chloe.

In her opinion, even her mother-in-law was not as pure evil as Chloe.

Chapter 5035

In addition, Elaine herself is a character that must be punished.

Now that she has become the boss here, she will naturally retaliate on Chloe.

Chloe dared to be angry but didn't dare to speak,

So she could only get up quickly, and with Jessica, went to the bathroom to change into clean clothes,

So she began to kneel on the ground and wiped the floor with all her might.

After everyone moved freely in the cell for a while,

The prison guards came over and began to roll the call.

After the name was called, the prison guard suddenly said, "Evelin Chen, Shaniya Wang, Anika Luo,"

"You three come back after dinner to prepare, and pack your personal belongings,"

"And you can go through the formalities for getting out of prison before noon today."

As soon as this came out, Elaine's expression suddenly became extremely horrified.

The three names that the prison guard called were the three female soldiers of the Cataclysmic Front, who were Elaine's biggest supporters at this Institution?

It is precisely because of the unparalleled combat effectiveness of these three people,

That no one dared to provoke Elaine here.

As for those former prison bosses, who had tried to challenge Elaine's authority,

They were all taught a good lesson by these three.

Later, all those who were unconvinced were beaten and feared,

And Elaine became a well-deserved Bedford Mountain ghost.

However, she never thought that the three big backers who supported her,

To become the Bedford mountain ghosts would suddenly be released from prison!

Nervous, she immediately asked, "What's the matter?! They...they are going out now?"

The prison guard smiled, nodded, and said,

“The defendant in their case has been withdrawn, and it can be done today. They will be free again.”

As she said that, she looked at Elaine and said with a smile,

“By the way, Sister Elaine, I asked the kitchen to prepare soy milk fritters for you. You can try it later.”

Elaine stayed on the spot. What soy milk fritters, she is so scared that her face is blue and white now.

The three female soldiers were also a little surprised.

Because the order they received before was to protect Elaine at the Bedford Hill Correctional Institution.

Therefore, in their opinion, only when Elaine is released from prison first will it be their turn.

But they never imagined that they would be released from prison in front of Elaine.

The three of them are also very clear that they have helped her during this time,

And established absolute prestige in the Bedford Hill Correctional Institution,

But at the same time, they have also made countless enemies.

Because the three of them were by Elaine’s side 24 hours a day,

Those who were beaten naturally did not dare to make trouble.

However, if the three of them are released from prison first and only Elaine is left,

Then will she not be beaten to death by these vengeful people?

No one else will say it, just Chloe, who is in the same cell, will probably kill Elaine!

Elaine was also trembling with fright at the moment.

She never dreamed that the transition from heaven to hell would come so quickly!

When Chloe, who was kneeling on the ground and mopping the floor,

Heard this, the whole person immediately cheered up.

She knew very well that Elaine’s protective umbrella here mainly came from two aspects,

And the first to bear the brunt were these three women who were particularly capable of hitting.

The second is the special care that the prison guards gave her.

And what really troubled Chloe was the three women living in the same cell.

Chloe hated Elaine for a long time. When she heard that the three women are going to be released from prison,

The first thing that came to her mind was to wait for the three women to leave,

And after everyone had finished she will beat Elaine to death.

Chapter 5036

As for what would happen after Elaine tells the prison guards,

Chloe had completely ignored it at this time.

During this period of time, she was tortured by Elaine in an inhuman form,

And she just wanted to work hard for her.

The reason why she has been restrained is that she knew that with these three women, it is useless to try her best.

But after waiting for the three women to leave, the desperate opportunity came!

At this time, Elaine was in a panic and fear filled her heart,

And she also gave Chloe a look. When she saw that Chloe was secretly aiming at her with extremely vicious eyes,

Elaine only felt a chill in her back.

At this time, she could not wait to slap herself a hundred times on her big mouth.

She pondered nervously in her heart: "Dmn...isn't this a finished calf?"

"It's not...If I knew that the three of them would be released today,"

"Yesterday I would ask Charlie to Hurry up and get me out of prison today!"

