

Chapter 5034

Charlie was stunned, Elaine writing a book?

To reveal the darkness in American prisons? Seems like she's the darkest one at Bedford Hill Correctional Facility right now?

However, he didn't say anything, just smiled slightly, and said in a very determined tone:

"Mom, don't worry, I have already greeted my client,"

"And he said that he will definitely help you clear the relationship,"

"So that if you don't want to, the New York police wouldn't let you out so soon."

"Okay!" Elaine burst into a smile when she heard this.

For her now, the flowery world outside is still a little unremarkable,

And she feels more satisfied with the dominance of Bedford Hills Correctional Institution.

So, she said happily: "It's still my good son-in-law who has the ability!"

"It's amazing to be able to find a relationship so in New York!"

Charlie laughed and said casually: "It's a coincidence,"

"There just happens to be a client. Otherwise, I couldn't help you much here."

Elaine said with a smile: "Oh, okay, it's good to be able to help!"

"Good son-in-law, then mom won't keep you busy,"

"You help mom Say hello to Claire and tell her not to worry,"

"And also, you don't have to wait in New York all the time,"

"Go back to accompany her first, and Mom will come out in ten days and a half."

"Okay." Charlie opened his mouth and said,

"I'll tell Claire in a while, so you don't have to worry about it."

After hanging up the phone, Elaine was overjoyed.

She happily hung up the phone, and when she turned her head,

She bumped into a woman's back. The woman turned her back in anger but

When she saw Elaine, she immediately bowed respectfully and said "Sister Elaine!"

Seeing her shivering nervously, Elaine couldn't help sneering, and said casually,

"I am in a good mood now, so I am letting you go this time."

After speaking, she turned her face and walked away swaggeringly.

On the playground, everyone who saw her still respectfully greeted her, which made her mood even better.

But she still doesn't know that all this is about to usher in a drastic change tomorrow!

...

The next day.

The first thing Elaine did after getting up was to vent on Chloe and Jessica.

Seeing that the two of them were still sleeping on the bed,

She immediately went to the bathroom to bring out a basin of cold water,

And poured half of the water on Chloe's body.

She poured the remaining half of the basin onto Jessica, who was curled up on the other bed.

Jessica also screamed in fright, and then jumped up from the bed.

Seeing Elaine standing in front of her with an empty basin,

The two wet people dared to be angry but did not dare to speak.

Elaine looked at Chloe and asked coldly,

"What do you think I'm doing? Why don't you get up and work!"

Chloe cried and said, "We did laundry until the early hours of the morning,"

"And we just fell asleep three or four hours ago. Can you still let us live for an hour?"

Elaine said contemptuously: "It's already cheap for you to sleep for three or four hours!"

"Get up quickly and wipe the floor for me, if there is dust on my feet, look if I won't kill you!"

Elaine has a deep hatred for Chloe.

In her opinion, even her mother-in-law was not as pure evil as Chloe.