"It's good now... Charlie has already greeted his friends and helped me to stay here for a few more days,"

"Then when the three of them leave, am I going to die here?"

At this time, the three female warriors of the Cataclysmic Front were also a little worried.

Among them, Evelin, the leader, couldn't help but said to Elaine:

"Sister Elaine, we are leaving, you must take care of yourself!"

Elaine was about to cry, and she held Evelin's hand tremblingly, cried, and said:

"Evelin, Evelin, you can't leave me here, Evelin! If you leave like this, what will I do, Evelin..."

"Chloe and Jessica, these two b!tches, can't wait to strip me alive?"

"There are others in other cells... They must all want to kill me..."

Evelin helplessly said: "Sister Elaine, I... I don't know how I can go out so soon,"

"I thought I had to go out later than you... When we leave, You must take good care of yourself,"

"Or you should hurry up and find a way to get out as soon as possible..."

Elaine choked and said, "It's too late to say anything..."

“Even if I want to go out, I have to call my son-in-law first,”

“And ask my son-in-law to quickly think of a way, but you all leave before noon today.”

“Even if my son-in-law can get me out in the afternoon,”

“I’m afraid I won’t survive the period from noon to the afternoon...”

After speaking, she looked at Evelin and said expectantly:

“Evelin Why don’t you hurry up and do something! Go out and hit a prison guard,”

“Or beat a few prisoners in front of the guard, so you can be locked up again?”

Evelin was stunned, then shook her head and said: “Sister Elaine...”

“The judicial system doesn’t work that way. Even if I beat the prison guards here,”

“It wouldn’t just keep me in jail, they would definitely notify the police first.”

“I get caught, and then the police will charge me to the court,”

“And then the court sentences me to come in before that I couldn’t come in.”

“Then when I come in, it is estimated that it will be two days later... “

Ah?!” Elaine was as anxious as an ant on a hot pan,

And kept spinning in circles. She cried and muttered in her mouth:

“It’s finished, it’s finished, this time I’m really finished!”

Speaking, she suddenly came back to her senses and said nervously:

“No, I have to hurry up and call my good son-in-law and let him quickly find a way to save me...”

Evelin comforted her and said:

” Sister Elaine, don’t worry first if you want to make a phone call,”

“You have to wait for the wind time, or go to a meal first!”

Elaine said in a panic: “I have the heart to die now, how can I still have the mood to eat...”

After she finished speaking, she mumbled to herself with tears in her eyes,

“My good son-in-law, it’s up to you whether Mom can get out alive...”

“You can and you must find a way to save your mother...”

Chapter 5037

When Elaine was in a state of despair, while she was absent-mindedly grabbing breakfast in the restaurant,

The news that the three powerful inmates were about to be released from prison,

Had already spread throughout the Bedford Hills Correctional Institution.

Everyone knew that the reason why Elaine was able to make a kingdom here was mainly,

Because she had three women who were powerful enough to be perverted.

Now, these three women are suddenly going to be released from prison,

This means that Elaine will completely lose her asylum!

As a result, many people who were suppressed, humiliated by Elaine,

And even cleaned up by the three females, began to ignite the flame of revenge in their hearts.

Everyone was looking forward to repairing Elaine after the three people leave,

To see if she was still the so-called Bedford Mountain ghost.

Because of this, throughout breakfast time,

Elaine could always feel the eyes and threats from all directions.

The flustered Elaine, after breakfast, went to the playground to grab a public phone as soon as possible,

Got the phone, and called Charlie immediately.

After receiving Elaine's call, Charlie didn't find it strange at all,

And asked with a smile, "Mom, why did you call me so early?"

"I have already done everything you asked me to do yesterday,"

"And it is expected that the New York police will be there after a week,"

You will regain your freedom. During this time, you can have a good time in there with your new friends,"

"And by the way, you can also accumulate some materials for the book you want to write."

Elaine suppressed the fear in her heart and blurted out:

"Good son-in-law, about that...you better let them release me quickly, I don't want to stay here..."

Charlie pretended to be surprised and asked, "Mom, why did you suddenly think about it again?"

"I just said hello to them, I'm afraid it won't change anymore..."

When Elaine heard this, she was even more frightened,

And even her voice was a little nervous and pleaded:

"Good son-in-law, please help me to find a way to get my mother out as soon as possible,"

"It is best to let your mother get out of here before noon today."

"I really don't want to stay here for a minute!"

Charlie asked inexplicably: “Mom, what’s wrong with you?”

“Actually, I think your motivation for writing a book yesterday was really great.”

“When your book is finished and published in China at that time,”

“We will also be able to let people see the unknown side of the United States, and maybe even win an award!”

Elaine saw that Charlie actually believed her nonsense remarks and it made her feel extremely annoyed,

But she didn’t dare to let him know the truth, so she could only bite the bullet and say;

“You also know about Mom’s situation, how can someone like me be able to write books?”

“Ah! If it’s not well written, wouldn’t it make people laugh...”

After speaking, she couldn’t wait to ask: “Good son-in-law,”

“Can you get Mom out today? I can’t stay any longer! Please help Mom!”

Charlie pretended to be surprised and asked,

“Mom, what happened to you? Did you get bullied inside?”

Elaine wanted to follow Charlie’s words, tell him that she was indeed bullied in prison,

She believes this will make Charlie pay attention and get her out quickly.

But after thinking about it, in the future, she still wants to rely on the stalks of the Bedford Mountain Ghost to brag to others.

If she now admits that she was bullied in prison,

How can she tell others vividly about her time in the future?

The legendary experience of the Bradford Hill Correctional Institution?

Thinking of this, she could only quickly explain: “Mom mainly misses you,”

“And I dreamed of Claire last night, so I thought that I would call you when I had a meal early this morning.”

“It’s better to go out early, go out early and see Claire sooner...”

Chapter 5038

Charlie thought for a moment, and said with some embarrassment:

“Mom, I will definitely help you with this matter, but I don’t know if it can be done.”

“Sure, if you can’t come out today, you will work hard and persevere,”

“And I will try my best to let you come out tomorrow or the day after.”

Elaine said nervously: "Good son-in-law, can you be in a hurry, not tomorrow or the day after tomorrow!"

"Think of a way to see how I can go out today..."

Charlie snorted and said, "I call my friends and wait for my news first."

Elaine hurriedly said: "Good son-in-law,"

"Then I will call you at noon! You must help Mom find a relationship!"

"Okay." Charlie deliberately trying to make her nervous, he reminded her:

"Mom, I'm still saying that, you just told me yesterday that you don't want to come out for the time being,"

"But now you suddenly are telling me that you want to come out today,"

"I really don't know about it. Can't give a 100% guarantee."

Elaine was extremely annoyed at this time, but she also knew that her request was too sudden,

And it might be really difficult for Charlie to fish her out before noon,

After all, from now on there are only four hours left for lunch.

Thinking of the urgency of time, Elaine's heart immediately became uneasy,

But now she can only tell Charlie: "Good son-in-law, you must do your best!"

After speaking, she thought to herself: "If he still does it at noon I'm not sure,"

"I'll call him again during the lunch break, and then I won't care about my face,"

"Crying and begging him to let him find a way to take me away..."

Hanging up the phone, she walked through the playground in a panic,

Looking for the three females. This time, no one of the other prisoners encountered by passing by called her Sister Elaine respectfully.

Everyone looked at her with a smile that was not a smile.

It's because the three ladies haven't been released from prison,

So everyone doesn't dare to directly trouble Elaine.

At this time, Elaine came to the three and said worriedly:

"You haven't left yet, the eyes of these people looking at me are not quite right, if you leave, what should I do?"

"..."

Evelin, the leader of the three, quickly suggested to her:

“Sister Elaine, then you have to find a way to get out!”

“It’s difficult for the prison guards to guarantee your safety 100% here,”

“Not to mention that Chloe and Jessica are eyeing you.”

Elaine nodded again and again: “I’ve already called my son-in-law,”

“But I don’t know if he can get me out as soon as possible...”

After speaking, she asked Evelin: “Evelin, can you teach me?”

“A little self-defense, in case anyone troubles me, I at least have the ability to protect myself.”

Evelin said embarrassedly: “Sister Elaine, I can teach you,”

“But it is impossible for you to learn it in one day...and even if you learn it,”

“It’s hard for you to take advantage of Chloe and Jessica at your age.”

“Then what to do...” Elaine was extremely flustered, and then she suddenly thought of something,

And quickly said to Evelin: “Evelin, why don’t you do this!”

“Don’t you guys want to go back and start packing your personal belongings later?”

“Why don’t you take this opportunity and find an excuse?”

“I’ll give them an excuse to repair them!”

“It’s better to break their legs so that they can’t do anything to me!”

Evelin was stunned, if Elaine made this request yesterday,

She must do it immediately without saying a word, after all, this is the task given to her by the Supreme Commander.

However, things are different now.

Joseph had told them a long time ago that under normal circumstances,

They would protect Elaine at the Institution until she is released from prison, and they had to obey her.

But if they are released early, the signal would mean an emergency termination of the mission.

And once the mission is terminated urgently, they must no longer actively interfere with Elaine’s situation!

So Evelin said embarrassedly: “I’m sorry, Sister Elaine,”

“Although we got along very well during this time, we are not your bodyguards,”

“Not to mention, we are finally going to be released.”

“In this case, we cannot cause trouble, so from now on, you’re on your own.”

Chapter 5039

With Evelin's words, Elaine fell into a cold ice cellar.

She was not in the mood to bother her if her request was too much.

She only knew that Evelin, who had been covering her at the Institution, was no longer concerned with her life.

The uneasy Elaine sat alone on the bed,

Watching Evelin and the two pack their personal belongings, she panicked and was afraid.

Staying up until noon in anxiety, the prison guard came to the cell again.

After the roll call was over, she said to Evelin and the others,

"Have you three packed your things? Your lawyers have arrived."

"Now you can go through the formalities with me and prepare to be released from prison."

Evelin nodded. She opened her mouth and said,

"We've all packed up, and we can leave now."

"Okay." The prison guard said, "Come with me."

After that, she took Evelin and the two and started to leave.

At this time, Elaine hurriedly asked:

"Is there any news about me? When will you let me out?"

The prison guard asked in surprise, "Sister Elaine,"

"Don't you have to wait a few more days to get out of prison?"

Elaine blurted out: "I've already called my son-in-law and asked him to get me out today,"

"Haven't you received the news?"

The female prison guard shook her head and said, "I haven't received any news yet."

"Today it is only three of them getting released from prison in your cell, and no one else."

Elaine immediately became nervous and blurted out,

"Stephene, please say hello to your warden and tell them my case has been overturned,"

"And the person who framed me has also been caught, can you release me earlier?"

"This..." The female prison guard said embarrassedly,

"Sister Elaine, it's not up to us to let people go, it's up to the police or the court,"

"Or you can go to the playground after the meal later. Call your son-in-law to ask?"

Elaine could only nod her head uneasily, and at the same time she made up her mind,
That when she goes out later for fresh air, she must call Charlie as soon as possible,
And let him rescue her, if it was really impossible,
At least she had to let the prison guards put her in the solitary cell,
Otherwise, she might really be beaten to death.
Afterward, the prison guards took away the three,
While the others began to line up at the restaurant.

The three had just left, and Chloe, who had been suppressed by Elaine recently,
Walked up to her, gritted her teeth, and whispered: "You are dead!"
Elaine said in a panic: "Don't be too arrogant! My son-in-law is very powerful!"
Chloe sneered: "So what? Can he come in to protect you? If not, then I will kill you first!"
She said again: "Don't worry, everything you did to me,"
"I will get it back tenfold! I'd rather be locked up here for the rest of my life!"

Elaine's legs can not help but be a little weak.
And the former prison guard Jessica also stepped forward and said with hatred:
"Your son-in-law caused me to lose my job and go to prison, and you tortured me for so many days,"
"This afternoon. When you get to the cell, I'm going to break your legs,"
"And let you lick the floor clean with your mouth!"
Chloe looked at Jessica and said with a smile,
"Jessica, you can only break her one leg."
Jessica asked inexplicably: "Why?! I'm willing to break both her legs!"

Chapter 5040

Chloe sneered: "Because you want to leave the other leg for me!"
Jessica smiled and said, "I want to save one for you,"
"But I'm worried that when we go to the playground after lunch,"
"The people in the other cells will not be able to control themselves and beat her to death first!"
"Also..." Chloe looked at Elaine and sneered: "You still don't know if you can go back to the cell alive,"
"Those people who have been bullied by you in other cells,"
"I'm afraid they are all waiting now to teach you a lesson!"

When Elaine heard this, her whole body softened and she almost fell to the ground.
She can't wait to find a place to hide immediately,
But she is queuing up to go to the restaurant. There is nowhere to escape except this way.
Even if she wants to go to the playground to call Charlie for help,
She has to wait until lunch is over, because only After lunch,
They, the prisoners and suspects, can enter the playground.
However, going to the playground also means great danger.
Because there are often violent incidents on the playground.
At Bedford Hills Correctional Institution, people in the same cell usually resolve disputes in the cell,
But people in different cells can only have the opportunity to do it when they are in the playground.
The reason why Elaine was able to become the ghost of Bedford Mountain was because,
When she used to let out the air almost every day,
She would ask Evelin and the others to teach the people in other cells a lesson,
Naturally, she became the eldest sister of the entire Bedford Hills Correctional Institution.
However, this also means that she has made countless enemies here.
Now that she has lost her shelter, she might be beaten to death when she is released later.
Elaine's heart was already extremely desperate, for fear that she would have to explain it here today.
Following the line to the restaurant, all the prisoners in the restaurant knew that Elaine had lost his backing.
For a time, many people looked at her with hostility in their eyes,
And many people even wished they would rush up to beat her right now.
And those who usually follow her in front of and behind the horse have kept a distance from her at this time.
They used to come to the restaurant to eat, and there were people who especially served her plates,
But now there is not even a person who dares to sit with her. All are gone.
Many people are watching her, wanting to confirm whether she still has a backer,
And Elaine also knows that it is extremely important for her to find a group to join in.
If anyone is willing to help at this time, take them in, maybe she can have more security.
Elaine held the dinner plate, looked around for a long time,

And saw a few Chinese compatriots who had been very flattering to her before.

These compatriots originally lived in the cell next to hers.

Elaine and they had nothing to do with each other, but after Elaine became a ghost in Bedford Hills,

One day, when they were out in the air, they found her and said tearfully that there was a woman in their cell.

She as the head of the cell always bullied them, hoping that Elaine could help out,

So that the other party would stop bullying them.

In order to let Elaine take action, when they begged her for help,

They even knelt in a row in front of her.

Elaine was at the stage of extreme expansion at the time.

Seeing that the other party was so respectful to her,

And another compatriot was being bullied, and she immediately agreed.

She directly asked Evelin and beat the cell leader so hard that the cell leader was still lying in the infirmary.

And these few Chinese compatriots, because of Elaine's protection,

Turned over and became the new boss in their cell.

After that, these people would gather around Elaine to greet her every day,

When they were eating and venturing out. It was so respectful.

Therefore, at the moment, she thought to herself, since she owes this other party a big favor,

They have to lend a helping hand and help her at this time,

And at least they have to protect her from being beaten when she is out for fresh air.

So, she took the dinner plate and walked towards these people.

However, when she just arrived in front of the other party and was about to sit on an empty seat next to them,

One of them immediately put her leg on the empty seat and said indifferently, "There is someone here!"
